EVERY THREE MINUTES SOMEONE DIES OF CANCER IN U. S.

Early cancer can be cured. Of the 180,000 who died from cancer last year, almost one-half could have been saved if they had heeded the danger signals so thoroughly published by the American Cancer Society.

If not contacted by personal solicitation, you can do your part by sending your contribution to the County chairman, Mrs. S. B. Nunnelley.

MAY 2ND IS GO-TO SUNDAY-SCHOOL DAY

Don't be surprised if someone makes a special call on you this week to invite you to go to Sunday School next Sunday. May 2nd is Go-To-Sunday-School Day in Kentucky and workers in hundreds of Sunday schools over the state are making last-minute efforts to see that each person within the community receives at least one invitation to attend Sunday school next Sunday.

In some places individual Sunday schools are promoting the observance; in others, ministerial associations and various groups are cooperating in the attempt to have a banner attendance in all Sunday schools of the community, next Sunday, and to help increase regular Sunday school enrollment.

The Go-To-Sunday-School Day movement was launched 34 years ago, under the leadership of the late Dr. George A. Joplin. Becoming a part of the annual program of the Kentucky Sunday School Association—sponsors of the movement—it has been instrumental in bringing increased numbers into the Sunday schools of the State through the years.

The words of one of Kentucky's outstanding religious leaders were never more timely than now: "The supreme need in our country today is that the forces which make for character shall control the forces which make for intelligence. One of the greatest hopes which make for character is the Sunday school."

This paper joins the Sunday schools and churches of the state in urging you to attend the Sunday school and church of your choice next Sunday—May 2nd—Go-To-Sunday-School Day in Kentucky.

ADVISORY COUNCIL MEETING PLANNED

TUESDAY, MAY 4 AT FLORENCE TOWN HALL—SELECTION OF PROJECTS WILL BE MADE FOR YEAR 1948-49.

The spring Homemakers' Council meeting has been scheduled for next Tuesday, May 4th, according to Mary Hood Gillaspie, Home Demonstration Agent. The date of the meeting was changed from May 3 to 4 due to a conflict in dates. Mrs. Joe Hogan, county president of homemakers, will call the meeting to order at 1:30 p. m., at the Florence Town Hall.

Important business on the agenda includes selection of projects of study for 1948-49, appointment of committees for annual meeting and reports of all county chairmen.

Miss Lulie Logan, Assistant State leader of Home Demonstration Agents, plans to attend the meeting.

Covington Merchants Announce "Good Will Days" Beginning May 1

Covington Retail Merchants announce the holding of "Good Will Days" every Wednesday starting next Wednesday.

Beginning Saturday, May 1, the forty stores sponsoring these events will give one ticket with each $1.00 purchase.

A cash award will be given on the Seventh Street square, near Madison Avenue next Wednesday at 1:30 p. m. and each Wednesday thereafter, same place and time.

The award will be $150.00, with a bonus of $25.00 if the person is present to claim the award.

If the winner is not present at the awarding a check for $150.00 will be mailed to her or him. In such case, bonus will be added to the following week's award as follows: First week $25.00; second week $50.00; third week, $75.00 and fourth week $100.00.

To make the events still more interesting and profitable, these stores will offer "specials" each Wednesday.

DISTRICT MEETING HELD THURSDAY

AT SUMMIT HILLS COUNTRY CLUB—EIGHTY-FOUR HOMEMAKERS FROM BOONE COUNTY IN ATTENDANCE.

Approximately 600 women from nine northern Kentucky counties attended the meeting at Summit Hills Country Club, Thursday, April 22. This was the first meeting of the newly organized Northern Kentucky District of Kentucky Federation of Homemakers, and Mrs. Leo Flynn, of Boone County, retiring district director, was in charge of the meeting.

Mrs. W. J. Mara, of Southgate, was elected to be the new director of this new Northern Kentucky District, and Mrs. McCauley, of Harrison County, was elected the new secretary.

There were 84 homemakers from Boone County present.

The principal speaker at this district meeting was Mrs. Luciella Canterbury, of Chicago, a practicing psychologist. She stressed the point of discovering one's self in order to be happy and successful. "The thing that makes most people unhappy is worry. Learn that yesterday is dead, and tomorrow unborn. Do your best to obtain joy today, because joy is nature's sign of showing that one's abilities are being used to the fullest,". was advice given the women.

Miss Mirtle Weldon of Lexington, State leader of demonstration agents, showed colored pictures of the convention of International Women of the World last summer in Holland, where she was a delegate, with 12 other Kentucky women.

Mrs. W. K. Morris, Christian County, president of the Kentucky Federation of Homemakers, spoke on "Good Citizenship."

Mrs. Curtis Moore of Erlanger led the group singing, and vocal selections were given by a quartet of Harrison county women, Mrs. Porter Carroll, Mrs. Eugene Craig, Mrs. Raymond Ward, and Mrs. Wood Taylor.

Miss Zelma Byerly, Kenton county home demonstration agent, and members of the county clubs were in charge of arrangements.

FARMERS MUST FILE FARM WORKSHEETS IN 1948 ACP PROGRAM

The last day for Kentucky farmers to file "farm worksheets" in the 1948 Agricultural Conservation Program is April 30, M. D. Royce, chairman of the Production and Marketing Administration State Committee, said today.

Farmers are required to file the worksheets in order to qualify for Federal farm program assistance in carrying out conservation practices on their farms, Royse said. This applies to both the supplying of conservation materials like lime and phosphate and the repayment of part of the cost of practices at the end of the year.

Reports from 83 counties in the State indicated that about 40 percent of Kentucky's farmers had signed up in the 1948 ACP as of April 9, Royse stated. In the 83 counties reporting, 60,901 farmers had signed up in the 1948 program on that date, the State PMA chairman said, and in the entire State he estimated that approximately 85,000 were signed up. Around 210,000 Kentucky farmers are eligible to participate in the program.

Although funds for the Agricultural Conservation Program are greatly reduced this year, Royse pointed out that farmers may obtain assistance in carrying out four or more conservation practices.

NEW BOOKS ADDED TO COUNTY LIBRARY

The reading chairman for Boone County Homemakers library wishes to announce that two new books have been added to the library, "Ageing Successfully" by George Lawton, and "My Eyes Have a Cold Nose," by Hector Chevigny. The reading chairman hopes you'll enjoy them.

DISTRICT 4-H CLUB CAMP SCHEDULED

The district 4-H Camp which includes Boone County has been set for August 2-6. Boone campers go to the sate 4-H site at Camp Bingham in Washington County.

Any 4-H member twelve years of age or over who has his or her project work in good condition by August 1 may attend, according to the county extension offices. Expenses for the camp period will be six dollars. Activities planned for the camping period are recreation, group singing, handicraft and instructive classes.

SCOTT-WASHMUTH

Miss Mary Frances Scott, daughter of Mr. and Mrs. Ross Scott became the bride of Earl Washmuth, son of Mr. and Mrs. Earl Washmuth Sr., Saturday evening, April 17th at the home of Rev. Harmon Eggleston of Ft. Thomas, Ky.

The charming bride wore a navy blue suit with a shoulder bouquet of white gardenias. Her only attendant was Miss Eleanor Jean Washmuth, sister of the groom who wore an aqua frock with a shoulder bouquet of white gardenias. Mr. William Weaver served as best man.

The happy young couple departed for California, where they will make their future home.

REVIVAL SERVICES ANNOUNCED AT LEBANON CHURCH

The Lebanon Presbyterian church on the Crittenden-Verona Pike, announces five days of revival services. These services will begin each evening at 8:00 p. m. from May 3-7.

The Rev. Ralph Parvin from Levi, Ky., will do the preaching. Rev. Parvin has churches at Levi and Booneville, Ky., where he works in the Owsley Larger Parish.

The Lebanon Presbyterian church urge every family who belongs to no church home, to come to these services. We welcome anyone and everyone to these services of Bible study and song fellowship.

BAND PRACTICE ANNOUNCED

Band practice for the combined Boone County Band will be held at the Burlington school auditorium Monday night, May 3rd at 8:00 p. m., it was announced by Dean Bloss director. All members of the band are urged to be present.

VETS TROUNCE SPORTSMEN

IN BUCKEYE SEMIPRO LEAGUE SUNDAY BY SCORE OF 9-2—WILL MEET MIDDLETOWN NINE SUNDAY.

The Boone County Vets trounced the Kentucky Sportsmen nine by a score of 9-2 Sunday at the Florence park to mark up their second victory in the Buckeye Semipro Baseball League.

S. Ryle was on the hill for the Vets and gave up only six hits, fanning nine and walking four. C. Dance started for the losers and was relieved by Webb. Seven hits were collected by the Vets, while the Sportsmen committed four errors.

The Vets broke a scoreless tie in the third inning by scoring three runs. William opened the inning with a base on balls and scored as Miller tripled to left field. Charley Benson was hit by a pitched ball and took second unmolested. "Box" Benson cracked a single scoring both Miller and C. Benson.

The locals added three more runs in the sixth on three hits, an error and a base on balls. Charles Benson led off with a double and scored on Graham's single. Denniston took first on an error and Bowman walked to load the sacks. Alvin Clore then came through with a single scoring Graham and Denniston. The winners added one in the seventh and ended scoring with two in the eighth.

The Sportsmen collected both of their runs in the eighth when Malrose walked and Lorenz singled and both scored on Stephenson's triple.

Charley Benson led the attack for the Vets with three hits, while Ziegler, Lorenz and Stephenson accounted for all the losers' blows.

The Boone Vets will travel to Middletown next Sunday where they will meet the Middletown nine at Armco Park, 3:00 p. m.

Boone County League

Petersburg defeated the Belleview nine in the only game of the Boone County Saturday afternoon League by a score of 7 to 6, after ten innings at Belleview Park.

Both teams displayed a good brand of baseball for the first game of the season. We are unable to give batteries and further details of the game.

The game between Constance and Bob & Gene was postponed on account of high water. Constance will be without a home park this season, so all games will be played away.

Games for Saturday, May 1st: Constance at Petersburg; Belleview at Bob & Gene's, Florence park. Game time 2:30.

Mr. and Mrs. Ernest Lee Fox, of Georgetown, Ky., are receiving congratulations on the birth of a son, Sunday, April 25th. The baby has been named Lee Madison. Sharing in the congratulations are the grandparents, Mr. and Mrs. George Fox, of Utica, N. Y., and Rev. and Mrs. Will Smith, of Burlington.

CHARLIE BLACK HURLS NO-HITTER

AGAINST VERONA SATURDAY IN SUNDAY SCHOOL LEAGUE — CAMPBELL SHUTS OUT SAND RUN NINE.

Charlie "Black, veteran right-hander from Big Bone, won a position in the Boone County baseball hall of fame as a result of his brilliant hurling effort against Verona last Saturday. Black tamed the hard-hitting nine with his blazing fast ball and assortment of curves as he notched up the first no-hit game in the history of the Sunday School league. Sixteen opposing batters struck out in this early season masterpiece. Mike Ryan, 16-year-old Verona moundsman, also pitched excellent ball as he limited the winners to seven safeties and whiffed 14 batters. Ryan shows great promise on the hill. The Gruelle brothers, Willy and Shirley carried the batting load with 2 hits each. Clifford Rouse was behind the bat for Big Bone with Shields on the receiving end for Verona. Summary: Big Bone 6 runs on 7 hits and 3 errors, Verona no runs, no hits and three errors.

Young Marvin Campbell, Petersburg star, shared the limelight with Black as a result of his grand 2-hit game against the defending champions from Sand Run. Sand Run, with Franklin Ryle at the helm rate as first choice again this year, but Campbell upset the dope bucket. Campbell completely blanked the champs as his teammates gave him a 6-0 victory. Fans will remember a 2-hit game this youngster turned in against East Bend last season. Sand Run, reported to be strengthened by several new players, sent Bob Miller to the hill with Frank Judy catching. Miller, a new righthander was relieved by last season's ace, Bud Goodridge in the fifth. Goodridge completed the game for Sand Run. Petersburg's 8 hits were equally divided with Dye and "Buck" Judy coming through for the losers. Donnelly did an excellent job behind the plate for Petersburg.

In contrast to two well-pitched games the hitters took an upper hand in the Bullittsville-Union fray with the Bullittsville squad winning 16-14. The victors, in notching up their second win, amassed the amazing total of 23 safe blows. Union wasn't far behind as the players drove out 20 safeties. Big Joe Hogan with two triples, double and a single took hitting honors for the day with Dick Gaines polling out two singles and a double. Gaines will be remembered as home run king when he played with Bullittsburg last season. Woods, Union second sacker, came through with two singles, a double and a triple. Joe Hogan went the route for Bullittsville with Junior Garnett receiving. Scott Jack and Gene Weaver did mound chores for Union with Black in the cage. Bullittsville is headed for the championship, according to manager Myron Garnett.

Florence drove out 14 hits and scored 12 times, but was still on the short end as Belleview won 16-12. The winners collected 10 safeties, but scored so frequently due to poor defensive play by Florence. Ivan Cason, southpaw hurler, and Dave Clore were on the hill for the winners with C. A. England and Bob Rouse working for Florence. England, losing pitcher, pitched good ball but received poor support as his infield comitted seven costly errors. Roy Brooks, Junior Rouse, Long and Bob Rouse collected three hits each to pace the losers. Florence boasts some of the best hitters in the loop. Belleview's Estel Ryle with a double and two singles was the big gun for the winners. Both teams are capable of playing much better baseball. Dud Rouse and John Walton caught for their respective teams. Roy Brooks, Florence first baseman is currently leading the league in hitting with a .550 batting average.

OLEO CONTROVERSY EXPLAINED; DAIRY FARMERS CONCERNED WITH OUTCOME

No manufacturers would regard without protest efforts of a competitor to use his patents, his trademarks, or his reputation. Butter has no quarrel with oleomargarine as long as it does not attempt to infringe upon the color which is not only butter's natural trademark but the consumer's safeguard against fraud and deception.

When the oleomargarine manufacturer says he should be granted the right to use yellow color without restriction because consumers are accustomed to a yellow spread, he actually means that he wants to infringe upon a good will and consumer acceptance created by butter. If his product possesses the merits he claims for it, why hasn't he been able after all these years to create an acceptance for white oleomargarine or oleomargarine with some other color than yellow? By this very demand for the privilege of coloring his product yellow, he admits his inability to sell his product on its own merits and gives further admission of his recognition that butter is the symbol of good living.

It is amazing that so many consumers should be so victimized by high priced oleo propaganda that they should fail to realize that in fostering the unrestricted sale of yellow oleomargarine, they are opening themselves to the possibility of being made the victims of the most widespread frauds that this country has ever witnessed. Furthermore, they are risking the possibility of losing far more than they hope to gain. Cows do not give skim milk, but a milk which contains butterfat. If the farmer has no market for the butterfat contained in that part of the total milk production which is not utilized as fluid milk, cheese and other whole milk products, but which must be utilized as butter, he will be forced by weight of economic pressure to out of the dairy business.

Eventually this will mean much higher priced milk on our tables—or are we to expect that by that time we will also have a fake milk made with cocoanut oil and skim milk? The same high-pressure propaganda which has brought about the present demand for yellow oleomargarine can make a lot of people believe that a substitute for cow's milk can be manufactured. There is no saying what 22 multi-million dollar corporations can do if they try hard enough—the same 22 that make this country's oleomargarine and which are now spending huge sums to secure passage of laws giving them the right to doctor their products with color designed to make it look like butter.

Oleomargarine propagandists say they want the right to color their product yellow because consumers are accustomed to a yellow spread; and they deny that they want to color their product yellow so that it may be sold in imitation of butter. Why, then, did they demand (and succeed in obtaining) the right to use a chemical which imparts the characteristic flavor of butter? They secured that privilege when Paul V. McNutt was administrator of the Federal Security Administration; they were not given that right by Congress nor by the will of the people. But why did they ask for the right to use diacetyl, which imparts a butter-like flavor? Why a butter flavor? The answer must be obvious.

Just how long people of the United States will be deceived by this vicious propaganda remains to be determined. They will be deceived just as long as they lack knowledge of the true facts—knowledge which they won't get from the oleomargarine propaganda mills.

LIME YOUR PASTURES

Every year more and more farmers are learning that good pasture is one of the most profitable crops that can be grown. Pasturage grown on fertile soil is rich in protein, minerals, and vitamins. It is perfect feed for milk or meat animals.

If you haven't applied limestone or fertilizer to your pasture recently, now is the time to do it. It may take a year or so to produce a noticeable difference but it will be there.

You'll notice the difference in several ways:
1. Clover and good grass will crowd out the weeds and poor grasses.
2. More milk and meat from healthier animals.
3. Longer grazing season and less barn feeding.
4. Lower production costs, more profits.

Start your pasture improvement now by first applying the needed amount of agricultural limestone. It's the first step.

IN THE PUBLIC INTEREST FEDERAL OLEO LAWS SHOULD BE RETAINED

Federal laws impose certain taxes on oleomargarine. Originally passed only after careful consideration, these laws are in the interest of the general public. They should be retained

because...

1 **The present laws are not restrictive.** Government figures show that since 1941 oleo sales have more than doubled and retail outlets have increased 64 per cent. No hardship is worked on the consumer who prefers oleo since the 10c tax is imposed only when oleo is colored yellow. On the uncolored variety the tax is only 1/4c per lb., paid by the manufacturer.

2 **The present laws prevent fraud.** To permit colored oleo without the present regulatory Federal laws would invite widespread substitution of an imitation for the genuine article. The Pure Food and Drug Laws have no jurisdiction if the frauds are practised within state borders.

3 **Repeal would seriously damage our economic system.** One out of every 15 U. S. families depends on dairying for a livelihood and milk (including butter) is the largest single source of all farm cash income. Uncontrolled competition of a low-cost imitation would hurt milk and butter prices and drive many farmers out of dairying.

4 **Repeal would not benefit American agriculture in any way.** The oleo industry accounts for only 5% of the farm returns from soybeans and only 1½% of the farm returns for the total cotton crop. Soybean oil and cottonseed oil bring just as much when sold for other uses (paint, shortening, etc.).

5 **Repeal would not benefit consumers.** If present laws were repealed, there would be nothing to prevent the colored product from being sold at substantiallly higher prices than the uncolored. Already (in Washington, D. C.) colored oleo, on which the tax is only 10c per lb., was sold at 14c to 20c more per lb. than uncolored brands.

6 **Other laws give oleo a competitive advantage.** These laws permit oleo to be "fortified" with vitamins, flavored with butter-flavor, and preserved with benzoate of soda. None of these may be added to butter.

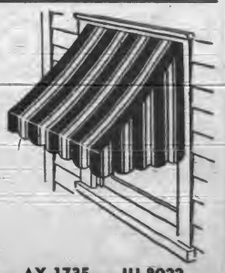
7 **Other butter imitations are taxed. Why should oleo be exempted?** Adulterated and renovated butter—which, like oleo, are imitations of good butter—carry the same per pound processing and occupational taxes as oleo. No valid reason has been advanced why oleo should be the exception among butter substitutes.

8 **Butter is naturally yellow. Oleo is not.** Butter is always yellow. At some seasons of the year it is less yellow than at others, but when color is added to butter it is merely for the sake of uniformity—not for the purpose of making it look like some other product.

The oleo industry claims it must bleach these oils white because of federal laws. Actually when turned into fat cotton seed oils become grey and soybean oils become green. The oleo manufacturers must bleach out the grey and green colors. **It is impossible to produce a natural yellow oleo from domestic oils.**

9 **Repeal would set a bad precedent.** Repeal would give government sanction to the theory that an imitation food product is legitimate. The question of the relative nutritional values of oleomargarine and butter has no bearing on the issue.

Don't Let's Fool Ourselves!



In certain parts of Europe horsemeat is a recognized food, but it is sold as such and the consumer isn't fooled into thinking he's getting beefsteak. If the American consumer prefers oleo, that's his prerogative, but—let him know what he's eating. Horsemeat is not beefsteak in any language, and oleo is not butter no matter how skillfully disguised. Present Federal oleo laws were good when first enacted. They are still good. It is to the public interest that they be retained.

BAPTIST MEETINGS PLANNED DURING MAY

The interest of Baptists of this community will be focused upon two important meeting within the next few weeks. One is the Southern Baptist Convention in Memphis, Tennessee, May 10 through 15. The other will be Baptist Home Mission Week at Ridgecrest, North Carolina, June 1 through 6.

At the Southern Baptist Convention, an annual meeting, plans and policies for the coming year are made by all cooperating churches of the convention. The Southern Baptist Convention is composed of 26,401 churches with 4,870,819 members. Of that number, 2,450 are city churches, 2,983 are in towns, 4,179 in villages and 13,218 are located in the open country.

This year one of the outstanding events at the convention will be the Friday night program, when missionaries of the Home Board will give a picture of the spiritual condition of America, and tell of the work being done by Baptists to make America more Christian.

The Southern Baptist Home Mission Board, located at Atlanta, Ga., employs 726 missionaries who serve in the eighteen states of the Southern Baptist Convention, the District of Columbia, Cuba, Panama, Costa Rica, and the Canal Zone. During 1947 these missionaries reported 94,921 conversions.

Evangelism and the problems of rural church life will be the topics of discussion at the conferences at Ridgecrest. Baptist leaders from every section of the South will participate in these conferences. The improvement of the spiritual life of rural America will be the aim of these meetings.

RECREATION WORKSHOP AT BEREA COLLEGE

This year's Kentucky Recreation Workshop will be held at Berea College, Berea, Ky., May 2 to 8, according to Miss Zelma Monroe, assistant state leader of home demonstration work, College of Agriculture and Home Economics, University of Kentucky.

Instruction in music, folk games, playgorund organization, crafts, nature study and party games will be given by Miss Marie Marel, recreation director, Southern Mountain Workers Council, Berea College; Frank Smith, field agent in recreation, Berea College and University of Kentucky; Oakley Brown assistant director, Jefferson County Playground and Recreation Board; Miss Meta Schweibert, recreation director, Community Chest Louisville, Ky.; Miss Harriet Gill, craft teacher, Council of Southern Mountain Woorkers; and Michael Hoffman, Asheville, N. C. Devotions will be led by the Rev. Byron Spice, Lexington, Ky., and the Rev. Raymond Schindlemeyer, Marion, Ky.

BELLEVIEW SUNBEAMS

The Sunbeams from the Belleview Baptist Church met Friday, April 16 at the home of Bobby Bloss for our monthly meeting and help Bobby celebrate his eighth birthday. Those present were Sharon Danny and Bobby Newman, Billy Rogers, Judy and Billy Jones; Charlotte and Mary Sue Rogers and Bobby Bloss.

After the meeting we played games and Mrs. Bloss served us jello salad with whipped cream, cup cakes and cookies, which was enjoyed by all. The next meeting will be at the home of Mary Sue Rogers.

Nehemiah Rebuilds Jerusalem

Lesson for May 8, 1949

Dr. Newton

BORN and reared in Persia, Nehemiah appears in the opening scene of his prophecy as cup bearer to King Artaxerxes in the royal palace at Shushan. He was a favorite at court, due, no doubt, to his personality and training, plus a keen desire to serve his people. He obtained a royal order from Artaxerxes, granting him passage to Jerusalem. It was a long and dangerous journey, but Nehemiah traveled not only with letters from the king, but assurance in his heart that he was on the Lord's mission. He was given authority to seek help from other nations. Just how much help he received from other nations is not definitely certified, but we do know that he achieved the high purpose which God had put in his heart. He governed the city wisely for a dozen years, and wrought many notable reforms. Read the first seven chapters of Nehemiah for the complete story. Read also Psalms 122:1-9.

• • •

WHEN FRIENDS WORK TOGETHER

UPON arrival in Jerusalem, Nehemiah made a tour of the city by night. He was shocked and amazed at the ruins. He called upon the people to come and help rebuild the walls. And they were impressed with the earnestness and sincerity and courage of his call. "So built we the wall; and all the wall was joined together unto the half thereof: for the people had a mind to work," Nehemiah 4:6.

There is work for everyone who is of a willing mind. There is work in the home. Boys and girls who pitch in and share in the everyday work of the home make glad the hearts of their parents, and at the same time they are learning how to care for their own homes when they grow up.

• • •

STRENGTH AND ENCOURAGEMENT

NEHEMIAH set the people together in families, with tools for work and weapons for defense against the enemy. And in this union of numbers there was both strength and courage. We need today to learn anew this lesson of working together. So often we witness evidence of people pulling against one another. We see it in the home and in the school and in the wider areas of life—in politics and in the clash between capital and labor.

• • •

THOSE WHO OPPOSED NEHEMIAH

OUR lesson describes not only the courage and wisdom of Nehemiah in getting the Jews to work and work together, but it tells us about those who opposed the rebuilding of Jerusalem. Sanballat was the governor of Samaria, and when he heard that Nehemiah was rebuilding Jerusalem, he put in to defeat him by many schemes of sabotage.

He began with ridicule. "What do these feeble Jews?" he scoffingly asked. Ridicule is always one of the weapons of those who would tear down and destroy. Young people will do well to guard themselves against the snare of cynicism. It is a dangerous thing. Sanballat and his cohorts, Tobiah, and certain Arabians and Ammonites and Ashdodites, conspired to hinder Nehemiah in many devious attacks; but the people worked and fought, in the name of the Lord.

• • •

WHAT MAKES A REAL LEADER?

THIS is the question which will inevitably arise as we study this lesson. How could one man inspire people to undertake the impossible? First, Nehemiah relied implicitly upon God's help. Second, he threw himself into the task, fearlessly and intelligently. Third, he possessed the quality of inspiring faith and hope in others. These are the qualities that make a real leader, anywhere, any time.

How we do need such leaders to day! And the Bible speaks to us, in the story of Nehemiah, reminding us how real leaders are produced. Read the 122nd Psalm. Here is the secret of it all—"They shall prosper that love thee." Every difficulty confronting the home, the community, the nation, the world, can be met and mastered, provided we tackle it in the name of the Lord, relying upon his wisdom, his strength, his poise.

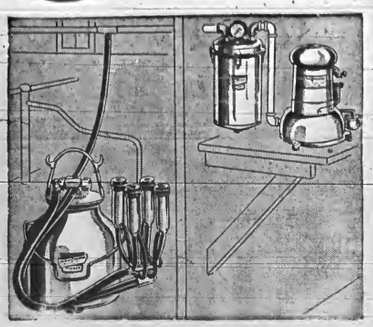
HOMEMAKERS GIVING SUBURB OF IDEAS

Homemakers clubs are excellent sources of ideas for adding to the comfort and attractiveness of farm and rural homes in the opinion of Mrs. Frank Meadows of Crossup county. She told Home Agent Josephine E. Andres:



"During the eight years I have been a member of the Fullerton Homemakers Club, I have saved both time and money. Last year our club learned how to make slipcovers. In our home was an overstuffed chair which should have have been discarded but wasn't due to the need of an extra chair. The springs in the cushion sagged and the upholstery was worn and ragged. Through our homemakers clubs, I learned to re-tie the springs and make slipcovers that really fit. Now our old chair has a place of honor in the livingroom.

"This year we learned to refinish furniture. I chose for this a small rocking chair which is about 30 years old. It had many coats of varnish and paint. The last one being red. At our first training school no one said anything about my little chair. At the second meeting there were few women who didn't admire its wood and lines and see its possibilities. Now my little chair is almost finished. Its wood has a mellow satiny finish and it is ready for the cane seat which we will learn to make in the next few weeks. Again I have a piece of furniture I am very proud of—not because of its sentimental value, but because with a little time and effort I restored this quaint old chair to an attractive, useful piece of furniture.

"We are now going to have a tailoring class. I shall make a three-piece suit. I can sew, as most women can, and have made several suits. But in this class, I expect to learn to make a suit as it should be made, and to fit as it should fit."

HOME NURSING CLASSES AVAILABLE

As was planned at the March Nursing Committee meeting a home nursing class will be available during the summer for any community which desires to have one.

Aside from the regular old standard and school courses, there are now two streamlined courses, given in six lessons of two hours each. The first known as Unit I, is on "Care of the Sick," the second Unit II on "Mother and Baby Care and Family Health."

Any one or more of these classes may be taught wherever a group of from ten to twenty are assembled for this purpose. It is desirable for an organization or individual withing the community to interest persons and get the class together for the first time. Then the instructor takes over.

Information in regard to classes may be obtained by calling Mrs. Lou Pope, Burlington 473—(telephone in John Batchelor's name).

UTOPIA CLUB NOTES

The senior Utopia Club held its regular meeting last Thursday night in the office of County Agent W. E. Davis.

There was not a large amount of business attended to, however, it was decided that in the future the girls would be responsible for either sandwiches or cake and the boys would take care of the drinks.

Rules for entires for the coming fair were reviewed, the most important being dues must be paid by August in order that a member be in good standing. All delinquent members are not eligible to show in Utopia class.

Mr. Davis told us of some of the plans for the fair and gave a report on the building. Bids for the lake will be reported on in May.

Don't forget the May meeting at the courthouse. Girls are to bring sandwiches.

SPRING IS TIME TO TREAT SHEEP WITH PHENOTHIAZINE

The spring is the time to begin to protect flocks from internal parasites according to William B. Davis, County Agent. Internal parasites are probably the most serious cause of sheep losses in Kentucky and control is imperative if healthy flocks are to be raised.

Phenothiazine is the best medication to control the most common parasite, the stomach worm. Phenothiazine should be given to the adult sheep in the spring and again in the fall. Either boluts or drenches may be used. Adult sheep should receive two 13½ gram bolets or two ounces of a drench made by mixing one pound of phenothiazine powder in 1½ pints of water.

A phenothiazine salt mixture should be kept before the flock during the summer months. The mixture is made by mixing 1 part of phenothiazine with 9 parts of stock salt. Keep the mixture dry at all times.

Lambs should be given individual treatment only if they show signs of worms, and then they are treated with one-half the dose for adult sheep.

Nine farmers in Montgomery county produced more than 100 bushels of corn to the acre last year.

BURLINGTON ROAD HOMEMAKERS HOLD MEETING

The April meeting of the Burlington Road Homemakers was held on April 8 at the home of Mrs. Val B. Dubeck. Thirteen members answered roll call.

Included in the business of the day was discussion of the District meeting to be held at Summit Hills Country Club. Nine members made reservations.

Mrs. Joe Northcutt and Mrs. Leonard Moore, leaders on furniture refinishing, gave the first lesson and work was started on several pieces. This will be continued at the next regular meeting.

It was decided that another call meeting be held at the home of Mrs. Roberta King to complete work on leathercraft. Some very unusual and beautiful bits of leatherwork have been turned out by the members of this club. Among them are a glass case made by Mrs. Northcutt, a tobacco pouch made by Mrs. Brady Johnson and cosmetics bag which Mrs. Millie Rice is working on.

The next regular meeting will be held at the home of Mrs. Ralph Jones on May 8th.

CONSUMERS PREFER RED SWEET POTATOES

People living in Louisville who eat sweetpotatoes prefer yams, the Porto Rico variety, according to a study which the Department of Markets and Rural Finance of the College of Agriculture and Home Economics, University of Kentucky made in 16 Louisville stores.

Local producers of the yellow or Nancy Halls, the variety commonly grown in the Louisville Area, have encountered increasing difficulty in marketing the crop in recent years, as many stores discontinued handling the variety entirely. The survey was made to determine what variety, quality and size sweetpotatoes the Louisvillians desired.

More than three-fourths of the sweetpotatoes sold in the 16 stores were of the red variety, or Porto Ricos, during the three weeks period of the survey. They selected the Porto Ricos because they were sweeter, had a superior flavor, were more moist and juicy when cooked, cooked and baked better and had a more desirable color.

Consumers choice regardless of variety was for a medium sized sweet potato. After the mediumsized sweetpotatoes were gone, smaller ones rather than large ones were chosen. Seldom would anyone buy large sweet potatoes.

Consumers selected the sweetpotatoes regardless of variety, because of quality, color, appearance, size and price in the order named. More than half of the persons interviewed bought, at one time, only one sweetpotato for each member of the family.

In stores where shipped in Porto Rico outsold home-grown Porto Rico, the shipped-in potatoes were better in quality and more uniform in size.

Consumers in the low-income group purchased a large proportion of the lower-priced Nancy Halls than did consumers in the high-income group.

Rev. and Mrs. James McGregor and sons were Sunday guests of Mr. and Mrs. Charles Webster and daughter.

Sorry to report, Mrs. Seymour Wilson has been on the sick list the past week. We wish for her a speedy recovery.

Mr. and Mrs. Frank Blaker spent Sunday with Mr. and Mrs. Jake Blaker.

Jesse Wilson, of Hyde Park spent the week-end with her parents, Mr. and Mrs. Seymour Wilson.

Mrs. Eleanor Avery is spending a few days with Mr. and Mrs. Chris Whitaker.

Mrs. Josie Blaker and son, of Erlanger and Mr. and Mrs. William Blaker and children of Hebron called on Mr. and Mrs. Jake Blaker, Sunday afternoon.

Mr. and Mrs. J. E. Caster, Mrs. Frank Snow and Mrs. John Kilgour were calling on relatives in Newport, Friday evening.

Mr. and Mrs. Horace Pelley and children entertained her parents, Mr. and Mrs Colston, Friday evening.

FLORENCE HOMEMAKERS

A lesson on "furniture refinishing" was presented by Mrs. Chas. Luchte and Mrs. Robt. Cox at the April meeting of the Florence Homemakers at Florence Town Hall.

A paper on gardening was read by Mrs. C. W. Wessler.

Mrs. Cam Kennedy was elected chairman of the bake sale for Saturday, May 8th. Anyone that will donate for same, please call Mrs. Kennedy, Florence 786.

Roll call was answered with "Evidence of God" by the following: Mesdames Victor Benham, Alyce Blackburn, Robt. Cox, Clarence Gering, Robt. Hammersmith, Cam Kennedy, Chas. Luchte, Grant Maddox, Geo. Morith, Holten Mulroney, Robt. Myers, Henry Shelton, Wilbur Stephens, C. W. Wessler and Miss Mary Hood Gillaspie.

Hostesses for the day were Mrs. Cam Kennedy and Mrs. Holten Mulroney.

Publicity Chairman.

CONSTANCE HOMEMAKERS

The April meeting of the Constance Homemakers met at the home of Mrs. Dola Mae Domachko with 14 members, 3 visitors and Miss Mary Hood Gillaspie, H. D. A. present.

Program chairman, Mrs. Ella Mae Reeves read from Psalms 98 and poem entitled "Creation."

Citizenship chairman, Mrs. Gladys Dolwick is in charge of sending a Friendship box to England.

Miss Gillaspie took reservations for the district meeting April 22 at Summit Hills Country Club.

The first lesson refinishing furniture was given by the leaders, Mrs. Geo. Kottmyer and Mrs. Adam Reeves.

The next meeting will be May 5, at the home of Mrs. Pearl Tunning.

—Publicity Chairman.

BULLITTSVILLE HOMEMAKERS

The Bullittsville Homemakers met at the home of Mrs. Jonas Stevens April 15. Arrangements were made for a trip to Summit Hills for the district meeting of the Homemakers. A motion was made and carried to give $25.00 to the Cancer fund. After other business the meeting was adjourned for a delicious fish dinner, served by our hostess.

The afternoon meeting was opened and a fine report on "Kentucky" given by our citizenship leader. We then worked on our major project first lesson "Furniture Refinishing."

Next meeting will be at the home of Mrs. Earl Souther, May 20th. Visitors always welcome.

LADY STUFF

by Marsha Wheeler

(Editor's Note: Marsha Wheeler is the prominent lecturer and radio personality.)

Neither beauty creams nor massage will ever remove the deep frown between the brows of the young woman I saw last week on the bus. She squinted her eyes to a mere slit to protect them from the hurt of faulty vision. Smartly styled eye glasses would relax her brow and at the same time give her the look of good fashion.

∞

As human as the rest of us is the way I found Eleanor Roosevelt when I attended one of her press conferences. She "doodled" constantly with her eyeglass case, snapping it open and shut.

∞

Most of us can wear the new full skirts more stylishly if the fullness falls at the hips. Front and back fullness is for the tall and slender.

∞

Your eyeglasses can also have the new look of fashion. Queen Optical Company has hundreds of smart new frames, fashionably suited to your face and personality. 12 East Sixth St., Palace Theater Building, Cincinnati.

Union

The Willing Workers market of the Union Baptist Church will be open at 2 p. m. Saturday, May 1st. Be sure to be on time and buy your cakes, pies, rolls, bread and dressed chickens, cheese, etc., for your Sunday dinner. Benefit of building fund.

Mrs. John Marshall entertained with a lovely family dinner Sunday, complimenting the fourth birthday of her son Glen Rita. Those attending this gala affair were, his grandparents Mr. and Mrs. Russell Craddock, Mrs. Lottie Marshall and Mr. and Mrs. John Scudder, of Burlington, Mr. and Mrs. Henry Wallace, of Covington, Mr. and Mrs. Powell Crouch and daughter of Newport, Mrs. Hoben Crouch, of Florence, Tommy Craddock and Miss Norma Hicks, of Covington.

Mrs. John M. Rachal left for her home in New York last Tuesday, after spending a month with Mrs. Maude N. Rachal and family.

Mrs. Geo. Moody and Mrs. Ed. Grater attended the district meeting of the Homemakers Club at Summit Hills Country Club last Thursday.

Several ladies of the Baptist Church attended the North Bend quarterly meeting at Elsmere last Thursday.

Mr. and Mrs. Reuben Kirtley and daughter spent Sunday with Mr. and Mrs. Leslie McMullen, of Burlington.

Mr. and Mrs. James Feldhaus, of Louisville and William Feldhaus, of Covington, were guests of the Ray Newman family, Sunday.

Rev and Mrs. Henry Beach and daughter Brenda were guests of the Chas. Hedges family.

Miss Mary Hodges is in Parkview for a visit with her cousin Frank Rouse.

Mrs. Will Deane is quite ill at her home on Frogtown Road.

The Willing Workers class met at the church last Tuesday evening. After a brief business session a very appetizing pot luck dinner was served to 31 members. Following the dinner, Mrs. Prosser led in a Bible quiz on the book of John, which was very interesting and educational. At the next meeting we will have a quiz on the book of Ruth. Plan to attend the meeting and enjoy an hour of fellowship with us.

THANKS

My most sincere appreciation is extended to my many friends and neighbors for the kindness and sympathy shown me in the loss of my wife.

Elizabeth (Betty) Johnson

Especially do I wish to thank those who cared for and are still caring for my children; also thanks to Dr. George Riley, of Hebron and Dr. Murray Rich, of Covington for their untiring and faithful efforts.

HARDER WORKING GENTLE BEES MAY SOON BE WITH US

Bees that sting less, gather more honey and resist disease soon will be available as a result of new discoveries in breeding, So Prof. W. A. Price, head of theentomology department at the Agricultural Experiment Station at Lexington, told a meeting of the Kentucky Beekeepers Association.

Applying methods used in artificially breeding dairy cows and in producing hybrid corn, scientists found ways to control queen mating. Thereby they are working to produce superior honey-makers—bees not so anxious to sting, and willing to work harder. They will also producer better pollinizers and bees more resistant to foulbrood.

Plant breeders also are developing plants with more sugar in the nectar, and with flowers having shorter stems, so bees with short tongues can reach the sweet food. If the flower neck of red clover were shorter, bees would work this plant more.

More attention is being given to the use of bees as pollinizing agents Prof Price said. It has been shown that the yield of red clover seed can be increased from a bushel to the acre, which is about the average yield without bees, to 12 bushels an acre with bees and 100 percent pollinization.

The new sulfa drug treatment, couple with the breeding of disease-resistant bees, will eventually wipe out foulbrood, which has long been a menace to beekeeping, Prof. Price said.

More than normal spring seeding of alfalfa was made in Bath county, due to the high price of red clover seed.

Belleview

Mr. and Mrs. Bob McNeily and son of Florence were week-end guests of Mr. and Mrs. Lee Ryle and son.

You'd Be Surprised! by EAST BEND FEEDS

AND WE CAN PROVE IT.

The first shot of the Revolution was NOT fired at Lexington, April 19, 1775! (The "Battle" of Lexington, April 19, 1775, is generally accepted as the opening of the Revolutionary War. However, armed hostility existed some five years earlier, when at the Boston Massacre in March 1770, five American men and boys were shot and killed by English soldiers during a brief but bloody uprising. —New Wonder World Encyclopedia, 1937, Vol. 7, p. 183.)

If your poultry looks sorry and the chicks unhappy, perk them up with East Bend Feed from HODDER & RUPPERT. We are manufacturers and distributors of this quality feed in Burlington and vicinity. See us today and save.

USES TOBACCO MONEY TO START DAIRYING

With money earned last year on his tobacco crop, Albert Swanson, Kenwell county 4-Her, has started a dairy herd by buying two registered Guernsey heifers and a bull. Swanson grew Ky. 16 tobacco on nine-tenths acre, producing 2,900 pounds, which sold for more than $1,000. Farm Agent Joe Wilder notes that Swanson turned under a good crop of vetch, a covering of manure and 1,800 pounds of commercial fertilizer. Then he applied 300 pounds of fertilizer in the row.

Why Suffer With Your Feet?

N. TULCH

Foot Comfort Specialist at—
PEOPLE'S SHOE STORE
814-816 Madison, Covington

Our years of research have proven that foot comfort depends on foot balance.

For years men have been guessing about foot balance putting steel supports under feet and elastic bands around feet, all sizes and shapes corn pads, plasters, callous plasters, etc. Yet people continue to suffer with their feet, legs, back and with various other aches and pains resulting from feet in numerous cases because they never had their body weight properly balanced on their feet with shoes.

Your feet may look regular to you, but, naturally you cannot detect weakness or have any way of testing for unbalance. But remember: "fat on the ribs" is by no means an adequate criterion of physical well being.

Don't take chances. If you are suffering with leg pains, knee pains, stiffness, backaches or severe headaches, or sleep poorly and are always tired, your feet may be the cause.—Adv.

COMMITTEES ARE NAMED FOR RALLY

REGISTRATION OPENS AT 9:30 A. M., SATURDAY, MAY 8—ALL 4-H MEMBERS ASKED TO ASSIST WITH LUNCH.

The annual Boone County 4-H Spring Rally has been set for Saturday, May 8 at the Burlington school. Committees of adults leaders for the various activities of the day were appointed last week, according to the county extension offices.

Following are the committee: Lunch, Mrs. Walter King, Mrs. Meier Taylor, Mrs. Alice Kenyon, Mrs. Vernon Pope, and Miss Eunie Pettitt; foods judging, Mrs. William Schmidt and Mrs. Ardelle Fox; clothing judging, Mrs. Charles Luchte, Mrs. J. C. Acree and Mrs. Jeff Eddins; demonstrations (under 13), Mrs. Mary Utz and Mrs. James Ransom; demonstrations, (over 13), Miss Rachel Pottinger; flowers, Miss Gladys Klopp; style revue, Mrs. Earl Morehead, general chairman; Mrs. Clore pianist; Mrs. Henry Anderson and Mrs. Alma Hamilton, Unit I; Mrs. A. W. Rogers and Mrs. Clayton Renaker, Unit II; Mrs. George Morith, tailored costume; Mrs. Ruby Wood, formal; Mrs. Winston Parker, dressup dress; and Mrs. Bruce Ryle, play ensemble.

Registration for the day's program will start at 9:30 a. m., followed by the meeting called to order by the president of the 4-H and Utopia Council, John E. Crigler. Group singing will be led by Jean Ryle, Shirley Riggs and Bobby Clore. Competitive contests, foods, clothing and poultry judging and seed identification will start at 10:25 a. m. These will be followed by demonstration for girls under 13 starting at 11:00 a. m.

All 4-H members have been asked to assist with the lunch by bringing sandwiches, cookies and fruit, while adult leaders will bring fruit juice.

Special events for the afternoon program include agriculture demonstration, home economic demonstrations for those 13 or over, dairy judging and the clothing style revue. The last event on the program will be the presentation of ribbons.

Judges for the contests are Miss Lulie Logan, assistant state leader of Home Agents, Miss Dorothy Gentry, field agent in club work and Joe Claxton, assistant County Agent Kenton County.

CECIL SNELLING

Cecil Snelling, 64, died at Christ Hospital, Cincinnati, Ohio, Monday afternoon, April 26, after a brief illness.

He is survived by one brother Ott Snelling, Walton, Ky., R. 1; two sisters, Mrs. Ethel White, Petersburg, Ky., and Mrs. George Bloehaum, Aurora, Ind., and several nieces and nephews.

Funeral services were conducted by Rev. R. A. Johnson Wednesday afternoon, April 28 at 2 p. m. at the cemetery in Belleview.

Chambers and Grubbs, Florence funeral directors were in charge of arrangements.

BREEDING ASS'N. HOLDS MEETING

JOHN M. TAYLOR GIVES REPORT —SIGN-UP DRIVE BEING CONDUCTED BY DIRECTORS OF ASSOCIATION.

Directors of the Boone County Artificial Breeding Association met in the County Agent's office on Tuesday, April 27.

Mr. John Meier Taylor, inseminator for the association reported breeding efficiency for November and December, 1947. In November 75% of cows bred artificially were reported with calf after the first service. In December 71% of cows bred artificially were reported with calf after the first service. In comparison it must be remembered that with natural service approximately 60% of cows are with calf after the first service.

A large number of cows that did not conceive with the first service did so with the second and third service.

It can be seen by this report that the technician is doing an excellent job of breeding the cows. His high breeding efficiency should eliminate some of the skepticism as to whether artificial breeding will work.

A sign-up drive is being conducted by directors of the association. Farmers interested in signing in the program should contact Mr. John Meier Taylor at Walton 582 or the County Agent.

FLORENCE COUPLE CELEBRATE 61ST ANNIVERSARY

Mr. and Mrs. John T. Stephenson passed another milestone along the pathway of life when they celebrated their 61st wedding anniversary at their home, Florence on Monday, April 26th.

Their children joined in the celebration, bringing two angel food cakes and ice cream, and their son Jesse and daughter Mrs. Frank Stahl of Coaltax, Ill., called by phone to offer congratulations.

Mr. and Mrs. Stephenson are well known throughout the county, and their many friends and neighbors join in wishing them many more years together.

POULTRY TOURS PLANNED FOR CO.

Two poultry tours will be held in Boone County on Tuesday, May 11, according to the county extension offices. Mr. J. E. Humphrey, poultry special, will be at the meetings to discuss baby chicks—management and prevention and control of diseases. The first meeting will be at the home of Mrs. Arthur Ammon, Burlington Road at 10:00 a. m. The afternoon meeting will start at 2:00 p. m. at the home of Miss Lucy Lee Grant, Bullittsville.

MRS. LAVINA KIRKPATRICK CELEBRATES 89TH BIRTHDAY AT HOME IN BURLINGTON

Quite a few friends and relatives gathered at the home of Mrs. Levina Kirkpatrick last Sunday to celebrate her 89th birthday. A large birthday dinner was enjoyed by all who attended the occasion.

Mrs. Kirkpatrick, although handicapped by bad eyesight, is enjoying excellent health otherwise and looks forward to many more happy birthdays.

UTOPIA MEETING DATE CHANGED TO MAY 12TH

The Carl W. Jones Utopia Club meeting date has been changed to Wednesday night, May 12th at 8 o'clock at the Florence Town Hall, due to other important meetings scheduled for Thursday night.

All club members and anyone interested in Utopia work are urged to attend this meeting.

CROW SHOOT DATES JUNE 26-27

WILL BE HELD AT WILLIAMSTOWN UNDER AUSPICES OF FIFTH DISTRICT FEDERATION OF KENTUCKY SPORTSMEN.

Kentucky will be the site of the 1948 National Crow Shoot Championship, according to an article carried in the Happy Hunting Ground, written by John E. Murphy a director of the American Crow Hunters Association.

This tenth annual competition of the American Crow Hunters Association will be held June 26 and 27 at Williamstown under the auspices of the Fifth District Federation of Kentucky Sportsmen.

Kentucky's bid for the 1948 championship shoot was awarded by the association directors as a means of "stepping out" into fresh field of crow shooters, according to Mr. Murphy.. So the Bluegrass bid was assumed last October by the Fifth District Federation of Kentucky Sportsmen, parent sportsman institute for more than a dozen county conservation and sportsmen organizations in the Fifth District.

The American Crow Hunters Association has been the overall conductor of each national championship for ten years. Although the association's original purpose was to create a consciousness among sportsmen for crow shooting, it has never advocated massacre and wanton destruction of the erstwhile rascal, Corvus. Crow control is more neatly and nearly the watchword of the nation's crow-shooting association.

Counties selected for the 1948 shoot are Grant, Owen, Pendleton, and Gallatin a region that measures 35 miles by 25 miles. Arrangements are being made with county officials and residents of the area for complete co-operation with the federation in the execution of the shoot.

For complete details of the event read Mr. Murphy's article in the March-April issue of The Happy Hunting Ground official publication of Division of Game and Fish.

BROTHERHOOD TO MEET

The Men's Brotherhood of the Belleview Baptist Church will hold its regular meeting at the home of R. Z. Cason, Thursday night, May 6th at 7:30 p. m. Harry Riggs, attorney, of Erlanger, Ky., will be the guest speaker. Everyone cordially invited to attend.

Covington Merchants Plan Goodwill Days

Committeemen for "Goodwill Days" sponsored by the Covington Retail Merchants' Association, are pictured above: Left to right, seated, are Morris Foreman, of the Dan Cohen Co.; Joe Kaplan, Parisian Store; Clarence Jansen, Jansen Hardware Co.; Mrs. Mildred Hitch, assistant secretary, and Max Rose, of Quality Sample Shoes. Standing are Jim Ryan, Sears, Roebuck & Co.; Elmer Herzog, and Fred Macklin, of Coppins.

As announced last week in The Recorder, an award of $150.00 will be made every Wednesday at 1:30 p. m., on Seventh Street Square, near Madison Ave. If the winner is present, he or she will be given an additional $25.00. If not present, the $150.00 check will be mailed to the winner, and in each such case an additional $25.00 will be added to the next Wednesday award.

Anyone making a $1.00 purchase at any of the participating stores has a chance to win. Winners will be announced in The Recorder.

SUNDAY SCHOOL BALL IMPROVES

UNION, BIG BONE, SAND RUN AND PETERSBURG WIN IN SATURDAY TILTS—BULLITTSVILLE LEADS LEAGUE.

A general improvement in the type of baseball played in the Sunday School loop was evidenced in Saturday's play. Better pitching, field and hitting was reported from all games.

Top game of the day was the Big Bone-Belleview contest at Belleview. Big bone, with Charlie Black on the hill, came through with a 6-5 triumph. Black came back red hot after his no-hitter last week and struck out 15 opposing hitters. "Turk" Aylor, losing hurler pitched a nice game all the way as he whiffed six. "Shiney" Gruelle, slugging outfielder from the lick, drove out three hits for the third consecutive Saturday to take the lead in League hitting. Cliff Rouse also had three safe blows for the winners. Dave Clore led the belleview boys with three singles. Cliff Rouse was behind the bat for Big Bone with Sebe Scott and Allen White receiving Aylor's slants. Belleview had the tying run on in the ninth with but one out, but Black retired the next two hitters on strikes. Summary: Big Bone 6 runs 12 hits and 6 errors; Belleview 5 runs, 8 hits and 3 errors.

Union defeated Burlington 6-4 at the Burlington park. Manager Pill Greenup sent little left-handed Gene Weaver to the mound and was rewarded with a splendid ball game. Weaver set 14 down on strikes and had good control as he walked but three. Joe Smith was the Burlington hurler and pitched excellent ball after a rough first three innings. Roscoe Akins, veteran moundsman came in the ninth with the bags loaded and no outs. The score was tied at 2-2, then 4-4 before Union pushed across two markers in the last frame. Moss Brown carried away batting honors with a single, double and triple in four trips to the plate. Weaver also helped his own cause with three safeties. Lee McNeely, keystoner for the losers, drove in three runs with a double and single while Phil Yelton and Patterson each collected two hits. Bobby Moore caught an excellent game for the winners as did Bob Patterson for Burlington. Summary: Union 6 runs, 12 hits, 4 errors; Burlington 4 runs, 9 hits, 4 errors.

Marvin Campbell chalked up his second win as Petersburg drubbed Verona 13-5 at Verona. Campbell allowed but 6 hits and had good support in the field. Cheeseman and Shields formed the battery for Verona. Cheeseman, young and inexperienced, showed plenty of form and "stuff" on the ball at times. This youngster is expected to improve with experience. Campbell, who is remembered as one of last year's top hurlers, seems to be headed for his biggest year. Donnelly was in the cage for Pete. Sammy Huey polled out a home run for the winners while Cheesman aided his own efforts with a four bagger. Petersburg and Verona both boast young improved ball clubs. Summary: Petersburg, 13 runs, 12 hits and 2 errors; Verona, 5 runs, 6 hits and 9 errors.

Sand Run moved into the winning column as they smashed out a 19-14 win over Florence. Bud Goodridge, who copped 15 wins against but 1 loss last season, had a rough afternoon as Florence took him for 12 hits. Goodridge, making his first start of the year, pitched good ball in the pinches. Bob Rouse and Bob Roland were on the hill for the Florence outfit. Both boys have done very little pitching and as a result they were touched for 16 hits. Frank Blaker drove out 3 doubles and a single in as many times at bat to take hitting laurels for the day. Bill Mahorney, all-league shortstop, wasn't far behind with 3 doubles and single in five trips to the dish. Dud Rouse, Florence manager and catcher, continued his hitting streak with a double and single. Long and Brooks also came through for the losers. Several new players are reported to have signed with Florence which might give them that needed defensive strength. Although they have lost three games Florence has collected more hits than any team in the loop. Summary: Sand Run 19 runs, 16 hits and 5 errors; Florence 13 runs, 12 hits and 8 errors.

Anyone interested in playing or any of the teams is reminded that the deadline is May 17. All managers must have their player lists completed on that date.

SPENCE SUCCEEDS VIRGIL CHAPMAN

AS MEMBER OF DEMOCRATIC STEERING COMMITTEE IN HOUSE OF REPRESENTATIVES —REPRESENTS THREE STATES

Rep. Brent Spence, Democrat, of this district became a member of the Democratic steering committee in the House of Representatives, on Saturday, May 1.

Mr. Spence was designated for the honor by the other Kentucky Democrats in the House to succeed Rep. Virgil Chapman of Paris, who is now a candidate for the Senate.

Congressman Spence will represent the states of Kentucky, Tennessee and Arkansas on the steering committee. The committee, which includes the majority leader and other prominent Democratic congressmen, decides the party's policy on legislation and procedure in the House.

Mr. Spence is serving his tenth term in Congress, and was former chairman of the Banking and Currency committee when the Democrats had a majority in the House.

Mr. and Mrs. Winfred Huey, of Cincinnati, spent the week-end with Mrs. Anna Huey.

MAINTENANCE PRINCIPAL AIM

OF HIGHWAY DEPARTMENT FOR REMAINDER OF YEAR, ACCORDING TO COMMISSIONER GARRETT L. WITHERS.

Kentucky's road program for the remainder of 1948 must necessarily be one of highway maintenance and moderate spending, rather than widespread road building, Highway Commissioner Garrett L. Withers told a group of county judges last week.

"Road building conditions in Kentucky now are not good," the Commissioner said. "Concerning our financial condition, a false impression has been formed that we have a large surplus. The surplus which was accumulated during the war years, was spent prior to this year."

Approximately 30 judges were assembled in the Commissioner's office in response to his request for a meeting at which county and state road problems might be discussed directly with county officials.

"If we are careless about building new roads now without keeping in mind maintenance of existing roads, the state eventually will have more roads than it is possible to maintain satisfactorily," Mr. Withers said. "We must be cautious and businesslike in the building of new roads and continue the policy of first roads first."

The Commissioner pointed out that none of the revenue from the increased gasoline tax will be spent before next year and there is a probability that the next federal appropriation of highway money may not be available before July 1, 1949.

"Congress now is considering a plan whereby future federal-aid grants will be withheld until next year so that the states may accumulate revenue with which they may match federal grants," he said.

The Commissioner said the revenue department's budget for the fiscal year ending March 31, 1949, placed total anticipated highway revenue at $38,368,420, of which $8,400,000 would accrue from the increased gasoline tax.

"This anticipated revenue must cover all phases of highway department expenditure including construction, maintenance and administration," he added. "The department this year budgeted $9,000,000 for regular maintenance. We anticipate that in addition it may take as much as $7,000,000 to repair damages caused by the unusually destructive freeze and thaw weather of the past winter. As yet we have not determined the total amount of that damage."

The county judges were told a workable formula must be completed, roads agreed upon and any necessary surveys and plans prepared before the department will attempt to spend on county roads the revenue from the increased gas tax.

Regarding the expenditure of any county road money, the Commissioner stressed the importance of employment of a county engineer for each county. "At present at least 100 of our counties do not have county engineers. We hope to work out a plan whereby counties will have their own engineers or at least will be assured of the services of a competent engineer," he said.

"We are going to watch this money and you county judges will be asked to help us work out a formula for spending it most profitably. We are concerned not only with getting Kentuckians out of the mud, but with keeping them out of the mud. Let our roads be investments for Kentucky rather than liabilities."

ROBERT CAREY

Funeral services for Robert Marcus Carey, 26, who was widely known in northern Kentucky as an accordionist, were held at the Catherman funeral home, Ludlow at 2 p. m. Tuesday. Burial was in Forest Lawn Memorial Park, Erlanger.

Mr. Carey died Saturday at St. Elizabeth Hospital. He was a pupil of Harvey Brownfield, widely known accordionist, and made his home with his parents, Mr. and Mrs. Marcus L. Carey, near Richwood and Hicks Pike, Boone County.

Besides his parents he is survived by his maternal grandparents, Mr. and Mrs. Andrew Devine, Ludlow, and his paternal grandmother, Mrs. Dallas Robinson, Lancaster, Ky.

FARM BUREAU DIRECTORS TO HOLD MEETING

Directors of the Boone County Farm Bureau will meet at 8:00 p. m. in the County Agent's office on Tuesday, May 11. All directors are urged to attend. The meeting is open to all Farm Bureau members.

SATURDAY BASEBALL GAMES POSTPONED

Baseball games in the Boone County Saturday afternoon league scheduled for Saturday, May 1st were postponed and will be played at a later date.

Constance was unable to put a full team on the field at Petersburg and the game between Belleview and Bob & Gene was called off on account of improvements being made on Florence park.

All four teams will be ready for action Saturday with Constance playing at Belleview and Petersburg vs. Bob and Gene at Florence park. Game time is 2:30 p. m.

FLORENCE WINS MIDGET TOURNEY

HELD AT BURLINGTON LAST WEEK — TROPHIES DONATED BY SCHOOL PAPER AND THE RECORDER.

A well-coached team of Florence Knights emerged victors over the Hebron Cardinals by a score of 24 to 23 in the closely contested final game of the annual midget team basketball tournament, held last Tuesday, April 27 at the Burlington high school gym. Florence led during most of the game with the quarter scores being 4-4, 11-8, and 14-12. England was high point man for the winners with 13 points, while Garnett ran up 15 for the losers.

Trophies donated by The School News and The Recorder were presented to the winners and runner-up teams by H. N. Ockerman, County School Superintendent, who was tourney manager.

In the first game of the elimination series, which got under way shortly after noon, New Haven trounced the inexperienced Petersburg five, 63-8. Sandlin scored 14 points for the winners, while Klopp looped two field goals to become high scorer for Petersburg.

The "little" Knights in their first game of the contest assumed an early lead and went on to defeat Constance, 57-13. Lipscomb was top scorer for Florence with 12, as Regenbogen chalked up 8 for the losers.

Burlington went down to Hamilton, 31-10, as Jones of Hamilton ran up 21 points to become the tourney's highest scorer. Jerry Ryle led the Eagles with 5.

Hebron won over the New Haven Tigers, 24-14, before going on to the finals. The Cardinals' Garnett with 13 and the Tigers' Clayton with 8, were high pointers.

In the last game of the afternoon, Florence defeated Hamilton, 29-19, after Jones fouled out in the first half.

A consolation game, preceding the night championship contest resulted in a close game in which Hamilton edged out a 29-28 victory over New Haven. Jones led the winners with 14 points, while Clayton of New Haven was nearby with 13.

FT. THOMAS MAN KILLED

IN ERLANGER CRASH, SUNDAY— WRECK FOLLOWS 70-MILE-AN-HOUR CHASE OVER U. S. 25 AND 42.

Alva M. Jackson, 25, Ft. Thomas was fatally injured and a companion, Miss Juanita Cummins, 21, of Dayton, Ky., suffered lacerations and bruises when a truck, driven by Willis Frances, 22, of Lost Creek, Ky., plunged into the car driven by Jackson on U. S. 25 and 42 at the Dixie Traction Building, Erlanger.

The collison followed a 70-mile-an-hour chase by State Highway Patrolman Robert Miller from Florence to Erlanger. Miller the arresting officer stated that Frances struck two other cars, before colliding with the Jackson car.

The truck driven by Frances first hit several cars in Walton. It first sideswiped a car being driven north by Harold Bartels, Dayton, Ohio, then continued on without stopping. At the signal-light, intersection U. S. 25 and 42 in Florence, Frances went through a red light, when State Patrolmen Miller and Dunn gave chase in their cruiser. The truck was traveling at a speed of 70 miles an hour, according to Patrolman Miller.

Although Frances was driving a light truck, the impact cause it to be thrust over the top of the automobile, sehearing off the upper part of the car. The truck then skidded 100 feet down the road and came to rest against the traction company building.

Jackson had to be extricated from the wreckage. He died in ambulance on the way to St. Elizabeth Hospital. He was a veteran of World War II, having served with the Air Force in Italy.

Patrolman Miller stated that Frances was intoxicated, but upon being questioned could give officers no reason for his actions. He escaped injury.

Frances is being held by Kenton County authorities on a manslaughter charge, Patrolman Miller reported. Other officers at scene of the collision were Patrolmen Dunn, Smith, Kinman, Fenton, and Sgt. Henderson.

WILLIAM MORRIS

Requiem High Mass for William R. Morris, 61, was sung at St. Paul Church, Florence, at 9 a. m., Wednesday, following prayers at his residence on Price pike at 8:30 a. m. Burial was in St. Mary Cemetery, under the direction of the Taliaferro funeral home, Erlanger.

Mr. Morris was found dead in bed Sunday at his home, the same house in which he was born. His death was attributed to a heart attack.

Mr. Morris was a World War I veteran and was well known in the section in which he lived, having been actively engaged in operating a farm. He leaves no close relatives.

VETERANS RAINED OUT

The Boone County Vets' game scheduled at Middletown, O., last Sunday was called off due to wet grounds. The Vets will entertain the Mt. Lookout nine at Florence park Sunday, it was announced.

DR. BAKER TO HEAD HOSPITAL

WALTON MAN ASSUMED DUTIES OF SUPERINTENDENT AT DAYTON HOSPITAL SATURDAY, MAY 1.

Dr. Calvin L. Baker, native of Walton, Ky., has been appointed superintendent of the Dayton, O., State Hospital, and assumed his post Saturday May 1st.

Dr. Baker succeeds Dr. E L. Hooper who resigned to take a job with the Veterans Administration.

The new hospital head is 41, and has had extensive phychiatric training in military and civilian life, it was said by Charles Sherwood, Ohio welfare director.

Dr. Baker received his degree from the College of Medicine at the University of Cincinnati after pre-medical work at Kentucky Wesleyan. He engaged in general practice in Auglaize county, O., and later went into military service for 44 months with the Army, including service in the Algerian-Tunisian and Sicilian campaigns.

He served at Bilioxi, and later at the regional hospital at Camp Lee after returning to the United States. In 1947 he went to the Columbus State Hospital as an assistant physician and later was named clinical director.

HAMILTON G-H CLUB

The Hamilton River Leaders held their third meeting of the year April 26. The meeting was called to order by the president Shirley Riggs. We had 22 members present, and one leader. We were glad that Miss Gillaspie and Mr Davis could be with us. Our song leaders led us in a song "Smile and the World Smiles With You." Then the secretary called the roll and read the minutes of the last meeting. Miss Gillaspie and Mr. Davis talked to us about Spring Rally.

The captains gave their reports. A motion was made and seconded that we adjourn.

HOMEMAKERS ANNOUNCE MAY SCHEDULE

Refinishing furniture continues to be the main subject of work for homemakers for May, according to Mary Reed Gillespie, Home Demonstration Agent. The goal for Boone homemakers is for each to refinish at least one piece of furniture—small or large. Each person attending May meeting will need to bring a piece of furniture from which old finish has been removed, old rags, 3 pint jars with tight-fitting lids and block of wood to use as backing for sandpaper (like of blackboard eraser).

Following the schedule of meetings:

May 5: Constance, Mrs. Pearl Tommins, 10:30 a. m.

May 6: Burlington, Mrs. Kirtley Cropper, 11:00 a. m.

A BOY

The following article was sent us from Mrs. Lillian Wilhelm, of Frankfort, Ky., one of our subscribers. The article is very good, so we are reprinting it in its entirety:

After a male has grown out of long dresses and triangles, and has acquired pants, freckles and so much dirt that relatives don't care to kiss it between meals, it becomes a boy.

A boy is Nature's answer to the false belief that there is no such thing as perpetual motion. A boy can run like a deer, swim like a fish, climb like a squirrel, balk like a mule, bellow like a bull, or eat like a pig, according to climatic conditions.

The world is so full of boys that it's impossible to touch off a firecracker, strike up a band, or pitch a ball without collecting a thousand of them.

A boy is a piece of skin stretched over an appetite. However, he eats only when he's awake. Boys imitate their Dads in spite of all efforts to teach them good manners. You can absolutely rely on a boy if you know what to expect.

Boys are very durable. A boy if not wash too often and if kept in a cool, quiet place after each accident, will survive broken bones, hornet's nests, swimming holes, and five helpings of pie.

When he grows he'll trade puppy love, energy, warts, bashfulness and a cast-iron stomach for a bay window, pride, ambition, pretense and a bald head and will immediately begin to say that "boys aren't what they used to be in the good old days."

CORNCRAKERS MEET

The Constance Corncracker 4-H Club met at the school April 26th. Bill Davis, County Agent, was present, but Miss Gillaspie was ill and could not attend.

The Spring Rally to be held at Burlington, Saturday, May 8th was the topic of discussion.

Most of the boys have their gardens started. Some had them washed away by the recent flood. Mr. Lents is garden and poultry leader, and also community leader.

Joann Berry, Reporter.

MUHLENBERG COUNTY DAIRYING MOVES UP

Through the combined efforts of the Agricultural Extension Service, the Muhlenberg County Farm Bureau and three local banks, the dairy industry in Muhlenberg county promises to be on the up-grade through the addition of several head of Brown Swiss cattle. Farmers previously had been more interested in producing good veal calves than in dairy products. However, after visiting Swiss breeders in adjoining counties with Farm Agent A. W. Rowland, they bought three registered cows and two heifers, two grade heifers and three registered bulls. Local banks cooperated by buying three more registered bulls.

FIVE DAY WEEK

At the recent session of the Kentucky Legislature a bill was passed giving banks the right to close one day a week if they so desired.

This bank opposed this bill and will not take advantage of its provisions. There may be some justification in closing a half day a week but we do not do this except during the hot months of June, July and August.

We appreciate the business of our customers and want to give them service,

how limestone helps keep your farm productive
When you apply limestone to your farm land you accomplish several important things at one and the same time.
1. You replace the calcium and magnesium (lime) that have been lost through cropping, erosion, and leaching.
2. The acid condition of your soil, that has developed as the result of the loss of lime, is corrected—that is, the soil is "sweetened."
3. The activity of favorable bacteria is stimulated; the decay of organic matter, such as manure, straw, roots, and stubble, is hastened; and the nitrogen-forming processes are promoted.
4. Other plant foods, especially phosphorus, are kept in more available form.
5. Soil structure is improved; heavy clays and silts are made looser and easier to till.

Lime a part of your farm each year and make this operation a regular part of your farm program.

LADY STUFF

by Martha Wheeler

(Editor's Note: Martha Wheeler is the prominent lecturer and radio personality.)

The little boy looked like a miniature man from Mars with the goggle-like test frames and lenses on his eyes. The doctor said, "Now go to the window and see how the outdoors looks." "Why, Mother," he cried, "the leaves on the trees are separate." Tears came to her eyes as she thought of the painful effort school and play must have been without the clear vision that well-fitted glasses would now give him.

So popular is the Hollywood fashion for colored eyeglass lenses, because of the bright California sun, that stars who don't need eyeglasses wear them just for the fashion effect.

FOWLER'S "Porcelined" Tank Supplies PLENTY of CLEAN Hot Water Day or Night
Why take complaints from your family, blame for poor housekeeping—for lack of hot water? Have instant hot water any time of day or night with a Fowler Electric Water Heater. Always the right temperature too—never too hot or too cold—regulated by Fowler's automatic temperature control.
Fowler hot water is so luxuriously clean *all the time* because the tank is lined double-thick with porcelain, sealing the metal from the water. Absolutely no tank rust in the water to cause discoloration, taste or odor.
Fowler's "black heat" elements make sure you never run out of hot water too—because they do a scientific job of heating water efficiently and fast, and last longer than other type elements. Low-cost, trouble-free operation makes Fowler electric water heating a pleasure-giving, time-saving convenience. Fowler is backed by a 20-year replacement guarantee.
Let us show you your Fowler—and the sure way to efficient, instant hot water.

Ezra Leads A Revival

GLANCING for a moment at our history, we see that in 536 B. C., 50,000 Jews were returned to Jerusalem from Babylon, and the temple was rebuilt; 458 78 years later, Ezra returns with about 1,000 Jews to inaugurate needed reforms. Then came Nehemiah, 444 B. C., to rebuild the walls, and with Ezra to lead in a needed religious revival:

Dr. Newton

HAPPY TIMES WITH THE BIBLE

"FOR Ezra had prepared his heart to seek the law of the Lord, and to do it, and to teach in Israel statutes and judgments."

There was great need for a revival of religion, and Ezra knew that there can be no real revival until the people come back to God. He therefore read to them the statutes and judgments. Ezra read from the law of Moses from morning until midday, "and the ears of all the people were attentive unto the book of the law."

What would you think of the people being summoned into some public place today to hear the Bible read? But you say, we hear it read over the radio, and we hear it read in church, and we sometimes hear it read in the home. But do we hear it? And are our ears really attentive?

• • •

HEARING AND DOING GOD'S WORD

EZRA not only read God's word to the people, but he led them to do what they were commanded in the law. They went out to give portions to those who were in need. They came back to worship God. They began both to hear and do.

"Be ye doers of the word, and not hearers only," James 1:22.

It is positively dangerous to receive impressions from God and refuse to express what he has put in our hearts to do for him. Let me put it this way, we can become religiously intoxicated unless we go forth to serve.

• • •

LIVING OUR RELIGION

WHAT Ezra and Nehemiah led the people to do in the long ago was to put into practice what they heard—to live their religion. The late Gandhi was reported to have said, "I might have embraced Christianity, had Christians lived what they professed."

Let us keep clearly in mind that Ezra was first concerned in instructing the people according to all that God had said in the Scriptures. That comes first. We must have conviction about what is right. We must have a creed, but we are to remember that it is in daily living that we make our creeds effective.

• • •

WHAT IS A RELIGIOUS REVIVAL?

THIS lesson intends to reveal to us how a religious revival broke out in Jerusalem in the long ago, nearly 500 years before Christ was born. Well may we ask, What is a religious revival?

"Lord, send a revival, and let it begin in my heart." Revivals are prayed down, not talked up. We have fallen into the fallacy of speaking of revivals when some overnight spell-binder comes along and kicks up a big sensation. Before he leaves town, Pharisasim is more rampant than ever. It is not until the Spirit of God moves upon the hearts of his people and rekindles in them a sense of sin, bringing them to true repentance, that we can have a real religious revival.

When men are convicted of their sins, they will say with Zacchaeus, "Lord, the half of my goods I give to the poor, and if I have taken from any man by false accusation, I restore him fourfold." When men begin to feel and talk and act like that, you have a real religious revival. And I repeat, such revivals are prayed down, not talked up. Now you are ready to read Psalms 119:9-16.

Look who gets squeezed!

Union leaders representing less than one-tenth of railroad employes reject recommendations of President's Emergency board—refuse to negotiate except on their own terms—threaten to paralyze nation by strike!

THE LEADERS of three railroad unions, representing less than one-tenth of all railroad employees, have called a railroad strike that would paralyze the nation.

These leaders refuse to accept a 15½ cents an hour wage increase retroactive to November 1, 1947. This increase was recommended by an impartial Emergency Board appointed by President Truman.

This increase of 15½ cents already has been accepted by the 19 other railroad unions. But the Brotherhood of Locomotive Engineers, the Brotherhood of Locomotive Firemen and Enginemen, and the Switchmen's Union of North America won't accept what more than 90% of all railroad employes have accepted. They have called a strike to get more!

Unions refuse rules discussion

Certain rules changes demanded by these union leaders—which would increase wages still further—were recommended by the Board. But the union leaders want more—they demand that the railroads put into effect ALL the changes they asked for, including those the Board felt should be denied.

On top of this, they insist that certain rules changes proposed by the railroads be withdrawn—in spite of the fact that the Board recommended them! These union leaders have refused to negotiate except upon these arbitrary terms.

Greater wage increase not justified

Engineers and firemen are among the highest paid of all employes in America, as figures in the box show. This strike threat doesn't justify giving a greater increase than other railroad workers received.

Emergency Boards are a means provided by the Railway Labor Act in the public interest to avoid strikes. The President's Board, after hearing evidence for 33 days, made recommendations based on all the facts in the case. The railroads have accepted these recommendations.

Who's to blame?

Although they deplored so large an extra cost burden, the railroads accepted the report of the Board because they felt it was in the public interest to uphold the spirit and intent of the Railway Labor Act.

In contrast, this small group of railroad union leaders are attempting to flout the intent and spirit of the Railway Labor Act, and dictate their own terms.

They have dictated a paralyzing railroad strike.

You will be the victim!

How long will the American public stand for the undemocratic, arbitrary, and abusive use of the right to strike and the disregard of the obligation to provide transportation? How long can the American people permit a few dictatorial union leaders to defy the processes provided for peaceful settlement of disputes?

Force seldom produces settlements that are either fair or lasting. Moreover, a point is often reached when personal interests must be held subordinate to the greater public welfare. That is why the railroads have accepted the Emergency Board recommendations. That is also why the leaders of these three unions should reconsider their decision to call a paralyzing strike.

Compare these wages with what you make!

Here is a comparison of average annual earnings of engineers and fireman for 1939 (pre-war) and 1947. Also shown is what 1947 earnings would have been if the 15½ cents per hour increase, offered by the railroads and rejected by the union leaders, had been in effect throughout the entire year 1947.

Weak Feet Affect Body

N. TULCH

Foot Comfort Specialist at—
PEOPLE'S SHOE STORE
814-816 Madison, Covington

When feet are permitted to pronate inwardly, the bony structure of the foot goes down, shutting off the nerve and blood supply in the bottom of the foot. When you cramp or choke the blood stream and slow up circulation, there is a lack of bone repair; chemical deposits or waste matter form at the joints. Next inflammation sets in at these joints causing pain. That inflammation is often mistaken for rheumatism, arthritis and many other ailments. Altho when you cramp the blood supply you shut off the food supply to the nerves.

When nerves are impoverished, muscle tone is impaired because sensory nerves indirectly control motor nerves which in turn control the muscles. When muscles in the feet have lost their tonicity due to impoverishment of the nerves, feet are no longer subconsciously held in normal position.

Surgical shoes give support to the vital arches in the feet releasing cramped nerves and blood vessels to promote better circulation. Gradually as circulation improves, muscles grow strong and regain their tonicity.

With foot health improved the person feels better all over. Research has shown that no less than eighty-seven diseases are indirectly caused by bad feet.

Don't take chances with your health, happiness and peace of mind. With foot comfort you'll live longer and feel better.—Adv.

FOUR RECEIVE TRIPS TO WASHINGTON CAMP

The selection of two boys and two girls to represent Kentucky at the National 4-H Club Camp in Washington in June is announced from the College of Agriculture and Home Economics, University of Kentucky.

Jewell Deene Ellis of Boyle county has done much of the sewing for her family, which includes four brothers and four sisters. The past year she made 348 garments valued at $1,477. She was county sewing champion for five of the nine years she was in club work. She now is a freshman in the College of Agriculture and Home Economics.

Jack Keller of Oldham county was Kentucky 4-H garden champion in 1947. He also was county garden champion four of the seven years he has carried the 4-H garden project. In addition to gardening two acres himself, he and his brother grow 15 acres of corn and two acres of tobacco. He also raises chickens. The net value of his club work the past year was $1,536.

Thomas Phillips of Simpson county was Kentucky 4-H sheep champion in 1947. His 20 ewes the past year raised 27 lambs and the income from lambs and wool averaged $38.44 a ewe. He also was district tobacco champion the past year. He has been in club work nine years, and in that time his sheep have netted him $2,200 and his tobacco $1,750.

Polly Ann Stovall of Logan county has done outstanding work in canning and clothing making. She has made 63 garments for herself, including a three-piece suit, and values her sewing at $1,018. A part of her training included traveling 13 miles on Saturday to attend a tailoring school.

Two Men Die In Plane Crash Near Limaburg

PLANE DIVES INTO WOODS AFTER TAKING OFF FROM BOONE AIRPORT—HAD BEEN IN AIR THREE MINUTES.

M. T. Rush, pilot, and Daniel Crowley, copilot, both of Tulsa, Okla., were killed and burned beyond recognition Saturday night when their twin-engine plane crashed and burned three minutes after taking off from the new airport, near Hebron.

The plane crashed in a wooded section, one-half mile north of Limaburg. The plane was en route to St. Louis, according to reports.

The pilot and copilot were both employees of the pipeline department of the Sinclair Refining Co., of Independence, Kans.

Several who claimed to see the plane prior to the crash said it apparently burst into flames, exploding after hitting the ground. Bodies of the men were so charred and mangled that immediate identification was impossible, according to Sheriff R. I. Rouse.

The plane was scattered over a large area of the wooded section after skimming through the tree tops for several hundred feet.

Cause of the accident was not officially determined, but it was believed that an engine caught fire possible from a fuel line breakage.

The plane landed at the new airport late Saturday night for refueling after a flight from White Plains, N. Y. It was reported that when he landed the plane's right engine was torching—flames shooting from the exhaust.

After eating in the airport cafeteria, the men took off, being on the ground less than an hour.

Identification of the victims was made by Rex Cowen, a representative of Sinclair, who telephoned Sheriff Rouse from Independence, Sunday.

This was the first fatal accident connected with the new airport since its construction August 12, 1944, according to reports.

The Burlington Volunteer Fire Department was summoned to the scene and arrived only a few minutes after the crash, however, the plane was completely destroyed. The accident occurred at approximately 11:15 p. m. Saturday night.

Bodies of the men were taken to the Ralph Stith funeral home, Florence, where they were prepared to be moved to Tulsa.

EX-MARINE WINS GOODWILL PRIZE

"One is always repaid in some way for good deeds," spoke William Watters, 15 West 18th St., Covington, when informed that he was the winner of the first award of $150.00, given by Covington retail merchants in connection with the weekly Goodwill Day.

Mr. Watters, who is only 19, was discharged from the Marine Corps April 30, after two years' service. Buying a watch band for his mother gave him the "goodwill" opportunity. He also bought her an electric refrigerator with his savings.

The next Goodwill award will be made next Wednesday at Seventh and Madison, Covington, 1:30 p. m.

BASEBALL TOURNEY OPENS AT WARSAW

TODAY (THURSDAY)—FLORENCE AND MORGAN TO TANGLE IN OPENING GAME—FINALS WILL BE HELD SATURDAY.

The district high school baseball tournament will open Thursday afternoon, (today) at Warsaw with Florence and Morgan as the first opponents. The game will begin at 2:30 (E. S. T.).

The next first round game will be Saturday morning when the Burlington Eagles play Gallatin County High.

Second round games will pair New Haven against Florence-Morgan winner Saturday morning following the B. H. S.-Gallatin game.

Finals will be held Saturday afternoon at 2:30, according to Walter Hambrick, tournament manager. Admission price will be 25 cents.

The winner of this district will meet three other Northern Kentucky district winners in the regional tourney at Newport next week. The winner of the regional will go to the state tournament to be held at Louisville.

MARTIN HERZOG

Requiem high mass for Martin Herzog, Elsmere resident and father of four nuns, was sung at St. Henry Church Tuesday morning, following prayer at the Philip Taliaferro funeral home, Erlanger at 8:30 a. m. Burial was in St. Mary Cemetery.

He is survived by four daughters, all of whom are members of the Sisters of the Divine Providence; Sister John Martin, of Winchester, Ky.; Sister Auxilia, Cumberland, Ky., and Sister Mary Ellen and Sister Eurphasia, both of Washington, D. C., and five sons, Lawrence, Charles, Ralph, John and Berniard Herzog, all of Elsmere.

COUNTY LEAGUE GAMES ARE SCHEDULED SATURDAY

The Saturday afternoon baseball league announce the following games Saturday, Constance at Bob and Gene's, Florence; Belleview at Petersburg. Game time will be 2:30 p. m.

Details of games played last week were not available.

THREE TEAMS TIED FOR FIRST HONORS

IN SUNDAY SCHOOL LEAGUE—PETERSBURG, UNION, AND BIG BONE VICTORS IN SATURDAY'S CONTESTS.

Petersburg's young team behind Marvin Campbell's 5-hit hurling defeated Florence 4-1 Saturday in the best-played game of the day. Manager Hodge's charges collected 11 hits with Campbell swinging the big bat with 3 hits, while "Stump" Lyons' eight inning double drove in three runs. Campbell in notching up his third win against no losses struck out 15 Florence batters. Donnelly was behind the bat for Petersburg. Bob Miller, Florence acquisition from Sand Run, started on the hill for the losers. Billy Woods came in to finish the game in the sixth grade. Dud Rouse Florence skipper, was the receiver. Rouse and Brooks continued their hitting streak with 3 hits between them. Both teams played an improved brand of ball. Petersburg had 6 runs, 11 hits, and 2 errors, while Florence had 1 run, 5 hits and 2 errors.

The second masterpiece of the day was turned in by Union's veteran curve ball specialist, Scott Jack, as he limited Belleview to seven scattered hits. Jack went the route in marking up his second triumph. "Turk" Aylor was on the hill for Belleview and came thru with a commendable performance. Bob Moore, capable Union backstop was on the receiving end of Jack's slants with Sebe Scott in the cage for Belleview. Moss Brown continued paralyzing opposing pitchers as he smashed out 4 hits for 4 times up. Brown has 8 hits for the last 9 trips to the plate. "Tick" Barnes, lefthanded hitting outfielder, drove out two bingles to pace the losers. Summary: Union 7 runs, 13 hits, 2 errors; Belleview 1 run, 7 hits, 1 error.

It took Big Bone 13 innings to hand Myron Garnett and his Bullittsville boys their first loss. This was the first extra inning contest of the season and it was a thriller all the way. "Slugging Shirley" Gruelle continue his remarkable hitting pace as he pounded out 3 hits for the fourth straight game. The elder member of the Gruelle brothers outfield has terrorized pitchers all season and is easily recognized as the top player in the loop. Dick Gaines, last year's home run champion with Bullittsburg, hit his stride with 4 safe blows to pace losing Bullittsville. Charley Black notched up another win as he worked on the hill for Big Bone. Cliff Rouse was behind the bat for the winners. Barney Hogan worked 12 innings for Bullittsville and pitched excellent ball all the way. Chester Edwards relieved him in the 13th and received credit for the loss. Garnett was the catcher for Bullittsville. Summary: Big Bone 10 runs, 12 hits, 3 errors; Bullittsville 9 runs, 13 hits and 8 errors.

Burlington pulled an upset as they downed Sand Run 9-4 at Burlington. Bob Brown started for the winners but came out in the fourth with a bad arm. Roscoe Akins, veteran Burlington hurler took over and came through with a fine performance the rest of the route. The two Burlington hurlers collaborated to strike out ten opposing batsmen. Bud Goodridge, Sand Run southpaw, was the losing pitcher in spite of his 13 whiffs. This was the second game Goodridge had lost in two years. Phil Yelton, Burlington first sacker, poled out 4 hits to cop batting honors. Yelton was followed by Jim Ryle who marked up three safeties. Bill Mahorney and Wilson had two hits each, but it was Buck Judy who swung the big bat with a double and home run in two trips to the plate. Patterson for the winners and Utsinger and Judy for Sand completed the batteries. Summary: Burlington 9 runs, 11 hits, 2 errors; Sand Run 4 runs, 11 hits and 5 errors.

Verona defeated Bullittsburg 16 to 6, but this was all the information we were able to obtain.

JUNIOR BASEBALL LEAGUE IS PLANNED

A move is under way to establish a Junior Baseball League in Boone County for boys of the ages ten through fourteen years. All persons interested in this organization are urged to attend a meeting at Burlington courthouse on Monday evening, May 17, at 8:00.

Tenative plans are for twilight games one weekday each week, with a regular schedule made out in advance. It is hoped to complete all necessary plans at this one meeting, so please try to attend and get the boys from your community in on this project.

Several teams are already organized and a few games have been played. However, it is felt that the boys will have much better games if a league organization can be set up, so be on hand Monday night with your suggestions for helping the boys to have a good time playing ball this summer.

HOMEMAKERS PLAN YEAR'S PROGRAM

AT MEETING OF COUNTY ADVISORY COUNCIL — THIRTEEN HOMEMAKERS CLUBS. REPRESENTED.

The yearly program for Boone County homemakers was planned last week by the county advisory council. The spring council meeting attended by representatives from thirteen homemakers clubs was held at the Florence Town Hall.

Mrs. Joe Hogan, Hebron, county president, presided at the meeting. Minutes and the treasurer's report were given by Mrs. Earl Morehead, Taylorsport. This was followed by county committee chairman reports: Membership, Mrs. Virgil Kelly, Gunpowder; reading, Mrs. Dan Hacker, Kentaboo; handicraft, Mrs. Robert Myers, Florence; citizenship, Mrs. Sterling Dickey, Hebron; and live at home, Mrs. B. M. Stevens, Gunpowder.

Each club representative told of the interests of her group in project study for 1948-49. From the suggestions the following program was planned: Consumer information and gift suggestions, one month; cane and Hong Kong chair seats, two months; hooked rugs, three months; rewiring and refinishing lamps, one month; landscaping and flower arrangement, one month; basket weaving or other handicraft, one month; and a countywide meeting on live at home.

September 16 was set as a tentative date for the 1948 annual meeting.

ARTIFICIAL BREEDING MEETING SET MAY 18

Directors of the Artificial Breeding Association will meet in the County Agent's office at 8:00 p. m. Tuesday, May 18. All directors are urged to attend.

Rev. James W. McGregor, pastor of Sand Run Baptist Church was the guest speaker at the Men's Bible Class business meeting at the local Baptist Church last Saturday night.

LELAND SULLIVAN WINNER OF ESSAY

CONTEST SPONSORED BY LOCAL RED CROSS CHAPTER—IS ONE OF OUTSTANDING WRITERS FOR SCHOOL NEWS.

Prof. W. R. Davis, chairman of Boone County Chapter A. R. C., has announced the winner of the essay contest sponsored by the chapter, the subject being "The Red Cross Story and What it Means to Boone County." The $5.00 prize is given by Mr. R. G. Eades, Red Cross Disaster Chairman and also chairman for Red Cross movies. He is proprietor of Bob and Gene Sandwich Shop, Florence.

The successful contestant is Leland Sullivan, 16, son of Mr. and Mrs. Nathan Sullivan, Burlington R. 2. Leland is a junior in the Burlington high school and one of the leading writers for Boone County School News. He has won two writing honors this year, one of which was a national contest for high school journalism, where he was selected by National Echo as one of the best young writers in the entire country.

R. G. Eades, movie chairman wishes to thank all the schools who so graciously allowed the pictures to be shown and the Chapter want to thank the contest judges and the county newspapers who have given publicity.

Sullivan's winning essay follows:

Red Cross—Aid. Red Cross—Aid. Yes, the Red Cross is a story of aid, and rightly so, because the great objective of this "working unit" is to aid humanity.

When we look into the history of this organization and even if we go back, a century ago, to the time of its founding, in 1859, we find the same to be true. For then, when Henri Dunant, a young Swiss, went out to the field of battle and saw the suffering, the horror, and the torture of the battle, what did he want to do? Yes, he wanted to help—to aid. This he did, in a small way, by writing a book and urging the European nations to aid the soldiers in some way.

In 1864 this movement became a reality, for it was in that year that delegates from sixteen nations met in Geneva, Switzerland and adopted the charter which is still the principle of the Red Cross.

As time went by and as the organization grew, plans were made to relieve all kinds of suffering and distress, both military and civilian.

The first American Society was founded in Washington in 1881 and it has been largely from this beginning that the Red Cross has reached its present height.

Today, as during the past two wars, the Red Cross is ready to respond at a moments notice to carry on a system of national and international relief to lessen the sufferings caused by pestilence, famine, fire, floods, and other great national or local calamities.

This very briefly has been the history of the Red Cross. Now let us consider the question, "What does it mean to Boone County?" There again, I believe, the answer should be AID. Last year alone, the Red Cross relief in Boone County amounted to $1,050.55. Among the different types of aid were: Loans to veterans; fire disaster assistance, and hospital, medical, and other assistance to destitute families.

It means aid to our schools, in the form of better health and better health programs, under the direction of the County Red Cross Nurse, Miss Elizabeth Lowry.

The Executive Secretary is Mrs. Elizabeth G. Nestor. The Red Cross headquarters in Boone County are located across from the Post Office in Florence. The telephone number is Florence 86.

In short, the local Red Cross chapter is ready to aid any Boone Countian during any time when relief is needed, due to any calamity.

Most of us are usually unaware of the great and untiring work carried on by such great humanitarian organizations as the Red Cross.

When a person stops to think, he wonders how the few dimes and dollars he donates, even when multiplied by those of his neighbors across the nation, can carry on so large an organization.

Many of the donations, however, have been in service, rather than in money. Some have received pay for these services, and rightly so. But, all in all, the idea of the men and women in the Red Cross has been to aid humanity.

It is this great idea, this unselfish attitude, and sense of cooperation that has made the Red Cross. It has made America.

Mr. and Mrs. J. M. Smith, of Covington, spent last Sunday with his parents, Mr. and Mrs. J. G. Smith.

BASEBALL FILM TO BE SHOWN AT SCHOOL FRIDAY, MAY 14TH

FIDDLER AND AMATEUR CONTEST ANNOUNCED FOR NEW HAVEN JUNE 1

A fiddlers and amateur contest will be held at New Haven high school June 1, at 8:00, it was announced this week. It will be a great show. Everyone is eligible to participate in this contest.

Watch this paper next week and learn of the "big grand prize" given to the champion of all the acts. Other prizes will also be offered.

Next week this paper will contain entry blanks and information concerning the contest. This program is, being sponsored by the senior class of the school.

CHARLES TANNER

Funeral services for Charles H. Tanner, 78, life-long resident and farmer of Boone County, were held at Hopeful Lutheran Church last Thursday at 2:30 p. m.

Mr. Tanner died Tuesday at his home on Burlington pike, near Florence.

He is survived by three sons Clifford and Harry of Boone County, and Rev. Cecil Tanner of Maysville; four daughters, Misses Mabel and Evelyn Tanner at home; Mrs. Stanley Aylor and Mrs. Shelby Beemon, both of Boone County, and thirteen grandchildren.

The Philip Taliaferro funeral home Erlanger was in charge of arrangements.

FLORENCE YOUTH INJURED IN MISHAP

WHEN MOTORCYCLE COLLIDES WITH AUTO AT GARVEY AVE., WEDNESDAY — ANKLE FRACTURE SUSTAINED.

Charles Marshall, 21 of Florence suffered an akle fracture and multiple abrasions, when the motorcycle which he was riding collided with an auto late Wednesday at Garvey Avenue and Dixie Highway, Elsmere.

Witnesses said the motorcycle operated by Mr. Marshall struck the left front wheel of an auto driven by Opal Carroll, Elsmere, as the latter attempted to turn left into Garvey Avenue.

Elsmere Police Judge V. T. Woods who witnessed the accident from his nearby office said motorcycle and rider parted company and "somersaulted" in different directions.

FARMERS URGED TO RETURN MARKETING CARD TO ACA OFFICE

All Boone County farmers who still have their 1947 tobacco marketing cards are urged to return them to the A. C. A. office at once. These cards are necessary for the office to complete 1947 production records. These records must be completed and reported to the State office at once.

Failure to return the marketing card or supply information requested concerning 1947 sales will mean that disposition of the crop has not been accounted for and can result in a reduction of 1948 allotment.

MAN AND WIFE WILL FACE FEDERAL JUDGE

Joe Martin and wife, of Nashville, Tenn., were arrest last Friday on U. S. 42 by Patrolmen Gordoh and Miller on a charge of transporting a stolen car across state lines.

Martin and his wife were brought to Burlington and placed in jail, later being released to federal authorities.

John Holbrook has been quite ill for the past several days.

325 Attend 4-H Spring Rally Held Saturday

June 8th Last Day To Register

Voters in Boone County are notified that June 8th is the last day to register any changes of precinct or party affiliations in order to participate in the August primary, according to C. D. Benson County Clerk.

Mr. Benson stated that many residents have changed voting precincts and have not changed registration. It is also necessary that persons coming of age register before or on June 8th. Persons reaching the age of 21 before the November election are eligible to register and participate in the August primary.

MARTHA HARDING

Funeral services for Miss Martha Harding, 75-year-old lifelong resident of Boone County were held at the Catherman funeral home, Ludlow at 2 p. m. Thursday. Burial was in Hebron Cemetery.

Miss Harding died Tuesday at her home on Burlington R. 1.

She is survived by a sister, Mrs. Nellie Rouse, and a nephew, Luther Rouse, both at the same address.

VETS TRIM MT. LOOKOUT SUN.

IN CLOSE GAME AT FLORENCE GROUNDS — VETS STAGE NINTH INNING RALLY TO COLLECT THREE RUNS.

The Boone County Vets emerged on the long end of 8-7 count over the Mt. Lookout nine Sunday in a regular Buckeye League game played at the Florence grounds.

The local boys drew first blood, collecting four runs in the fourth inning, while holding the visitors scoreless until the sixth, when they chalked up three runs. In the seventh inning the visitors collected four runs while the Vets obtained one, trailing by two runs at the close of the inning.

Mt. Lookout failed to score in the remainder of the game, while the Vets staged a ninth inning rally by netting them three runs, and the victory by a score of 8-7.

Two base hits were registed by Miller, Sox Benson, Bowman and Denniston. The big swing of the day was a home run by Charles Benson.

Mumm and S. Ryle were on the hill for the locals, while Meder and McMeans served them up for the visitors.

Twelve hits were collected off the offerings of Mumm and Ryle, while the Vets collected 11 safeties from the slants of Meder and McMeans.

The Boone County Utopia Club will meet at the courthouse in Burlington at 8:00 p. m., May 20.

Following the business meeting, Mrs. Elizabeth Dell Nestor will give a book review on "Lure of Kentucky"

DISTRICT FIELD DAY SET MAY 14

FOR F. F. A. BOYS—LOCAL CLUB MEMBERS LIMITED TO ENTRIES DUE TO BEING IN ITS FIRST YEAR.

The Vocational Agricultural boys from Northern Kentucky District will meet at Warsaw, Friday, May 14 for the annual F. F. A. field day.

During the next few weeks all districts will hold fields days to determine winners in the various contests to represent each district at the State convention.

Our local chapter, being in its first year is limited to certain entries. The enterprise contests in all farm crops and livestock projects require a full year of farm practice program before an entry in the contest can be made. The club is entering music and speaking contests and chapter meeting.

All boys of the Burlington chapter will attend the day to become acquainted with the procedure. Next year it is planned to enter all contests.

CONTESTS OPEN TO F. F. A. AND 4-H CLUB MEMBERS

The farm youth of Kentucky has extra reasons to excel in agriculture this year!

Two contests, the Future Farmers of America Contest and the 4-H Club Contest for Achievement in Agriculture and Home Economics, are open to agricultural-minded young people in the state. Both are included in a series of farm incentive programs sponsored by The Courier-Journal, The Louisville Times and WHAS.

The F. F. A. Contest was announced by E. P. Hilton, state supervisor of vocational agriculture and Barry Bingham, president of the newspapers and radio station. The 4-H Club contest was announced by J. W. Whitehouse, 4-H Club state leader, and Bingham.

A trip to the national F. F. A. Convention or $100 is the F. F. A. grand prize. Nine additional awards of $25 U. S. Savings Bonds will be awarded each F. F. A. district winner. Each F. F. A. chapter winner will receive a special certificate. A gold seal certificate will go to each chapter with 100 percent representation in the contest. The contest closes October 15.

F. F. A. circulars and contest books will be distributed to all F. F. A. chapters in the state.

Grand prizes of $100 each are offered in the 4-H Club contest to the boy and girl state champions. Prizes of $30 will go to the boy and girl ranking second, $20 prizes to the third boy and girl and $12.50 to the boy and girl with fourth place scores. All awards must be used by 4-H Club winners to further develop the project or projects they are now carrying, Whitehouse said. All 4-H Club reports must be turned in at district project achievement meetings in October.

Four-H contest rule books may be obtained by writing to the promotion department, The Courier-Journal, Louisville Times and WHAS, Louisville 2, Kentucky.

Last year's grand champions in the two programs were: Miss Wilma Wathen, Leitchfield, and David Earl King, Verona, 4-H Club; and Randolph Cotton, Versailles, F. F. A.

JUNIOR CONSERVATION CAMPS SET FOR JUNE 6TH

Camps, which will open on June 6 at Kentucky Lake and Dale Hollow for Junior Conservation Club members, are rapidly being whipped into shape, the Division of Game and Fish has announced, and by the opening date the area will be shipshape for the approximately 2,000 boys who will participate in the program during the summer. Boats this week are being moved to Kentucky Lake and landing barges, which are now located at Kentucky Lake, are being taken to the two camp sites on Dale Hollow. Each of the three camps will have four landing barges from which Juniors will fish and on which they will take nature study trips. Each barge, acquired from the Government as war surplus, will take care of 13 boys on these jaunts and will be propelled by outboard motors. The craft are 16 feet long by six feet wide and have steel hulls. At the Dale Hollow camp on a 30-acre island, the craft also will be used for transportation and to haul supplies to the camp.

WE APPRECIATE
When a family calls us in time of need, we feel deeply honored, for we believe that no public servant and, properly so, is selected with as much care as the funeral director.
We appreciate the confidence so often placed in us.

The foolproof way to heat water is the Fowler electric way—clean, safe, economical. Electric water heating breeds no dirt, no soot, no leaking fumes. You don't have to worry about turning the water heater off and on—or wear yourself out running to the basement.

Instead, you have instant, plentiful hot water on tap every time you need it. Everything about a Fowler is automatic. Once installed, it can be forgotten—except for frequent thoughts of gratitude for a Fowler's dependable service.

Fowler Electric Water Heater is built to provide efficient, fast hot water service for 20 years or more. Its fine construction is backed with a 20-year replacement guarantee. The famous Fowler *porcelined* tank keeps water sparkling clean. Three-way insulation insures low operating cost. The "black heat" elements insure a longer-life water heater.

Enjoy this new freedom from water heating worries. See about a Fowler Electric Water Heater for your home today.

WITH BOLENS HUSKI POWER LAWN MOWER

This tractor-powered lawn mower gives you clean, smooth turf. Outstanding improvements: easy adjustment for height, safety operation with separate clutches for feel and power; floating unit that follows ground contours. These features, and others, make it easy to handle. The BOLENS HUSKI Tractor and Mower attachment, combined, cost about as much as a good single-purpose power mower of the same size. Remember that the BOLENS HUSKI Tractor powers other quickly attached implements for light grading, gardening, hauling or snow plowing. Come in and see it.

PONDS ALLOTTED 75,000 BASS

Ponds in the Third, Fifth and Sixth districts have been allotted 75,000 bass to be distributed during the month of May, the Fisheries department of the Division of Game and Fish has announced. Operations are being carried on in these districts now and as soon as completed the seining crews will move on to other districts. Already ponds in the Third and Fifth districts have been stocked with bream, with approximately 75 ponds having been seined. Work is continuing in the Sixth district this week. Bass for the ponds in these three districts will be obtained from the hatchery at Williamstown. During the seining operations so far this year the crews have removed 30,000 adult catfish, crappie and bream from overstocked ponds and have freed these fish in streams in sections in which they were obtained. The Division expects to place approximately 150,000 bass in farm ponds this year.

CORNCRACKERS ATTEND RALLY

The Constance Corncracker 4-H Club, with the exception of three members attended the Spring Rally at Burlington last Saturday. The boys and girls did well with their demonstrations and judging.

Ralph Ginn won two trips to Junior Week at Lexington in June, one by being first in the seed judging contest and the other in a demonstration contest. A Florence boy will get to take one of the trips as he was second in the seed judging contest.

Bobby Ginn and Bill Crowley also won trips to Junior Week.

W. S. C. S. MEETING

The W. S. C. S. of the Florence Methodist Church met at the church on Thursday, May 6. The president, Mrs. Paul Chaney presided over the business session during which various reports were given, followed by the devotional period by Mrs. Geo. Miller.

Mrs. Harry Daugherty presented interesting highlights from a book written by Willis Lamott entitled "Committeed Unto Us." Mrs. Chaney gave an interesting report on the Kentucky W. S. C. S. Conference held at Highland M. E. Church, Ft. Thomas, April 20-22.

The meeting was dismissed with prayer by Mrs. Daugherty.

The members of this organization are very grateful to all who contributed to the success of their bake sale at Coppin's. The next meeting will be held on Tuesday, June 1st at 1:30 p. m. at the church.

Maybe Your Farm Doesn't Need Liming

There's a good way to find out—have it tested. Dig a V-shaped hole 6 or 8 inches deep with a shovel, spade, or trowel. Then cut a thin slice down one side of the hole and place in a bucket.

Repeat the operation over the entire field so you get at least one sample from each acre. Mix all these samples thoroughly and place not over a pint of the mixture in a clean container. A paper bag, ice cream carton, or glass jar is suitable.

You can find out if your fields need liming by taking or sending the sample to:

(Insert here the name and address of county agent, experiment station or other agency where such tests are made.)

We are anxious to supply you with the needed amount of agricultural limestone, but we don't want to sell it unless it is needed. The test will tell.

HEBRON NORBEK 4-H CLUB

The Hebron Norbek 4-H Club held its regular monthly meeting May 3. The meeting was well attended with only 1 absent and 3 of our adult leaders present. The group, led by our song leaders led in repeating the club pledge and in singing "Old MacDonald Had A Farm." The secretary called the roll and read the minutes of the last meeting.

Mr. Davis gave us our membership cards to keep until the fair, to equity we were 4-H members.

Miss Ottaviano talked to the girls about Rally Day and the contests we could enter. We had the captains' reports and some are ready for Rally Day and others are hoping to be ready. The girls are hoping to pick the best to use at Spring Rally. The meeting was then adjourned.

Just Let Me Tell You A Few Facts About Walking, So You'll Realize Just How Much It Can Do For You

N. TULCH

Foot Comfort Specialist at—

PEOPLE'S SHOE STORE

814-816 Madison, Covington

The normal heart, you know beats about seventy-two times a minute and pumps about six ounces of blood with each beat. Now, in fast walking, or at the rate of four miles an hour—which is how fast you should walk to do you some good)—you'll find the normal heart will INCREASE its beat ten times to the minute, pumping six ounces of blood at each beat, gives sixty ounces per minute or 3600 an hour, which is 225 pounds. You can easily see that 225 ADDITIONAL pounds of blood pumped DAILY through your veins means just that much more life to your whole body.

There's no use of my telling you to get out and walk if you are having trouble with your feet, because I know you won't do it. BUT—if I tell you how to get rid of those aching, paining feet, first—then there's nothing to keep you from walking every day and benefitting your health by this wonderful exercise.

It has also been found that millions suffer—without knowing the reason why—those headaches, those leg pains, and even sleepless nights may be caused by the shoes you are wearing.—Adv.

READING: Malachi
DEVOTIONAL READING: Luke 3:1-6, 15-18.

Malachi Demands Sincere Religion

Lesson for May 16, 1948

GET ready for some straight talk in next Sunday's lesson. Malachi reveals the dark picture of unrequited love, polluted offerings, impious priests, unfaithful husbands. You wonder if Sam Jones has come back to life. He begins by crying, "The burden of the word of the Lord to Israel by Malachi." We shall miss the entire meaning of this lesson if we fail to read every word of the Book of Malachi. We cannot claim any of the promises of a better day, as indicated in the latter section of Malachi unless and until we deal with such hypocrisy as may infest our lives today, even as the priests and people were consumed with iniquity when Malachi prophesied unto them.

Dr. Newton

• • •

GIVING OUR BEST TO GOD

"A SON honoureth his father, and a servant his master; if then I be a father, where is mine honour? and if I be a master, where is my fear?" Malachi 1:6.

How can God bring good out of evil, when his people hold back their best from him? Let us bring it closer home, and ask, How can our earthly parents do their best for us, when we give them half-hearted allegiance?

• • •

OUR BEST IN WORSHIP

PASSAGES in the first, second and third chapters of Malachi reveal the lack of sincerity on the part of the priests in the worship which they offered and which they taught the people to offer. Here we see that unclean hands can never bring an acceptable offering unto the Lord. He looketh on the heart. He knows what is in man.

Using the house of God to make a show before men was one of the shameful evils of the priests in the days of Malachi. It did not fool God then, nor will it fool him today. Unless our worship is an expression of something fine and sincere, he will not accept it.

• • •

THE DAY OF RECKONING

"BEHOLD, I will send my messenger, and he shall prepare the way before me; and the Lord, whom ye seek, shall suddenly come to his temple, even the messenger of the covenant, whom ye delight in . . . But who shall abide the day of his coming?"

One would think that such words of warning would have brought the priests and the people to their senses in humble contrition before God; but they continued to disregard the words of God's messenger.

"For, behold, the day cometh, that shall burn as an oven; and all the proud, yea, and all that do wickedly, shall be stubble; and the day that cometh shall burn them up, saith the Lord of hosts, that it shall leave them neither root nor branch."

Thus did God warn. And the day of reckoning did come—a day in which priests and people went down beneath the chariot wheels of the invaders. And once again the warnings of God, though despised, were fulfilled to the last word in the terrible punishment upon those who forgot him.

• • •

THE PROMISE TO THE FAITHFUL

BUT God does not forget those who truly love him, and thus the Book of Malachi closes with the words of promise to the faithful. "But unto you that fear my name shall the Sun of righteousness arise with healing in his wings; and ye shall go forth, and grow up as calves of the stall," Malachi 4:2.

The remnants of those who remained true to God in the midst of a wicked generation were used to perpetuate his witness in the earth. The dark days of persecution could not put out the light of his presence and peace.

Let us pause as we study this Book of Malachi and search our own souls, lest we be guilty of the hypocrisy which destroyed the people in the long ago. With every strand of strength which he grants us, let us do with our might what our hands find to do, and the peace that passeth all understanding will be our portion.

"And all flesh shall see the salvation of the Lord."

FLORENCE SENIORS WILL PRESENT PLAY

The senior class of Florence is presenting a 3-act play entitled "Moonlight and Applesauce," directed by Mrs. Emily Furnish at Florence high school Friday, May 14, 8:00 p. m.

The characters are as follows:

Eli Barnes, Buddy Arnold
Ellen Barnes, Mable Clark
Grandmother Barnes, Bertie Markesbery.
Nita Barnes, Bobbie Smith.
Kay Barnes, Katherine Tanner.
Hamilton Barnes, Jerry Rouse.
Frank Eastup, Dee Baker.
Oswald Drew, Bob Martin.
Gertie Sims, Gloria Hale.
Archie the Shipper, Don Markesbery.
Little the Lynx, Joyce Chitwood.
Reporters, Alyce Millar and Jane Yelton.
Officers, Bedric Scott and Marvin Zimmerman.

When Grandmother Barnes decides it is time for her to straighten out two love affairs, when a would-be Edison and an investment-minded mother, with the help of two imaginary detectives who are trying to catch the thieves of the famous Oriowski diamonds get together on the stage you have this riotous play by John Naah.

For an evening of fun and entertainment, don't miss "Moonlight and Applesauce!"

BURLINGTON ROYAL AMBASSADORS HOSTS

The Spring Royal Ambassador Conclave for the North Bend Association will be held at Burlington, Saturday, May 22. The conclave will get under way at one o'clock with games at the fair grounds. "Andy" Andres, regional counselor will direct the conclave.

Speakers from Cuba and the Philippines will be highlights of the day. Refreshments, games, singing and a full day in ambassadorship is the program for all boys May 22.

LEAVE FOR COLORADO

Mr. and Mrs. W. C. Pierce left Monday for their home in Colorado Springs, after spending the past two weeks with the George Pierces of the Hill Top neighborhood.

Last week their brother Frank, and Mrs. Pierce, of San Jose, Calif., joined them in a motor trip thru Central and Southern Kentucky, where the brothers visited the scene of their childhood and renewed friendships of long ago.

While at Monticello they visited the scene of the tornado at nearby Alpha. Several homes and other buildings were leveled. One woman was blown so far that she was not found for sixteen hours. All left of the little church was the floor and pews, but of the more than a hundred persons attending services not one was killed. The only survivor in one family was the son who was at church.

HODGES ENTERTAIN

Mr. and Mrs. Russell Hodge and son Phillip entertained at their home Sunday with a six o'clock dinner in honor of Harry E. Hicks of Covington, it being his 78th birthday.

Those present to enjoy the occasion were Mrs. Ida Bradshaw, of Ft. Mitchell; Mr. and Mrs. Stanley Graves, of Hebron; Ted Werner, of Walnut Hills; Miss Beulah Elrod, of Newport; and Art Merton, of Newport.

The table was beautifully decorated with white and red carnation, and everyone reported an enjoyable evening.

LADIES TO HAVE BAKE SALE AT PETERSBURG

The Home Service Circle of Petersburg Christian Church will sponsor a bake sale Saturday, May 15 at Ryle's store from 10 a. m. to 5 p. m.

Homemade candy will also be sold by the Christian Youth Fellowship group.

YOUNG PEOPLE TO AID IN INTERPRETING RELIGIOUS PAINTINGS

At the evening worship service on Sunday, May 16, members of the Christian Youth Fellowship of the Petersburg Christian Church will assist the minister, the Rev. Claude M. MacDonald, in interpreting five of the world's great religious paintings.

The sanctuary will be dimly lighted as the worshipers enter facing the movie screen on which will be projected Albert Durer's "Praying Hands." Mrs. Claude MacDonald will sing Malotti's "The Lord's Prayer" during the presentation of the first picture.

Following in order will be the following pictures, all projected on the screen and with the interpretation given by a member of the church's youth group: "Head of Christ" by Warner E. Sallman, John Carver; "Christ and the Doctors" by Johann Hofmann, Marilyn Helms; "Christ Blessing the Children" by Bernard Plockhorst, Betty Jarboe; "Christ and the Rich Young Ruler" by Hofman, Patricia Helms; and "Christ in Gethsemane" by Hofman, Nell Jo Helms.

The service will begin at 7:30 p. m. and the public is invited to attend.

SPECIAL MISSIONARY SERVICE PLANNED SUN.

Sunday, May 16 at the morning worship hour, the Florence Baptist Church will have a special missionary program in honor of Miss Joan Bach who will be sailing soon to do educational evangelism under the Foreign Mission Board of the Southern Baptist Convention in Nigeria, West Africa.

Miss Bach was born in Jackson, Ky., and spent most of her life in Bellevue, Ky., where she attended grade school, junior high and high school. She was graduated from Eastern Kentucky State Teachers College with an A. B. degree in 1943 and from the University of Kentucky with an M. S. degree in education in '44. After two years of teaching in the Covington Public Schools she volunteered for foreign missions and gave up her teaching position to attend the W. M. U. Training School in Louisville, from which school she was graduated May 6 with a B. R. E. degree.

She was appointed by the Foreign Mission Board April 6, 1948, and will sail for Nigeria July 1st.

She is the daughter of Dr. and Mrs. Luther Bach who live at Green Acres Farm, Florence, Ky.

An appropriate program of dedication is being planned for this service. The public is invited to attend.

DAIRY FARMERS FIGHT REPEAL OF OLEO TAXES

by CHARLES ELLSWORTH
Special Correspondent

Washington, D. C. — Farmers are just beginning to realize what 26 big oleomargarine manufacturers are putting over by attempting the repeal of oleo tax laws.

Repeal legislation has been heavily publicized and there has been enormous pressure for its passage, especially from urban areas. Now, however, Congressmen who represent rural communities are beginning to hear from the folks back home.

For centuries the "trademark" of butter has been its naturally yellow color, the dairy farmers are protesting. While admitting that at some seasons of the year butter is naturally less yellow than at others, they point out that color is added to butter for uniformity, not for the purpose of making it look like something else.

Repeal of the oleo tax laws, farmers say, would lead inevitably to other oleo substitutions in filled milk, filled cheese, filled ice cream and other dairy staples. Loss of the butter market would be felt first by the many farmers who milk from 3 to 6 cows, dairy economists say.

The secondary loss would hit dairy farmers who themselves produce butter or evaporated milk. The third loss would affect every milk producer in the United States, since the price of milk is closely geared to the price of butter.

Dairymen are not much impressed with the oleo lobby claims that their product uses domestic oils and thus benefits the farmer. Soybean growers get two and one-half as much income from soybean meal sold as dairy cattle feed as they get from soybean oil sold for oleo. Cotton planters get half again as much for their cottonseed meal sold for dairy cattle feed as from their cottonseed oil sold for oleo.

Moreover, farmers get a much larger share of the consumer's butter dollar than of her oleo dollar—76 per cent as against 30 per cent—and their share of the oleo market is expected to drop as foreign oils re-appear. Last year the U. S. imported 577,420,000 pounds of coconut oil principally in the form of copra, $1,000,000 pounds of which is estimated to have found its way into oleomargarine manufacture.

Oleo manufacturers hope to increase their market to a billion pounds next year. Without butter substitutes, farmers would have to cut their herds to the point where they would have little milk to sell in the cheek season. This would raise milk prices beyond any possible consumer savings on oleo.

It all comes back to color, dairy farmers are writing their Congressmen. Real butter is a quality product, and any imitation of it should be suitably identified and closely controlled. The small federal taxes are the only ways to insure both, they insist.

PASTURES NEED ATTENTION

The wet weather we had early this spring and the mid-summer temperature of the last week has been excellent for pasture and meadow growth. In fact crops are well ahead of their normal growth. This will mean that more plant nutrients in the soil will be used and taken away with the hay.

Old pastures or meadows covered with legumes and grass should be given an application of fertilizer, either manure and superphosphate or 0-14-7 fertilizer. In grass meadows, nitrogen will be needed in addition to potash and phosphate fertilizers. Manure or a commercial form of nitrogen should satisfy this need. Nitrogen applied at this time has proven most effective. However, to get the best results lime should also be applied as it acts as a soil conditioner and makes the plant nutrients present in the soil more available to the plants. Application of lime on sod is advantageous because it is easier to spread the lime.

Some farmers have found it ideal to apply lime after hay cutting and before plowing for corn. At this time they have the time to haul lime or have it spread when a truck can get out on the field.

Clovers, alfalfa and other legumes are of paramount importance whether in the meadow or planted as a crop. This group restores nitrogen and organic matter that has been lost and effectively stop losses from erosion and leaching. These crops grow best when the soil is limed.

Lime applied to the pasture to increase the growth of desirable grasses and legumes is the cheapest and quickest way to overcome the shortage problem. It may be spread any time but the maximum benefits for this summer will be secured by doing it now.

LADY STUFF

by Marsha Wheeler

(Editor's Note: Marsha Wheeler is the prominent lecturer and radio personality.)

Are you planning to make a speech or write a book? Take a tip from actress-author Ilka Chase. Talk, write in terms of personalities. Ilka's new book, her third, "Free Admission" freely recounts her own life, freely discusses others. She tells what she thinks and how she feels, and we delightedly pay for the pleasure of reading it.

Ilka's a smart girl, clothes-wise, too. She's not beautiful, not even good looking, but she shies neither from fashion nor photographs. She dresses to divert your thoughts from her face to her clothes. And she keeps the kind of figure designers design for.

Good looking eyeglass frames turn folks' thoughts from handicap to admiration. Today it's the "squinty" girls toward whom men never make passes, not the clear-eyed girls with the smart eyeglasses. (Dorothy Parker will have to revise her poem.) The Queen Optical Company gives complete eyesight service at one low cost. Bring the whole family to the Queen Optical Company at 12 East Sixth Street, Palace Theater Building, in Cincinnati for good vision, good service, good looking eyeglasses.

If you long for adventure and life seems prosaic, take one of your best recipes and start experimenting with it. It may take weeks to develop something new and better, but life becomes exciting in the interim.

Local Student Interviews Noted Ohio Columnist

This is the first of a series of articles and interviews written by members of the Burlington high school journalism class. The stories will appear in The Recorder weekly during the next two months. This article was written by Leland Sullivan, who during the year was honored by the "National Echo"—an outstanding national school publication, and received first prize in the district Red Cross essay contest. Sullivan, a junior, is the son of Mr. and Mrs. Nathan Sullivan, Burlington, Ky.

Interview With Joseph Garretson

The people who write interesting columns are themselves interesting people.

That was my conclusion after having interviewed Mr. Joseph Garretson, widely known columnist and radio commentator, whose column about happenings of interest to Greater Cincinnati appears regularly in the Cincinnati Enquirer, and who is heard on week day evenings over WSAI and on Saturday evenings appears with his colleagues over WLW, one of the nations largest stations.

I asked him what he considered to be the outstanding qualities of a writer. He explained it this way, "Write as simply as possible, use a maximum of verbs and a minimum of adjectives. Try to write like you talk, it isn't smart to use big words and colorful phrases." But the quality he stressed most was "to meet as many people as possible and know as many people as you possibly can."

By this time our conversation had drifted to school activities and studies. As a second question I asked him what he considered to be the most important subjects for a person interested in becoming a journalist. He placed English and current affairs at the top of the list, followed by history.

Since one of the big questions in politics in the coming months will be who will get the Republican nomination for president, I asked this writer's opinion. He said he wouldn't be surprised if the nomination went to some "dark horse" candidate. He believes that Taft, Dewey, and Stassen are out. He said he wouldn't be surprised if the nomination went to House Speaker Joseph Martin.

Due to the fact that he is connected with both newspaper and radio work, I asked him the personal question as to which he liked best. His favorite is newspaper work and he went on to explain that in radio he believes that the sensation is played up too much, when in fact it is just a small story. Another reason he likes newspaper work best is that you have more time to prepare it.

Since the European situation is of world wide interest I asked him what he thought would be the major developments in the next few months. He told me that since he dealt more with local affairs he felt that this was out of his field and added that he felt there were too many people commenting on the subject who didn't know very much, if anything, about it.

I told him that during his career he had doubtlessly met many other outstanding people. He explained that he had met many important people in Cincinnati. As a more direct approach I asked him if he had met any of the presidential aspirants. He said that he was a very good friend of Senator Taft and also knew Stassen. In answer to my question he said he had never met or seen President Truman. He has, however, met former presidents Roosevelt, Taft, Harding, and Coolidge. This aroused my curiosity so I asked him what impressed him most about President Roosevelt. He said, "Well, since I am a Republican I can't agree with his ideals, but I did admire him for overcoming his physical handicap." Pertinently, he said he talked with Roosevelt twice.

Like most other Cincinnatians Mr. Garretson is opposed to the airport being located on the Kentucky side of the river. I told him that since I was a Boone Countian I couldn't agree with him and that we were glad to have the airport in our county. Not to agree with me, he said that it was a fine field, but that he felt that the present highway, especially through Covington, was in sufficient to reach the airport. His advocation of this highway is more than from a writer's viewpoint, because he does a great deal of flying, however, he isn't a pilot.

He explained that he has never traveled abroad, but he and his family plan to cruise to South America this summer.

Mr. Garretson is married, has a daughter seventeen, and lives in Hyde Park. He is a native Cincinnatian. He attended Hughes high school, where he worked on the school paper. His next writing was when he began his present position. He has never attempted any type of writing other than newspaper. At one time his father was editor of the Times-Star. He has been in both wars, a Second Lieutenant in World War I and a Major in World War II. His favorite sport is baseball.

WHY SOILS DETERIORATE IN PRODUCTIVITY

The productivity of the average American soil has been downward. However the yields of our crops have been retained and in some cases increased due to improvements in machinery for culture of the crops, new techniques followed in growing the crops, better seed, and improved varieties.

The Department of Agronomy of The Ohio State University have listed the following as responsible for declining soil productivity. Their importance is not indicated by the order in which they are placed because their "significance varies with different soils and management systems."

1. Removal of nutrients in harvested crops.
2. Loss of nutrients in drainage waters.
3. Increasing acidity of most of our soils.
4. Destruction of organic matter through tillage.
5. Changes in the physical properties of the soil, adversely affecting soil, air, water, relationships.
6. Lower types of biological activities.
7. Removal of soil by erosion.

The ways in which these may be controlled are listed as follows:

1. Shift to permanent forest or soils on severely erodible lands.
2. More and higher type of sod crops.
3. Accelerated program of liming.
4. More regular and general use of fertilizers.
5. Increased input of organic matter.
6. Conservation and effective use of manure.
7. Repair and extention of soil drainage systems.
8. Special soil and water conservation practices.
9. Timely and controlled tillage of soil.
10. Use of proper forage mixtures.
11. Improved methods of seeding crops—particularly meadows and pastures.
12. Providing summer pasture through rotation and semi-permanent pasture meadows.
13. Improved treatment and management of permanent pastures.
14. Application of labor and quality-saving devices for handling hay and silage.
15. Cutting hay crops on time.
16. Use of improved strains, varieties, hybrids of all field crops.
17. Deliberate program of production of improved strains of forage crops.
18. Prevent or control diseases and insects.
19. Weed control.

Through the cooperation of homemakers, each of six rural schools in Shelby county have been supplied with a sewing machine and pinking shears for the benefit of 4-H'ers.

FOWLER'S "Porcelined" Tank Supplies PLENTY of CLEAN Hot Water Day or Night

Why take complaints from your family, blame for poor housekeeping—for lack of hot water? Have instant hot water any time of day or night with a Fowler Electric Water Heater. Always the right temperature too—never too hot or too cold—regulated by Fowler's automatic temperature control.

Fowler hot water is so luxuriously clean *all the time* because the tank is lined double-thick with porcelain, sealing the metal from the water. Absolutely no tank rust in the water to cause discoloration, taste or odor.

Fowler's "black heat" elements make sure you never run out of hot water too—because they do a scientific job of heating water efficiently and fast, and last longer than other type elements. Low-cost, trouble-free operation makes Fowler electric water heating a pleasure-giving, time-saving convenience. Fowler is backed by a 20-year replacement guarantee.

Let us show you your Fowler—and the sure way to efficient, instant hot water.

BURLINGTON AND BULLITTSVILLE LEAD

IN LEAGUE STANDING—BELLEVIEW TROUNCES PETERSBURG IN UPSET—SAND RUN AND FLORENCE VICTORS.

Last Saturday found shutouts, upsets, excellent pitching and hard hitting in the Sunday School League. Official umpires began working in the league last week and will continue through the season. The league is rapidly progressing toward becoming a good, well organized amateur baseball league. Verona and Belleview will come out in new uniforms this week. The official player lists are in the hands of the loop secretary. Some 250 names are listed on the ten rosters.

Burlington staged one of the major upsets of the young season when they defeated Big Bone 6-5. The Burlington squad was without 7 regular starters, who were participating in the high school tourney at Warsaw. Manager Clayton Brown took what was left and led his boys to their third triumph. Roscoe Akins started on the hill for Burlington and pitched excellent ball for 7 innings when he was relieved by "Chick" Stephens. Stephens allowed but one hit while he pitched. Shirley Gruelle started for Big Bone, but gave way to Charlie Black in the sixth. Lee Roy McNeely, fleet Burlington outfielder copped hitting honors with a 2-run homer, double and single. Frank Maurer and Phil Yelton each had two safeties. The Gruelles continued to pace Big Bone with Willy getting the big blows, a double and triple. Smith for Burlington and Rouse for Big Bone completed the batteries. Summary: Burlington 6 runs, 10 hits, 3 errors; Big Bone 5 runs, 9 hits and 3 errors.

Bullittsville unleashed a terrible 22-hit attack against Verona as they trounced the south county boys 29-1. Bullittsville boast the best hitting aggregation in the county and their power was just too much for the young Verona hurlers. Bobby Marshall came through with four hits as did Cecil Kenyon. Joe Hogan hit the long ones, however, with his third home run of the season, and a triple. Mgr. Garnett used three pitchers, Barney Hogan, Check Edwards and Hazel Walton. Cheesemen and Shields were on the mound for Verona. Junior Garnett, dependable Bullittsville receiver and Shields were behind the plate for their respective teams. One of the top contests of the year is promised at Burlington next Saturday when the two top teams tangle. Summary: Bullittsville 29 runs, 21 hits, and 3 errors; Verona, 1 run, 4 hits and 6 errors.

One of the biggest upsets of the year was the Sand Run-Union fray. Union, favorites to trim last year's champions, were soundly trounced 17-0. George Bloebaum, big right-hander from Taylorsport made his initial start and pitched a superb game. Bloebaum, with Bud Goodridge, Buck Judy and Orville Buckler will give Sand Run the potential top staff in the loop. Scott Jack was handed his first loss as he was touched for 10 hits. Jack didn't have his stuff and Weaver, Union's other hurler was at Warsaw. "Peck" Wilson collected 6 hits to set a league record for one game. Henry Dye with two doubles and a single followed Wilson in the hitting parade. Al Knox, Union outfielder came through with 3 of Union's safeties. Moore for the losers and Utzinger for Sand Run were the receivers. Perhaps Sand Run are again championship bound. Summary: Sand Run 17 runs on 19 hits and 0 errors. Union no runs, 7 hits and 4 errors.

Belleview surprised fans thruout the county as they trimmed first place Petersburg 9-4. Ivan Cason, big Belleview southpaw and Marvin Campbell hooked up in a pitchers duel. Campbell, who had won 3 games previously had a 4-0 lead going into the seventh when Belleview bats touched him for 9 runs on 9 hits. Cason turned in a top-notch performance as he limited Petersburg to but 6 hits. Burkett, Clore, and Cason had two hits each for the winners with Al McWethy topping Petersburg with two safe blows. The game was one of the best of the year and proves that all the teams are closely matched. Summary: Belleview 9 runs, 11 hits and 1 error; Petersburg, 4 runs, 6 hits and 2 errors.

Florence came through with their first win as they turned Bullittsburg back 12-4. Florence, looming as a constant threat, was at full strength Saturday and turned in a fine performance. Big Bob Miller won his first game for Florence as he whiffed 13 opposing hitters. C. A. England came in the eighth frame and finished the contest. Dud Rouse was in the cage for the winners. Milly Pepper and Hodges were on the hill for Bullittsburg and pitched good ball most of the game. Bobby Rouse paced out 3 doubles and a single in 4 trips to lead the hitting parade. England's two hits and Dud Rouse's three-bagger were the other big blows. Galen McDiamon, Bullittsburg receiver, hit safely twice for the losers. Summary: Florence 12 runs 13 hits and 3 errors; Bullittsburg 4 runs, 7 hits and 5 errors.

FARM BUREAU MEETING HELD

MAY 11 AT COUNTY AGENT'S OFFICE — SEVERAL SUBJECTS DISCUSSED — COUNTY-WIDE MEETING PLANNED.

The Boone County Farm Bureau met May 11 in the County Agent's office where they conducted their regular meeting, which was presided over by Wilford Scott, president. After the regular stated business was disposed of, plans were made to hold a county-wide meeting at the 4-H fair grounds in Burlington during the latter part of July. The Farm Bureau directors suggested that some speaker of National repute be obtained, if possible, and that a barbecue lunch be furnished. They plan to invited the farm folks in our county.

Several subjects were discussed at length, one of which was the telephone situation, wherein it will be recalled that the public at a meeting in Burlington discussed their unsatisfactory service with two corporate officers of the telephone company. The committee stated that while they had reports of the installation of a very few of the much needed and long promised telephones that there were numerous complaints of poor and intermittent service to present subscribers. It was the stated desire of this group that the citizens committee which is functioning for the subscribers at large will be able to help improve the telephone service in the county.

The committee on roadside markets reported that while their report was not completed it seemed that a spot in or near Florence should be sought which could be used by farmers as a central point at which to dispose of their vegetables, fruit, produce, etc., in quantities greater than retail amounts. They are visiting other places where these markets are a success and plan to have a more comprehensive report at the next meeting June 8.

John Crigler the Farm Bureau insurance representative urged each member holding Farm Bureau insurance to tell his neighbor about it. The importance and economy of members obtaining the protection of Blue Cross Hospital insurance was especially stressed.

The directors were pleased to see the organization of associated women started and were informed that in other counties this group accelerate rural activity. Good luck ladies of Boone County Farm Bureau.

JUNIOR BASEBALL LEAGUE ORGANIZED

AT MEETING HELD MONDAY NIGHT—REV. McGREGOR IS NAMED CHAIRMAN OF LEAGUE AND JAS. G. SMITH, SEC'Y.

At a meeting held Monday night at Burlington, a baseball league was organized for Boone County boys under sixteen years of age. This meeting was well attended with ten communities represented.

Rev. McGregor of Sand Run was elected chairman of the league and James Gayle Smith, of Burlington was elected as secretary.

The following rules were set up for the league:

(1). The league is to be called the Boone County Junior Baseball League.

(2) The age limit for players is 15 years, with a boy automatically becoming ineligible upon reaching his sixteenth birthday.

(3). The games are to be seven innings with four complete innings constituting a legal game if play is halted by rain or darkness.

(4) Games are to be played on Monday evenings at six o'clock.

(5) The opening date of the season will be Monday, June 7.

(6). The official playing field will have bases 75 feet apart and the pitching distance will be 55 feet.

(7). The home team will furnish satisfactory baseballs and the selection of umpires will be left up to the managers.

The teams entered in the league are Beaver, Belleview, Big Bone, Burlington, Florence, Hebron, Sand Run, Union, Verona and Walton. Any other teams desiring to enter this league should contact the league secretary immediately, as the deadline for entry of other teams has been set at May 26. This deadline is necessary in order to get a schedule prepared and published before the season opens.

BURLINGTON BROTHERS RECEIVE HONORS AT DIXIE HEIGHTS HIGH

Phillip Yelton and Paul Yelton, sons of Mr. and Mrs. A. D. Yelton, of Burlington, were recently named Mr. Senior and Mr. Junior, respectively of the Dixie Heights High School.

The Dixie Colonel, school newspaper carried articles in recent issues concerning the two young men from Burlington.

The Colonel reports the following concerning Phillip:

"'Hairy,' another Burlington, boy has played football, been on the Annual Staff, and has participated in almost all of the Seniors' activities, besides being an honor roll students. What more could any parent ask for!" . . . We think that the most outstanding things about Phil are his ability to get along with brother Paul so well, and the way in which the toes of his shoes turn up! His most outstanding traits are his sense of humor and his cooperativeness. Never have we heard him refuse to do a thing which is quite a distinction among the Seniors."

The Colonel says in part, concerning Paul's selection:

"In his third year at Dixie one could say that Paul ('Burlington') Yelton is 'purty' well known hereabouts! No piker is her for he is the Vice President of the Junior Class, a member of the Beta Club, and holds positions on the football and basketball squads.

"That Burlington drawl and wide grin have started more than one feminine heart aflutter in the past three years. About his past little is known except that Phil, Sox, 'n Paul kept the ole' Burlington School pretty upset! All kidding aside, though, Paul is our choice for Mr. Junior, not only for this year, but any time."

HEBRON RESIDENTS ASKED TO USE CARE IN DIALING NUMBERS

Residents of the Hebron neighborhood are requested to use care in dialing numbers. This request was made by volunteer firemen, after several false fire alarms.

Information given The Recorder was that telephone users were dialing wrong numbers, which causes the fire siren to be sounded, and has caused the fire department much concern during the past few weeks. Telephone users are requested to used caution in dialing, and never to dial Hebron 2451 unless in case of fire.

The fire siren is connected with this number, and when dialed automatically starts the siren. Your cooperation will be greatly appreciated by the firemen.

The Stepping Stones Sunday School class will meet at the home of Mrs. James Maxwell, Friday night of his week.

Crops Look Yellow?

If so, they probably are starving for nitrogen, the plant-food element that produces lush, dark green plants.

In the atmosphere over every acre of land there are 35,000 tons of nitrogen in the form of gas. But plants can't use it as gas. It must be converted into a chemical compound which they can absorb through their roots.

Legumes (the clovers, alfalfa, lespedeza, etc.) are a family of plants that can efficiently convert this nitrogen gas into a usable form. Good farming requires that at least one legume crop be grown in every rotation.

Don't waste money by sowing expensive legume seed on lime-needy land. The first step is to apply the required amount of limestone. We will be pleased to serve you.

The National Land Policy Act

By C. Lisbon Hempfling

During the last several years, various agricultural interests have argued on the idea that government activity in the agricultural field showed evidence of overlapping among government agencies. Recognizing the possible truth of such criticism and having fully taken into account the need for a National Land Policy, the 80th Congress has set out to do that which they think best about the situation. The House Agricultural Committee, led by Congressman Clifford Hope, has traveled far, and interviewed people representing many interests in agriculture. They have sought the best practical solution to America's problems in conservation. As a result of their research in this field, the House Agricultural Committee has proposed for passage a bill identified as H. R. 6054, and cited as "The National Land Policy Act." This bill as prepared by the House Agricultural Committee, and introduced in the House of Representatives March 30, 1940 by Mr. Hope embodies the following points.

1. The bill established, for the first time, a basic land policy for the United States. That policy is the sound conservation and orderly use and development of our national resources.

2. It recognizes conservation of soil and water resources as a National problem.

3. It provides an integrated conservation program and places responsibility for that program on one agency specifically established for that purpose.

4. It takes into consideration both the present and future conservation needs for food, feed, and fiber.

5. It definitely places the responsibility for carrying out conservation and development programs jointly on the Federal Government, the States and their local governments, and the owners and operators of agriculture resources. Farmers themselves, through their Soil Conservation Districts are given the largest share of the responsibility and authority for control of conservation programs.

6. The bill merges into one bureau the work that is now divided among seven bureaus in the Department of Agriculture.

7. Definite policies of Government are set forth to provide for the permanent conservation, improvement of the nation's agricultural land and water resources at such a rate of speed and in such a degree of thoroughness as to assure the nation sufficient productive land and water resources to produce a stable supply of agriculture commodities adequate to meet the nutritional needs of the nation.

It is in the interest of the national good to mobilize the land and water resources which are food, feed, and fiber producing resources of America. National resources of man-power and machines are being mobilized and organized in the interests of national defense. Man-power and machines can win no war and defend no nation if they have not ample food, feed, and fiber.

Interested persons who read this editorial might well write their Congressmen and Senators to actively support the passage of H. R. 6054 "The National Land Policy Act" in the interest of national welfare, and in the interest of human good. We would that our nation may live long and thrive and prosper. Prosperity must originate in our national resources, the most important of which are our lands and waters which we must conserve.

Martha Taft wore a pert little red straw sailor during those exciting 1940 Convention days when her Senator husband made his first bid for the Republican nomination. Hazel Vandenburg's hat was gay with purple flowers. Fashion repeats itself. Their hats, as well as their husbands, are popular again this spring.

Mrs. Vandenburg, known as one of the wittiest hostesses in Washington, met her famous husband, Senator Arthur H. Vandenburg, when the two were students at Michigan's Ann Arbor University.

To the teen-ager, doing things with style means being "frantic." To his frantic mother, it means trying to appear as calm as an irresponsible teen-ager.

Spring's pastel shades are reflected in the smart new colors of shell eyeglass frames. They're as fashionable as the new hats and hair-dos.

Happily, eyeglasses are a part of the new fashion picture today. However, properly fitted lenses remain the most important part of smart eyeglasses. 12 REASONS *why you should insist* on a FOWLER ELECTRIC WATER HEATER

Low Operating Cost. Long-life trouble-free black heat elements, and Fowler's new 3-way insulation guarantee low heat loss and high efficiency.

Economy Temperature Control. Automatic thermostats are adjustable to suit your needs or preference as to water temperature.

Built of Heavy Gauge Iron. Tanks are made of heavy gauge enameling iron for long life and trouble-free service.

Porcelain Lined — Resists Rust. Tanks are lined with two coats of porcelain enamel. Smooth, dense, vitrified, non-porous surface prevents contact of water and metal. This prevents any rust or corrosion.

Pressure Tested. Tanks are pressure tested three times in manufacture. Side seam welds, top and bottom, and entire assembly after plumbing is attached to tank.

Black Heat Elements—Longer Life. Fowler heating units operate black. Extra footage of larger gauge wire keeps units from operating at red heat. Lower temperature prevents oxidation of wire, insures long life of units.

Long Life—20 Year Replacement Guarantee. The Fowler carries a 20-year replacement guarantee and will be replaced with a complete new water heater for a charge based on the proportionate part of 20 years of service received.

Lustrous Enamel Finish. Exterior finish of gleaming baked white enamel, shining surface easy to clean, enduring and attractive.

Aluminum Reflector. The sheet aluminum reflector increases Fowler efficiency by reflecting 85% of the heat rays back into the tank. This reduces heat loss to a minimum, assures the most efficient operation.

Prestretched. Fowler tanks are hydrostatically prestretched before porcelain enameling at pressure over three times higher than normal city water pressure.

Sag Proof Insulation. Fowler's thick cotton, fire-proof insulation holds its shape, stays in place and retains its high efficiency throughout the entire life of the water heater.

Dead Air Insulation. Sealed dead air space separates heat insulation from the tank. No heat is transferred from tank by conductivity.

Fowler Manufacturing Co. is the world's oldest manufacturer of electric water heaters.

History of Boone County Courts and Courthouses

By Leland Sullivan

As the pioneers made new homes and settlements the establishment of a court of law became not only an idea, but a necessity. The men and women who have formed the history of Boone County may have realized this fact because since the beginning the court has played an important role in the undertaking of our county. The purpose of this article is to give a brief history of our courts and the buildings that have housed this "business" institution.

Boone County, a strip of land with an average length of twenty miles and an average breadth of fourteen, was organized in 1798, from a portion of the territory that made up Campbell County. It being the thirtieth county to be formed in Kentucky. It was named in honor of Daniel Boone.

The formation, came after the governor, James Garrard, named a three-man commission, composed of William Cave, Jacob Platt, and Jeremiah Kirtley to serve as justices of the court. Court records show that the group met on August 19, 1799 at the house of James Marshall in Boone County. It is believed that this house was near Burlington, probably near the site of the old school building. Burlington, the county seat was incorporated in 1824, and Florence in 1830. Burlington being then (in 1824) "quite as large, if not larger, than the city of Cincinnati."

Perhaps these dates alone don't mean too much, but they compare with the formation of Campbell in 1794, which was nineteenth in order, and the city of Covington which was formed at the surprisingly late date of 1815. The first court in the state convened at Harrodsburg on September 9, 1777.

Since Boone was formed from Campbell let's go back a little further. When separated from Virginia in 1792 Kentucky had nine counties, by 1800 this number had increased to forty-three. Campbell was formed from parts of Mason, Scott, and Harrison counties. It was very large, and parts of Pendleton, Grant, Kenton and Boone were later formed from it.

The 1800 population of Boone was 9,012. By 1840 this number had increased to a little over 10,000, of which about 2,000 were slaves. The population of Burlington in 1870 is listed as 277 and Florence in 1830 as 374. Taxable property in 1840 amounted to well over three million dollars. The average value of the land per acre in this year was about fourteen dollars.

The first county clerk in Boone County was Cave Johnson and the first circuit clerk was Alesolom Graves. It is an interesting fact that security of one thousand pounds was required before the circuit clerk could take the oath of office. William Warren was the first attorney, a position which paid thirty dollars a year. However, the importance of this office was soon recognized, so when the August court of 1800 met at the house of John Conner, the salary of the newly appointed attorney, Richard Southgate, was raised to seventy dollars a year. The circuit clerk received twenty-one dollars a year, but, so he wouldn't come out in debt, he was allowed twenty dollars for books and paper.

Among the first action taken by the court was against some officials for failing to survey and keep roads in repair. Other action taken by this court was against three men for swearing. This was the August court in 1799. In the November court the cases over the roads were dismissed, but three accused of swearing were fined five shillings each, plus court costs. Another such fine resulted over a breach of promise. The fine: 14 pounds, 11 shillings, and nine pence, and, just for the record, that didn't include the court costs.

In the first court record book, in the very beautiful writing of that day, is given the following paragraph, which is the record of what was probably the first murder case in our county. "Samuel, a negro man, the property of John Brown, suspected to have committed the crime of murder by poisoning a negro man named Lewis, the property of Jeremiah Kirtley, was produced in Court by the aforesaid John Brown to whose custody he was committed by John Conner, Esquire Justice, (a position similar to that of sheriff) for safe keeping until this court and thereupon no persons appearing to prosecute said Samuel, nor any document appearing to justify any further proceeding against him, ordered that he be discharged."

Boone County has had eight county judges since 1875: Cyrus Riddell, L. H. Dills, E. H. Baker, Ben Stephens, C. C. Roberts, P. E. Cason, N. E. Riddell, and, of course, at the present time, Judge C. L. Cropper. Judge Cason was the youngest man ever elected to the bench in Boone County. Judge N. E. Riddell served the longest term, twenty-four years. Judge Cropper has served six years.

Early and Present Courthouses

The first time that the Boone Court is recorded as having met at the courthouse was November 17, 1800. Preceding this time, as we have pointed out, it met at various houses. We do not know definitely where this 1800 courthouse was. But, it is believed that one of these early houses, where the court met, was set aside as the courthouse, and thus this reference.

The first courthouse was built in 1817. It stood about where the present one stands, perhaps a little nearer the corner. It wasn't as large and there was only one entrance. It was a two-story building, with the courtroom on the lower floor and the offices, what there were, were located on the second floor. There were four large brick columns in front, reaching to the roof. There was a porch upstairs as well as down. The upstairs porch was brick, but since it was almost level with the ground no railing was built. Offices upstairs were reached by means of two box stairways. The county clerk's office was across the street in the building which was later moved and is now used as the postoffice. The courthouse yard was enclosed with a plank fence and the yard was larger than at present. It was made of very peculiar wedge shape brick, which were made in Boone County kilns.

In 1878 this building was remodeled and several radical changes were made. Both of the porches were torn down and this space was used to enlarge the courtroom. The courtroom, however, remained on the lower floor and the other offices, also as formerly. A new stairway was added at the right of the front entrance and a second outside entrance was also built. This building burned in 1823.

The present courthouse was built, as a replacement, in 1894 at a cost of $18,400. At that time, people considered it to be an incredible price and it underwent severe criticism throughout the county. The bricks for this structure were also made in Boone County. Except for minor repairs, the building has remained unchanged.

Boone County has always been largely an agricultural county and for that reason hasn't become too densely populated. The 1940 population was 16,850. The six largest towns had the following 1940 population: Walton, 973; Florence, 776; Petersburg, 300; Burlington, 316; Grant 170; and Verona, 185. The area of Boone County is 294 square miles.

Probably, the three most complete histories of Boone County are the court records, the files of The Recorder, and Collin's History of Kentucky.

This article was made possible through the interest and public-mindedness of our county officials and the Boone County Recorder . . . thank you.

TWO NURSING CLASSES BEING ORGANIZED

Plantation Heights—Powerful bulldozers are shown "skinning" mother earth to prepare a 200-acre plot at Taylor Mill and Mill roads, Kenton county, for a residential subdivision. Rel C. Wayman, Covington veteran real estate man, the owner and developer said the location is to be known as Plantation Heights. He said a public inspection of the site will be held Sunday, May 30. The site will be divided into lots and small farms and a public auction will be held early in June.

UNION W. M. S.

Eleven members and two visitors attended the regular monthly meeting of the Union W. M. S. which met May 12, 1948 at the church.

The meeting was opened by singing "Jesus Shall Reign." The business session followed. The meeting was then turned over to Mrs. Bernice Hedges, program chairman. Devotional was given by Mrs. J. A. Fothergill. Others taking part on program were Mrs. Opha Bristow, Mrs. Anna Smith, Mrs. Louise Newman, Miss Lucy Newman and Mrs. Edith Hedges.

The meeting was dismissed by Mrs. Anna Smith.

All members and visitors are cordially invited to our next meeting June 9, 1948 at the church.

Publicity Chairman.

BULLITTSBURG W. M. S.

The Bullittsburg W. M. S. met May 5th at the home of Mrs. Geo. Kreylich with ten members present. The meeting opened by singing "Onward Christian Soldiers," after which Mrs. Kreylich led in prayer and the Bible Study conducted by the president, Mrs. Holladay. Watchwords were repeated, business meeting and offering.

An interesting report of the State W. M. U. meeting at Owensboro was given by Mrs. Pfalzgraf, the group leader of group 2.

The program from Royal Service conducted by Mrs. Wm. Hill was as follows:

Topic, "Laborers Together in Our Denominational Labors", Mattie Kreylich.

Laborers Together, Mrs. Lucille Grant.

Together in W. M. U, Eunie Gaines.

Together With Our Denomination, Mrs. Pfalzgraf.

A Helper Indeed, Mrs. Bernice Snyder.

Together With God, Mrs. W. B. Campbell.

The meeting was dismissed by Mrs. Hill.

The next meeting will be June 2 at the home of Mrs. Wm. Hill. An all-day meeting, to devote to White Cross work.

Mattie Kreylich, Reporter.

MISSIONARY SOCIETY MEETS

The Women's Missionary Society of Burlington Baptist Church met at the church Wednesday afternoon, May 12 for the regular monthly meeting.

Miss Ruth Kelly, president, gave the devotional and presided at the business session.

Miss Kelly gave a brief, but interesting and comprehensive report of the quarterly meeting held at Elsmere Church, April 22.

Our earnest prayers and good wishes go with the two young women from North Bend Association, who are soon to enter service in the foreign mission field.

Mrs. Noel Walton presented the following program:

Song, "Onward Christian Soldiers," with Mrs. Sam Allen at the organ.

Prayer that we may realize the value of cooperation in the Lord's work, Mrs. Earle Smith.

Topic for month: "Laborers Together in Our Denomination." This subject was ably discussed by Mrs. Walton, Mrs. Robert Clore, Mrs. Walter Brown and Miss Virginia Spiegal.

Prayer that Women's Missionary Union and the Southern Baptist Convention may always work together and with God for the furtherance of the gospel, Mrs. Bess Huey.

All women of the church are urged to attend these meetings.

ALBERT NICHOLS SELECTED FOR NAVAL RESERVE TRAINING

James Albert Nichols, of Route 1, Burlington, Ky., is one of the 631 civilian candidates selected for entry as a regular student into the Naval Reserve Officers Training Corps in the 1948 fall college term.

Of 24,117 candidates who completed the Navy's college aptitude test for the NROTC program, 8,181 received scores which qualified them for further consideration. This figure was reduced by physical examinations, and the records of those civilian candidates who were found physically qualified were submitted to State and Territorial Selection Committees.

The NROTC selectees will be assigned to the 52 colleges where units of this corps are established. The assignment of candidates will be governed by the candidate's rating by the Selection Committee, the candidate's choice of colleges, the entrance requirements of the college, and the number of applicants for each college. Each candidate must apply for and gain admission to the college to which assigned.

BIG BONE W. M. S.

The Women's Missionary Society of Big Bone Church met at the home of Mrs. Wm. Wesley Ayler on Thursday, May 13th for their regular monthly meeting. Some of the ladies served on mattress covers for Bethel Camp. Mrs. Bruce Kyle had charge of the program, "Laborers Together in Our Denomination." Those taking part were Mrs. Pearl Kyle, Mrs. Lloyd Moore, Mrs. Lena Cleveland, Mrs. Odie Stallard, Mrs. T. S. Lewis, Mrs. Wm. Wesley Ayler and Mrs. Joseph Ayler.

We enjoyed a lovely covered dish luncheon. There were 13 members and one visitor present.

FIVE DAY WEEK

At the recent session of the Kentucky Legislature a bill was passed giving banks the right to close one day a week if they so desired.

This bank opposed this bill and will not take advantage of its provisions. There may be some justification in closing a half day a week but we do not do this except during the hot months of June, July and August.

We appreciate the business of our customers and want to give them service.

Boone Circuit Court
Commonwealth of Kentucky
Mary D. Mayhugh Plaintiff
versus
Ralph Powell, et al. Defendant

NOTICE OF SALE

By virtue of a judgment and order of sale of the Boone Circuit Court rendered at the April term thereof 1948, in the above cause, I shall proceed to offer for sale at the Court House door in Burlington, Kentucky, the hereinafter described property, subject to the 1st mortgage of the Walton Perpetual Building and Loan Association, which was by the Court adjudged a first lien in the amount of $3,443.48 together with 8 per cent interest from February 5, 1948 until paid, to the highest bidder after the appraisement of the property, at public auction on Monday the 7th day of June 1948 at One O'clock P. M., or thereabout (being County Court Day), upon a credit of six months, the following described property to-wit:

Lying and being in Boone County, Kentucky near the town of Walton and being Lots Nos. Four (4), Five (5) and Six (6) of North Walton Subdivision, as said out on the plan and plat of North Walton Subdivision as recorded in Plat Book 1 page 8 at Burlington, Kentucky.

For the purchase price, the purchaser must execute bond, with approved surety bearing legal interest from the day of sale, until paid, and having the force and effect of a judgment. Bidders will be prepared to comply promptly with these terms. Amount to be raised by sale in addition to the assumption of the 1st lien of the Walton Perpetual Building & Loan Association in the amount of $3443.48 with 8% interest from February 5, 1948 until paid is $1,500.00 with 6% interest thereon to date of sale and the costs of this action.

IN MEMORIAM

Of R. B. Moore who passed away May 31, 1948.

In the light of God I see you,
Each night as I do down
In my lonely home of thinking
Things of you are always near
Those of sadness and sorrow are few
Friends may think the wound is healed,
But they little know the sorrow
That lies within my heart concealed
May God grant you eternal rest.
—Sadly missed by his loving wife and children, Mrs. Anna Moore and children. 1t-pd.

BELLEVIEW SUNBEAMS

The Sunbeams met with Mary Sue and Charlotte Kay Rogers, April 24th. Our president Janice Rhea Ligon opened the meeting by having everyone stand and sing, "It Is Summertime in my Heart." We remained standing and repeated the Lord's prayer.

Judy our secretary read the minutes of our last meeting.

Bobby Bloss, our song leader then led in singing "It Is Bubbling." We stood and repeated our watchword and rally cry.

Espy then told us how a little girl learned about tithing. Judy called the roll and we answered by repeating the memory verse, "Do unto others as you would have them do unto you."

After our treasurer took the offering we stood and sang our closing prayer.

After the meeting Mary Sue entertained us with a birthday party by serving ice cream and cake. She was five years old.

Keep The School Bells Ringing

Every school district in the United States must face a challenge to restore the public school system to its former strength and usefulness and to insist on better schools for the present generation of youths that will be running this country in another dozen or fifteen years.

Uncle Sam down in Washington has voted funds to increase the support of the public school system. Uncle knows that the operation of the selective draft system and universal military training, has been disastrous to the public schools.

Every boy and girl in the United States is entitled to the best schooling that can be supplied by local districts, counties, cities, States and the United States Government. So take off your coat and help improve American education in schools—from the little red school house to the colleges and universities.

• • •

Going Up

Housewives didn't need to be told by Departments of the Government that the high cost of living is still on the upward climb, and making it harder and harder to find ways to make both ends meet. Well, there isn't anything you can do about it—except skimping, and individual economy by all of our American families.

• • •

Good Luck on The Farm

The officials in "Agriculture," in Washington seem to be quite sure that there will be enormous wheat and farm crops this year, in fact as much as 600,000,000 bushels of corn and 1,000,000,000 bushels of winter and spring wheat. Reports from the wheat and corn belts are enthusiastic.

• • •

Competing With The Birds

The aircraft industry keeps right on swelling up. More and more people travel by plane every day—and the railroads will soon be left way behind—with surplus passenger cars down in the yards. The aircraft industry has boomed so fast that in many instances it came near "busting." But the United States Government has spent billions of dollars for the purchase of new aircraft for the United States Armed Forces.

• • •

How Secret Is a Secret?

Atomic energy is perhaps the biggest power in the World. Why should the United States fail to let anyone know that we can use it to lick any part of the World—IF any Communist bunch wants to get too tough with us?

• • •

Will Everybody Work?

According to the Bureau of United States Labor Statistics employment has been making new records, outnumbering the 60 million record of 1947. Government officials predict that there will be a million more jobs in 1948 than there were last year.

• • •

Hawaii Will Wait

All prospects of the Territory of Hawaii being admitted as a State of the Union seems to have faded out of sight and the news from Capitol Hill in Washington is that the legislation for Statehood has been pigeonholed for the present.

• • •

Arkansas Bauxite Crop

A report from the Department of Interior shows that there are more than 50 million tons of "recoverable" bauxite in Arkansas reserves. The official news is that previous to the beginning of the second World War the United States was importing most of its bauxite from Dutch and British Guiena. But the German submarines specialized on sinking bauxite-laden ships bound for the United States from South America. So Uncle Sam began building up great stock piles of the Arkansas treasure in 1942. New millions of tons of bauxite has made it possible to build up the aluminum industry. And from there we go on to the great progress made under the Baybar process that leads to the manufacture of aluminum.

ABC, (Arkansas Bauxite Corp) has reached the heights of fame in aluminum, and it is furnishing the raw material for a new "wonder material.

COURTHOUSE OFFICES WILL CLOSE SATURDAY NOON DURING SUMMER

Beginning June 5, 1948, and continuing through the months of June, July and August, all offices in the courthouse will close at noon, Saturday. All persons are asked to keep this change in mind during these three months.

FLORENCE ROTARY VISITS BURLINGTON MONDAY EVENING

The Florence Rotary held its regular weekly meeting at the new Evron Grill, Burlington, on Monday evening, May 24th.

Those present were Dr. G. H. Riley, president, Sam Denham, Jr., John McEvoy, Roy C. Lutes, M. O. Martin, Dr. Thos. G. Lutes, Stanley Aylor, Russell Winnhoff, Gilby Green, B. H. Buckahorn, R. H. Carter,, Joe Littrell, A. E. Stephens, Dr. E. S. Waite, Bill Davis, Clifton Roberts, Stanley L. Lucas, H. A. Rogers, C. L. Cropper, R. O. Eades, E. W. Marshall, R. A. Ragland and Leo J. Brophy, Jr.

A very enjoyable chicken dinner was served by the management and all matters of business was transacted by the club.

ANNOUNCE MARRIAGE

Mr. and Mrs. Lou Williamson, of R. R. 2, Burlington, announce the forthcoming marriage of their daughter, Mary Lou to Mr. Donn Allen Loomis, son of Mr. and Mrs. Bert Loomis, of Grant.

The wedding will be an event of June 12, at the Church of Christ, Grant.

FREE X-RAY CLINIC ANNOUNCED JUNE 7

THROUGH COOPERATION OF KY. STATE DEPARTMENT OF HEALTH, T. B. ASSOCIATION AND RED CROSS SERVICE.

Through the cooperation of Kentucky State Department of Health, Boone County Tuberculosis Association and Red Cross Nursing Service a free X-Ray Clinic will be conducted at the courthouse, Burlington, June 7, from 9 to 12 a. m. and 1 to 3 p. m. Another point in the county where the clinic will be held is Walton high school, June 8th from 9 to 12 a. m. and 1 to 3 p. m.

This is a part of a statewide tuberculosis case finding program. Much tuberculosis is known to exist in this section of the state. It is easily curable if found early. X-ray can show tuberculosis in the lung long before a person notices the symptoms. Take this opportunity to help fight tuberculosis by having your X-Ray made. Everyone needs an X-Ray yearly. All it costs is your interest and effort to attend the clinic.

Reports are confidential. Persons from 15 years of age up will be accepted. Children under this age may be X-rayed by a request from the family doctor. Clothing need not be removed.

VETS CHALK UP FIFTH VICTORY

BY DEFEATING DAV NINE AT FLORENCE PARK—BOB & GENE TROUNCE PETERSBURG—BELVIEW WINS IN COUNTY GAME.

The Boone County Vets chalked up their fifth victory Sunday in the Buckeye League when they trounced the Cincinnati DAV nine at the Florence by a 10-8 count.

After the Ohioans had scored six runs in the second on five hits, two sacrifices, three errors and four stolen bases, the home team scored two in the second on singles by Socks Benson and Denniston and a walk to Graham and a single by Williamson. They added two more in the third on a double to D. Williamson, a single by Bowman and a triple by Socks Benson.

The Boone County boys forged to the front in the fourth with four runs on three singles combined with two errors by the losers.

The Vet team added its ninth and tenth runs in the sixth and seventh, while the losers pushed over runs in the eighth and ninth.

Socks Benson led the winners attack with four hits in four trips to the plate, while D. Williamson and Bowman added three each.

Bob & Gene Victors

The Bob & Gene team defeated Petersburg Sunday by a score of 7-5 in the Benke Semi-pro League. Complete details of the game were not available.

Belleview 8-Bob & Gene 6

Belleview emerged on the long end of an 8-6 count over Bob and Gene in the Saturday afternoon league. Score of the Petersburg Constance game was not handed in to the writer.

Constance will meet Belleview at Belleview, Saturday, May 29, and Petersburg will play Bob & Gene at Florence. Game times is 2:30 p. m.

BULLITTSVILLE TAKE UNDISPUTED LEAD

IN SUNDAY SCHOOL LOOP BY TROUNCING BURLINGTON 14 TO 4 SATURDAY—SAND RUN, PETERSBURG, UNION, WIN.

Myron Garnett and his bard hitting Bullittsville squad knocked off first place Burlington 14-3 to take the undisputed lead in the circuit. Barney Hogan turned in a tet 6-hit performance as he struck out 14 Burlington batters. Akins, Smith and Brown, all took turns on the hill for the losing team and were all hit freely. The Burlington defense was pitiful as every man on the team made at least one error. Junior Garnett, Bullittsville catcher, paced the winners as he smaked out three safeties. Joe Aylor and Joe Hogan each had two hits. Jim Ryle's double and single were tops for Burlington. Summary: Bullittsville 14 runs, 15 hits, 4 errors; Burlington 3 runs, 6 hits, 11 errors.

Sand Run continued their winning streak via the shutout route at Bud Goodridge blanked Belleview as his teammates gave him an easy 15-0 victory. Goodridge seemed to have regained his old form as he struck out 15 hitters and allowed but four hits. Turk Aylor was on the hill for the losers and was tagged for 18 safe blows. Henry Dye swung the most powerful bat of the season as he amassed a home run, 2 doubles and 3 singles for six times at bat. These hits gave Dye the most total bases in one game for any one player. Summary: Sand Run, 15 runs, 18 hits, 4 errors; Belleview no runs, 4 hits, 4 errors.

Petersburg, behind excellent 5-hit hurling by Sam Huey turned Bullittsburg back 20-0. The winners collected 22 hits in the massacre. Gray, McGlasson and Snow did hurling duties for the losers.

Big Bone defeated Florence 7-4 with Charlie Black winning his fourth ball game. Bob Miller was on the hill for Florence and was tagged for 11 hits. "Red" Gruelle had thre hits to top the winners, while Bob Rouse's 2 bingles paced Florence. Dud Rouse drove out his fourth home run of the year in the fifth inning with one on base.

Union returned to the win column with a 7-4 triumph over Verona. Scott Jack was the wining hurler with Cheesmen the loser. Union proved to have too much power at the plate with runners on.

The details of the games has been brief this week due to limited time and space. Complete writeups of each game will be carried next week.

Come out Saturday and Monday (Memorial Day) and see your favorite teams. The Bullittsville-Sand Run game should be a thriller.

BOOK CLUB MEETS

The Boone Book Club met at the courthouse on May 10. In the absence of the president, Mrs. Pfalzgraf, the vice president, Mrs. Ransom called the meeting to order.

The roll call was answered with "my favorite poet and why," which brought forth an interesting discussion. The business was then dispensed with and may it be noted that the time for calling the meeting to order has been changed from 1:30 to 2:00 p. m.

The study for the afternoon was 'Modern Poets." Mrs. Ransom read from the Book of Poetry by B. Y. Williams, "House of Happiness," "Beauty Blind," "This Old Lady That I know" and "Money."

Longfellow's "The Bridge" was given by Miss Kreylich and Mrs. R. C. Garrison read "The Highwaymen" by Alfred Noyes.

The meeting was then adjourned to meet in June with Mrs. Stanley Ransom.

NEW HAVEN P.-T. A.

The New Haven P.-T. A. will meet Tuesday evening, June 1st at 7:30 p. m. at the school house. All members and interested persons are urged to attend.

TWO LEGAL HOLIDAYS WILL BE OBSERVED BY CO. BANKS NEXT WEEK

All banks in Boone County as well as in the State of Kentucky will be closed on Monday and Thursday of next week. Memorial Day, May 30th falls on Sunday this year and the next day, Monday is observed as a legal holiday. Thursday, June 3rd is Confederate Memorial Day and a legal holiday in Kentucky.

Patrons of the various banks of the county are asked to keep these dates in mind, in order that they may do their bank in accordance.

CO. OFFICERS MEET COMMISSIONERS

IN LAWRENCEBURG FOR DISCUSSION OF NEW BRIDGE TO SPAN OHIO RIVER AT PETERSBURG.

Several Boone County officials were invited this week to participate in a discussion with officials from both Indiana and Kentucky regarding the proposed construction of the new bridge from Lawreneburg to Petersburg and also a four-lane federal highway to connect U. S. 25 and 42.

Both Highway Commissioners from Kentucky and Indiana were present for the discussion as well as many other interested persons from Lawrenceburg and Boone County.

The proposed bridge and federal highway, if constructed are to be four-lane and suitable to accommodate the heavy traffic from Detroit, Indianapolis and Louisville, without having to pass through Cincinnati, which is the present route.

The new bridge is a project that has been under consideration for sometime, but it seems that the possibilies of its completion are better than at any time in the past.

Boone County officials attending the meeting were Judge C. L. Cropper, County Attorney John E. Crigler and two members of the fiscal court, H. E. White and Edgar Graves.

A complete report of this meeting will be carried in the next issue of this paper.

HARRY F. JONES

Harry F. Jones, age 65, husband of Gertie Miller Jones, 125 Division St., Erlanger, died Thursday, May 20th at 3 p. m. at Booth Memorial Hospital. He was representative of the W. T. Raleigh Co., in Boone County.

Besides his wife he is survived by his mother, Mrs. Sophia Jones, of Florence; one daughter, Mrs. Christine Aylor, Athens, Ohio; two brothers John L. Jones, Hebron; Jesse Jones, Kentland, Ind.; 3 sisters, Mrs. Chester Stephens, Cincinnati; Mrs. John W. Aylor, Petersburg; and Mrs. Melvin Moore, Union; one stepson, Conner Carroll, Big Bone; four grandchildren and two great-grandchildren.

The body was removed to the Taliaferro funeral home where it remained until 11 a. m. Sunday, May 23, when services were held at Hughes Chapel Church.

Stier and Williams, of Aurora, Ind., were in charge of arrangements.

EDWARD ZITT

Funeral services for Edward Zitt, 707 Orchard St., Erlanger, were held at 8:30 a. m. Monday from the Taliaferro funeral home, Erlanger. Requiem High Mass was sung at St. Henry Church at 9:00 a. m., with burial in St. Mary Cemetery, Ft. Mitchell.

Mr. Zitt collapsed and died last Thursday at the United States Shoe Corp., where he was employed. He was 57 years old.

Surviving him are his widow, Mrs. Bess Zitt; two sons, Leonard and Charles Zitt, Erlanger; seven daughters, Mrs. Charles Pohlman of Covington, Mrs. Howard Jackson of Owenton, Mrs. Stanley Roberts, of Worthville, and Misses Louise Yvonne Zitt, Betty Ann and Janet Zitt, all at home.

VERONA TROUNCES KEN-TA-KEE NINE

Verona trounced the Ken-Ta-Kee nine Sunday at the Verona park, by a score of 10-2.

Cliff Afterkirk, on the hill for Verona, pitched 7 innings, allowing 11 hits and 2 runs. He was relieved by Ivan Gulley, who pitched two innings, allowing no hits and no runs. Allen Gulley, was the receiver.

Flynn served them up for seven innings allowing ten hits and nine runs, being relieved by Crawford, who pitched one inning allowing 1 hit and one run.

Butch Judge swung the big bat for Verona, collecting two home runs, while Brown and A. Gulley followed with 1 home run each, and Ivan Gulley with two triples.

The Verona club will entertain the Blue Ash Inn nine, Sunday May 30th at the Verona park.

PEPPERS ENTERTAIN

Mr. and Mrs. Chas. Pepper entertained with a family dinner Sunday May 16th for their son Cpl. Carl L. Pepper, who recently returned from the armed forces in Germany, and their son Millard, daughter Margaret and granddaughter Carol Ann Scroggin, who had a birthday this month.

FOOTBALL PRACTICE UNDERWAY IN BOONE COUNTY SCHOOLS

Football pratice is well underway in the four high schools, according to announcement made this week. All schools have ordered equipment, which will include approximately fifteen suits for each team.

Coaches for the six-man squads have not been named, but several have been contacted, and at the present time training is being supervised at Burlington by James R. Huey and at Florence by William McEvoy, one or both of these may be hired, Mr. Ockerman stated.

Plans are being made for a central field in the county, which would be equipped with seats and lights, and a training field at each school. If the central field is constructed, all games would be played there, and probably at night.

MEMORIAL SERVICE PLANNED MAY 30TH

The pastor and members of Bullittsburg Baptist Church will hold a memorial service in the church yard cemetery on Sunday afternoon May 30 at 2:30 p. m. The public is cordially invited.

If you have loved ones laid away in this beautiful, historic spot and plan to place flowers on the graves you will be most welcome at the memorial service.

FISH FRY PLANNED BY VERONA ALUMNI

SATURDAY, JUNE 5TH AT VERONA SCHOOL GROUNDS—VERONA P.-T. A. WILL HAVE CHARGE OF FOOD.

On Saturday, June 5th, once again the graduates and former teachers of Verona High School will gather at the Verona school ground at eight o'clock for an old fashioned fish fry and a general get-together to talk over the "old school days." This serves as a sort of reunion for the many graduates of this former high school, who have scattered to the "four corners of the earth" in seeking fame and fortune.

This high school was established as such back in the teens and lasted on down through the year until merging with Walton. Those persons who graduated at Walton-Verona High School and who lived in the Verona community at time of graduation are eligible to attend all alumni activities and are encouraged to do so for this particular evening. This informal gathering of old friends and schoolmates will present an opportunity to visit a great deal more in a short time than if a regular formal banquet was held as has been in the past.

If there are alumni members who have not been attending in past years or have not kept up their dues there is plenty of time to get started again this year by sending their reservation requests to Jean Shetler, Sec., 918 W. 33rd Street, Latonia, Ky. Telephone Colonial 8803. Reservation requests should be accompanied by $1.50 per person which will also cover the cost of dues and the cost of each meal. All alumni are urged to send in their reservations to the address listed above as soon as possible and not later than June 1st.

The Verona P.-T. A. will again have charge of preparing the food, and judging by the fine meals they have served in the past, the alumni is in for another good meal as well as a general good time.

MRS. OMAH RANSDELL

Mrs. Omah Ransdell, 54, of 109 Erlanger road, Erlanger, died last Thursday at Good Samaritan Hospital after a short illness. She was a native of Lexington.

She leaves her husband, G. S. Ransdell; her parents, Mr. and Mrs. John Harp; a brother, Robert Harp and a sister, Mrs. C. C. Childs, all of Lexington.

Funeral services were held in Lexington, Monday.

Philip Taliaferro, Erlanger funeral director was in charge of arrangements.

MASONS TO CONFER DEGREE TONIGHT

Burlington Lodge No. 264 will confer the M. M. degree at the regular stated meeting, Thursday, May 27th, according to Wilbur Denniston, Master.

The lodge will open at 8:00 p. m. and initiation work will follow immediately after disposal of business. All Master Masons are urged to attend this meeting.

Mrs. Fonnie Easton was ill several days this week.

TWO DIE SUNDAY IN TOURIST CABIN

NEAR FLORENCE FROM CARBON MONOXIDE GAS — DEPUTY SHERIFF DISCOVERS NUDE BODIES.

Deputy Sheriff Wendell Easton discovered the nude bodies of a man and women in a tourist camp on U. S. Highway 42, near Florence at 8 p. m. Sunday, after being called there by the operators after the occupants failed to answer his summon.

The couple was dead when Deputy Easton entered the cabin. Deputy Easton summoned Sheriff Rouse and Coroner H. E. White, who made a complete investigation. Mr. White reported death due to carbon monoxide gas.

The attendants at the tourist camp told authorities they had knocked at the cabin door three hours earlier, notifying the occupants they desired to tidy up the cabin. Three hours later the attendant returned to the cabin, and upon knocking at the door received no response. She then called Easton.

The couple was identified as Richard H. McKenney, 37, 108 Lower River Road, Covington, and Miss Geto Moneyhan, 33, who roomed at 124 W. Fifth St., Covington.

Deputy Easton stated that when he entered the cabin the woman was on the bed and the man was in a chair beside her. There were no notes found. Both were undressed.

Both were removed to St. Elizabeth Hospital, Covington for examination, but both were dead.

McKenney was an employee of the Latonia Refining Co. and the woman was employed by the May-Stern Furniture Co., Cincinnati, O., it was reported. The man was married and had three children.

SPECIAL MESSAGE ANNOUNCED FOR LOCAL METHODIST CHURCH

A special message will be brought at the Burlington Methodist church Sunday, May 30th, at 11:00 a. m. Rev. V. V. Hill will preach. An important business meeting will be held following the morning service. All members are requested to be present. This meeting is of utmost importance.

Rev. Hill will preach at East Bend Saturday, May 29, 7:45 p. m.

Callers Sunday afternoon at the home of Effie Nichols and mother were George Sperti and sister, Garnett Clore, Mrs. Lon Clore, Mrs. Mae Sandford Mr. and Mrs. Rue Wingate and son Ivan and Richard Marshall and wife.

AMATEUR CONTEST ANNOUNCED JUNE 1

AT NEW HAVEN SCHOOL—OPEN TO ANY AMATEUR MUSICIAN PLAYING ANY INSTRUMENT—CASH PRIZES OFFERED.

The New Haven seniors and the first team basketball players have made elaborate plans to sponsor an old time fiddlers and amateur contest at New Haven High School gymnasium at 8:00 p. m., Tuesday, June 1. The proceeds from the event will be used to pay partial expenses of the sponsors annual educational tour to Toronto, Canada. The balance will be donated to the P.-T. A. principal's home building fund.

The contest will be open to any amateur musician playing any instrument and cash prizes will be awarded to the winners of hillbilly, popular, and classical music divisions. The winners are to be determined by audience applause. The event will be honored by the participation of Frank Miller and his current WZIP Fiddlers, one of whom will be spotlighted in the position of Master of Ceremonies for the program. The grand prize winner will not only receive a cash award of at least $25.00, but, according to present plans will participate as guests of Frank Miller and his Kentucky Fiddlers on a future WZIP radio program. The admission to the program will be considered the entry fee. Any person attending the contest is eligible to compete, however, the New Haven Senior class would appreciate postcards from those who are planning to enter the contest at an early date. Address cards to New Haven High School and mail before May 26 giving name, address, musical instrument, and type of music you wish to play.

Admission will be 25c for students and 40c for adults. Come one, come all and join the fun.

INTERESTING LETTER

The following interesting letter was received from W. W. Aylor who will be stationed for the next year in an overseas port:

"Just a few lines tonight before I turn in, to say hello and send my new address.

"We are in the Mediterranean Sea off the cost of Algeria, Africa. Have had a very rough trip over, as it was until we got into the Mediterranean. The North Atlantic is always rough of course, but seemed extremely so this trip. When it got too rough on the surface we submerged and went below the recon why I like the submarine (pig boats).

"We arrive in Malta, Monday, May 3 for a few days before continuing on, stopping at Naples, Italy, Athens, Greece, Instabul, Turkey and at last Izmir and Galcuk, Turkey in the sea of Marmara, where we will be stationed in the Turisk Naval Yard.

"I am sending you my new address which is a dilly. You will no doubt wonder what Denis Fabrikalari IX Met., Golcuk, Turkey, care FPO, New York, N. Y.

"I hope this finds spring in good old Boone County and all my friends in the best of health.

"Give my best regards to everyone and hope to see you in a year. Will drop you a line later on. Thank you and all the staff, very, very much."

THAT FOUR O'CLOCK FATIGUE

Many persons, especially mental workers, are victims of "four o'clock" fatigue." They feel tired, dull and restless.

In a large number of such cases the eyes are to blame . . . tired and complaining, causing various symptoms. When in doubt, a check-up of the eyes is recommended.

Foot Comfort Specialist at—

PEOPLE'S SHOE STORE

814-816 Madison, Covington

Mother nature gives the birds miscroscopic eyes to see tiny grain from a distance, and how she cares for us humans.

For instance, when we bruise our feet by wearing poorly constructed or ill fitted shoes. Nature sets up protective layers, corns, callouses and bunions at the point where the attack is directed, and by means of pain telegraphs the brain that danger is at hand and how do we respond to nature's signal? Usually, by padding these protective layers or paring them. This of course, does relieve the pain but does NOT remove the cause of the trouble. Corns, callouses and bunions are merely symptoms telling you there is something wrong inside your feet.

Permanent relief will be obtained when you relieve pressure on delicate nerves and tissue, when you straighten up weak, inrolling feet that throw the strain of weight bearing into the outer arch. So, if you would really get at the bottom of your foot ills, by all means, see our foot comfort specialists — they will make a scientific foot analysis of your foot. Then foot comfort is absolutely assured.—Adv.

ARTIFICIAL BREEDING NOTES

Three of the Jersey bulls in the stud are sons of Double Design Prince but are out of three different cow families. Double Design Prince was owned and proven by C. Shipman, Shelbyville, Kentucky. He was one of the most outstanding senior Superior Sires of the Jersey breed. He has 61 daughters that average 9,418 pounds of milk and 536 pounds of butterfat on 3 time milking in 305 days. The type of his daughters is very good and they have good udders. This was really a great dairy sire.

Double Design Masterpiece is a son Double Design Prince described above, and his dam is Pride Ruby of Avondale. This cow is classified very good and has a "ton of gold" or 2,051 pounds of fat in 4 consecutive years. Her actual production from age 5 years and 10 months to 13 years, 11 months is 9 records that average 479 pounds of fat. She has one daughter that is a full sister to Masterpiece. This daughter has a two-year old record of 9,285 lbs. of milk and 498 fat, and a 3-year-old record of 10,886 milk and 588 fat. Masterpiece has six daughters in production in C. W. Shipman's herd. Two of these have just completed their first lactation. One has 8,285 pounds of milk and 461 pounds of fat and the other has 7,300 pounds of milk and 394 pounds of fat. The others are going at the rate of 400 pounds of fat for their first lactation. These are large, deep bodied heifers with very good udders. All records are made on 2-time milking in 305 days. This dam of Masterpiece also has five other sons in service. He was bred by C. W. Shipman, Shelbyville, and purchased from Mr. Shipman.

Design Double Observed Boy is a son of Double Design Prince and his dam is Encore Pansy. Encore Pansy has nine record ranging from 347 to 685 pounds of butterfat and averaging 533 pounds of butterfat. She has two tested daughters. One has 7 records that average 506 pounds of butterfat and is a tested dam herself. The other is a full sister to Observed an dshe has 460 pounds of fat as a junior two-years old in 305 days and 511 pounds of fat as a junior two years old in 305 days and 511 pounds of fat as a 3-year-old. All records were made on 2-time milking. Observer was bred by R. D. Shipman, Shelbyville, Kentucky, and purchased from him.

Design Dark Wonder is another son of Double Design Prince and his dam is Flora Pansy. Flora Pansy has 5,492 pounds of butterfat in 11½ lactations and is still producing. She is a tested dam with four daughters that have a 305 day mature equivalent average of 588 pounds of fat. Three of these are full sisters to Dark Wonder. One has 3,439 pounds of butterfat in 6 lactations for an actual production average of 573 pounds of butterfat. She is classified very good. Another has 1,049.9 pounds fat in two lactations for an actual production average of 525 pounds as a 2-year and 3-year old. The other has 571 pounds of butterfat as a 2-year-old. All of these daughters are very good in type with very good udders.

It is very difficult to find a bull with such a proven sire and proven dam as Dark Wonder has.

Mr. John Meier Taylor, technician for the Boone County Artificial Breeding Association, sport a 79.7% conception rate for first services in January. The percent of conception is based on the number of first services compared to the number of 60-day non-returns. His conception rate for January was the highest in the 22 local associations operating.

LADIES' AUXILIARY WILL HOLD SPECIAL MEETING JUNE 3RD

On June 3rd Thursday evening at 8 p. m. at the Florence Town Hall, the Ladies' Auxiliary of Florence Volunteer Firemen will have a special call meeting. The Florence Volunteer Firemen, the Town Council of Florence and the building committee of the new firehouse are requested to meet with the Ladies' Auxiliary as their is important business to discuss.

4-H CLUB WEEK PROGRAM PLANNED

Demonstrations by 4-H club members of projects carried on in their home or on farms, will have an important part on the program of 4-H Week, according to J. W. Whitehouse, state leader of 4-H club work. The event, scheduled for June 8 to 12, will be held at the University of Kentucky.

Each demonstration will cover a certain phase of such subjects as dairying, poultry, gardening, tobacco, foods, clothing, canning and home furnishings.

About 50 counties will have water management teams who will show methods of laying out terraces, hillside ditches and farm reservoirs.

A majority of the counties will have county clothing champions in the dress revue, the state winner being awarded a trip to the National 4-H Club Congress in Chicago in December. Costumes made by the girls, and worn in the revue, may be school, street or party dresses, suits or coats.

One session of the week will be devoted to a business meeting of the State Association of 4-H Clubs. Officers are: Atwell Adair, Bourbon county, president; Polly Stovall, Logan county, vice president, and Jo Ann Kinsey, Graves county, secretary.

Started in 1921, 4-H Week has been observed annually with the exception of three war years. For the first club week, 132 boys and girls registered from 41 counties. This year, it is expected that 1,000 members and 200 club leaders and agricultural and home agents will represent every county in the state.

BELLEVIEW SUNBEAMS

The Sunbeams met at the home of Sandra Rogers, Saturday, May 15. The meeting was opened by learning a new song, "Praise Him, Praise Him." We gave the watchword and Rally Cry." Then we sang the welcome song to our new member, Eloise Rice.

The minutes were read of last meeting and we sang another song.

Ronnie Burcham read the 3rd chapter of John. We all stood and repeated the Lord's prayer. Next we had our offering. We stood and sang, "Tiny Little Daisy." Daisy Jones led in prayer. Espy told us a story about a little boy named Daniel.

The roll was called an answered by the memory verse, John 3:16. We all stood and sang our closing prayer, "Into My Home."

After the meeting Sandra entertained us with a birthday party. Ice cream and cake were served.

The following were present: Bobby Bloss, Ronnie and Larry Burcham, Sharon, Bobby and Danny Newman, Betty Rogers, Janice Ligon, Billy Rogers, Judy and Billy Jones, Kathy and Gregory Smith, Mary Sue Rogers, Billy Burkett, Eloise Rice, Sandra and Ella Jean Rogers, Mrs. J. Burkett, Mrs. Missouri Rice, Mrs. Betty Smith, Mrs. Espy Ligon, Mrs. Virginia Jones and Mrs. Helen Rogers.

TOBACCO SURVEYORS TO RECEIVE TRAINING

A meeting will be held at the Boone County ACA office Friday, May 20 for the purpose of training those who are to measure tobacco acreages in Boone County this year. Anyone desiring to do this work should contact the office immediately and arrange to be present at the training meeting.

UTOPIA CLUB MEETING HELD THURSDAY, MAY 19

The Boone County Utopia Club held its regular meeting last Thursday night at the courthouse. There was a small amount of business.

Mr. Davis gave a report that the fishing lake had been leased for a satisfactory sum.

All members are urged to remember that in order to be eligible to show in the Utopia Club class at the fair this year that you must have attended four meetings and have your dues paid by August.

There will be a district meeting at the fairgrounds on Sunday afternoon and evening, June 27. All members are urged to attend. This concluded the business.

We all enjoyed a book review given by Mrs. Nestor of Florence on "Lure of Kentucky" by Mrs. McLafferty. This is a very interesting book on the history of our state.

After refreshments the meeting adjourned.

Juanita Heist spent Friday evening with her grandmother and family.

Hamilton

Mr. and Mrs. Lewis Ryle called on Mr. and Mrs. Thos. Hull, Friday evening.

REA workmen have been working below Hamilton the past week and tagged several houses for electric.

A large crowd attended the funeral of Harry Jones at Hughes Chapel, Sunday. He passed away at Booth Hospital, Thursday. His many friends extend sympathy to his loved ones.

Mrs. Marie Berens returned to the home of her daughter, Mr. and Mrs. Luke Slaughter last week, after a short visit with her son in Covington.

Rev. and Mrs. Harold Pitcher spent several days camping below Hamilton last week.

The many friends of Clifford Moore were happy to learn he is now at home after spending several years at Dunham Hospital, Cincinnati.

Some of the members of Big Bone Baptist Church surprised Bro. Sam Hogan with a basket dinner in the grove Sunday, it being this birthday, and gave him a Parker fountain pen and subscription to the Lexington Leader. All enjoyed the day, and left wishing him many happy returns of the day.

Mr. and Mrs. Ed Bowen and baby girls were Saturday night guests of Mr. and Mrs. Everett Jones.

Mrs. Anna Smith was in Florence twice last week to take shots from Dr. Rouse for shingles.

Lumber was hauled last week for the camp of R. C. Brasefield, of Walton.

All homemakers clubs in Boone county cooperate with 4-H clubs by providing leaders for them.

No Tank Rust

IN HOT WATER FROM A FOWLER "PORCELINED" TANK!

Lined with double-thick, non-rusting porcelain . . . for CLEAN hot water

The right to constant, clean hot water belongs to every household. Why put up with discolored water from a rusty tank?

Fowler's original glass-lined tank is the one sure protection for clean hot water because it is lined with double-thick pure porcelain, that *resists rust, won't tarnish or corrode.* Fused onto the metal under high temperature, the porcelain seals the metal from any contact with water. The tank interior is as flawless as bathtub porcelain, as smooth as glass.

Fowler's electric water heater has many advantages—long-life "black heat" elements, economy temperature control, 20-year replacement guarantee, and efficient 3-way insulation. For lasting, dependable hot water service, Fowler is your best buy. Order today.

Liming IS PROFITABLE

There are any number of reasons why the application of agricultural limestone should be a regular practice on every farm. But the most important reason of all is that liming makes money.

Most Agricultural Experiment Station reports show that the regular application of agricultural limestone results in much larger yields of better crops than where no lime is used. Depending on the type of soil and the crop or crop rotation, these authoritative reports show that every dollar invested in limestone returns from $3.00 to over $10.00.

You can greatly increase the earning power of your farm by using our limestone regularly.

ESTABLISHED 1875

VOLUME 72 — BURLINGTON, KENTUCKY THURSDAY, JUNE 3, 1948 — NUMBER 48

MOBILE X-RAY UNIT TO VISIT CO. JUNE 7

AS PART OF STATEWIDE TUBERCULOSIS CASE FINDING PROGRAM—SERVICE IS FREE TO PUBLIC.

Boone County will be visited by a mobile X-ray Unit June 7th, for the purpose of giving free X-ray service to residents of this section according to report from the Red Cross Nursing Service.

The clinic is made possible thru the cooperation of the Kentucky State Department of Health, Boone County Tuberculosis Association and the Red Cross Nursing Service. This service is available to all persons in the County who are fifteen years of age and over.

The mobile unit will be located at the courthouse, Burlington, from 9 to 12 a. m. and from 1 to 3 p. m. The clinic will also be held in the Walton high school June 8th from 9 to 12 a. m. and from 1 to 3 p. m.

Every resident of the county over 15 years of age should take advantage of this opportunity to have a free X-ray. Reports from the X-rays are confidential and clothing need not be removed. Only a few minutes are required to complete the X-ray.

This clinic is part of a statewide tuberculosis case finding program. Much tuberculosis is known to exist in this section of the state. The disease is easily curable if found early. X-ray can show tuberculosis in the lung long before a person notices the symptoms. Take this opportunity to help fight tuberculosis by having your X-ray made. All it costs is your interest and effort to attend the clinic.

BOONE VETS BREAK EVEN

IN BUCKEYE SEMI-PRO BASEBALL LEAGUE, CHALKING UP SIXTH STRAIGHT VICTORY SUNDAY.

The Boone County Vets, northern Kentucky's top contender in the Buckeye Semi-Pro Baseball League, chalked up their sixth straight victory Sunday by defeating Rickey's Cafe 9-5 at the Florence grounds.

Bill Mumm was on the hill for the Vets.

Vets Suffer Defeat

The Boone County Vets dropped their first game in the last seven starts to the Fort Mitchell Boosters Monday by a score of 8-3 at the Florence grounds.

Donowski, on the mound for Ft. Mitchell, allowed seven scattered hits while fanning 12. Lyons was the receiver. Ryle started for the Vets, but was relieved in the third by Niemeyer, who gave way to Williamson in the seventh. Dennistion was the catcher.

Belleview-Petersburg Win

Belleview defeated Constance 20 to 6 on Belleview's grounds by driving out 22 hits, good for 20 runs Saturday in the Boone County League. Constance was short of players, several regulars foiling to show up.

Pete defeated Bob & Gene 8 to 6 at Florence Park in a well-played game, neither team being able to hold the lead, until finally Petersburg forged ahead in the 8th and hung on for a victory.

Games Saturday, June 5th

Belleview at Petersburg.

Constance at Bob and Gene.

In the holiday game Bob and Gene traveled to Belleview and after one of the hardest fought games of the year, Belleview won 4 to 2. Belleview collected 5 hits, while Bob and Gene marked up 6 hits.

GRIM REAPER CALLS BURLINGTON LADY

AFTER ILLNESS OF TWO WEEKS —HAD BEEN MEMBER OF BURLINGTON BAPTIST CHURCH FORTY YEARS.

Mrs. Bess Kelly Huey, 70, passed away at her home in Burlington Friday evening, May 28, after an illness of two weeks.

Bess Walton, daughter of Josiah and Matilda Walton was born March 28, 1878 near Waterloo, Ky. She departed this life May 28, 1948.

She was united in marriage to Eugene Kelly in 1894. To this union were born three daughter who survive her, Mrs. Earle Smith, Mrs. Al Stephens, and Mrs. Walter Brown and four grandchildren. Her husband preceded her in death in December, 1921. She was later united in marriage to R. L. Huey in 1935, who passed away in April, 1947.

At an early age she joined the Belleview Baptist Church and upon moving to Burlington 1908 she joined the Burlington Baptist Church where she was a faithful member until her death.

Funeral services were held at the Burlington Baptist Church Sunday afternoon, with Rev. R. A. Johnson officiating. Burial was in the Burlington Cemetery.

Chambers and Grubbs, Florence funeral directors were in charge of arrangements.

BOONE COUNTIAN WINNER

PETERSBURG PASTOR NAMED

BY NATIONAL INTERSEMINARY COMMITTEE AS ONE OF SEVENTEEN TO ATTEND WORLD CONFERENCE.

The Rev. Claude R. MacDonald, pastor of the Petersburg Christian Church, has been appointed by the National Interseminary Committee to be one of seventeen students from seminaries in the United States to attend a conference of the World Student Christian Federation at Woudschoten, Netherlands, September 7-13. Mr. MacDonald, who has been pastor of the Petersburg church since November 1, 1944, resides in Lexington where he is working toward the Bachelor of Divinity degree at the College of the Bible.

The Woudschoten conference will follow immediately the organizational meeting of the World Council of Churches which convenes in Amsterdam September 2, and has been called to give seminary students an opportunity to make a definite contribution to Christian unity through the exchange of ideas among the religious denominations of the principal nations of the world.

Mr. MacDonald received his Bachelor of Arts degree from Transylvania University last year. Born at Paw Paw, West Virginia, he received his earlier education in the West Virginia and Maryland public schools and is also a graduate of a Maryland business college. Prior to entering the ministry in 1944 he had spent 12 years in corporate taxation and auditing work. Since moving to Lexington, Mr. MacDonald has been employed on the news staff of the Lexington Herald and now is serving as accounting instructor at the Crump Commerce College there while continuing his studies at the seminary.

Mr. MacDonald's selection to the conference was made by vote of the student body of the seminary and confirmed by the Interseminary Committee whose headquarters are in New York City. The seventeen United States delegates will represent approximately 140 seminaries. Mr. MacDonald will sail from New York on August 20 and will return to the States on October 1.

The pulpit of the Petersburg church will be supplied regularly during the pastor's absence by ministers to be announced later and the full program of the church will be carried on.

Mr. and Mrs. Robert M. Crisler announce the birth of a son at their home in Evanston, Ill. The father is the son of Dr. O. S. Crisler, a former resident of Burlington. The new arrival has been named Chas. Robert Crisler.

'45 BURLEY CROP SOLD BY CO-OP.

DISTRIBUTION OF EARNINGS TO BE MADE TO PARTICIPANTS DURING SUMMER, ACCORDING TO REPORT.

All of the 1945 burley crop held by the "Pool" has been sold, and a distribution of earnings will be made to participants some time this summer, announces W. L. Staton, Burley Co-op secretary-manager. Each grower who had some of his '45 crop in the "Pool" will receive his proportionate share of earnings received from the sales.

Parcels of the 1946 and '47 crops held by the "Pool" are being sold almost every day, Staton said. Exports, as well as domestic consumption, will probably take greater portions in the fall.

Cigarette consumption continues on the increase, with indications that the '47-'48 season will exceed '46-'47 by some 14 to 19 billion cigarettes.

SAND RUN PLANS REVIVAL AND VACATION BIBLE SCHOOL

A spring revival and Vacation Bible School will be held at the Sand Run Baptist Church beginning Sunday, June 6th. The revival will close Sunday, June 13th and the Vacation Bible School Friday, June 18th.

C. W. JENNINGS SUCCEEDS WOOD

AS SUPERINTENDENT OF MISSIONS OF NORTHERN KENTUCKY BAPTISTS—BIG MISSION PROGRAM PLANNED.

Rev. Chas. W. Jennings, has been named as new Superintendent of Missions for Northern Kentucky Baptists, it was announced Monday by Rev. Ted E. Dougherty, Fort Thomas, moderator of the Campbell County Baptist Association and Rev. R. Don Gambrell, Erlanger, Moderator of the North Bend Association.

Rev. Jennings, the new superintendent, who will succeed Rev. W. K. Wood, served as pastor in the Long Run Association of Jefferson County for several years and was a member of the executive committee which had charge of directing the mission program there.

He is a native of Missouri, and served as pastor of the First Baptist Church of DeSoto for four years.

"A great mission program is to be carried on in the Campbell County and North Bend Associations under the name of the Northern Kentucky Baptist Mission Program," Rev. Jennings said.

"The work is too big for any one person to do alone, but with the joint help of every pastor and church there are many worthwhile things that can be accomplished in the years ahead. There are about 14 places where mission stations or work of some kind should be done. Others will reveal themselves as time goes on, but none of these places can be ministered to without the active support of at least one Baptist Church for every opportunity, and sometimes two or more churches can combine to do a needy work," he said.

"The assumption of church responsibility in this matter is illustrated by the work of the Cold Spring and Latonia Churches in establishing mission stations last year."

Rev. Jennings said the Mission Boards of the two associations would publish a Northern Kentucky Baptist Mission program paper every three months.

A seven-room brick house at 1800 Scott St., Covington, has been purchased by the boards of the two associations to be used to house activities of the mission program.

Rev. and Mrs. T. O. Harrison and son Tommy, of Southgate, called on her mother, Mrs. A. L. Furnish and other relatives here Sunday afternoon.

Winners of the various contests held at county spring rally were selected to represent Boone County. Each county is limited to five boys and five girls, unless the county has own the district demonstration contests.

Delegates from Boone will be: Mary Bess Burns, Petersburg; Marlene Morith, Florence; Betty Hood, R. 2, Ludlow; Helen Rogers, R. 2, Ludlow; Brenda Sturgill, Florence; Joyce Vice, R. 1, Petersburg; David King, Verona; Billy Maddox, Florence; Robert Ginn, Ralph Ginn and Wm. Crowley, Constance.

WILD SCORES FEATURE PLAY

IN SUNDAY SCHOOL LEAGUE—BULLITTSVILLE, UNION, AND BELLEVIEW CHALK UP TWO VICTORIES.

In the nine week-end-holiday tilts in the Boone County Sunday School League, 179 runs were scored for an average of 19 runs a game, while the hitters were gathering 218 hits in the nine contests. The standings were upset as Burlington moved into third place and Belleview came from eighth to sixth.

Bullittsville copped two victories and took a firm grip on first place place as a result of a hard fought 8-5 win over Sand Run and an easy 20-4 victory over Florence. Barney Hogan won his fourth game for Bullittsville as he limited Sand Run to six hits and struck out 11 opposing batters. George Bloebaum pitched a nice game for the losers as he gave up 8 safe blows and retired six on strikes. Olin Elliott, Bullittsville shortstop, was the only successful hitter in the game as he collected 3 singles. Garnett and Utzinger were the receivers. Fans will recall a similar win for Bullittsville over Sand Run last year in the final game of the year. Summary: Bullittsville 8 runs, 8 hits, 3 errors; Sand Run 5 runs, 6 hits, 6 errors.

Myron Garnett's hard-hitting aggregation tagged Florence hurlers for 23 hits as they scored 20 times. Hazel Walton started for Bullittsville but was relieved by Joe Hogan who finished the game. Bob Miller and "Hack" Tanner divided mound chores for Florence. Bobby Marshall, all-league outfielder, smashed out 2 doubles and 2 singles to top Bullittsville. Joe Aylor and Charlie Hodges were not far behind with 4 hits each. The Florence boys were paced at the plate by "Bub" Rouse who had 2 doubles and a single and Brooks, Abbott and Bob Rouse with 2 singles each. Bob and Dud Rouse have hit safely in every game of the season thus far. Garnett and Botts caught for Bullittsville with Rouse and Rouse on the receiving end for Florence. Summary: Bullittsville 20 runs, 23 hits, 2 errors; Florence 4 runs, 14 hits, 8 errors.

Union got a high scoring record Decoration Day as they trounced Bullittsburg 38-4 at Union. Saturday Union eked out a 4-0 win over Florence. Gene Weaver received credit for both victories but received relief from Scott Jack in both encounters. Weaver limited Florence to but two safeties for seven innings as he struck out 11. The little left hander proved too much for Florence as they were unable to get a runner beyond second base. Bob Miller, Florence curve ball hurler kept ten hits scattered as he turned in one of his best games. Moss Brown, slugging Union outfielder swung the big bat as he collected three hits. Dud Rouse, capable Florence receiver, had two for the losers. Both teams played good ball as this was one of the three well played games of the week-end. Summary: Union, 4 run, 10 hits, 2 errors; Florence no runs, 5 hits and two errors.

Manager Pill Greenup and his second place squad turned on the hitting power as they drove out 36 hits and scored the amazing total of 38 runs as they drubbed the hapless Bullittsburg team. Weaver and Jack again combined to do the hurling honor for Union and gave up but 6 safeities. Roger Knox, top-notch center fielder for Union, amassed two doubles and three singles to top Union hitters. Brown again came through with 3 hits. Hodges, M. Pepper and J. Pepper all took turns on the hill for the losers. Union just outclassed Bullittsburg in all departments. Summary: Union 38 runs, 36 hits, 2 errors; Bullittsburg 4 runs, 6 hits and 5 errors.

Belleview moved into the win column with an 8-3 victory over Bullittsburg and 12-4 triumph over Verona. Dave Clore made his first start for Belleview and was the winning pitcher. Pepper and Holladay were on the hill for the losers. "Tick" Barnes, former Bullittsburg outfielder, topped Belleview hitters with 3 hits against his old team. Aylor and McGlasson each had three hits to pace Bullittsburg with Aylor coming through with a pair of doubles. Summary: Belleview 21 runs, 21 hits, 3 errors; Bullittsburg, 8 runs, 11 hits, 4 errors.

Belleview marked up their second triumph as they turned Verona back 12-4 in the Memorial Day contest. Ivan Cason, big left-hander, chalked up his third victory without a loss as he struck out 11 opposing batsmen. Cheesemen and Junior Shields were the hurlers for Verona. John Walton with four hits in four trips and Dave Clore's 4 for 5 were tops in hitting. Coyle, Verona left fielder, drove out three singles to lead his team at the plate. Summary: Belleview 13 runs, 19 hits, 4 errors, Verona 4 runs, 9 hits and 6 errors.

Burlington and Petersburg hooked up Monday in one of the best games of the year. Manager Clayton Brown and his boys emerged on the long end of a 6-4 count. Joe Smith started for Burlington, but as relieved by Roscoe Akins in the fifth and Akins was the winning pitcher. Sammy Huey went the route for the losers and pitched a splendid ball game, whiffing 8 batters. Petersburg was protecting a 4-3 lead going into the ninth when two Burlington runners got on base. With two out, little Johnny Cropper came up and in true Babe Ruth style poled one out of the lot in center field for a three-run homer and the ball game. Chick Stephens with two hits and Bob House double and single were high for their teams. Summary: Burlington 6 runs, 10 hits, 5 errors; Petersburg 4 runs, 7 hits, 4 errors.

"Buck" Judy and Frank Blasker each drove out home runs plus three other hits to lead Sand Run to 26-8 upset over Big Bone. Big Bone was playing without their regular players. Bud Goodridge went the route for Sand Run and set 14 batters down on strikes. Walton, Smith and Gruelle were the Big Bone pitchers. Pitchers three hits and Charlie Black's homer were the big blows for Big Bone. Thirteen Big Bone errors marred the game. Summary: Sand Rune, 26 runs, 20 hits, 4 errors; Big Bone, 8 runs, 11 hits and 13 errors.

Big Bone and Petersburg tangled in a pitchers battle at Big Bone Saturday with Big Bone emerging victorious 6-2. Charlie Black limited the losers to three hits as he chalked up his fifth win without

DEMOCRATS WILL HOLD CONVENTION

AT BURLINGTON COURTHOUSE SATURDAY, JUNE 5 FOR PURPOSE OF SELECTING DELEGATES TO STATE MEETING.

The Boone County Democratic Convention will be held at the courthouse in Burlington at 2 p. m. Saturday, June 5, 1948 for the purpose of electing delegates to the State Convention in Louisville June 8, 1948.

All Democrats of the county are invited to attend, according to County Chairman, C. L. Cropper.

The State convention held in Louisville, June 8 is expected to send an uninstructed delegation to the national convention in Philadelphia July 12. Eight of the State's 26 delegates to the national convention, with one vote each, or 16 with one-half vote each, will be named by the state convention.

Also to be named are two presidential electors, with assistants; eight members and chairman of the state committee, and a national committeeman and committeewoman.

The Louisville meeting is scheduled for 10 a. m., when the nine congressional districts will elect two delegates each to the Democratic National Convention.

UTOPIA HAY RIDE ANNOUNCED JUNE 10

The Carl W. Jones Utopia Club will meet in Florence for a hay ride on Thursday, June 10th. Members and their friends will meet at the Town Hall in Florence at 8:00 p. m.

Young people who might be interested in joining the club are invited.

Make reservations with Lucille Bell, Secretary, Burlington.

FARM BUREAU MEETING PLANNED TUESDAY, JUNE 8

Directors of the Boone County Farm Bureau will meet at the courthouse at 8:00 p. m. Tuesday, June 8th.

All directors are urged to be present and all other Farm Bureau members are invited to attend the meeting.

DUVALL TO AID VETERANS

F. E. Duvall, Field Secretary of Disabled Ex-Service Men's Board, 1407 W. Broadway, Louisville, Ky., will be in Burlington, Friday, June 11 for the purpose of aiding in filing claims for veterans and their dependents and to advise them regarding any other benefits to which they may be entitled. Mr. Duvall will be at the court house from 8:00 a. m. to 4 p. m. on the above date.

VENDING MACHINES MUST BE LICENSED

ACCORDING TO DEPARTMENT OF REVENUE—LICENSES MUST BE ON MACHINES NOT LATER THAN JULY 1.

The Department of Revenue announced that licenses for coin-operated vending machines were placed on sale June in the department's office in Frankfort, and at its field offices, or may be obtained from any field representative. Licenses may be procured at any time. However, the applications with certified or cashier's checks must be in the hands of the department by June 20 or 10 days before the machine is placed in operation. These licenses must be on the machine by July 1 or when the machine is placed in operation.

The license, required by House Bill 435 passed by the 1948 General Assembly, may be procured for any lawful coin or token-operated vending machine which contains no element of chance. Licenses are not required for turnstiles, parking meters, cash registers, pay toilets, postage stamp vending machines, fare or toll-receiving machines or boxes, baggage lockers, pay telephones, coin-operated candy vending machines, coin-operated radios, popcorn vending machines or coin devices used to receive toll charges for the transmission of vocal, telegraphic, facsimile or other similar messages or services rendered by any agency under the jurisdiction of the Kentucky Public Service Commission.

The license fees are: $10 for a machine cost 5 to 9 cents to operate. $15 for a machine costing 10 cents or more to operate.

PATROL INSPECTOR EXAMINATIONS ANNOUNCED

Applications for the position of Patrol Inspector (Trainee), paying $3,021 a year, are being accepted by the Executive Secretary, Board of U. S. Civil Service Examiners, Immigration and Naturalization Service, Temporary Building "X" 19th and East Capital Streets, Washington 25, D. C.

Patrol Inspector (Trainee) positions are located in various cities and towns in the vicinity of land borders and in certain coastal areas of the United States. To qualify for these positions, applicants must pass a written test and may be required to appear for an oral interview relative to their personal qualities for the job. Superior physical qualifications are required since the work of the Immigration Border Patrol is performed under rigorous and unusual environmental conditions. Eligibles selected for appointment will be given an intensive training course lasting from 1 to 3 months. At the end of one year of satisfactory service they will be promoted to the position of Patrol Inspector paying $3,397 a year. Age limits are from 21 to 35 years (21 to 45 years for persons entitled to veteran preference.)

Interested persons may secure information and application forms from the U. S. Civil Service Commission, Washington 25, D. C., from most first and second-class post offices, from Civil Service regional offices, and from the Executive Secretary of the Board of Civil Service Examiners at the above address. Applications must be received by the Executive Secretary not later than June 22, 1948.

As a result of clothing projects carried this year, Bath county homemakers estimate they saved $2,655.

Commissioner's Sale

Boone Circuit Court
Commonwealth of Kentucky
The First Federal Savings and Loan Ass'n., of Covington ..... Plaintiff
versus
Albert Riebling, et al. ..... Defendant
NOTICE OF SALE

By virtue of a judgment and order of sale of the Boone Circuit Court rendered at the April term thereof 1948, in the above cause, I shall proceed to offer for sale at the Court House door in Burlington, Kentucky, to the highest bidder, at public auction on Monday, the 7th day of June 1948, at One O'clock P. M., or thereabout (being County Court Day), upon a credit of 6 and 12 months, the following described property to-wit:

Lying and being in the City of Florence, Boone County, Kentucky, being a parcel of ground fronting 125 feet on Gibbons Street, and being all of Lots No. 110, 111, 112, 113, 114 and a part of 115 of the Fair Grounds Addition to Florence, Ky., as shown on Plat 1, Page 87 of the Boone County records at Burlington, Ky. Said part of Lot No. 115 is bounded and described as follows: Beginning at a corner of Lots 114, and 115; thence southwest 174 feet with the boundary line of Lots 114 and 115 to the southeast corner of Lot No. 115; thence northwestwardly along the southwest line of Lot 115, 25 feet to the southwest corner of Lot 115; thence diagonally and northwardly in a straight line to the dividing line between lots 114 and 115 on Gibbons street.

Or sufficient thereof to produce the sum of money so ordered to be made. For the purchase price, the purchaser must execute bond, with approved surety bearing legal interest from the day of sale until paid, and having the force and effect of a judgment. Bidders will be prepared to comply promptly with these terms. Amount to be raised by sale $6783.47 with 6% interest from December 1, 1947 to the date of sale and the costs of this action.

A. D. YELTON,
Master Commissioner Boone C. C.

LADY STUFF

by Martha Wheeler

(Editor's Note: Martha Wheeler is the prominent lecturer and radio personality.)

If you should mention Peter Thompson to your daughter, she would say, "Who's he?" You would, of course, be referring to your favorite high school middy dress of navy blue serge and white braid trim.

England's lilting Bea Lillie, dressed in her favorite "Peter Thompson," is currently rollicking through rehearsals with her partner in singing, dancing and roller skating, Jack Haley, in a witty stage version of John Gunther's *Inside U.S.A.*

Inside information is that what John wrote as serious prose comes out as titillating gag and guffaw.

∞

If you don't feel like talking, you can still carry on a lively conversation by listening lavishly.

∞

"Thar's gold in them thar hills" was the slogan of 1849. Today, ninety-nine years later, gold gilds every fashion display as shoes, purses, belts, jewelry and eyeglass frames gleam with the yellow metal.

∞

The Queen Optical Company suggests the stunning Tura eyeglass frames of rich gold plate with their fashionable broad spatula temples as a smart addition to your gold accessories. The famous Tura frames also come in silver plate.

You can enjoy thorough eye examination by Doctors of Optometry and precision grinding of lenses by skilled opticians using first quality ophthalmic lenses, all under one expert supervision, at Queen Optical Company, 12 East Sixth Street, in Cincinnati.

Let's Figure
THE COST OF LIMING

When you buy agricultural limestone you make an investment that pays you handsome returns over a number of years. In figuring the cost of keeping your soil properly supplied with lime you should do so on the basis of cost per acre per year.

Just divide the amount of money you invest in the liming material applied to each acre of land by the number of years the application is effective. The answer will be a surprisingly small figure. You will find, as hundreds of thousands of farmers have found, that the increase in yields of better quality crops may easily be 3 to 10 times the annual cost.

Soil-liming costs are low—profits are high.

AND WE CAN PROVE IT.

It is NOT true that lightning never strikes twice in the same place! (There is a popular notion that lightning never strikes in the same place more than once. As a matter of fact, lightning has been known to strike the same building several times during a single electrical storm. The United States Weather Bureau says that trees, steeples, chimneys, and other tall objects and structures in elevated and exposed locations are likely to be struck by lightning regardless of the number of times they have been struck in the past. Of course, according to the law of probability, it is not likely that lightning will strike in exactly the same place twice under ordinary circumstances.—Popular Questions Answered, by George W. Stimpson, 1932, p. 238).

SMITH-CLORE

Miss Juliette Smith, daughter of Mrs. Julia Hicks Smith, became the bride of Leland Rogers Clore, of Orant, son of Mrs. Laura Rogers Clore, of Orant, at an impressive double ring ceremony Wednesday at 5:30 p. m. at the First Methodist Church, Thomasville, Ga. The Rev. Earle J. Garbett performed the ceremony before a gathering of close friends and relatives.

The altar was decorated with vases, smilax, ferns and white baskets of gladioli interspersed with cleanster. Seven-branched candelabra holding lighted white tapers cast a soft glow over the lovely nuptial scene.

Mrs. Herbert Neel, organist, played the traditional wedding marches and a selection of prenuptial music. She accompanied Mrs. James Reid, soprano soloist, who sang, "I Love You Truly," "Because," and "Prayer Perfect," at the end of the ceremony.

Usher-groomsmen were Messrs John Hicks and J. Crozier Inman. Mr. Jimmie Whiddon was the groom's best man.

The bride's only attendant was her cousin, Miss Virginia Varne of Tallahassee, who was becomingly attired in a soft green formal dress of mousseline de soie fashioned with a V neckline, and hooped skirt with tucks. She wore a cluster of spring flowers in her hair and carried an old-fashioned nosegay of assorted spring flowers.

The lovely brunette bride, given in marriage by her brother, J. Frank Smith, was radiant in her Adrian gown of white Chantilly lace, featuring a round neckline, with basque waist, and a bouffant skirt. She wore mits of matching lace, and carried a white satin prayer book sprayed with white orchids and tuberoses. Her veil of sheerest illusion was hip-length and was caught to her head with a cap of seed pearls and orange blossoms.

For a touch of sentiments the bride wore a beautiful old ring, which belonged to her maternal great-grandmother. She also wore a string of pears, gift of the bridegroom.

Following the ceremony a reception was held at the home of the bride's aunt, Mrs. L. R. Davis, Mitchell street. The home was beautifully decorated in a profusion of spring flowers. The bridal couple received the guests standing under a cluster of wedding bells, tied with white satin ribbons.

The bride's table was overlaid with a lace cloth and centered with a beautiful three-tiered cake topped with a miniature bride and groom. Lacy fern and dainty blossoms surrounded the cake.

Immediately after the reception, the bridal couple left by plane for Daytona Beach, Fla., for a wedding trip.

The bride is a graduate of the Thomasville high school and she attended the Bowling Green Business University, Bowling Green, Kentucky.

The groom, son of Mrs. Laura R. Clore of Grant, is a native Kentuckian and a graduate of the Burlington high school. Following his discharge from the U. S. Army, he received his diploma from the Bowling Green University Business College. He recently resigned his position with the Pet Dairy Products, Greenville, S.C., to accept a position on th administrative staff of the John D. Archbold Memorial hospital, Thomasville.

BIRTHDAY DINNER

Boone Circuit Court
Commonwealth of Kentucky
Harry D. Mayhugh Plaintiff
versus
Ralph Penick, et al., Defendant
NOTICE OF SALE

By virtue of a judgment and order of sale of the Boone Circuit Court rendered at the April term thereof 1948, in the above cause I shall proceed to offer for sale at the Court House door in Burlington, Kentucky, the hereinafter described property, subject to the 1st mortgage of the Walton Perpetual Building and Loan Association, which was by the Court adjudged a first lien in the amount of $2,443.66 together with 6 per cent interest from February 5, 1948 until paid, to the highest bidder after the assumption of the mortgage, at public auction on Monday, the 7th day of June 1948 at One O'clock P. M., or thereabout (being County Court Day), upon a credit of six months, the following described property to-wit:

Lying and being in Boone County, Kentucky near the town of Walton and being Lots Nos. Four (4), Five (5) and Six (6) of North Walton Subdivision, as laid out on the plan and plat of North Walton Subdivision as recorded in Plat Book 1 page 1 at Burlington, Kentucky.

For the purchase price, the purchaser must execute bond, with approved surety bearing legal interest from the day of sale, until paid, and having the force and effect of a judgment. Bidders will be prepared to comply promptly with these terms. Applied to be raised by sale in addition to the assumption of the 1st lien of the Walton Perpetual Building & Loan Association in the amount of $2443.66 with 6% interest from February 5, 1948 until paid is $1,500.00 with 6% interest thereon to date of sale and the costs of this action.

the Fowler Electric Water Heater!

THREE-WAY INSULATION
Assures Highest Efficiency!

● Fowler's three-way insulation is designed for the highest retention of heat. First, a sealed *dead air space* around the tank prevents heat loss through conductivity and provides a continual warm air blanket.

Second, the tank is jacketed with Fowler's exclusive polished aluminum reflector which reflects 85% of the tank's heat rays back into the tank.

Third, a thick, fire-proof blanket of cotton provides additional sag-proof insulation outside the aluminum jacket, reducing any further radiation heat loss that may escape the reflector.

Yes, insulation is another perfection of Fowler electric water heaters that assures you the highest efficiency. Come in and place your order for a Fowler.

Our Spring Sale On Coleman Oil Water Heaters

SAVE 15%

...and get this amazing guarantee:

We hereby GUARANTEE to give you
1. Faster hot water
2. Lower-cost hot water
than any other oil or electric water heater or your money back.

Read this guarantee: Try a Coleman for 15 days. Compare with other oil or electric storage-type heaters of equal size. Coleman must give you hot water faster and at lower cost, or we will take it out and refund your money.

Amazing low fuel cost: A Coleman provides ample hot water for average family of four by burning only about ten gallons of oil a month. Store a whole winter's oil supply in a 50-gallon drum.

Works anywhere . . . town or farm — the Coleman burns fuel oil; no gas or electric connections needed. It's automatic, too—gives you plenty of hot water anytime at the turn of a tap. No off-cycle periods.

WHY ASSOCIATED WOMEN OF FARM BUREAU?

There are fields of endeavor where women can give useful and strong assistance to the Farm Bureau goal of a richer and fuller life for rural people. Women have always stood ready, willing and able to aid and abet all humanitarian efforts. To gain a fuller life, things other than production, distribution, prices, etc., need to be done. So—why not get the women to help?

Their particular field includes: 1. Better educational, social and spiritual opportunity; 2, improved health conditions; 3, support of the U. of K. extension program and vocational education, and 4, to keep rural people well informed on domestic and international questions.

The Associated Women promises to be one of the strongest working members of the great Farm Bureau family.

There is no separate membership. Farm Bureau is a family membership. However, it is the fondest hope of the Boone County Farm Bureau that the women will register in their department.

THE GARDEN

THERE SHOULD BE A GARDEN IN '48

By John S. Gardner, Kentucky College of Agriculture and Home Economics

The garden season will be two months old when this reaches print, but many gardens are younger than that because of weather, wet land and the like. Some gardens that should be quite far along now are not even planted, for the reason that "I can buy my vegetables more cheaply than I can raise them." But the writer wonders.

According to a good diet as experts prescribe, and at Lexington prices for the week of April 25, the per person cost of vegetables was slightly over $2.05. This is high because it includes "new potatoes, southern tomatoes, lettuce, broccoli, cabbage, carrots and snap beans, at the high prices such-out-of season vegetables should command. But included, too, were canned, dried and stored vegetables that a summer garden here could have afforded.

Between 1939 and now, general food prices have risen 71 percent; vegetable prices, possibly 65 percent. In 1939, in a garden properly managed, with the proportions and the amounts of the vegetables adjusted so that all could be used, a gardener could earn $1.05 an hour.

No matter what has changed since 1939, nature has stayed constant. Rains still fall, the sun still shines and the soil is as fruitful as then. Insects are no more difficult to control than then, and the only disease that's new is tomato blight, a small matter, if properly handled. But assuming that an all-year weekly average of the vegetables the dietitians say should be used is $1.65 (it was $1.00 in 1939), a gardener's wage rises to $1.73 an hour, to compare quite well with the income of experts in other pursuits. Garden income is not taxable; this is lawful tax evasion. Besides the gardener's economic gains, there are those of the spirit, the satisfaction from being part-creator of his vegetables, to say nothing of the enjoyment which comes from having those vegetables delightfully garden-fresh.

THE GREAT TOE

N. TULCH
Foot Comfort Specialist at—
PEOPLE'S SHOE STORE
814-816 Madison, Covington

Do you know that the great toe supports the entire weight of the body for an instant, in the last act of walking?

The foot muscles acting upon the four lesser toes preserve the balance of the body by causing the toe to grip in the shoe and in the last act of walking to give the final spring, or "take off." By their attachment the toes flex at their first (holongel) points and extend at their second and third joints, so that the ends of the toes are pressed upon and grip in standing so as to form powerful propelling levers as the body swings forward upon the toes.

Now, take off your shoes and look at the bottom of your toes. In every case (there are few exceptions) you will see where the fleshy tissue on the bottom ends of the toes comes to a point, from being forced tight together and in many cases the toes themselves lap over one another. This is positive evidence of ill fitted and ill shaped shoes. This continued distortion of toes in many cases leads to bunions, Hommar toes and other toe defects.

Lack of balance will cause you to walk incorrectly and create strain in other parts of the body, inducing fatigue, pain and more misery, NOT ONLY in the feet, but even in the back of the neck and headaches. Resolve right now to correct this condition.

It costs you nothing for a thorough analysis of your foot problems and difficulties. Remember you can't be HAPPY with UNHAPPY FEET.—Adv.

COLLEGE LAUNCHES PROGRAM FOR FARM, HOME IMPROVEMENT

Plans for inaugurating the Kentucky Farm and Home Development Program have been announced by the College of Agriculture and Home Economics, University of Kentucky.

To be started in two Western Kentucky counties, the program will include detailed plans for the general improvement of the farm and the farm home. As explained by T. R. Bryant, assistant director of the college's Extension Service, "certain farms whose owners wish to participate in the program will be studied in detail and a plan of farm and home development extending over several years will be worked out.

"Taking into account the resources of the farmer, including soil, equipment and buildings, the program will endeavor to determine the kinds of crops, livestock and other operations needed to give the best returns.

"Attention will be given to crop rotations, growing of cover crops, use of manure, terracing, drainage and other methods of improving the soil.

"The farm home will be given prominent consideration in the program. Needed improvements will be determined and plans made for installing them.

"An essential feature of the program will be the fact that the farm and the farm home will be under a definite unified plan of improvement."

Mr. Bryant said that only a few farms would be included in the program at this time. Other farms will be added as the program develops.

CONTOUR PLANTING PAYS

The importance of planting corn around the hillsides of sloping land is seen in the records of two groups of farmers in Madison county, 15 bushels more corn per acre being produced where contour planting was used. Eighty-two farmers, who entered the 1947 Corn Derby, planted their fields on the contour and averaged 94.3 bushels of corn to the acre; said Farm Agent J. Lester Miller. In contrast, 181 farmers, planting their sloping land in straight rows, averaged only 79.3 bushels an acre.

SPECIAL MUSIC FOR CONSTANCE CHURCH SUNDAY, JUNE 6TH

Come, bring your friends and enjoy an evening of Christian fellowship. Everyone welcome.

FARM PONDS STOCKED

A total of 1,167 farm ponds in Kentucky have been stocked with bream and bass so far this spring with only ponds in a few more counties remaining to be visited by the distribution truck, the Fisheries Department of the Division of Game and Fish announced today. Approximately 90,000 bass fry have been placed in these ponds with the number expected to reach over 100,000 before the work is concluded. Farmers wishing to have their ponds stocked may obtain fingerlings during the fall providing they make application with the Conservation Officer in their area in the near future the Division has announced. Fingerling distribution will begin during August. The fry and fingerlings are obtained from the fish hatcheries at Glasgow and Williamstown.

BLUE MOLD HITS TOBACCO BEDS

IN SCATTERED SECTIONS OF COUNTY, ACCORDING TO BILL DAVIS, COUNTY AGENT—FERMATE SHOULD BE USED.

Blue mold has already developed in scattered sections of the county, according to Bill Davis, county agent.

The disease first appeared in the Hebron community and due to the dry season caused little damage to the beds. However, if recent showers are followed by hot humid days there is an excellent possibility that the disease may become serious.

Growers should begin to spray the beds with Fermate to control the disease. Sprays should be applied twice weekly and after every rain.

Three level tablespoons of Fermate in one gallon of water or one-half pound of Fermate in twenty-five gallons of water are the correct amounts of Fermate to use. Apply 4 to 6 gallons of spray to every 100 feet of 9-feet beds or 75 feet of 12-ft. beds. Be sure to cover the entire plant with the spray. A 3-gallon pressure sprayer is satisfactory for applying the sprays.

Ready mixed Fermate dust may be applied at the rate of 2-3 pounds for 100 feet of 9-ft. beds.

There is no cure for blue mold. It is wise to prevent it by timely applications of Fermate sprays or dusts.

TOMATO BLIGHT REPORTED IN COUNTY

Tomato blight has again started in Boone county, according to Bill Davis, county agent. Tomatoes in the early bloom stage are just right to contract blight.

The best control of this disease is spraying or dusting with one of the "fixed coppers." Sprays are recommended over dusts because they are easier to apply and cover the plans better. Some of the sprays of cracks, chips or dents. sprays are tri-basic Copper, Copper A, or Copper King.

Sprays should be mixed according to the manufacturers instructions and applied at the rate of one gallon to 30-35 plants. Apply the first spray when the first cluster blooms appear and repeat every 10 days until 4 sprays have been applied.

Tomato blight thrives best in cool damp weather. If such weather conditions presist, extra precautions must be taken.

KING, QUEEN NAMED

By popular vote Jessie Stephenson and Don Shields of the freshman class of New Haven high school were elected King and Queen of the New Haven Homemakers Strawberry Festival held Friday evening, June 4, at the Richwood Presbyterian Manse. Runners-up were Joan Poe and Allen Slayback and Beverly Jones and Nathan Clements.

The New Haven Homemakers wish to thank their many friends who made this festival a success. Ice cream, strawberries and plenty of good cake, baked by the ladies, were served under the capable chairmanship of Mrs. J. O. Griffith. A wonderful time was had by all in attendance.

X-RAY CLINICS WELL ATTENDED

AT BURLINGTON AND WALTON JUNE 7 AND 8TH—FOUR HUNDRED RECEIVE EXAMINATION IN TWO DAYS.

Four hundred Boone County residents took advantage of the X-ray clinic held at Burlington June 7th and Walton, June 8th, according to Miss Elizabeth Lowry, Boone County Red Cross Nurse.

Burlington reported a total of 206 attending the clinic, while Walton reported a total of 194.

The clinic was made possible thru the cooperation of the Kentucky Department of Health, Boone County Tuberculosis Association and the Red Cross Nursing Service.

This project is a part of a statewide tuberculosis case finding program and no doubt will aid in reducing the disease in Kentucky.

Reports from the clinic will be mailed directly to those visiting the mobile unit Monday and Tuesday, and should reach participants within the next two weeks, according to Miss Lowry.

Large X-ray will be made free of cost, where it is thought advisable, Miss Lowry said.

LEGION POST FORMED AT WALTON, SUNDAY

Walton Post No. 377, American Legion was formed at Walton, Sunday, with seventy-five charter members signed up, according to reports.

A parade preceded ceremonies which were held at 2 p. m. in the Walton school auditorium, with Commander Mogee as master of ceremonies.

Principal speakers on the program were John F. Hagner, Louisville, department commander; Thomas Hayden, department adjutant, and Beckham Kelley, Bowling Green, grand chef de guerre of the 40 and 8 of Kentucky.

The bugle corps of James Wallace Costigan Post, Newport, led the parade.

TWO-HIT SHUTOUT HURLED BY HOGAN

IN SUNDAY SCHOOL LEAGUE AS BULLITTSVILLE, BURLINGTON UNION, SAND RUN AND BIG BONE TRIUMPH.

The first round of play was completed in the Sunday School League with Bullittsville remaining in first place. Barney Hogan, Gene Weaver and Charlie Black stand out as the three top hurlers in the first round of play with "Red" Gruelle, Joe Hogan, Dud Rouse, Moss Brown and "Chick" Stephens looming as the top hitters.

Barney Hogan and Ivan Cason hooked up in a pitching battle for seven inning in the Bullittsville-Belleview encounter. Hogan, little right hander, allowed but two safe hits and struck out 12 batters in recording his first shutout. The win was number six for Hogan. Cason hurled nice ball until the eighth when the winners touch him for all their runs. The loss was the first for Cason who whiffed 8. Olin Elliott, slugging shortstop, drove out three hits in four trips as did pitcher Hogan. Elliott's hitting improves each week. Summary: Bullittsville 8 runs, 13 hits, no errors; Belleview no runs, 2 hits and 2 errors.

Burlington tripled the score against Florence in a loosely played game 36-12. Florence hurlers walked 27 Burlington batters and gave up 21 hits in the massacre. Joe Smith and Roscoe Akins, Burlington's pitching combination, were hit hard as Florence gathered 18 hits. Miller, Nestor, Tanner, Scott and Brooks all took turns in the box for Florence. "Chick" Stephens amassed 2 triples and 3 singles to pace Burlington, with James Gayle Smith's four hits in second place. Yelton and McBee each had three safeties for the winners. The Florence boys, who always hit well, were topped by Scott, Brooks, Nestor and Rouse with thre hits each. Dud Rouse smashed out his sixth home run with two on in the second inning. Summary: Burlington 36 runs, 21 hits, 5 errors; Florence 12 runs, 18 hits, 7 errors.

Union tightened their grip on second place with a surprise 16-8 win over the slumping Petersburg boys. The game was generally expected to be close but 19 Petersburg errors spoiled the contest. Gene Weaver, little Union southpaw won his fourth straight game with a 7-hit effort. Campbell started for Petersburg but was relieved by Huey. Moss Brown continued his sensational hitting as he poled out 4 long hits. Al Knox hit the big blow with a three-run triple. Summary: Union 16 runs on 14 hits and 3 errors; Petersburg 8 runs on 7 hits and 19 errors.

Big Bone won a forfeit game from cellar-dwelling Bullittsburg 9-0.

Sand Run trounced Verona 14-3 at Verona with Big George Bloebaum chalking up the win. Bloebaum struck out 11 hitters as he gave up 7 hits. Raymond Beach returned to the mound, but was relieved by Cheesman and Waller. "Peck" Wilson hit a homer and two singles to pace Sand Run with George Sprague also driving out a four bagger. Beach was the big gun for the losers with a home run and two doubles. Summary: Sand Run 14 runs, 23 hits, 2 errors; Verona 3 runs, 7 hits, 4 errors.

Harry Russell Conrad, Burlington, son of Mr. and Mrs. Ivan Conrad, won the Sullivan Medallion given annually to the outstanding man of the University of Kentucky graduating class at commencement exercises held at Lexington, Friday night.

A total of 64 seniors were graduated with distinction and departmental honors.

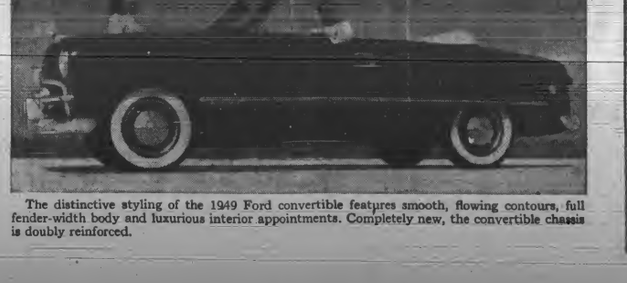
The Sullivan awards, made annually to citizens and two graduates of 15 southern state universities, were established in 1925 in the memory of Algernon Sidney Sullivan.

FAIR BUILDING IS PROGRESSING

HORSE BARN IS PRACTICALLY COMPLETED AND GRAND STAND WILL BE FINISHED BEFORE FAIR.

Construction work on the horse barn and grand stand at the Boone County 4-H and Utopia Fairgrounds is rapidly progressing, according to Bill Davis, County Agent.

The horsebarn, which is 100 ft. long and 36 ft. wide is virtually finished. Twenty 10x12 ft. wide box stalls are being built in the barn to house the show horses.



The grand stand, expected to seat 1200 people, has been started and will be completed in plenty of time for the fair. The grand stand will be 10 seats high and 185 ft. long.

ORDINATION SERVICE PLANNED FOR SUNDAY

William Holladay will be ordained and set apart as a minister of the gospel at Bullittsburg Baptist Church Sunday, June 13, at 2:30 p. m. He has been called to become pastor of Visalia Baptist Church, Visalia, Ky. This pastorate was recently vacated by Rev. Henry M. Holladay, a brother of William. All the ministers, deacons and the public are cordially invited to attend this service.

Bro. Bill as he is familiarly called in the neighborhood, was born and grew to manhood under the watchful eye of Bullittsburg Baptist Church. His grandfather, Rev. W. B. Campbell, was for many years pastor here.

The best wishes of this church and community are extended to him in his work for the Master. His brother, Rev. H. M. Holladay will deliver the ordination sermon.

The distinctive styling of the 1949 Ford convertible features smooth, flowing contours, full fender-width body and luxurious interior appointments. Completely new, the convertible chassis is doubly reinforced.

PREPARATION OF FOOD IS OUTLINED

IN DEMONSTRATION BY MISS FLORENCE IMLAY, NUTRITION EXPERT, AT MEETING HELD IN BURLINGTON LAST WEEK.

Representatives from the University gave a demonstration on preparing food for freezing at the Burlington Locker Plant last week. Homemakers from five communities attended the meeting, according to the County Extension office.

Miss Florence Imlay, nutrition expert, University of Kentucky, demonstrated methods of preparing strawberries, rhubarb, peas, beans, and corn for the locker. Miss Imlay suggested that Homemakers experiment with new methods of preparing food for the freezer. For instance, she stated that the first experiment for preparing strawberries without sugar had been successful. When preparing a fruit or vegetable by a new method, only try a few pints or quarts.

Methods of freezing have changed greatly since last year. For those who follow the university bulletins "Storing Foods in Freezer Lockers," Circular 398, check on back of bulletins to be sure they are revised August 1947. If the bulletin is not revised get a new book from the locker plant or county extension office.

Mr. Caton and the son of Mr. Jim Humphrey told about preparation of meats for the freezer. The Humphrey boys gave an excellent demonstration on scalding and dressing chickens. For scalding young chickens they suggested using two parts boiling water and 1 part cold water.

The sales committee of the Boone County Wool Pool, acting on advice of wool dealers, have decided to offer the 1948 wool clip for sale in the latter part of June.

Wool is usually sold by the Pool early in June, but buyers are busy this year with federal wool graders in Louisville.

Due notice of the sale will be published in local papers.

MARRIAGE ANNOUNCED

Mr. and Mrs. A. L. Pfalzgraf, of Idlewild, Ky., announce the approaching marriage of their daughter Florence to Raymond Becht, son of Mr. and Mrs. Louis Becht of Rushville, Indiana. The wedding will take place in Bullittsburg Baptist Church, Saturday at 3:30 p. m. A former pastor, Brp. W. T. Gardner will officiate.

BURLEY ACREAGE TO BE MEASURED

EARLY IN JUNE, ACCORDING TO REPORTS—OWNER OR OPERATOR WILL ASSIST REPORTER IN MEASURING ACREAGE.

Farm reporters will begin measurement of burley early in June. All acreages of these and other types of tobacco under quota are required to be measured, whether within or in excess of quota. Each farm operator—or a representative of the farm operator who is familiar with the farm—will be responsible for assisting the reporter in making measurements, and for showing him all tobacco fields.

Accuracy of these measurements is very important to every farmer. In the case of Burley tobacco, where measurements show underplantings of more than 25 per cent for three successive years, acreage allotments for succeeding years must be reduced. Where acreage allotments are exceeded and the excess tobacco is marketed, farmers must pay a penalty on the excess tobacco.

Penalty rates recently announced for the marketing of excess 1948-crop tobacco are as follows: Burley tobacco, 19 cents a pound; fire-cured, 12 cents a pound; and dark air-cured, 10 cents a pound. By law these penalty rates are based on market averages for the past season. The official average price for burley tobacco during the past season was 48.3 cents a pound, for fire-cured 29.5 cents a pound, and for dark air-cured 25.6 cents a pound.

In addition to these penalties, farmers who harvest excess tobacco will not be eligible for price support loans on tobacco produced on allotted acreages.

To assure the accuracy of tobacco measurements by all farm reporters, both the State PMA Committee and county committees will have supervisors check a part of the work done. This check will include the farms of all State, county and community committeemen.

Each farmer will be notified officially of the tobacco acreage determined for his farm after field measurements have been reported to the county office. Upon deposit of a fee established by the county committee, any farmer may obtain a re-check of his tobacco acreage if he believes it to be inaccurate. This deposit will be forfeited unless the acreage proves to be as claimed by the farmer.

In all fields where tobacco is planted in uniform rows, the entire acreage will be considered as tobacco regardless of the width of the rows and regardless of any crops which may be interplanted with the tobacco. For small areas not planted to tobacco within a tobacco field, a deduction will be allowed only for each area that totals three hundredths (.03) of an acre or more.

Cooperation of all farmers is urged in order that this determination of 1948 tobacco acreages may be completed by August 15th.

BANKERS-FARMERS TO HOLD MEETING

AT BURLINGTON FRIDAY, JUNE 11—PLANS WILL BE DECUSSED WHICH WILL AID IN GOOD RELATIONSHIPS.

At the request of the Kentucky Bankers' Association, A. B. Renaker, County chairman of the Agricultural committee, has called a meeting of a representative of each bank of the county, to meet with Mr. John H. Graham, Agricultural Representative of the Kentucky Bankers' Association, at the courthouse, Burlington, Friday afternoon of this week, June 11th at 3:00 p. m.

This meeting is for the purpose of discussing ways in which local banks may best fit into local agriculture in our state and to promote good relationships between banks and farmers and between banks and Agricultural Agencies of our State.

At the close of the meeting the Peoples Deposit Bank will be host to the invited guests at the Evren Grill for refreshments.

DON'T WAIT TO GET CANNING EQUIPMENT

Housewives are advised not to wait until fruits and vegetables are ready to can before they check on equipment. The garden-fresh flavor, which is one of the rewards of home canning, it retained only when young, tender products are placed in pars within two hours or less after picking. This requires equipment at hand, ready for use. Foods authorities at the College of Agriculture and Home Economics, University of Kentucky, advise the following:

1. Clean pet-cock and safety valve openings of pressure canner by drawing a string or narrow strip of cloth through them.
2. Have some agent check pressure gauge for accuracy.
3. Check jars and covers to be sure they are perfect and free of cracks, chips or dents.
4. Have on hand a supply of new rubber rings and covers.
5. See that canning directions are date July, 1947 or thereafter, then destroy all earlier directions. Time tables for processing foods have changed, and it is important that new directions be used. See your county home agent, or write the college, Lexington, for the following free bulletins:—Circular 440, "How to Can Fruits and Vegetables," by Miss Florence Imlay and Mrs. Pearl Haak; "Home Canning of Fruits and vegetables," USDA, A 15-64.

PROCRASTINATION THIEF OF TIME

That's an old saying. It also applies to anyone who feels the need of a check-up of his eyes but delays . . . time slips by . . . eyes are injured by neglect. Procrastination "steals" this vision, causing discomfort and inefficiency.

MEMORY LANE
FAMILY CONVEYANCE
Remember when the tasseled top surrey, with its shiny leather dashboard, was the family conveyance? Sometimes the steel tire came off the wheel and rattled down the road. Then everyone had to climb out and find rocks to help pound the tire back on. Remember?

LADY STUFF

by "Marsha Lokabe"

(Editor's Note: Marsha Wheeler is the prominent lecturer and radio personality.)

Mary MacArthur (no kin to the general) was recently entertained in New York by her Mom and Pop, actress Helen Hayes and playwright Charles MacArthur, at her eighteen year old birthday party. *Little* Mary is as tall as her papa, and inches taller than her diminutive mama. In a threesome family picture you'd take daughter Mary for the older of the two *girls*. Their chins are equally firm, their waists both girlishly slender.

At this famous birthday celebration, where names were as big as the party, Elsa Maxwell, who lives up to the size of her name, played the piano accompaniment for a 1912 silent flicker revival of tall, straight-limbed Lionel Barrymore and child actress Mary Pickford. While hefty Elsa pounded out the Indian—massacre—music, Eddie Duchin deftly turned the pages.

History's Battle of the Bulge will have its counterpart in this era's fashion books—the Battle of the Bulges.

When I interviewed jowly Christopher Morley, brain father of Kitty Foyle, some years ago he was wearing heavy, dark, shell-framed eyeglasses. Kept putting them on and pulling them off. They're back in style, with broad spatula temples.

Fashionable too are pastel colored eyeglass frames, and laminated frames that look like shell lace and plaids. A smart variety of new eyeglass frames awaits your choice at the Queen Optical Company, 12 East Sixth Street in Cincinnati. Open 9:00 a.m. to 5:30 p.m. Monday through Saturday. No appointment is necessary.

SURPLUS WORKSTOCK EXPENSIVE TO FEED

Keeping extra horses and mules on farms may prove an expensive luxury this year, says Harry M. Young, Jr., economist at the College of Agriculture and Home Economics, University of Kentucky. He figures it now costs about twice as much to feed a horse or mule as it did before the war. A work animal will eat about 30 bushels of corn and two tons of hay in a year.

"After buying a tractor it probably would be good management to sell some of the horses and mules on the farm," Mr. Young suggested. "Very likely the feed, labor and pasture needed for the surplus horses or mules could be used with profit to feed to dairy cows, beef cattle, sheep or hogs."

Thomas; Mrs. Amos Kissick, of Hill Top; and Miss Edith Heist, of Ft. Mitchell.

SAVES STEPS IN HOME

There is no comparison between the amount of work Mrs. Wilbur Angell of Woodford county used to have to do in her kitchen and what she does now, she told Home Agent Margaret Van Arsdall. After learning in her homemakers club how steps can be saved when equipment is placed in the right order, she immediately re-arranged her kitchen for greater convenience. Then she placed a cabinet over the sink for dishes, and another over the work table for supplies. She also bought a bottle gas stove.

WORKERS REACHING 65 SHOULD CONTACT THE NEAREST SSA OFFICE

Each worker upon reaching age 65 should call at the nearest office of the Social Security Administration to determine his status under this program. When a worker dies his survivors should get in touch with the social security office for assistance in filing claim for death benefits. On June 17, Mr. Edward J. Bolte, Field Representative of the Social Security Administration will be at the Erlanger Post Office from 10:00 a. m. to 11:00 a. m. and at the Williamstown Post Office from 1:00 p. m. to 2:00 p. m. All persons interested in the Old-Age and Survivors Insurance program, or applicants for social security cards should consult this representative.

INDEPENDENCE REVIVAL

The Independence Baptist Church will hold a revival meeting from June 14-25, according to W. E. Maners, pastor.

Rev. Denvis Rush of Lida, Ky., will bring the messages and E. A. Palmiter, radio singer and choir leader will direct the music.

These men should make a real gospel team. Come and enjoy the service. Hear the old-time Gospel.

NEW DIRECTIONS AVAILABLE FOR HOME CANNING

Time tables for processing foods have changed in the past year, according to Mary Hood Gillaspie, Home Demonstration Agent. All housewives are urged to look at the date of printing on their canning directions. See that canning directions are dated July 1947 or thereafter, then destroy all earlier directions. The following bulletins are available in the home agents' office: Circular 400 "How To Can Fruits and Vegetables," by Miss Florence Imlay and Mrs. Pearl Haak; Home Canning of Fruits and Vegetables," U. S. D. A.

Housewives are also urged not to wait until fruits and vegetables are ready to can to check equipment.

The garden fresh flavor, which is one of the rewards of home canning, is retained only when young tender plants are placed in jars within two hours after picking. This requires equipment at hand ready for use. Foods authorities at the College of Agriculture and Home Economics, University of Kentucky, advise the following:

1. Clean pet-cock and safety valve openings of pressure cooker by drawing a string or narrow strip of cloth through them.

2. Have Home Agent check pressure gauge for accuracy.

3. Check jars and covers to be sure they are perfect and free of cracks, chips or dents.

Have on hand a supply of new rubber rings and covers.

Sgt. Paul A. Presser and T-Sgt. Alonzo Spain, of Ft. Custer, Mich., spent the week-end with Sgt. Presser's mother on Shelby St. Nancy June Bonar was also Sunday night and Monday guest there.

HEALTH HINTS for LIVESTOCK

PREPARED BY AMERICAN FOUNDATION FOR ANIMAL HEALTH

TAKE NO CHANCES IN TREATING STOCK

Livestock health is a serious dollars-and-cents proposition. The farmer who fails to pay proper attention to

Be sure he has proper credentials.

disease hazards and nutrition problems is making a mistake which may prove tragic and costly.

Nevertheless, needless losses are being reported every day. Animal husbandry authorities are more and more concerned over the problems of careless, indiscriminate "tinkering" with the health of valuable livestock and poultry.

Here is a summary of the most reliable advice on the right and wrong ways to tackle disease problems:

(1) Beware of impostors. In some localities, unscrupulous individuals are reported preying on livestock owners and claiming to be veterinarians. Before an owner permits anyone to treat his stock, he should be sure that person has the proper credentials and is licensed to practice veterinary medicine in his state.

(2) Go easy on "home remedies." Many diseases of livestock are so similar in appearance and symptoms as to require careful clinical examination, and frequently laboratory tests as well, to tell them apart. New "wonder drugs"—like penicillin, the sulfas, or hormone compounds—are useful in certai. conditions but in others they are wasted, or may do actual harm. When animals become ill, it is frequently better to do nothing than to do the wrong thing.

(3) A loaded vaccination syringe may be a deadly weapon unless used by a person with proper scientific training. Indiscriminate vaccination or improper selection of products to be used may do more harm than good—sometimes actually spreading serious plagues of livestock while attempting to control others.

Long Illness And Your Feet

N. TULCH

Foot Comfort Specialist at—

PEOPLE'S SHOE STORE

814-816 Madison, Covington

Long illness or long convalescence often may be the cause of painful muscle spasm in the lower limb and foot. In either circumstance long periods of inactivity, lack of exercise, coupled with the weakened condition of the body cause the muscles to lose tone and become weak and flabby.

The foot, while, lying as in bed, cannot and is not held in a normal position in relation to the limbs and rest of the body. The foot is held in an extended position, which allows a shortening of the large muscles in the back of the limb, and allows the weaker muscles in the front of the limb to stretch.

When partial strength to the patient, is restored and he finally is allowed to walk, it is imperative that the bones of the foot are properly supported in shoes designed to distribute body weight evenly over the whole bottom surface of the foot, and to relieve further the strain on the muscles, ligaments and tendons, until normal strength and muscle tone return.

An ordinary "strong looking" shoe is not the solution to this problem. Ordinary shoes with so-called arch support and flat base planes, can only allow the foot condition to degrees further.

At this time special attention should be paid to the inner constructor of the shoe. The base construction and inner foundation of the shoes should be shaped to the NORMAL CONTOUR of the bottom of a NORMAL FOOT. The inside of the shoe should resemble the normal foot print in soft turf or sand.

Such a shoe with sound construction and foot shaped base planes is found in an especially built surgical shoe.—Adv.

STATE MEETING TO CONSIDER REVIVAL OF SHEEP INDUSTRY

Ways and means of bringing back the Kentucky sheep industry to its prewar state will be considered at the annual sheep day program at the Agricultural Experiment Station at Lexington June 18, it is announced by Richard C. Miller, in charge of arrangements.

Prominent Kentucky sheepmen will speak, as well as a number of nationally known representatives of the lamb and wool industry. These will include Howard Vaughn, California rancher and a member of the Lamb Industry Committee; Edwin E. Marsh of Salt Lake City, official of the National Wool Growers Association; J. C. Peterson, Iowa lamb feeder and dealer, and Dr. R. F. Cox of the Kansas State Agricultural College.

The Lexington state-wide meeting will follow county meetings and tours as follows: Shelby and Henry counties, June 14; Owen and Grant counties, June 15; Clark county, June 16, and Bourbon and Fayette counties, June 17.

The state meeting will be held in the Livestock Building on the Agricultural Experiment Station farm beginning at 9:30 a. m. Arrangements are being made for an attendance of several hundred sheep raisers.

Alton Fackler of Meade county raised 300 chicks to 11 weeks of age at a cost of 65 cents a bird; they averaged three pounds each.

HOMEMAKERS URGED TO USE DDT SPRAY ON WINTER CLOTHES

All housewives of Boone County are urged to take precautions against clothes moths at this time of year, according to Mary Hood Gillaspie, Home Demonstration Agent.

After cleaning clothes closets this spring, apply a DDT spray to walls, woodwork, baseboards, and shelves as a protection against clothes moths and carpet beetles for the warm weather season entomologists of the U. S. Department of Agriculture advise. An oil spray is best for this purpose because it does not leave a white deposit as a water spray does. It should be a residual spray rather than one of the so-called aersol bombs or space sprays if it is to be effective over the months in killing insects which come in contact with closet surfaces. Aersol sprays kill flying insects or those which happen to be exposed at the time, but they are without lasting effect because they leave little or no residue.

DDT solutions also may be sprayed lightly on wool clothes without injuring the fabric. Too much of the solution may show up in whitish traces on dark clothes but these may be removed by brushing or by dry cleaning.

DDT spray is useful for protecting clothes hanging in closets while the more familiar moth flakes or crystals are advised for clothes stored in light bags, trunks or other containers where fumigating is denied. Added protection may be given to stored clothes by spraying them and their container with DDT.

The entomologists point out that carpet beetle larvae are killed more slowly by DDT than are clothes moths and some other insects. They may not die until 10 days or two weeks after their first exposure to DDT but during this time they will stop their destructive feeding. In spraying against carpet beetles apply plenty of the solution to cracks in floors and around baseboards where these insects frequently live. A 10-percent DDT dust blown into these cracks gives added protection.

Esther's Zeal For Her People

Lesson for June 10, 1951

Dr. Newton

GEORGE MEREDITH has a line that runs like this: "God's rarest blessing is, after all, a good woman." In this study of Esther, you may wish to think of her primarily as a courageous woman — most people do, I guess. But back of her courage was a solid goodness, else she would never have been able to say, "And if I perish, I perish."

One must read the Book of Esther, of course, to have any grasp of this great story. It requires but a few minutes, and every reader will be richly rewarded. I have a lawyer friend, a prodigious reader, who tells me that once each month, for the past 50 years, he has read the Book of Esther.

• • •

A QUEEN WHO WAS BRAVE

DANIEL, we agreed, was a brave person; but not more brave than Esther. There is a verse in Hebrews 13:6 that serves admirably to interpret this first stage of Esther's manifest courage, "The Lord is my helper."

We go to the palace in Shushan, where reigned Ahasuerus. His kingdom stretched from India even unto Ethiopia. His queen, Vashti, refused to come before him when he had made a feast. As a result of this refusal, the king ordered young maidens brought before him that he might chose a new queen. There was in the court a Jew, Mordecai, who had been brought there from Jerusalem. He had in his care the daughter of his uncle, a beautiful maiden, named Esther. Mordecai saw here a great opportunity and he brought her before the king. She was chosen. This brief sketch accounts for her position.

• • •

A QUEEN WHO HELPED HER PEOPLE

HAMAN, who was next to the king in authority, discovering that Mordecai was a Jew and was not worshipping as Haman had commanded, caused a decree to be issued which would put to death all the Jews in the kingdom. Mordecai, learning of this decree, sent word secretly to Esther, urging her to intercede on behalf of her people to the king.

Here is the heart of the story. Space does not permit a detailed recital. It is sufficient to say that Esther, though still in her early twenties, managed this delicate situation with such skill that the gallows which Haman had built for Mordecai turned out to be the instrument of death for Haman and his sons. Instead of the Jews being slaughtered, those who had planned the death of all the Jews lay dead.

• • •

ESTHER RISKED ALL AND WON ALL

IF EVER there was a perfect illustration of staking one's all on one great moment, Esther provides such illustration. "Who knoweth whether thou art not come to the kingdom for such a time as this?" said Mordecai as he bolstered her nerve.

It is such a challenge as young people may be facing today. Obviously, the moment now confronting us calls for great faith and great sacrifice if this world is to be saved from utter destruction. It may be that this situation calls for hitherto unknown tactics. And let us pray God there is somewhere an Esther.

• • •

THE MESSAGE OF ESTHER

WHICH leads me to suggest that racial hatred was never more bitter than at this moment. Unless the winds of God blow, unless some mighty manifestation of divine intervention is granted, the world will break up on the rocks of prejudice and selfishness and ambition and all the forms and fashions of sin.

"God moves in a mysterious way, his wonders to perform." Let us pray that we may early witness some mighty stroke of his mercy and deliverance, ere the night let down.

Atomic Hope

Terrifying as is the prospect of atomic energy running wild in the hands of a generation of men morally and spiritually unprepared to handle it, even more thrilling is the prospect of a Divine Will subjecting even such a diabolic thing as the atomic bomb to discipline and control.

COMMITTEES ARE ANNOUNCED FOR ANNUAL MEETING

Jack Hogan, county president of the Homemakers, has announced the committees to serve for the thirteenth annual meeting. The meeting has been set for Thursday, September 16th, in Florence.

The program committee met this week to make tentative plans. They announced that Miss Iris Davenport, Woman's Editor Southern Agriculturist, will be guest speaker.

Following are the committees:

Program: Mrs. Lee Firm, Mrs Clyde Arnold, Mrs. A. B. Nichols.

Reception and Hospitality: Mrs George Kottmyer, Mrs Sam Sleet, Mrs. Allen Gaines, Mrs. Jake Cleek, Mrs. Mable Bayre.

Time and Place: Mrs. Harry Daugherty, Mrs. John Kyle.

Decorations and Favors: Mrs. Tomm McCrann, Mrs. Kirtley Cropper, Mrs. Katherine Oliver, Mrs Myers.

Music: Mrs. Curtis Moore, Mrs. Val Dolwick.

Registration: Mrs. Martha Richards, Mrs. Vernon Pope, Mrs. Ralph Hoppenjans.

Nomination: Mrs. Stanley Ransom, Mrs. Clayton Renaker, Mrs. Carroll Cropper.

Tickets: Mrs. Louis Houston, Mrs. Roy Nestor.

BELLEVIEW W. M. S.

The Woman's Missionary Society of the Belleview Baptist Church met at the church on Thursday for an all-day meeting. The subject of our lesson for the month was "Work and Workers."

Our president, Mrs. Christena Kirtley called the meeting to order and after singing "Work for the Night Is Coming" by the group, Mrs. May Landford gave the Bible Study and devotional in connection with the subject of Work. Mrs. Kirtley then gave an outline of our entire lesson in a very interesting manner, after which we were dismissed for lunch, with prayer, by Mrs. Ralph Cason.

Our young people's organizations the Y. W. A.'s, G. A.'s and Sunbeams had charge of the afternoon program under the direction of their leaders, Mrs. Kenneth Rogers, Mrs. John E. Walton and Mrs. Marvin Ligon.

We are very proud of our young people and the Missionary work they are doing and their programs were enjoyed by every one present.

Our regular business meeting followed in charge of our president.

Our next meeting will be at the church on Wednesday afternoon, July 7th.

COUNTY EXHIBITS WILL BE FEATURE OF STATE SHOW

County exhibits showing the agriculture, industry and natural resources of counties in Kentucky will again be a feature attraction of the Kentucky State Fair Sept. 10-15, Louisville, announces J. O. Matlock, fair manager.

They will be displayed at the M & M Building, the best spot on the fairgrounds. The attention given these exhibits by record-breaking crowds at the fair last year shows they justly deserve to be a feature attraction and have the best possible location, Matlock declared.

Purpose of the exhibits is to provide the Fair with a "show window of Kentucky" that will graphically display the agriculture, industry and natural resources of the Commonwealth. Prizes totaling $3,500 will be awarded in four classes: (1) best agriculture; (2) best industry; (3) best natural resources; and (4) best overall. The prizes will be divided into 50 awards.

Just like last year, the Kentucky Farm Bureau Federation will sponsor the county exhibits under the supervision of John H. Cox as general chairman. Cox said, "We want to get an exhibit from every county, and to help do it we suggest the formation of a county exhibit club. Such clubs have been formed in 71 counties during the past few years. Farm bureau members, agricultural leaders, business organization heads, and local newspaper and school officials."

BAND PRACTICE CHANGED

Combined band practice for the Boone County Band has been changed from Monday nights to Thursday night. The next band practice will be held Thursday night, at 8 P. M. Burlington school auditorium. All members are urged to attend.

C. H. GARTRELL TO BE COMMISSIONER

OF AERONAUTICS WHEN NEW LAW TAKES EFFECT JUNE 17—WILL BE STATE'S FIRST DEPARTMENT OF AERONAUTICS.

Frankfort, Ky.—Charles H. Gartrell, 33, Ashland realtor, naval pilot during World War II, will become the State's first Commissioner of Aeronautics when a new law establishing that agency takes effect June 17.

Gov. Earle C. Clements said he was choosing Gartrell for the post on the basis of his proven fitness for the position, based on his past experience and background.

Simultaneously, Gartrell announced his acceptance of the post in these words:

"I am happy to serve as an administrative assistant to the Governor who is appreciative of efforts to build Kentucky, and who is fully cognizant of aviation's needs.

"Governor Clements has given the 'go signal' which aviation enthusiasts have so longawaited. With their help and being mindful of Kentucky's present facilities, we shall plan an airport development program which we will, with determination, carry through to successful completion, that Kentucky may take her rightful place in the forefront of this air age."

As Commissioner, Gartrell will head the State's first Department of Aeronautics. The Department replaces the Kentucky Aeronautics Commission which was abolished by the 1948 General Assembly.

The new law provides for an advisory Board of Aeronautics to be composed of from three to nine members to advise with the Commissioner on matters of policy. Formerly, the six-member Commission operated the Department. The new board will have advisory powers only, with final decisions being made by the Commissioner.

Gartrell attended Ashland public schools, later graduated from Centre College, Danville, with an A. B. degree in 1935. The same year he entered the real estate business with his father, E. H. Gartrell, and has been so engaged since.

He is also connected with a prefabricated housing concern, is director of the American Association of Highways, Aeronautics Division. In addition, he is a director of the Centre College Alumni Association.

Eight years ago Gartrell was elected to the Ashland City Council. He polled more votes than any other candidate. He was a charter member and vice-president of the Ashland Junior Chamber of Commerce, and in 1941 was president of the Kentucky Junior Chamber of Commerce. He also served as secretary of the Kentucky Realtors' Association.

Gov. Keen Johnson named the new Commissioner of Aeronautics as a member of the Kentucky Aeronautics Commission in 1940 upon creation of the body. He served as vice chairman and later as its Chairman.

He resigned membership on the Commission in 1942 upon enlisting in the Navy. He became a naval flier, serving in both the Atlantic and Pacific theaters of operation. He was discharged in August 1945 with the rank of lieutenant. He holds a commission as lieutenant of the United States Naval Reserve.

In October 1945 Gartrell was made director of the Kentucky Aeronautics Commission. He held the director's position until March 31, 1947, resigning to seek the Democratic nomination for Lieutenant Governor. He ran third in a field of six candidates for the party nomination.

He is married, has two small children. He lives at 4298 Chadwick Street, Ashland.

W. S. C. S. MEETS

Mrs. Paul Chaney, president presided at the meeting of the W. S. C. S. of the Florence M. E. Church on Tuesday, June 1st. Following the regular routine of business, reading of reports, etc., the group joined in a circle of prayer. Mrs. O. W. Robinson gave the devotional and Mrs. Frank Bowman, secretary of Christian Social Relations of the Southgate M. E. Church gave an excellent talk.

Other visitors were Mrs. Betty Ragland, Mrs. W. L. Oliver and Mrs. E. P. Hall, of Ft. Thomas. The meeting was dismissed with prayer by Mrs. Marie Thompson.

The guests and members were invited to the dining room where delicious refreshments were served, consisting of cake and punch with Mrs. O. W. Robinson presiding at the punch bowl.

The next meeting will be held at the country home of Mrs. Geo. B. Miller near Donaldson Highway on Tuesday, July 6 at 1:30 p. m.

Pub. Chairman.

GOODWILL WINNERS

Two Covington residents were Goodwill Day winners last Wednesday. Martha McCurdy was awarded $150.00, and the attendance award of $25.00 went to Peggy Couchman.

Covington Retail Merchants Association will continue these Goodwill Day awards every Wednesday 1:30 p. m., at Seventh and Madison, Covington.

SURPRISE BIRTHDAY

On May 29th Miss Margaret Pepper was surprised by a birthday party given on the eve of her birthday by her sister, Miss Lilia Faye Pepper. Among those present were: Helen Edwards, Nell Jo Helms, Bertha White, Margaret Pfalzgraf, Betty Lou and Eva Mae Setters, Allene Hodges, Mary Bess Burns, Mary Williams, Helen Rogers, Nathan Davis, Nelson Goodridge, J. T. Mulligan, Jimmy Tanner, "Mousey" Aylor, Bob Marshall, Joe Jones, Jack Ligon, Wilbur Gray, Marian Riddle, Donald Conrad, Galen McGlasson, Melvin Ray McGlasson, Raymond Hoppenjans, Paul Leek, and John Ed Carver.

After several games, lunch was served which included a very pretty birthday cake, having 15 candles. She received many lovely presents.

CARD OF THANKS

Though our hearts are filled with sorrow we are not unmindful of the many acts of kindness and sympathy shown us by our relatives, friends and neighbors in the loss of our dearly beloved father,

John L. Hankins

We especially wish to thank Rev. Howard Erbaugh and Lawrence Rodamer for their many sonsoling words; Mrs. Alice Haberle, Mrs. Madge Dolwick and Mrs. Ethel Darby for their beautiful musical selections, the donors of the many floral offerings and cards of sympathy; Dr. S. B. Nunnelley and the Cathermann funeral home for their efficient and courteous management of the funeral. 1t-c

TELEPHONE CO. REPORTS PROGRESS

AT MEETING HELD IN BURLINGTON—SUBSCRIBERS WILL BE ADVISED OF PROGRESS MADE THROUGH PRESS.

On Thursday evening, June 10, a meeting was held by the Telephone Subscribers' Committee with C. B. Foscue, president of the Consolidated Telephone Company, and the matter of a more satisfactory telephone service was discussed and a report of the progress made by the Company was given by Mr. Foscue. Recommendations were made by the committee and it was agreed that another meeting of the committee and Mr. Foscue would be held in about thirty days.

The telephone subscribers will be advised of the progress being made through the press and if the committee feels that it is necessary to call a public meeting of all subscribers a notice of said meeting will be published.

We submit the following report of the Consolidated Telephone Company which was given to the Committee at the meeting held June 10th:

"Mr. Frank Milburn, Chairman
"Burlington, Kentucky.

"Dear Mr. Milburn:

"Last night at the meeting with you and your committee at Burlington for the purpose of discussing the progress made by the Consolidated Telephone Company towards bringing about an improvement in the general telephone service, I gave some figures in connection therewith. It was suggested that the telephone subscribers of Boone County are sincerely interested in knowing of the progress that we have made and the opinion was expressed that through some medium this information should be passed on to the subscribers. I am setting forth here below the principal points that I brought out at the meeting last night.

Since the middle of March, we have set in excess of 300 new poles, the cost of which with labor included amounted to approximately $3100.00. We have used 85 coils of wire at a cost, including labor, of about $1400.00. We have put in place approximately 1700 glass insulators at a cost of about $250.00. We have used 182 new cross-arms which with labor amounts to $600.00. We have installed about 47 new telephones at a cost including labor of about $1500.00.

"In addition to the above, we have paid J. N. Johnson Tree Trimming Experts a total of approximately $4400.00 for about two months' service in trimming trees away from lines throughout the Burlington area.

"The above principal items representing a cash expenditure of in excess of $11,250.00, are in addition to material and labor used in ordinary maintenance.

"Regarding our plans for the immediate future, I gave you my assurance last night that we will continue in our efforts toward doing all things necessary to further improve the telephone service. Necessarily there is some work that will have to be taken care of before other jobs and in our determination as to what work will be done first, we will continue to keep in mind that our obligation is to do those things that will improve the service for the greatest number of people first.

"I should appreciate the privilege of meeting with you gentlemen again in about thirty days so that I may at that time advise you as to the further progress which we will have by that time made.

"Very truly yours,
G. B. Foscue."

FLORENCE SCHOOL MAN INSURANCE REPRESENTATIVE

Announcement is made of the appointment of Rector A. Jones as representative in Northern Kentucky for the Cincinnati Agency of the Northwestern Mutual Life Insurance Company, of Milwaukee. Mr. Jones, who is principal of the Florence High School, is a native of Richmond, Kentucky and a graduate of Eastern Kentucky State College of that city. For the last three years he has lived in Florence since his association with the Boone County Board of Education.

The Northern Mutual Life Insurance Company, is 16th in size of all American corporations, with assets of over $2,150,000,000. It was chartered 91 years ago and has over $5,400,000,000 of life insurance in force. The company has always been purely mutual and is owned by its policyholders thus providing life insurance at actual cost.

Wm. J. Mack is General Agent of the Cincinnati Agency with offices at 1204 Carew Tower.

PETERSBURG VERONA WIN

IN BENKE SEMIPRO LEAGUE—WE TAVERN DROPS TWO TO PETERSBURG, WHILE WALTON IS LOSER TO VERONA NINE.

Petersburg and Verona scored victories Sunday in the Benke Semipro League by defeating We Tavern and Verona respectively.

Petersburg scored a double victories over We Tavern by scores of 4-3 and 3-2. Petersburg scored 10 hits while the losers collected seven in the first game. In the 11th inning Bradburn singled and H. Deck tripled for the winning 4-3 margin. In the second game Petersburg took a 3-2 decision as H. Deck shaded Herman Lorenz in a hurling duel. Each pitcher allowed 7 hits.

Verona chalked up one in the win column Sunday when Ivan Gulley pitched his team to a 3-1 count over Walton. Gulley struck out 8, walked one, while the losing pitcher, Wothington, struck out 3 and walked one.

The game, which was played at the Verona park was hard fought throughout. The big blow of the afternoon was a home run by Brown of the winners. A. Gulley received his brother's slants, while Smith was on the receiving end for Walton. Worthington allowed 8 hits and three runs, while Gulley allowed five hits and 1 run.

Verona will meet the Fats Cafe nine Sunday at the Verona park.

Bob & Gene lost a double header Sunday to Sliver Grove at the winners park. Sliver Grove collected eight hits from the slants of Dutch Reibling, while Erv Rosen held the losers to six bingles. The final score in the first game was Sliver Grove 4, Bob & Gene 1. In the second game, the Silver Grove nine used three hurlers, Pollit, Willims and Rosen, with the latter receiving credit for the victory. Final score was 6-5 in favor of Silver Grove. Don Whitford's single scored the winning run. Silver Grove collected 15 hits off the offering of Don Pund.

Boone County League

Constance moved into the win column Saturday by defeating Petersburg 10 to 5. This was the first win of the season for the Constance boys. The game was played on the Petersburg grounds.

Belleview apparently has obtained a new supply of Louisville sluggers as they went on a hitting party Saturday, downing Bob & Gene 16 to 4. Belleview shows improvement, having good pitching as well as hitting.

Games Saturday, June 19th
Bob & Gene at Petersburg.
Constance at Belleview.

IMPROVEMENT SHOWN IN LEAGUE

TEAMS AS CLOSER GAMES ARE WITNESSED SATURDAY—BULLITTSVILLE, UNION, SAND RUN, BURLINGTON, FLORENCE WIN.

The type of baseball played in the Sunday School League improved Saturday in the six well-played games. The top three teams held their positions, with Sand Run moving to fourth position. The Bullittsville-Union game Saturday places the two top teams in position to lose their place in the standings. Petersburg will try to snap a four-game losing streak at Sand Run.

Myron Garnett, Bullittsville skipper, and his team took a better hold on first place as they downed Petersburg 10-4. Barney Hogan, the league's top pitcher, had little trouble in recording his seventh victory as he whiffed 10 batters. The little righthander allowed nine hits and was never in serious trouble. Sammy Huey started for Petersburg, but was relieved by Campbell. Campbell chalked up three straight wins early in the year, then injured his arm which hasn't recovered yet. The loss was the third for Huey with one in the win column. Olin Elliott drove out three hits for the third consecutive game for the winners. Joe and Mel Aylor each had three safe blows also for Bullittsville. Garnett for Bullittsville and Donnelly for the losers were the receivers. Bullittsville's 20 hits increased their total output to 145 in 9 games. Summary: Bullittsville 10 runs, 20 hits, 3 errors; Petersburg 4 runs, 9 hits, 3 errors.

Big Bone out hit Union 10-5 but Union won the game with a 10-8 score Saturday. The second place squad was trailing 5-1 in the sixth when its rally began. Scott Jack, veteran hurler won his fourth game against two losses, as he struck out 8 Big Bone hitters. Charlie Black, Big Bone speed ball hurler, was the losing pitcher for the first time this year. Black set nine down on strikes and gave up but five hits. Moss Brown poled out two hits to top Union for the sixth time this season. Charlie Black collected a triple and three singles to pace the losers. "Red" Gruelle hit the big blows with a home run and a triple. Rouse for Big Bone and Moore for Union completed the batteries. Summary; Union, 10 runs, 5 hits, 8 errors; Big Bone 6 runs, 10 hits, 7 errors.

Burlington scored three times in the second inning and went on to a 10-3 triumph over Belleview. The game was well played and highlighted by several double plays. Bob Brown, Burlington fast ball hurler, made his first start in six weeks and turned in a 6-hit performance. Brown whiffed 12 hitters and walked four in winning his first ball game. "Chick" Stephens pitched the ninth inning for the winners. Ivan Cason, Belleview southpaw was hit freely as he dropped his second game. Dave Clore, relief hurler deluxe, pitched four scoreless innings for the losing nine after relieving Cason in the fifth. Jimmy Ryle smashed out three doubles to lead the winners at the plate. Patterson's triple and two singles plus Stephens' three singles followed Ryle in the hitting parade. John Walton and Dave Clore each had a triple and a single. Patterson was behind the bat for Burlington and Clore and Scott caught for Belleview. Summary: Burlington 10 runs, 17 hits, 3 errors; Belleview, 3 runs, 6 hits, 4 errors.

Manager Dud Rouse of Florence smashed out two doubles and a single to lead his team to a 5-3 win over Verona. Bob Miller went the route for the winners and turned in a good game. Miller, big righthander, struck out 7 and walked four. Raymond Beach, Verona ace, struck out 12 hitters and never walked a man, but six errors by his teammates plus eight timely hits by Florence spelled defeat. Shields, capable Verona backstop, hit a two-run double. Long and Tupman each had two baggers for Florence. Although Florence remains ninth in league standing, it is fourth in team batting as they have amassed 120 safeties in 10 games. Summary Florence 5 runs, 8 hits, 4 errors; Verona 3 runs, 7 hits, 6 errors.

Sand Run copped both ends of a twin bill with Bullittsburg by a 10-3 and 8-1 scores. Bud Goodridge marked up his fourth triumph in the first game as he allowed 10 hits and struck out 10. Milly Pepper went the route for the losers and pitched one of his best games. Johnson and Pelley each had two hits for the winners as did Moore and Ligon for the losers. Summary: Sand Run 10 runs, 15 hits, 4 errors; Bullittsburg 3 runs, 10 hits, 4 errors.

In the second game Orville Buckler turned in an excellent performance as he allowed but four hits and struck out 14. This game was first reported as a no-hitter, but this report was later corrected. Bill Holladay pitched a good game for the losers as he gave up 11 hits and wiffed 8. "Tex" Wilson, with four for four was the big man at the dish for the winners followed by Judy with 3 for 4. Utsinger hit a home run for Sand Run. Otten singled, stole second, was sacrificed to third and stole home for the lone Bullittsville tally. Summary: Sand Run 8 runs, 11 hits, 3 errors; Bullittsburg, 1 run 4 hits, 2 errors.

OFFICERS NAMED IN BOOTH DRIVE

EDWIN H. WALTON WILL HEAD BOONE COUNTY COMMITTEE—MEETING HELD AT BURLINGTON FRIDAY.

Edwin H. Walton, Burlington school principal has been appointed to organize volunteer workers in Boone county to solicit in the Booth Memorial Hospital fund-raising drive, according to J. Wayne Rusk, Jr., general chairman of the campaign.

Brig. Harold A. Zealley, divisional commander of the Salvation Army, spoke to a group at the school building in Burlington Friday evening. Maj. Alvena Woods, superintendent of the Booth Hospital, also explained the institution's need for additional beds.

The goal, set at $375,000 will be used to erect a three-story addition to the present hospital structure, it was reported.

Boone county committee members include Dr. George Riley, Jerry Fowler, Mrs. Harry Ashcraft, Miss Elizabeth Lowry, Mrs. Charles Engle, Noel Walton, Clifford Roberts, Mrs. Florence Rodamer, Mrs. Ray Witham, Dan Roberts, William Brown, Mrs. J. Cleek, Mrs. Everett Jones and Robert Hamilton.

Chairman Edwin H. Walton made the following announcement:

"I believe that the greater part of the citizens of Boone County know of the current drive to raise funds for an extension of hospital facilities at Booth Memorial hospital in Covington, Ky. The daily newspapers have carried the story of this drive and its progress almost daily. Although the drive in Kenton and other counties officially closes Friday, June 25, it is my opinion that few of the people of Boone County know that we are yet in the process of organizing for our part in this worthy project and that Boone County has been granted an extension of time for completing her drive.

"When committeemen for the various communities have been selected and start their work, I ask you, in all sincerity to give liberally. Boone County may some day be able to provide hospital services for her citizens through an institution of her own, but until that day comes it is our duty to help support such institutions as Booth Memorial Hospital which annually receives approximately two hundred cases from our county.

"This paper and your local committeeman will give you further details of our local drive."

PIANO RECITAL WILL BE HELD JUNE 22ND

Mrs. Marjorie Saal Martin will present the following group of pupils from her class in a piano recital, June 22 at the Florence Baptist Church at 8 p. m. The public is invited.

Participants in the recital are Misses Marlene Collins, Shirley Washmuth, Sue Allison Greenup, Audrey Rouse, Shirley Stevenson, Doris Gschwind, Violet Gschwind, June Doan, Sue Ashcraft, Jo Anne Wingate, June Brown, Glen Marie Tanner, Carol Miller and Carolyn Rouse.

There will be voice solos by Glen Marie Tanner and Carol Miller.

BOONE COUNTY BAND PRACTICE JUNE 17TH

The regular Boone County Band will hold practice Thursday, June 17th at 8:00 p. m. at the Burlington high school building. All members are urged to attend.

BOONE VETS WIN OVER BECKER NINE

IN ELEVEN INNING GAME AT FLORENCE SUNDAY—DENNISTON'S HOME RUN IS DECIDED RUN.

The Boone County Vets emerged on the long end of 10-9 count Sunday in the Buckeye Semipro League after spotting the Becker Clothes team of Cincinnati a five-run lead in the first inning.

Bill Mumm went to the hill for the Vets, but after allowing five runs was relived by Smith, who struck out 16 men, performing nicely throughout the game.

Beckers scored five runs in the first inning on five hits, a walk and an error. The first two runs scored by the Florence team came as the result of circuit smashes as Williamson hit one in the first inning and "Sox" Benson repeated in the second.

The winners added two in the third inning when Williamson, Miller and Charles Benson singled. The Vets tied the score in the fourth after Beckers had tallied twice in the fourth. In this inning "Sox" Benson doubled and hits by Williamson and Miller were good for the tallies. Beckers held an 8-7 lead in the sixth but the home team took over the lead for the first time by scoring twice in the seventh. Beckers noted the score in the ninth to send the game into extra innings.

With one out in the 11th inning Denniston homered to end the game.

Beckers collected 12 hits from the offerings of Mumm and Smith, while the winners collected 14 hits from the offerings of Richter and Monnig. "Sox Benson, D. Williamson, and Miller collected three hits each for the winners, while Prigge led the attack for Beckers.

WILLIAMSON-LOOMIS

In a candlelight service at 4:30 Saturday afternoon, Miss Mary Lou Williamson, daughter of Mr. and Mrs. Lou Williamson, of Burlington and Mr. Donn Allen Loomis, son of Mr. and Mrs. Bert Loomis, of Grant, were united in marriage at the Church of Christ, Grant.

Rev. Arthur E. Brewer, pastor of the Church of Christ, Van Wert, Ohio, performed the double-ring ceremony.

The church was decorated in candlelabra, fern, and white blossoms. Mr. Morton Oliver was the soloist singing, "I Love You Truly" and "Because" accompanied by Mrs. Robert Clore.

Mr. Russell Loomis, the groom's brother was best man. Ushers were Robert Rouse, of Limaburg and Harold Presser, of Newport.

The maid of honor, Miss Jean White, of Petersburg, and the bridesmaids, Miss Irene White, of Petersburg and Mrs. D. C. Ryle, of McVille, all cousins of the bride, wore gowns of aqua and pink marquisette, fashioned with sheered bodies and full-gathered skirts. They wore matching bands in their hair and carried deep pink carnations.

Miss Faith Brewer, the flower girl wore a frock of white taffeta and carried a nosegay of pink carnations.

The bride, who was given in marriage by her father, was lovely in her wedding gown of imported white silk satin fashioned with a net yoke, a fitted bodice, and a bertha of chantilly lace. Her long skirt was gathered and ended in a graceful train. Her fingertip length veil of French illusion fell from a banw of orange blossoms, worn by her mother when she was married. She also wore a string of pearls, a gift of the groom previous to the wedding, and on her right hand her maternal grandmother's wedding ring. She carried a white Bible topped with orchids.

For her daughter's wedding, Mrs. Williamson chose a gown of crepe in a soft shade of rose with white accessories. She wore a corsage of white carnations.

Mrs. Loomis wore a navy gown with white accessories. She also wore a corsage of white carnations.

A reception followed at seven o'clock at the home of the bride. After the reception Mr. Loomis and his bride left for a fortnight's trip through the Northern United States and Canada. For going away the bride wore a duty pink wool crepe suit with navy accessories.

AUXILIARY TO MEET

The Womans' Auxiliary of the Union Presbyterian Church will meet in all-day session Wednesday, June 16th at 10 o'clock. The morning will be devoted to sewing and the afternoon to a program. Everyone bring a covered dish.

Don't forget the bakery sale Saturday, June 19th at Union, sponsored by the Presbyterian Church.

BURLINGTON YOUTH TRYS OUT FOR MAJOR LEAGUE AT CINCINNATI

Dewey Ray "Sox" Benson, son of Mr. and Mrs. C. D. Benson, of Burlington was called to Cincinnati last week for a try out with the major baseball leagues. "Sox" was selected by scouts due to heavy hitting and splendid fielding with semipro teams in Northern Kentucky.

He has been offered a contract by one or more major league scouts, but at this time has made no decision on any of the offers.

"Sox" has played outstanding ball for the past several years, and has shown improvement each year. He is a graduate of Dixie Heights high school, graduating in the class of 1948.

BANKERS, FARMERS DISCUSS PROGRAM

IN MEETING HELD AT BURLINGTON FRIDAY—JOHN H. GRAHAM, AGRICULTURAL REPRESENTATIVE, SPEAKER.

Bankers and farmers meeting at the courthouse in Burlington, Friday afternoon at 3:00 p. m. discussed plans by which local banks may best fit into the local agriculture program in our state and to promote good relationships between banks and agricultural agencies of our State.

John H. Graham, agricultural representative of the Kentucky Bankers' Association, addressed the group and gave a very interesting talk.

Mr. Graham stated that 80 percent of the people either directly or indirectly, earn a livelihood from the farms. It is the purpose of the banks of Kentucky to make a definite contribution to agriculture by working with the various farm agencies for betterment, he said.

"Here in Boone County, alone the agricultural income is four million dollars a year. But farming offering an opportunity of doubling that amount through the application of better methods of soil management. More money should be loaned for increasing the yield of farms through conservation and soil improvement and less for the buying of additional land. Rather than adding acres for commercial gain, more attention should be given to gain through increasing the fertility and yield from the soil," Mr. Graham said.

Three essentials to development were stressed. One is experiment and research, accomplished now through the experiment station at the university. Second is education through the 4-H clubs, the Future Farmers, the soil conservation service, vocational education and various other agencies for proper land use. Third is credit, Mr. Graham said. Credit, is defined as a tool for increasing production. The banks, he said, are the dealers in credit. Proper use of credit for increasing the productivity of the farms, increases the payroll of the community by increasing the revenue for the community.

Those attending the meeting were: G. C. Ransom, Verona; W. P. McEvoy, Florence; J. W. Grant, Burlington; Carl Sheriff, Williamstown; Russell Lawrence, Williamstown; A. G. McMullen, Florence; W. A. Smith, Burlington; Joseph A. Huey, Union; H. E. White, Burlington; Wilford Scott, Burlington; Jas. R. Huey, Burlington; Glenn D. Edens, Hebron; J. C. Acree, Burlington; John E. Crigler, Hebron; Sam T. Hanson, Farm Home Administration; John Conner, Hebron; A. B. Renaker, Burlington; W. B. Rogers, Grant; Charles W. Thompson, Walton; Liston Hempfling, Constance; C. L. Cropper, Burlington; H. N. Ockerman, and G. S. Kelly, Burlington.

Following the meeting the group was served refreshments at the Evren Grill, with the Peoples Deposit Bank, as host.

DAHLENBURG-DEPENBROCK

Miss Evelyn Dahlenburg, daughter of Mr. and Mrs. Al Dahlenburg of Sanders Drive became the bride of Elmer P. Depenbrock of Erlanger on Saturday morning at St. Henry Church, Erlanger.

The attendants included the bride's sister Jo Anne and the groom's sister Mary. James Depenbrock, brother of the groom acted as best man.

Following a reception at the home of the bride's parents, the young couple departed for an extended honeymoon trip to Smoky Mountain National Park and other Southern points of interest. Upon their return they will be at home to their friends at the home of the bride's parents until their home on Burlington Pike is completed.

CROPPER NAMED ON COMMITTEE

FOR FOUR-YEAR TERM—WILL SERVE AS EXECUTIVE COMMITTEEMAN FROM STATE-AT-LARGE.

C. L. Cropper, County Judge of Boone County, was elected as committeeman of the State Democratic Executive Committee for a 4-year term from the State-at-large during the State Democratic convention, held at Louisville last week. Judge Cropper also was named as a member of the organization committee for the State convention.

Judge Cropper's duties as executive committeeman will be to meet with the committee, and plan policies of the Democratic party for the State during the next four years. Cropper's election to this important post is an honor to the county as well as to Mr. Cropper.

Judge Cropper has been active in Democratic circles for many years both in the County and State, and no doubt will efficiently fill the position to which he has been named.

The meeting was held at Louisville Tuesday of last week, where harmony reigned throughout, according to reports.

Boone County was represented by Judge C. L. Cropper, Wilton Stephens, J. P. Brothers, and Byron Kinman.

Committee selected from the District were James Diskin, of Campbell County and "Tate" Hageman, of Kenton County. Robert Humphrey was selected State chairman and Lieutenant Governor Welherby was elected State Secretary.

Ward Yager, Warsaw, Circuit Judge and William Wise, of Newport were selected as delegates from the Fifth District to the National Convention which will be held in Philadelphia July 12th.

Gov. Earle C. Clements will head Kentucky's delegation to the National convention. There are to be 52 delegates, each having a half vote. Sixty-eight seats have been provided for Kentucky.

JOHN F. GROSS

Funeral services for John Frederick Gross, who died at Booth Hospital, Covington, after a brief illness were held at 1:30 p. m. Tuesday at the Allison & Rose funeral home, Covington.

Mr. Gross, who was 76 years old, lived on Mineola Pike, near the Boone County Airport for the greater part of his life.

He is survived by a daughter, Mrs. Elsie Armstrong, Covington and two brothers, William, Limaburg and Henry Gross, Independence, and five grandchildren.

Burial was in Hebron Cemetery.

THOMAS E. KNAPP

Funeral services for Thomas E. Knapp, 24 Main Street, Elsmere, were held at the Taliaferro funeral home, Erlanger at 8 p. m. Saturday. Burial was at Irvine, Ky.

Mr. Knapp, 58, a retired employe of the Cincinnati Union Terminal died Thursday at his home following a long illness. He was a 32nd degree Mason and a member of Covington Lodge F. & A. M., and the Elsmere Baptist Church.

He is survived by his widow, Mrs. Geneva Knapp, and one son, Paul Knapp, of Elsmere.

HENRY H. DAVIS

Funeral services for Henry Holland Davis, 37, formerly of Beaver Lick, were held at 2 p. m. Saturday at the Chambers and Grubbs funeral home, Walton. Burial was in Independence Cemetery.

Mr. Davis died Thursday at his home in Centerville, Ohio, after a brief illness.

He leaves his parents, Mr. and Mrs. John Davis, Centerville; three brothers, Raymond, Centerville; Stanley C., New Castle, Ind., and Bradford Davis, Honolulu, and a sister, Mrs. Russell Brown, Centerville.

MRS. SARAH J. BONAR

Mrs. Sarah J. Bonar, one of Walton's oldest residents, died early Wednesday at her home at the age of 92. She was a member of the Pendleton County Christian Church and has seventy-five survivors.

Among the survivors are a son, William A. Bonar, Covington; three daughters, Mrs. Mollie Day, Walton; Mrs. Georgia Wilson, Covington, and Mrs. Sallie Dennler, Walton; 21 grandchildren, 42 great-grandchildren and eight great-great-grandchildren.

Funeral arrangements were in charge of Philip Taliaferro, Erlanger funeral director.

INSECTS ON TOBACCO CAN BE CONTROLLED

Tobacco flea beetles can be controlled by DDT dust applied at the rate of about four pounds to the acre, according to Prof. H. H. Jewett of the Kentucky Experiment Station. Another control is a dust containing one part of paris green and five parts of arsenate of lead, using about three pounds to the acre.

Hornworms or tobacco worms, another tobacco pest, may be picked off, or dusted with a mixture of a pound of paris green and six pounds of hydrated lime, used at the rate of seven to eight pounds to the acre. Or a dust may be made of a pound of paris green and five pounds of arsenate of lead, used at the rate of six pounds to the acre.

Cutworms are controlled by a poisoned bait made of a pound of paris green to 50 pounds of wheat brand. Dampened to make a crumbly mixture, it is scattered 15 to 20 pounds to the acre. A small amount may be dropped at each plant.

DANFORTH AWARDS FOR 4 KENTUCKY STUDENTS

Announcement is made of four Danforth Foundation scholarships awarded students in the College of Agriculture and Home Economics, University of Kentucky, by Dean Thomas P. Cooper. Miss Jean Ewbank, Warsaw, and Kenneth Estel Flowers, Frogue, juniors in college, will spend two weeks at the Foundation's farm in Missouri and in behind-the-scenes visits to various institutions and industries in St. Louis. Then they will spend two weeks at Camp Miniwanca in Michigan. Two freshmen in college, Miss Sue Dossett of Geneva and Charles Rex Wright of Gracey, will spend two weeks at the Michigan camp.

The U. S. Navy recruiting station, New York, led the nation with the highest total of new Navy recruits during the first quarter of 1948, with 1,861 enlistees. This figure was actually only 57.7% of New York's assigned quota of 3,771.

MALT POSSIBILITIES IN KENTUCKY BARLEY

A report of the Malt Research Institute of Madison, Wis., brings out possibilities in using Kentucky winter barley to make malt. At the suggestion of the Agricultural Experiment Station at Lexington, a car of Kentucky barley was tested by the Wisconsin institute and found to have advantages over the spring barleys commonly used.

Dr. L. M. Josephson of the Experiment Station, who is working to improve Kentucky grains, says freight rates between Kentucky and Wisconsin almost prohibit the use of Kentucky barley. He suggests a malt house in Louisville or Cincinnati might solve the difficulty. Maltsters are interested in using Kentucky winter barley if they can obtain it in large quantities.

Why Suffer With Your Feet?

N. TULCH
Foot Comfort Specialist at—
PEOPLE'S SHOE STORE
514-516 Madison, Covington

Our years of research have proven that foot comfort depends on foot balance.

For years men have been guessing about foot balance, putting steel supports under feet and elastic bands around feet, all sizes and shapes corn pads, plasters, callous plasters, etc. Yet people continue to suffer with their feet, legs, back and with various other aches and pains, resulting from feet in numerous cases, because they never had their body weight properly balanced on their feet with shoes.

Your feet may look regular to you, but naturally you cannot detect weakness or have any way of testing for unbalance. But remember "fat on the ribs" is by no means an adequate criterion of physical well being.

Don't take chances. If you are suffering with leg pains, knee pains, stiffness, backaches or severe headaches, or sleep poorly and are always tired, your feet may be the cause.—Adv.

FARMING IS LIKE

. . . . Banking . . . .

No bank can keep its doors open long if the withdrawals exceed the deposits. Just so, no farm land can remain productive and profitable when, over an extended period, the withdrawals and losses of the various plant-food elements exceed the replacements.

Of the six most important plant foods—nitrogen, phosphorus, potash, sulphur, calcium, and magnesium—the loss of lime (calcium and magnesium) far exceeds the loss of any of the others. Each year cropping, erosion, and leaching remove from each acre the equivalent of from 200 to 500 pounds of limestone.

Keep the lime account of your farm in balance by using our agricultural limestone.

WILLIAM HOLLADAY ORDAINED TO MINISTRY SUNDAY

William Holladay, a former member of Bullittsburg Baptist Church, was ordained to the Gospel ministry on Sunday June 13. The examining council consisted of the following ministers, Rev. Leo Drake, Rev. Harold Wainscott, Rev. William Burkett, Rev. Otto Pierson, Rev. A. B. Colvin, Rev. Chase Jennings, Rev. Sam Hogan, Rev. Henry M. Holladay, Rev. E. R. Cunningham, Rev. James W. McGregor, Rev. E. M. Helton, Rev. J. W. Campbell, Rev. R. A. Johnson, Rev. Raymond Cushman, Rev. Levi Vincent, Rev. G. R. Ferguson, and Rev. E. Lionel Patton.

Mr. Holladay stood a most satisfactory examination, and demonstrated in no uncertain tone, his undertaking of the high calling to which he had yielded. His interpretation of the great doctrines which are fundamental to Baptists, was indeed wholesome.

The ordination took place in First Baptist Church, Bullittsburg. Rev. E. Lionel Patton of Bullittsburg was appointed moderator for the occasion. Rev. James W. McGregor of Sand Run Baptist Church was the director of the service. Rev. R. A. Johnson of Burlington led the invocation. Rev. Henry Mark Holladay, brother of the candidate, preached the ordination sermon. His charge to Brother William was very definitely "Hold Forth the Word." He too, is a young minister, and he said it seemed but yesterday that he sat in his brother's place in the examination chair.

At the conclusion of the public examination this large council and church voted unanimously to recommend the ordination without further private questioning.

Rev. Leo Drake, a former pastor of the church gave the charge to the church. He stressed the great need a pastor has for prayers of Christian people, and how much a pastor needs good tools for his profession.

Rev. Harold Wainscott presented the Bible to the candidate, who is the new pastor of Visalia Baptist Church, Visalia, Ky. Rev. J. W. Campbell, grandfather of the candidate pronounced the benediction. This historic old church was filled to capacity. Baskets of beautiful flowers graced the pulpit, the table and piano.

Bullittsburg Baptist Church has had a glorious past and is indeed happy to have given two more young men to the work of the Master. The prayers and best wishes of the congregation will follow them in their work for the Master.

BIRTHDAY CELEBRATED

The Women's Missionary Society of Burlington Baptist Church met at the church Wednesday afternoon June 9th for their regular monthly meeting.

The meeting was opened with singing of the hymn, "Come, Women, Wide Proclaim."

Mrs. M. A. Yelton led the prayer that the great commission may have its rightful place of importance in our lives.

Miss Ruth Kelly, our president spoke on "World Work Workers," using as a basis for her remarks, Matthew 11:25-30 and Matthew 28-16-20.

Our topic for the month was "World Mission Need World Workers."

Mrs. Earl Smith, our program chairman, led the discussion on this topic, stressing the valuable contribution our denominational schools are making in the training of these workers.

In these meetings we acquire not only valuable missionary information but inspiration for our part in the task of proclaiming Christ to the world.

Miss Kelly presided at a short business session, after which we were dismissed with prayer led by Mrs. Sam Allen, asking God's blessing upon every training agency of Southern Baptists.

The Bell Hi 4-H Club has completed the second spraying of 750 apple trees for farmers throughout Bell county.

Yes-you can set it yourself!

Regulate your own hot water with Fowler Economy Temperature Control

Hot water flows from your faucet at just the temperature you desire! Not only automatic, the Fowler Economy Temperature Control is adjustable.

Constant, Clean Hot Water

How handy just to turn the dial to any temperature, ranging from about 125° to 175°, depending upon your special demand for hot water. Perhaps a heavy washday, coupled with a round of showers would call for a peak-hot supply. Again lower temperatures would suit other needs.

Water is sparkling clean too, for the Fowler water heater is glass-lined—double coated with porcelain to protect the water from tank rust. The "black heat" elements and 3-way insulation provide low operating cost and a long-life water heater. It's no wonder Fowler is backed by a 20-year replacement guarantee. Come in for your Fowler today.

BOOKLET LISTS WAYS TO SAVE FOOD, MONEY

Ways to save both food and money are suggested in a new menu and recipe booklet, "Money Saving Main Dishes," according to Mrs. Pearl Haak, food specialist at the College of Agriculture and Home Economics, University of Kentucky.

Prepared by Washington home economists, the 40-page food guide contains more than 100 recipes, with suggestions for well-rounded menus. The recipes are economical, yet healthful, for they suggest uses of plentiful, cheaper foods high in food value. Copies of the booklet may be had from offices of county or home agents, or from the college, Lexington.

LADY SLUFF

by Martha Wheeler

(Editor's Note: Martha Wheeler is the prominent lecturer and radio personality.)

What is the difference between having a personality, being a personality, and having personality? Answered in personalities—Penny Singleton has a personality. It's Blondie. Eleanor Roosevelt is a personality. And you, of course, have personality.

∞

Penny Singleton has personality in her own right too. She once delayed a press and radio dinner for an hour while she put her small daughter to bed after she and her producer husband deplaned. Later, as a gracious, unfussed dinner hostess, she thoughtfully brought shy wives of reporter husbands into the table conversation.

∞

Mrs. Florence Bowman of Lansing, Michigan, writes me, "Is your hot weather Swelter an appropriate garment for me to wear? I'm a Summer College teacher. When I get home I want to slip into something cool and comfortable, yet presentable if my students drop in on me."

The answer is, yes. The Swelter can be worn with dignity and comfort by the mature, with casual coolness by the youthful. Write me today, at 22 West Seventh Street, Cincinnati 2, Ohio, for my famous hot weather Sweater pattern, complete with sewing instructions. Enclose 10c to cover mailing costs. The pattern is free.

∞

Vacation wardrobes should alalways include a change of eyeglasses, for safety's sake and for wardrobe variety. Jeweled browline frames add a touch of glamorous elegance to the evening ensemble.

Queen Optical Company has a wonderful selection of smart eyeglass frames for both casual and formal attire. Stop in any time at 12 East Sixth Street, in Cincinnati. No appointment is necessary.

CONSTANCE HOMEMAKERS

The Constance Homemakers held their June meeting and picnic in Devon Park, June 3rd with fourteen members attending. Roll call was answered with "One new flower I planted this year."

Mrs. Thos. Kenyon, president presided over the business meeting with all standing committees reporting.

The third and last lesson on refinishing furniture was given by Mrs. Geo. Kottmyer and Mrs. Adam Reeves.

At noon a lovely picnic lunch was spread and enjoyed by all present.

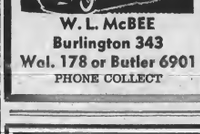
The afternoon was spent with the playing of games, with the Recreation chairman, Mrs. Ella Mae Reeves in charge.

The September meeting will be held at the home of Mrs. Harry Ross.

PLANTS EXCHANGED ON HOMEMAKERS DAY

A style show of pretty, new cotton dresses and an exchange of plants, seeds, bulbs and cuttings were features of the annual spring Homemakers Day in Casey county. Fourteen of the 15 homemakers clubs were represented when 91 members modeled the dresses they had made in their project work. Among them were three generations in the Phil-Dunnville Clubg. They were Mrs. Sallie Combest, mother; Mrs. Otha Compton, daughter, and Mrs. J. Q. Rodgers, granddaughter.

IMPROVEMENTS MADE IN FARM ENTRANCES



Continued progress in the campaign to improve farm entrances is reported from Bath county. Albert D. Dicken, county Farm Bureau president, has completed a new gateway set back from the highway to permit sufficient car space. It has a stock crossing and a standard white gate hung from brick posts.

With the assistance of her family, Mrs. James Tay, a member of the Tunnel Hill Homemakers Club, has completed a white fence around their home. Then she painted the farm name, "Water Cress Farm," and the family name on the mailbox.

The farm entrance improvement project is a state-wide plan sponsored by Prof. H. R. Bellert, landscaping authority on the College of Agriculture and Home Economics, University of Kentucky.

GOLDEN WEDDING DATE OBSERVED

Mr. and Mrs. William A. Huey celebrated their golden wedding anniversary on May 30th in the beautiful old Huey home, situated on the banks of the Ohio River.

This was the home of Mr. Huey's grandfather, B. F. Garnett. This old home has all the old southern traditions connected with civil war days, even to the time when Mr. Garnett owned many slaves.

Mr. and Mrs. Huey's children, with many other relatives and friends gathered at their home with well filled baskets to help celebrate the happy occasion. Mrs. Madeline Walton baked the wedding cake, a lovely three-tier angel food, iced in white, decorated with yellow roses.

The noon luncheon was spread on several long tables on the front lawn under the beautiful old maples that form a canopy overhead, a perfect setting for such a celebration.

Mr. and Mrs. Huey received many beautiful gifts and congratulation cards.

Those on the guest list were their children, Mr. and Mrs. George Walton, Jr., and sons Bobby, Junior and Danny and daughter Corinne, (now Mrs. Ralph Maurer), Ralph Maurer and Mr. and Mrs. James B. Huey and sons Jim Bob and Donny; others present were Mr. and Mrs. Robert Huey and daughter Estelle, Mr. and Mrs. Alvin Clore and children, Mr. and Mrs. Stanley Clore, Mr. and Mrs. Clayton Clore and children, Mr. and Mrs. Porter Huey and sons, Mr. and Mrs. Josie Maurer, Mrs. Lizzie Smith, Mrs. Franklin Huey, Mrs. Anna Huey, Mr. and Mrs. Winfred Huey, Mr. and Mrs. Howard Huey, Mrs. Myrtle Sebree, Mr. and Mrs. Wendell Easton, Mr. and Mrs. J. R. Eddins, Mrs. Ida Kelly, Mr. and Mrs. Courtney Kelly and children, Mr. and Mrs. William Clore and children, Mr. and Mrs. Garnett Huey, Mr. and Mrs. Charles Brown and daughter and C. R. Kite.

The guests departed at a late hour wishing Mr. and Mrs. Huey much happiness as they travel down life's sunset path.

GROUND BROKEN FOR PRINCIPAL'S HOME

Ground breaking for the New Haven School principal's home to be erected for use by Walton Smith, present principal and his family was started yesterday (Wednesday), according to reports received here.

A drive was launched several months ago by the Parent-Teacher Association of that school to raise funds for the erection of the home. E. W. Marshall is in charge of excavating work.

FLORENCE HOMEMAKERS

The Florence Homemakers will have their last lesson on "Furniture Refinishing" Friday, June 18 at Town Hall. Hostesses will be Mrs. Helen Orchelle, Mrs. Mabel Sayre. We trust we will have a large attendance as this is the last meeting of the season.

—Pub. Chairman.

BOOTH DRIVE CLOSES JULY 6

EXTENSION OF TIME GRANTED BOONE COUNTY — PRECINCT CHAIRMEN AND ASSISTANTS ARE NAMED.

An extension of time has been given Boone County chairman of the Booth Memorial hospital campaign to raise funds, Mr. Edwin H. Walton, County chairman, stated yesterday. The drive in Boone County was to have closed this week, but due to the fact that the regional quota was still not reached and that local chairmen and assistants have been unable to make all contacts, the date has been extended until July 6th.

Community chairmen and assistants for all precincts of Northern Boone County, as announced by Mr. Walton are:

Burlington—Ralph G. Maurer, chairman, William Jarrell, Mrs. Davis and Mrs. Mary Jane Jones, assistants; Petersburg, Mrs. R. W. Witham, chairman; Constance, Mrs. Lawrence Rodamer, chairman, Mrs. A. W. Rogers assistant; Taylorsport, Miss Ira Aylor, chairman; Hebron, Dr. George Riley, chairman, Miss Mary Margaret Fowler, Mrs. Nick Furnish and Mrs. Howard Acra, assistants.

Citizens of Boone County who are not contacted by the community workers and who wish to make donations to this civic cause are requested to see your community solicitors as it may be impossible for them to make a complete canvas, Mr. Walton stated. He also expressed his appreciation for the cooperation given thus far by those who have pledged donations and those who are working in behalf of Boone County's $4,000 quota.

All community workers are requested to meet at the courthouse Tuesday evening, July 6th at 8:00 p. m. to make final report.

FLORENCE AND BURLINGTON ARE LEAGUE LEADERS

With three weeks of play gone by, the Junior Baseball League reports a successful beginning. Much interest has been expressed and the boys are playing good baseball.

Reports have not been received on all games yet, but Florence and Burlington with three victories each are the league leaders. These two teams meet each other at Florence next Monday in what promises to be a bitter contest. Stancil of Florence and Brown of Burlington have been the winning pitchers in each of their team's victories.

All managers are asked to phone results of their games to Burlington 277 on Monday night or to Burlington 75 on Tuesday morning in order to get complete scores in this paper each week.

W. M. S. TO HEAR MRS. COERS

The Burlington Baptist W. M. S. will meet at the church Wednesday, June 30th 11:00 a. m. Mrs. Morris Coers will teach a book on "Stewardship." A luncheon will be served at 12:30 and all ladies are requested to bring a covered dish.

WOMAN DROWNS IN GUNPOWDER

SATURDAY WHILE WADING WITH CHILDREN—BODY IN WATER MORE THAN ONE HOUR ACCORDING TO REPORTS.

Mrs. Callie Mallicoat, 31 of near Waterloo drowned in Gunpowder Creek, Saturday afternoon while wading with her children.

H. E. White, Boone County Magistrate who was called to the scene reported that the woman drowned in Stump pond, a pool in Gunpowder creek. He stated that Mrs. Mallicoat with two children were wading in the creek when she stepped from a ledge into water approximately eight feet deep.

Screams of the children failed to attract help until it was too late to revive her. The body was recovered approximately one hour after the accident by neighbors who were attracted by the children's screams.

Mr. White turned in a report of accidental drowning.

She is survived by six children, three sons and three daughters, and a number of other relatives.

Services were held at the home Monday.

John Edwin Carver and Carolyn Smith will play "Just As I Am" in duet on their saxaphones with piano accompaniment played by Norma Jarboe, and Mr. Carver will play "Manhattan Serenade" as a saxaphone solo.

Vocal numbers, which will intersperse the instrumental offerings will be "The Holy City," sung by Bobby Hodges; "In My Garden," Mrs. Henry Moulder; "June Roses," Norma Roberts, and a group number, "Ten Little Workers" by Barbara Christy, Janet Deck and Sherry Rosenbaum.

An offering will be taken for the Christian World Friendship Fund of the Christian Youth Fellowship.

Homer Frank Jones, of Rosedale is visiting his cousin Wendell and Charles Jones, of Burlington R. 2.

SECOND PLACE TO BE AT STAKE

SATURDAY IN BOONE COUNTY SUNDAY SCHOOL LEAGUE WHEN UNION AND BURLINGTON CLASH.

Bullittsville tightened its grip on first place in the Sunday School League Saturday by shoving Union back into third place. Burlington's two victories over Bullittsburg put them in second place. Big Bone remained in fifth place although they lost to eighth place Verona. Verona, by losing to Florence, fell back a notch in the standings as Petersburg and Sand Run were rained out.

Bullittsville held on to first place by defeating Union 21 to 18. The league leaders were sporting a 21 to 7 lead going into the ninth when Union exploded with an 11-run rally. The big blows in the game for Union were two home runs by Roger Knox and one by Stephenson. Dick Gaines, last year's home run leader, poled out his first round-tripper of the season for Bullittsville. Garnett, Bullittsville catcher, came through with 4 singles and a double. Barney Hogan started on the mound for the winners and was relieved in the ninth by Joe Hogan. Weaver, Jack, A. Knox and Hodges were Union's pitchers with Moore doing the receiving. Bullittsville's 21 hits increased their total to 166 in 10 games. Union had 18 hits and each team committed 5 errors.

Verona staged one of the big upsets of the season Saturday as they won over Big Bone 5 to 4. Cheeseman and Beach held the losers to 8 hits. Black pitched a good game for Big Bone, allowing Verona only 6 hits, but 4 errors by his teammates cost him the game. Verona scored 4 of their 5 runs in a big first inning. Rouse hit a home run for Big Bone while triples by W. Poole and Code were the big blows for Verona.

Burlington scored a double victory over Bullittsburg by scores of 13-3 and 26-6. Bob Brown and Phil Yelton were the winning pitchers for Burlington. Stephens relieved Yelton in the seventh frame in the second contest. Patterson caught both games. Bill Holladay was the losing hurler in the first game. M. McGlasson, G. McGlasson, Aylor and C. Pepper pitched for the losers in the second game. Brown, G. Smith and Stephens each collected 5 hits in the doubleheader, Brown's five being a single, three triples and a home run. Bullittsburg third sacker, poked out three hits in the nightcap.

Belleview outnit Florence 16 to 14 but the ninth-placers scored their second straight win. Miller and Bob Rouse were on the mound for the victorious Florence nine. Cason and John Walton pitched for Belleview, with Cason being charged with his third defeat. He has won three games. The victory was Miller's third against 5 losses. Tupman, with 3 hits, and Hack Tanner with a triple and a long home run, were Florence's big sluggers. Billy Burkett had a single, double and home run to pace the losers' attack.

Sand Run and Petersburg were rained out in their scheduled game at Sand Run.

CROW SHOOT OPENS FRIDAY

AT WILLIAMSTOWN AND CONTINUES THROUGH SUNDAY—MANY STATES WILL BE REPRESENTED.

The National 1948 Crow Shoot will open at Williamstown, Friday June 25th and continue through Sunday, June 27, with entries from many states throughout the nation participating.

States which will be represented will be Ohio, Kentucky, Illinois, Pennsylvania, West Virginia, Tennessee, Oregon and Michigan, and possibly other states will be entered prior to opening day.

Eight trophies will be awarded as follows: National Champion, Runner-Up, Kentucky State Champion, Fifth District Champion, Novice, and Ladies.

Headquarters for the shoot is the Donald Hotel in Williamstown, and the range will cover several counties. Details concerning the shoot may be obtained from John E. Murphy, radio station WCKY, Cincinnati 1, Ohio, or from Tom Stivers, Box 242, Covington.

The championship shoot will be staged on Saturday. Entries will be received until noon of that day, it was reported. Entry fee is $2.50.

The annual banquet, at which time tropies will be awarded, will be held at the Williamstown High School Saturday at 8:00 p. m. Earl Wallace, director of the Division of Game and Fish, will be the principal speaker at the banquet. Al Blum, president of the League of Kentucky Sportsmen, also will speak.

THIRTEEN LUCKY NUMBER

Two thirteens proved lucky for Margaret Brewer, 1313 Greenup St., Covington, who was awarded $150 plus $25.00 for being present, by Covington Retail Merchants' Association, at its weekly awarding, Seventh and Madison, Covington, Wednesday, June 16.

BOONE TEAMS SUFFER DEFEAT

IN BENKE SEMIPRO LEAGUE—BOB AND GENE ONLY WINNER IN SUNDAY GAMES, ACCORDING TO REPORTS.

Verona and Walton suffered defeat at the hands of Fats Cafe and Silver Grove in the Benke Semipro League Sunday.

Fats Cafe handed the Verona nine their first defeat of the season at Verona Sunday by a score of 7-6. The winners collected 12 hits from the offerings of Ivan Gulley and Afterkirk. Gulley was on the sill for one and two-thirds inning, allowing 4 hits, 5 runs and striking out 1. Afterkirk pitched seven and one-third innings allowing 8 hits, one run, having nine strikeouts.

Both teams gave poor support to the pitchers, with each having four errors against them. Verona collected 9 hits from the offerings of Corbin and Earledge.

Silver Grove defeated Walton A. C. 15-0 at Silver Grove with Irv Rosen and Chick Williams teaming to pitch a one-hit game. Rosen went seven innings in which time he struck out 12 and allowed a scratch single through the infield in the seventh. Williams struck out five of the six hitters to face him.

Silver Grove collected 15 hits off the offerings of McClure and Jenkins.

Bob & Gene trounced the Kenton A. C. nine by a count of 12-2 Sunday as Stanley Arnzen starred for the winners at the Taylor Mill Grounds. Bob & Gene collected 17 hits, while holding the losers to four.

Arnzen had four hits in five trips to the plate including a home run, triple, and two singles. Mahan, Reibling, and McArthur also clouted circuit blows for the winners. Reibling was on the mound for the winners, striking out 16, while Newsom hurled for the losers.

Boone County League

In the most interesting game of the current season, Belleview defeated Constance Saturday by a score of 11 to 9 on the winners grounds. It was anybody's game all the way with both teams displaying good baseball and fighting to the finish.

Petersburg took over in the first inning and coasted to an easy victory over Bob and Gene, winning 13 to 1 Saturday in the Boone County League game.

Petersburg will visit Belleview Saturday, June 26th and Constance will play Bob & Gene at Florence. Game time is 2:30 p. m.

GRASSHOPPER CONTROL OUTLINED BY BILL DAVIS

Grasshoppers, while usually not troublesome in tobacco until late summer when other foliage is lacking, sometimes causes damage to the young plants, according to Bill Davis, County Agent.

Plants near the edge of a grass field may be practically ruined. These plants near the edge of the field can be dusted thoroughly with Paris Green and this may stop further damage by the insects.

The same poison bait that is used for cutworms is effective against grasshoppers. The bait is made by mixing one pound of Paris Green with 25 lbs. of bran. Add two quarts of molasses and enough water to make a mash. The bait should be broadcast around the edge of the field in the early morning.

1948 COUNTY WOOL CLIP SOLD

MONDAY AFTERNOON, JUNE 21 TO S. GOODMAN & CO., LOUISVILLE—HIGHEST PRICE RECEIVED SINCE WORLD WAR I.

The sales committee of the Boone County Wool Pool sold the 1948 clip to S. Goodman & Co., Louisville, according to Lillard Scott, secretary. Bids were received in Walton Monday afternoon, June 21.

The committee was well pleased with the sale of the wool. This year's price is the highest since World War I.

Wool will be delivered to the buyer at Walton on Tuesday, July 6, and at Burlington Wednesday, July 7th.

LADIES' AUXILIARY WILL MEET

The Ladies' Auxiliary of the Florence Volunteer Fire Department will meet Thursday evening, June 24, at 8:00 p. m., Town Hall. All firemen and the building committee are urged to be present.

IT'S TOBACCO TOPPING TIME IN PETERSBURG

Reports reached this paper on Tuesday morning that it was tobacco topping time in Petersburg! J. W. Grant, owner of a farm in the Petersburg neighborhood, reports that Walton Rogers, operator of the farm has topped his tobacco. After looking at J. W. as though we thought he should be in Lakeland, he stated that he would bring one of the tops from a plant to prove it to us, or any one else who might doubt his veracity.

He claims that Mr. Rogers is the first to top tobacco in Boone County. We feel that we could go much farther than that, and declare that he is probably the first to top tobacco in the State.

You will have to ask Mr. Grant how many acres he has ready to top.

ATTEND COACHING SCHOOL AT WESTERN

Ralph Maurer, Coach of Burlington high school, and Reynold Todtenbier, star player on last year's Eagle net team left yesterday to attend the Western State College basketball coaching school conducted by Ed "Moose" Krause of Notre Dame and Ed Diddle of Western's Hilltoppers. Feature of the three-day clinic will be a basketball game between stars from Kentucky and Ohio.

VETS DEFEATED BY HUDEPOHL

NINE SUNDAY BY SCORE OF 11 TO 6—GAME IS PLAYED UNDER PROTEST—THREE HOURS REQUIRED TO PLAY GAME.

The Hudepohl Beers defeated the Boone County Vets Sunday in a wild game at Ross, Ky., by a score of 11-6 in the Buckeye Semipro League.

The Vets opened with a run in the first inning as D. Williamson walked, moved to second on a sacrifice and scored on C. Benson's single. They added five in the second when Charley Benson clouted a home run with the bases loaded, after Meyer had hit Miller with a pitched ball to force in the first run of the inning. Benson's drive was a towering fly ball that cleared the centerfield fence, a distance of 416 feet.

The winners scored three runs in the second inning as George Politt tripled with two on base and scored on Meyer's hit. They notched another run in the third as Jim Roberts, batting star of the day, hit a drive that went through the fence for a home run and brought protests from the losers that a Hudepohl player interferred with the ball in the outfield.

Hudepohls scored four in the fifth and two in the sixth and ended their scoring in the eighth with their final run.

The game, loosely played, took nearly three hours to complete, with the Vets playing the contest under protest from the third inning.

Smith started on the mound for the losers but was relieved in the fifth by Bill Munn.

The V. F. W. will play Middletown at Middletown Friday, June 25th at 8:30 p. m. Sunday, June 27th the Vets will play Homer Toms at the Florence park at 3:00 p. m.

HEBRON YOUTH ON LAST LEG OF WORLD CRUISE OF CARRIER

William A. Ottino, Fireman, son of Grant Ottino, of near Hebron, is among those participating in the last leg of the World Cruise of the USS Valley Forge (CV-45), the latest 888-foot-long Essex-class aircraft carrier.

Since leaving California last October and pausing at Hawaii for three months, the Valley Forge has visited such ports as Sydney, Australia; Hong Kong; Tsingtao, China; Singapore; Trincomalee, Ceylon; Ras Tanura, Saudi, Arabia; Gibraltar; Bergen, Norway; Portsmouth, England; New York City; and Panama.

The local man boarded the Valley Forge at New York City.

Highlights of the World Cruise, which has brought the carrier across about 46,000 miles of oceans and seas, have been transits of both the Suez and Panama canals, and the shipboard visit of Crown Prince Saud of Saudi Arabia.

The Valley Forge regularly is assigned to the Pacific Fleet.

Mr. and Mrs. Manley Ryle spent last Sunday with their son, Rev. Elmore Ryle and wife, of Morehead, Ky.

STORM DAMAGES HEBRON PROPERTY

HAIL CAUSES DAMAGE TO TOMATO CROP IN TAYLORSPORT AND CONSTANCE AREA MONDAY AFTERNOON.

High winds accompanied by heavy rain and hail caused considerable damage to property and crops in the Hebron, Taylorsport and Constance area Monday afternoon.

The storm cloud which formed in the northwestern section of the county near Bellerive, followed the river past Petersburg, twisting limbs from trees in that area, then turning from the river apparently reversed its course bearing southeast striking Hebron, Taylorsport, and Constance.

A large two-story frame dwelling east of Hebron was almost completely destroyed when a large tree fell across the structure, crumpling the building like match sticks. Fortunately the occupants, the Kelly Kendall family had took refuge in the basement of the building before the storm struck. None of the occupants were injured. The building was almost completely destroyed.

Electric and telephone service was disrupted by the storm, requiring three hours to repair lines before service could be resumed.

Property damage in the Taylorsport and Constance area was small, but crop damage was heavy, especially in the Constance area, where it was reported the tomato crop suffered the heaviest damage from hail. Many crops which were staked, were completely destroyed, leaving only the stem of the vine standing.

Heavy rains accompanied the wind and many sections cultivated fields were washed badly by the heavy downpour.

BULLITTSVILLE PASTOR GIVEN A. B. DEGREE

Rev. A. C. Young, pastor of the Bullittsville Christian Church for the past three years, has recently advanced further along his educational pathway. Having received his Bachelor of Arts degree from Atlantic Christian College, Wilson, N. C., he came to his Bullittsville charge by way of the College of the Bible, on the campus of Transylvania College, Lexington, Ky.

Last Friday, at the Lexington institution, Rev. Young emerged from the graduation exercises with his Bachelor of Divinity degree, of which he can justifiably be proud, as it represents the culmination of almost three years of conscientious effort on his part while still capably caring for his pastoral and preaching work at Bullittsville.

Brother Young's congregation have developed a deep regard for him because of his absolute sincerity, humility, devotion to duty and high intellectual ability, and they admire his willingness to develop all his talents for use in the cause of the Lord.

All this was attested to in a brief ceremony following church service last Sunday when his flock presented him with a beautiful brief case in honor of his graduation. Also, his capable helpmate, Mrs. Georgia Young, was given a token of remembrance in the form of a strand of simulated pearls.

QUARANTINE PLACED ON DOGS

IN FLORENCE AREA BY SHERIFF R. R. ROUSE—MUST BE TIED OR PENNED FOR PERIOD OF 90 DAYS.

An order issued by Sheriff R. R. Rouse Friday, quarantined all dogs in the Florence community and surrounding territory for a period of ninety days.

All pets must be tied or penned for the three-month period, and any dog caught running loose in the restricted area will be shot.

Sheriff Rouse issued the above order after a positive report of rabies in its most virulent form was received on a dog which bit approximately a dozen other dogs in Florence on Tuesday of last week. The report was made from the University of Kentucky where the dog's head was examined.

Any person who handed the dog during a period of ten days before it was destroyed were warned to see a physician for the pasteur treatment.

Dog owners throughout the county are urged to keep a constant check on their pets, and if any indication of rabies is noted, should confine the animal until positive the animal is free of rabi

SOIL LIMING MATERIALS

"The value of liming material is usually measured by its neutralizing power. This is most often expressed in the percentage of calcium carbonate equavilent. Calcium carbonate equavilent means the number of pounds of pure calcium limestone required to neutralize as much acidity as 100 pounds of the material being compared. Limestone contains impurities such as sand, shale and clay. These lower the neutralizing power of the liming material." This explanation is made by Purdue University, Department of Agricultural Extension.

There are a number of liming materials on the market. These vary in fineness and in neutralizing value. In purchasing this product attention should be given to the analysis of the material. First consideration should be given to the percentage of calcium carbonate equavilent. Of course the product with the highest percentage should get first choice, other features being equal, however, the cost must be the determining factor. Often a material with a lower equivalent may be more economical even if more must be added per acre.

As a result of study made in the field of lime research J. W. White of the Pennsylvania Experiment Station, published the following statement in the magazine Pit and Quarry. "The results secured showed beyond doubt that the value of any form of basic lime used in soil treatment is dependent upon the calcium and magnesium oxide (CaO and MgO) content. If applied to the soil on the basis of equal lime values of similar fines the various forms of basic lime compounds have the same crop producing value." He goes on to say in rejuvenating acid soils with lime, "it has been shown conclusively that when lime is applied in sufficient quantities to acid soils, these sterile or partially sterile soils are quickly restored to normal productivity if the lime application is followed by the use of commercial fertilizers or animal manures."

Four-H'ers in Rowan county sold advertising space in a rally-day booklet, making $450 to be used in the club program during the year.

RED CROSS HOLD ANNUAL MEETING

AT FLORENCE JUNE 15TH—BOAD MEMBERS AND OTHER OFFICERS NAMED — PROMINENT SPEAKERS HEARD.

The annual meeting of Boone County Chapter, American Red Cross was held at Acacia Inn, Florence on Tuesday, June 15th at 6:30 p. m. with a good attendance, considering the rain.

After a delicious dinner which put all in a mellow mood, the following program was presented, with W. R. Davis, chairman, presiding.

Minutes of the last meeting were read by the secretary, Mrs. Robert Eastman and were adopted as read.

Leland Sullivan of Burlington was introduced and he read his prize essay which has already been published in the Boone County Recorder and Walton Advertiser, at the close of which Mr. Davis gave him the $5.00 which had been donated by Robert G. Eades.

The committee on by-laws presented their report and as Judge Carroll L. Cropper was chairman of that committee and all having such confidence in his good judgment, they were adopted.

One of the new provisions was that the Board of Directors should consist of 15 members instead of 21 and should be elected for periods of one, two and three years, as formerly. This board now consists of the following:

One year—Mrs Walter Ferguson, Union; Mrs. D. L. Maddox, Walton; Mrs. Jameson Aylor, Burlington; Mr. Wendell Ryan, Verona; Mrs. Warren G. Miller, Jr., Union.

Two years—David Tanner, Florence; W. D. Scroggins, Verona; Mrs. Aleen Conner, Walton; Mrs. John Bustetter, Florence; Mrs. Harry Daugherty, Florence.

Three years—Mrs. George Kottmyer, Constance; W. R. Davis, Florence; Miss Mary Hood Gillaspie, Florence; Mrs. James Smith, Burlington; Mrs. Joseph Huey, Union.

The report of the nominating committee was accepted and the officers elected unanimously are as follows: Chairman, G. R. Scott, Florence; first vice chairman, John Conner, Hebron; second vice chairman, Irvine Rouse; secretary, Mrs. Robert Eastman; treasurer, Judge C. L. Cropper; executive secretary, Mrs. Elizabeth G. Nestor; Red Cross Public Health Nurse, Miss Elizabeth Lowry.

Mr. Davis made, as he thought, his farewell speech, thanking all who had helped him so efficiently, and bespeaking the same for his success, and then wanted to turn over the office to Mr. Scott, but Mr. Scott begged, as he was so new to the business, that Mr. Davis carry on to the end of the meeting. One of the things Mr. Davis said was that he had always declared that no man was indispensible, but had to change his mind, for so far as Boone County was concerned, Judge C. L. Cropper was the indispensable man, a sentiment in which all present heartily agreed.

Robert White, general field representative, eastern area was then introduced and he explained in more detail about the elections of the Board of Directors. He called it a revolving board for, as the one-year term expires, their successors are elected for three years, so that at each annual meeting, five directors are elected, and, according to the new by-laws the executive board, the service chairman and the board of directors are to hold four meetings a year, on the first Thursday in January, April, July and October, and that fifteen members shall constitute a quorum. He said that he was on call at any time he could be of any assistance.

Frances S. Paules, Red Cross field director, Veterans Administration, Regional Office, Louisville, Ky., the guest speaker was then introduced. He touched briefly on his experience in a German prison camp after having been shot down when on a bombing mission over Berlin. His first reaction was that, if he ever got out of there and got home he was going to attend strictly to himself and never bother about anyone else, but before his two years' internment were over, what the Red Cross did for the prisoners in the camp with him convinced him that service to his fellowmen was worth while. 90,000 food parcels were gotten to them and 10,000 Christmas parcels and even when they were on a three months march from one prison camp to another, the Red Cross was able to reach them. His Regional Office embraces 120 chapters and stated that his office is always ready to help, for some veterans need it more now than they did during the war, for their rehabilitation.

The revival will be held at the East Bend Baptist Church starting July 12th with Rev. Hargrove as evangelist.

Johnny Woods and wife spent Saturday night and Sunday with Mr. and Mrs. Floyd Shields.

Locust Grove

Last Saturday and Sunday Mr. and Mrs. Ray Kern were visited by Buford Paschal, of Washington, D. C.

Mr. and Mrs. James Harold are expecting Mr. Harold's parents to visit them from Knoxville this week.

Wednesday and Thursday Mr. and Mrs. Ray Kern entertained his aunt and uncle from Chicago, Mr. and Mrs. H. Schnakenberg, who were motoring through the South on their vacation.

Hill Top

Deepest sympathy is extended to Mrs. Edna Bonar and sons in the loss of their beloved husband and father.

Miss Elsie Clore, of Cincinnati, spent the week-end with her niece Mr. and Mrs. John Whitefoot.

A. D. Hunter attended the races at Carthage Fair grounds Friday.

Mr. and Mrs. Truman Lucas attended a family reunion Father's Day at the home of his father, Geo. Lucas, of Walton.

Patricia, the charming young daughter of Mr. and Mrs. Bob Gallagher in the past 8 years had the highest average in school at St. Marys' Cathedral, Covington, also won the 4-year scholarship to attend the LaSallette Academy, Covington.

Mr. and Mrs. Frank Anderson and little daughter and Mrs. Wm. Buckler of Hebron called on Mr and Mrs. A. D. Kissick, Sunday afternoon.

Hamilton

Mr. and Mrs. Conner Carroll and family attended the wedding of her nephew Leroy Moore, Saturday at the Presbyterian Church in Richwood.

Mr. and Mrs. Tom Hamilton called on Mr. and Mrs. Thos. Huff Saturday evening.

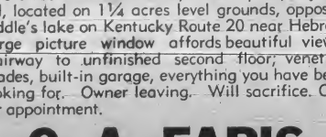
Members of Big Bone W. M. S. have made plans to go to Louisville Baptist Orphanage on Wednesday, July 14. Members wishing to go, please contact Mrs. Edith Sebree or Mrs. Lura Schwenke.

Mr. Hopperton of Walton wired the house and outbuildings of Mr. and Mrs. Lewis Ryle for electric last week.

Mr. and Mrs. Joe Moore and son Ervin and friend, all of Akron, O., were guests of Mrs. Anna Moore from Friday until Sunday and attended the wedding of their son Leroy to Miss Norma Jean Stephenson Saturday evening at the Richwood Presbyterian Church.

Mr. and Mrs. Delbert Smith and two children called on her grandmother and father, Mrs. Anna Smith and son Floyd, Wednesday.

Guests of Mr. and Mrs. Everett Jones last week were Stanford Kemper and Earl Hodson, Saturday night and Sunday. Other Sunday guests were Mr. and Mrs. Kemper and son William, Ray, and Larry Stephens.



Mr. and Mrs. Tom Hamilton were shopping in Cincinnati and Covington Friday and called on their daughter in Elsmere.

LADY STUFF

by Marsha Wheeler

(Editor's Note: Marsha Wheeler is the prominent lecturer and radio personality.)

"China," writes a young bride from Oklahoma City, "is my problem," and I figure the question is about politics. Then she adds, "Should I buy a complete set of china?"

If you do, there'll be two-thirds of it you'll never use. Matching dinner plates, bread and butter plates, and large coffee cups and saucers can all be of one matching basic pattern.

Select a different design, gay, prim, fanciful or classic, for salad and dessert plates, with matching tea cups or demi-tasse.

∞

Are your compliments right or left-handed? Do you say, "Oh Mrs. Budget, how cleverly you made over your dress?" Or do you phrase your remark like this, "What a smart new dress!"

∞

Eddie Cantor, in blackface, danced and sang his way to fame behind a pair of white shell eyeglass frames. Comedian Harold Lloyd established his million dollar identity with a pair of lenseless dark shell frames.

Today those who wear glasses find that smart eyeglass frames add to their glamour, their prestige and individuality.

Queen Optical Company, at 12 East Sixth Street, in Cincinnati, invites you to see their new and fashionable selection of plain, colored, jeweled, and shell and gold combination frames.

Everyone in the family finds appropriate frames at Queen Optical.

DR. GILLARD VISITS MOTHER IN ENGLAND

Dr. G. W. Gillard, of Florence, who sailed to England to visit his mother who is 86 years of age, whom he had not seen for 30 years, reports finding her in fair health and of keen mind.

Dr. Gillard left New York aboard the Queen Mary on May 8th and landed at Southampton, England, May 13th. The ship's log reports the sailing time for the voyage a distance of 3192 nautical miles in 4 days, 18 hours, 22 minutes. The trip across the ocean was wonderful, the weather was fine and a calm sea accounts for the splendid time in making the voyage.

He boarded the Queen Mary on June 16th at Southampton for New York on return voyage June 17th and expected to be in Florence by today, June 24th.

Dr. Gillard writes, "The people of England are on very short rations. How they keep going on such a small amount of meat and fats is beyond me, and most of the beef and mutton is imported from Argentina and is of very poor quality. In some parts of England the butchers are boycotting this kind of meat on account of complaints from housewives as to the poor grade, and it is needless to say that I am famished for a good thick American beef steak of which I will load up on as soon as I reach New York.

"All food, clothing, shoes and textile materials are rationed. Property owners are allowed to repair damaged property only after government inspection and survey of material needed and $100.00 worth is allowed at one time.

"The following is a list of necessary items vital to everyone in England: British ration allowance per person for one week: Two ounces of tea, 2 ounces of butter, 2 ounces of cheese, 2 ounces bacon, 1 ounce lard, ½ lb. sugar, no ham or pork, 20 cents worth of beef or mutton at 75c to 90c per lb, 1 lb. loaf of bread at 5c made of war flour which is almost black, tough, heavy and leathery, 1 cold storage egg, costing 6 cents each, milk that looks like skimmed milk at 20c per quart, cigarettes are very scarce and cost 84 cents per pack of 20, when you can get them, coal $15.00 to $20.00 per ton of 2240 lbs, new potatoes at 12c a pound, fresh garden peas 36c pound, tomatoes, 72c pound. Auto owners are allowed to travel 90 miles per month or 3 gallons of gasoline per month at 53c per gallon."

Mrs. Anna Smith spent Friday with her son, Mr. and Mrs. Charlie Smith and Saturday night and Sunday with her daughter, Mr. and Mrs. Lorn Abdon in Covington. Mr. Abdon suffered a slight stroke last week. We wish for him a speedy recovery.

PFALZGRAF-BECHT

In the soft glow of a myriad of candles, the wedding vows of Miss Florence Pfalzgraf, attractive daughter of Mr. and Mrs. Albert Pfalzgraf, Burlington, Ky., and Mr. Raymond A. Becht, son of Mr. and Mrs. Louis Becht, Rosebelle, Ind., were plighted at three-thirty on Saturday, June 12 in Bullittsburg Baptist Church. Rev. W. T. Gardner, former pastor, officiated with the impressive double ring ceremony before a large assemblage of relatives and friends.

Seven-branch candelabras holding cathedral tapers and baskets of white gladiolas, snapdragon, baby breath and chrysanthemums were arranged against a background of ferns on the altar.

Miss Eleanor Spencer wearing a misty blue taffeta floor length dress and a corsage of pink roses played a program of bridal airs while the guests gathered and continued softly during the ceremony. Lohengrin's Wedding March was played for the processional, Mendelssohn's Wedding March for the recessional.

Preceding the ceremony Miss June Vanatta accompanied by Miss Eleanor Spencer sang "I Love You Truly," "Because" and "Oh Promise Me." Miss Vanatta wore a floor-length gown made of pink chiffon and lace and her shoulder corsage was of pink roses.

Miss Martha Pfalzgraf, sister of the bride, was the maid of honor and the bridesmaids were Miss Olive Jones, Sheridan, Ind., and Miss Ruth Harris, Alexandria, Ky.

The three attendants wore gowns of identical design and material in harmonizing colors. Miss Pfalzgraf wore a lavender marquesette over matching taffeta, made with a fitted bodice and full gathered floor length flounced skirt caught up into a bustle effect. The ruffled yoke formed cap sleeves. Miss Jones wore green and Miss Harris wore peach. Miss Pfalzgraf's arm bouquet was of talisman rosebuds, snapdragons and baby breath, with matching headpieces and yellow streamers, and the bridesmaids carried arm bouquets of pink roses and snapdragons and pink ribbons and red roses.

Julius Marschman, Ft. Thomas, Ky., was best man and the groomsmen were James Albert Stevens of Burlington and Edwin Becht, Indiana.

Mrs. Pfalzgraf, mother of the bride, wore a navy sheer dress with white accessories with a corsage of talisman roses, and Mrs. Becht wore black and white crepe with black accessories. Her corsage was of red roses.

The bride, who entered the church unattended, wore a white gown of traditional bridal satin. The basque waist had a sweetheart neckline, and the flared skirt had a hoop effect, falling into a long train. The long, tight-fitted leg-o-mutton sleeves tapered to a point over the hands. Her only jewelry was a two-strand pearl necklace a gift of the groom. Her fingertip length veil of net covered her face and was attached to a halo wreath of orange blossoms.

For something old, she carried a friend's handkerchief and pinned a blue ribbon to a grater, and had a penny in her shoe.

She carried an arm bouquet of delicate white rosebuds, baby breath and snapdragons tied by white streamers.

After the reception, held immediately after the ceremony in the church basement, the bride and groom departed for their honeymoon trip. The bride chose for traveling a teal palm beach suit with white accessories, and a corsage of white roses.

Upon their return they will be at home with the groom's parents, near Rushville, Ind.

Mrs. Bertha Davis, Erlanger, Ky., presided at the refreshment table, assisted by Mrs. Harold Cloud, Covington, Mrs. Robert Hitzfield, Lawrenceburg, Ind., and Mrs. E. L. Patton, Burlington.

Constance

Jimmie Caseldine had his tonsils removed at St. Elizabeth Hospital on Thursday.

Mrs. Minnie Herbstreit is spending a few days with her son Chas. and family.

Mr. and Mrs. Ollie Kottmyer and Sandra Hodges spent Thursday with Mr. and Mrs. Chas. Kottmyer and family at Wilders.

This community expresses deepest sympathy to Oscar Fugate and family in the loss of a wife and mother.

Mr. and Mrs. Robert Vahlding and son attended church services here and were dinner guests of Mr. and Mrs. Fred Vahlding.

Mrs. Ollie Heinzl, of Mill Top spent Sunday with her aunt and uncle, Mr. and Mrs. Fred Vahlding.

Mrs. George Lane is much improved.

Mrs. Milder and son had as dinner guests Sunday, Mrs. Carter, wife and son, Miss Edna Need and her sister and son of Price Hill.

CARD OF THANKS

We wish to thank every one for sympathy and kindness shown during the illness and death of our loved one.

Howard Sampter

We especially wish to thank Rev. Roy Johnson for his kind and comforting words. We also wish to thank the floger's and many donors of floral offerings, also Dr. M. A. Tolton and Chambers and Drebing funeral home. 25-pd.

A Word About Overdrafts

In recent months overdrafts have become very persistent and in order to eliminate this objectionable feature in banking we are compelled to enforce the rule not to pay any checks that would cause an overdraft.

It is impossible for us to contact every one attempting to overdraw his or her account these days.

All checks showing an overdraft will be returned unpaid without notice to the customer. Please keep your account fully covered at all times if you wish to avoid having your checks returned unpaid.

BIG BOAR W. M. S.

The Big Boar W. M. S. met at the home of Mrs. Joe Ayler on Richwood Road for their regular monthly meeting on Thursday, June 10th.

The ladies spent the morning making slips for an orphan in the Baptist Orphan's home in Louisville, Ky.

We were served a delightful covered dish luncheon which all enjoyed.

The afternoon program was in charge of Mrs. Bruce Ryle. It was a wonderful program explaining the work of the Womans' Missionary Society. Mrs. Tom Huff acted as president in the absence of Mrs. Sam Regan.

Those taking part on the program were Mrs. W. W. Ayler, Mrs. Otho Hubbard, Mrs. Richard Schwenke, Mrs. Otis Edwards, Mrs. Albert Peeks and Mrs. Otho Hubbard sang a duet.

Some of the Girls' Auxiliary sang their song, "We've a Story to Tell to the Nations" for the society.

There were 13 members and five visitors present.

The society will meet on Thursday, July 8th at the home of Mrs. Tom Hamilton. All members are invited to attend.

RECIPE OF THE WEEK

Here is a dish which is a good meat substitute for the family's supper, or it is equally good for the main dish for a club luncheon. Food specialists at the University of Kentucky's College of Agriculture and Home Economics point out that the use of eggs, cheese and milk makes it a nutritious dish. It is also time-saving, for it supplies the bread of the meal.

Cheese Puff: 3 slices of bread, ½ pound cheese shredded, 3 eggs, 2 cups milk, 1 teaspoon salt, ½ teaspoon mustard, Paprika.

Place shredded cheese between slices of bread, then lay them in a greased baking dish or pan. Beat the eggs, add milk, salt and mustard. Pour over the cheese sandwiches, being sure the custard comes to the top after soaking the bread. Bake 35 minutes in moderate oven at 350 degrees. Sprinkle with paprika before serving.

Menu: Cheese puff, vegetable salad, buttered peas, strawberry shortcake and ice tea.

Homemakers club members in Montgomery county will visit every farm home in the county in June to record names on mail boxes.

Consistem Bros. of Madison county have, to date, half filled their silo with alfalfa and bluegrass silage to be used in the county.

Crops Look Yellow?

If so, they probably are starving for nitrogen, the plant-food element that produces lush, dark green plants.

In the atmosphere over every acre of land there are 35,000 tons of nitrogen in the form of gas. But plants can't use it as gas. It must be converted into a chemical compound which they can absorb through their roots.

Legumes (the clovers, alfalfa, lespedeza, etc.) are a family of plants that can efficiently convert this nitrogen gas into a usable form. Good farming requires that at least one legume crop be grown in every rotation.

Don't waste money by sowing expensive legume seed on lime-needy land. The first step is to apply the required amount of limestone. We will be pleased to serve you.

ESTABLISHED 1875

VOLUME 72 — BURLINGTON, KENTUCKY THURSDAY, JULY 1, 1948 — NUMBER 52

AUG. 16 SET FOR REGISTRATION

ARMED FORCES TO THROW OPEN RANKS TO 18-YEAR-OLD VOLUNTEERS, ACCORDING TO REPORTS.

First registration under the new peacetime draft bill will probably be held on August 16th, according to reports. The delay is necessary in order to give the proposed 4,000 draft boards throughout the nation a chance to get organized.

Between 200,000 and 225,000 American youths will be in uniform by the fall of 1949 for a period of 21 months, it was estimated.

It is estimated that approximately 7,300,000 men between the ages of 18 and 25 will register at their local registration center August 16. September 22 is the earliest date anyone can actually be drafted.

The new bill went into effect when President Truman signed it in his study June 25th. It remains the law for two years. If the situation is such at the end of two years that the draft is still needed, Congress must pass another law.

Officials estimated that by August 30th the first questionnaries will be in the mail to draft-eligible men. After they are classified, the oldest of the 1-A's will be called up first. Barring an emergency nobody will be inducted before September 22nd.

The Army, Navy and Air Force are planning to announce that they are throwing open their ranks to enlistments by 18-year-olds for one year's service. An 18-year-old can escape the 21-month draft by enlisting for 12 months and then serving six years in the reserve.

UTOPIA PICNIC HELD SUNDAY

The northern Kentucky Utopia Club district held their annual picnic at the fair grounds on Sunday, June 27. The Boone County Clubs were hosts, according to the extension office.

Boone, Kenton, Campbell, and Gallatin counties were represented by 100 persons.

Recreation was the principle entertainment with Utopians taking part in softball, volleyball, badminton, horse shoes, and foot races.

Mrs. Mary Scott Moore led group singing immediately following the basket supper. An old time dance ended the day's entertainment.

The Boone County Clubs appreciate the help of Carl W. Jones in leading recreation for both club members and children.

LARGE TOBACCO BARN DESTROYED

ON FARM OF M. F. JUDY, NORTH BEND ROAD — LOSS ESTIMATED AT SEVERAL THOUSAND DOLLARS.

A large tobacco barn on the farm of M. F. Judy, located near the Estes hill, North Bend Road, was destroyed by fire last week, when struck by lightning. Mr. Judy could not be reached by telephone but reports indicate that his loss will amount to several thousand dollars.

The barn which was 48x96x20 housed hay and practically all of the farm implements used on the farm, among which several new pieces of equipment were lost in the blaze.

Lightning struck the barn during a severe wind, rain and electrical storm which swept through that section late Tuesday afternoon. The barn was a mass of flames shortly after being struck by the lightning and was beyond hope of saving by fire fighters. Although it is not definitely known, it is believed that a large amount of hay was stored in the barn, which caused the structure to burn rapidly.

Mr. Judy's loss was partially covered by insurance with the Farmers' Mutual Fire Insurance Co., of Boone County.

SHERIFF ROUSE ISSUES WARNING TO DOG OWNERS

Dog owners in the Florence community are again warned to keep their dogs on a leash, or penned during the 90-day quarantine, Sheriff Rouse warned Tuesday.

He stated that it had been reported several dogs had been allowed to run at large at night, and that this was a direct violation of his quarantine order. Dogs found on the streets or highways will be killed, he stated.

This order was issued for the protection of the citizens of Florence community, and the county at large, to attempt to check an outbreak of rabies, Sheriff Rouse stated, and should be observed by everyone owning pets.

WILL SPONSOR BAKE SALE

The M. Y. F. organization of the Florence Methodist Church will sponsor a bake sale at Dinn's lunchroom on Saturday, July 3rd at 10:00 a. m. Bakery goods of all kinds will be on sale and the patronage of the public will be greatly appreciated.

THIRD PLACE HELD BY SAND RUN NINE

IN SUNDAY SCHOOL LOOP BY VICTORY OVER FLORENCE—BURLINGTON TAKES OVER SECOND PLACE.

Sand Run took over third place in the Sunday School League by defeating Florence Saturday, while Burlington was trouncing Union. First-place Bullittsville defeated Bullittsburg a double head and in the other games Big Bone was victorious over Bellevue and Petersburg trimmed Verona.

Last year's league-leading Sand Run nine took over third place by trouncing Florence 28-5 Saturday. Bud Goodridge, veteran southpaw, hurled for the winners, while Bob Miller was on the hill for the losers. Buckler and Mahorney paced Sand Run's 25-hit attack, with Shotwell and B. Miller leading the attack for Florence. Miller's home run was the big blow of the game.

With every man in the line-up taking part in their 15-hit attack, Burlington trounced Union 12 to 6. Roscoe Akin pitched for Burlington and scored his fourth win of the season. Weaver started for Union and was relieved in the ninth with the bases loaded and no outs. Harold Hodges came in and retired the side after committing a balk when his cap fell in his eyes. Akin helped his own cause by hitting a long 3-run homer in the fifth.

Bullittsville trimmed Bullittsburg a doubleheader by scores of 11 to 6 and 30 to 0. Hazel Walton and Barney Hogan were the winning pitchers. The Holladay brothers, Bill and Henry, pitched for the losers. Botts and Garnett caught for the winnters and Patton and Campbell were receivers for the losers. Aylor with a single and a triple and B. Hogan with five hits were the leading hitters.

Charley Black, of Big Bone scored six sixth pitching victory by defeating Belleview 14 to 9. Eleven Big Bone batters were set down on strikes by Dave Clore, Belleview hurler, while Black struck out six. Clore was Belleview's leading hitter.

Petersburg regained sixth place by trimming Verona 12-9. Petersburg gathered 15 hits from the offering of Beach and Cheesmen. Sam Huey was on the hill for Petersburg and allowed 12 hits. Donnelly was the receiver for Petersburg, while Shields was Verona's receiver. Houze paced the winners with two singles and a double, while Beach and Code each had three hits for Verona.

Manager of the home teams each week are asked to call Burlington 61 and give the line score, batteries and leading hitters for their games. This information should be in on the day of the game.

VETS RETURN TO WIN COLUMN SUN.

BY TROUNCING HOMER TOMS NINE 14-9—BURLINGTON BOYS LEAD ATTACK FOR VETS WITH THREE HITS.

The Boone County Vets trounced the Homer Toms nine Sunday 14-9 at the Florence grounds. S. Ryle and Bill Munn were on the mound for the winners allowing ten hits, while J. Harvey and Broft hurled for the losers, giving up 16 hits.

The Vets took an early lead, scoring five runs in the first inning, three in the third and one in the fourth, while the visitors failed to score until the fourth inning, when they staged a six-run rally. The losers scored two in the sixth, and 1 in the ninth to give them a total of 9 runs. The Vets scored two in the sixth and three in the eighth, giving them a total of 14 runs.

Sox Benson and his brother Chas. Benson led the attack for the winners each collecting three hits. Stailing collected three hits for the losers.

Sox Benson's home run in the fourth scored two runs for the Vets after Williamson had singled.

Boone County League

Bats were in action Saturday in the Boone County League as Petersburg downed Belleview 15 to 1 and Bob & Gene walloped Constance 19 to 7.

Gene Jones started for Belleview with Rogers receiving, but it was not Gene's day, and Cliff Stephens and Bowman finished the game. Eddie Deck went the distance for Petersburg with "Pete" Klopp behind the bat.

Bob and Gene defeated Constance Saturday at Florence, in a hectic game, by a score of 19-10. The winners scored 7 runs in the first inning on 4 hits, 1 walk, 1 hit batter and three errors. Constance came back with 2 in the second on a triple by Lea, a walk to Hamilton and singles by P. Frecking and H. Bass. They added three more in the fifth on two errors, a walk and triple by Conley, while a double by P. Frecking and a single by H. Bass in the sixth were good for another tally.

Judge's homer had given Bob & Gene another run in the fourth and they had another spree in the sixth when six hits, including Judge's second homer, a triple by Wood and a double by Cooper, 2 walks, two steals and an error were good for 7 more runs. They added 1 more in the seventh on a single and three errors and called it a day after two errors and a sacrifice in the eighth set the stage for Baker's home run to account for their final three runs.

Constance staged a ninth inning rally when two errors, a walk and three hits, climaxed by Peeno's triple brought in four runs. Judge and Horton pulled a fast double play in the first inning.

Charles Benson was the umpire.

WASTE DISPOSAL FOR BURLINGTON

SEEN PROVIDED SUFFICIENT SIGN-UP CAN BE OBTAINED TO HOLD COST TO A MINIMUM—25c WEEKLY PROBABLE COST

The residents of the town of Burlington have been made a proposition by a Covington concern whereby the town can have twice weekly garbage and trash collection service at a mimimum cost provided all residents express a desire for the service.

This has been a great need in our town for sometime, as sufficient facilities for trash and garbage disposal have been almost impossible to find for several years.

The proposition as made by the Covington concern is to pick up all garbage, trash, paper ,ashes, cans, and bottles twice weekly during the summer months and once weekly during the winter months. They will operate on regular days each week and will pick up your waste in front of your home in a large 3-ton garbage disposal tractor-trailer and it will be taken to the nearest incinerator for proper disposal according to the State Board of Health regulations.

The cost of this service will be 25c per week or $1.00 per month for each home. This is very cheap service and can only be available if sufficent residents here will express a desire for the service.

If you a resident of Burlington and interested in this proposition, it is urgent that you make your desire known to this newspaper office or to Judge C. L. Cropper within the next week.

This is another step forward to make our town a better place in which to live, but it rests entirely in your hands as to whether or not you desire this service. Your silence will mean that you do not want it and the matter will be dropped at once.

ANNUAL PICNIC DATE ANNOUNCED

The young people of the Constance Church of the Brethren will hold their annual July 4th picnic on the church grounds, Saturday, July 3rd beginning at 3 p. m. Lunch refreshments and fish pond for everyone. Come, bring your friends, everyone welcome.

Duvall, field secretary of the Kentucky Disabled Ex-Service Men's Board, Louisville, Ky., will be in Burlington, Friday, July 9, for the purpose of aiding in filing claims for veterans and their dependents and to advise them regarding any other benefits to which they may be entitled. Mr. Duvall will be at the courthouse from 8 a. m. to 4 p. m. on the above date.

DR. AND MRS. H. C. RANDALL HOSTS AT FAMILY REUNION

A reunion of the Randall family was held at the home of Dr. and Mrs. H. C. Randall, of Columbia, Ky. on Sunday. It was the first time the family had been together for thirty-two years and it was an enjoyable occasion.

Dinner was served at noon to the following: Mr. and Mrs. E. Y. Randall and Mr. John Randall, of Petersburg; Miss Martha Randall, of Los Angeles, Calif.; Dr. W. M. Randall and Dr. M. G. Randall, of Louisville; Dr. Paul Randall and Dr. Tom Randall, of Albany.

Mr. and Mrs. Reed Hudson and Howard, Mr. and Mrs. Leonard Riggs and Shirley and Mr. and Mrs. Estel Hudson enjoyed a picnic and fishing trip at Big Eagle Creek, Sunday, June 27.

WOOL DELIVERY DATE CHANGED

BUYER UNABLE TO PICK UP WOOL AS PREVIOUS SCHEDULED—CHANGE OF ONE DAY IN DATE MADE.

The dates for delivery of wool to the Boone County Wool Pool have been changed, according to Lillard Scott, secretary.

Wool will be delivered to Walton on Wednesday, July 7th, and Burlington on Thursday, July 8, instead of Tuesday and Wednesday as originally advertised.

The fact that the buyer is unable to pick up the wool as he previously stated has necessitated the change.

Mrs. T. O. Harrison and son Tommy, of Southgate spent last week with her mother, Mrs. A. L. Furnish.

LOCAL MAN ABOARD NEWEST NAVY CRUISER

William R. Blaker, Jr., apprentice seaman, U. S. Navy, Burlington, R. 1, son of Mr and Mrs. William R. Blaker will be a member of the initial crew of the Navy's newest cruiser, the 17,000-ton Worcester.

The Worcester was commissioned at the Philadelphia Naval Shipyard Saturday.

Launched February 4, 1947, and paid for by funds collected from residents of Worcester, Mass., the new cruiser is tops in the Navy's postwar design.

Armed with six-inch guns, it is the first vessel of the fleet to be constructed with all the design lessons learned during World War II. Its hull is so designed that it is water-tight throughout, with neither intake nor output openings below the water line.

So sealed, the Worcester presents a difficult problem for an enemy to sink.

Seaman Blaker is a former student of Hebron High School, and worked as a farmer before entering the Navy. If he completes the vessel's "shakedown" cruise, he will become what is known in naval terminology as a "plank owner."

THREE BOONE NINES MARK UP VICTORIES

IN BENKE SEMIPRO LEAGUE—BOB AND GENE, PETERSBURG AND VERONA ARE VICTORIOUS IN SUNDAY GAMES.

Three Boone County Teams emerged in the winning column Sunday in the Benke Semipro Baseball League. Verona topped We Tavern 8-2; Petersburg defeated Blue Ash 6-5 and Bob and Gene emerged on the long end of 6-0 count over Grants Lick.

Dutch Reibling hurled the Bob and Gene nine to a 6-0 victory over Grants Lick Sunday at the loser's grounds. Reibling struck out eight and allowed only three scattered hits. He also tripled to drive in two runs, to aid his own cause. Allan Nagel on the hill for the losers was touch for 13 hits, while strikIng out eight and walking two.

Smith led the attack for Bob & Gene with a pair of triples and a single, Belch led the losers with two singles.

Verona chalked up another victory Sunday defeating We Tavern by a score of 8-2 at the Verona park.

Steffen started on the mound for Verona but was relieved in the third inning by P. Afterkirk. Steffen allowed the visitors 1 hit and 1 run, while Afterkirk allowed 3 hits and 1 run.

Verona staged a hitting spree in the fifth inning, collecting six runs, adding the remaining two in the sixth. The visitors collected one run in the third and one in the ninth.

Lorenge and Tobe were on the hill for the visitors allowing fifteen hits and eight runs.

Verona will play Kenta-Kee at Veronh, July 4th and Bob & Gene at Verona, July 5th.

Petersburg won a close decision Sunday from the winless Blue Ash nine by a score of 6-5 at the Petersburg grounds.

D. Deck started on the hill for Petersburg and was relieved in the seventh by H. Deck, who received credit for the victory. Newman and Groeschen served them up for the losers. Petersburg collected 10 hits while the losers were held to nine.

The victim suffered a skull fracture, broken neck and internal injuries. He had been attending a movie at Walton with three other youth, but was returning home alone. His companions who accompanied him to show said he passed their car, skidded on the wet road and overturned in a ditch. His companions worked several minutes to free the victim from the wreckage. He was removed to the office of Dr. J. M. Huey, Walton, who pronounced him dead.

Roberts is survived by his father, Clay Roberts, Independence; his maternal grandparents, Mr. and Mrs. Arvil Eckler, with whoc he made his home; a sister, and his paternal grandmother, Mrs. Alice Roberts, Cynthiana.

MARK KEATON

Mark Keaton was born Dec. 23, 1867, died June 25, 1948. He was the son of William and Julia Ann Keaton, and lived his entire life in or near his birthplace in Boone County.

"Tude" as he was so lovingly called by all who knew him, was a fine Christian man, kind and always ready to help those who were in need of assistance.

Mr. Keaton had been in failing health for several years, but was cheerful and ready when the call came.

He leaves to mourn his passing one brother, Marion Keaton; a nephew, Horace Bernard with whom he made his home, and a host of nieces, nephews and cousins. He will be greatly missed by all who knew and loved him.

Services were held in Bullittsburg Baptist Church, Sunday afternoon at 2:30 p. m., with Bro. E. Lionel Patton officiating. Mr. and Mrs. E. A. Martin, Mrs. Mark Holladay and Mr. Bruce Campbell brought a comforting message in song.

Chambers and Grubbs, Florence funeral directors were in charge of arrangements.

FINGERLING CROP IS EXCELLENT THIS YEAR

The bass fingerling crop at the Division of Game and Fish hatcheries is excellent this season, the Fisheries Department reports, and all sportsmen's clubs are receiving increased numbers of fish this year. This report was forthcoming after the first few weeks of distribution in the Sixth and Ninth Districts when it was found that the number of fingerlings at the Williamsburg hatchery was almost double the previous high for that station. Already 60,000 bass fish have been taken from this area and almost that many more remain, the department believes. The previous high for Williamsburg was 97,000. The Division believes the number of fingerlings at ponds at Glasgow, Ashland and Pikeville also is much greater than in previous years and with this in mind increased numbers of fish are being allotted each club. It was pointed out. Distribution will continue in other districts in rapid order, with the Seventh being the next on the list.

FLORENCE HOMEMAKERS

The Florence Homemakers held their regular meeting at the Town Hall, with Mrs. Mabel Sayre as hostess and Mrs. Robert Myers, the president presiding.

Election of officers was held. Those elected were Mrs. Harold Conner, president; Mrs. Robert Hammersmith, vice president; Mrs. Robert Cox, secretary and treasurer.

Roll call was answered by naming a new flower they had planted this year. Those answering roll call were Mrs. Mary Bustetter, Mrs. Robert Carter, Mrs. Robert Cox, Mrs. Robert Hammersmith, Mrs. Cam Kennedy, Mrs. Charles Luebbe, Mrs. Curtis Moore, Mrs. Robert Myers, Mrs. Mabel Sayre, Mrs. Henry Shelton, Mrs. C. W. Weaver, Mrs. Clarence Wiening, Mrs. M. M. Lucas was welcomed as a new member.

An annual picnic will be held on Sunday, August 15th at the home of Mrs. Curtis Moore.

A tour was planned for July 14th A Dixie Traction bus will be chartered to take them to Calumet Farm, Lexington, Ky., and Churchill Weavers, Berea, Ky. Those in charge of the tour are Mrs. Robert Myers, Mrs. Mabel Sayre and Mrs. R. H. Carter.

The lesson on refinishing furniture was given by Mrs. Charles Luebbe and Mrs. Robert Cox. There will be a display of furniture that will be finished on July 28th and 29th.

BULLITTSBURG CHURCH NOTES

Bro. Patton had a busy day last Sunday. He taught the Men's Class in Sunday School, preached a very thought-provoking sermon to a large audience, officiated at a funeral, in the afternoon and baptized four young girls in the Florence Baptist Church baptistry. Again in the evening Bro. Patton preached to a large group and finished the day by conducting choir practice.

Bro. Patton and his attractive young wife are new to Bullittsburg, but they certainly are "at home" in holding forth the Word, and are tireless in their efforts. Their talents are many and varied and the church should go on with great strides for the Master.

If you like good church music you will want to come and hear his choir of mixed voices.

A reception and house warming for Bro. Patton was held in the new church basement after prayer meeting Wednesday night.

Weekly cottage prayer meetings are being held and larger groups are present each time.

A Daily Vacation Bible School will open Monday, July 5th. Children from 4 to and including 18 are welcome.

Bullittsburg Baptist Church is looking forward to a dedicatory service, a home coming, and the W. M. U. Missionary Association of North Bend during the summer months.

The public is cordially invited to attend any and all services in the church.

Last Sunday night the hand of church fellowship was given to Jean Stamper, Vonnie Drake, Vera Harrison and Ruby Harrison.

Brother and Mrs. Patton are now located on the field, having rooms in the home of Mr. and Mrs. Joseph Bond. This will be home for them during the summer months only, as both are students in the Louisville Seminary.

POEM WRITTEN BY W. W. GAINES CARRIED IN CHRISTIAN INDEX

The following poem, written by W. W. Gaines, of Atlanta, Ga., and a native of Boone County was carried in the Christian Index, the official Baptist paper of Georgia, in the issue of June 17, 1948:

When He Plants A Tree

What does he plant, who plants a tree?
He plants a house for you and me,
A house, with children, dear and gay,
The Nation's pride, the Nation's stay.

What does he plant who plants a tree?
He plants a ship which sails the sea,
A ship with sturdy timbers tough,
That rides the rolling billows rough.

What does he plant who plants a tree?
He plants a church for the years to be,
A church with slender steeple high,
That points the pilgrim to the sky.

What does he plant who plants a tree?
He plants curatives for men, in fee.
Tonic, and balm, in bark and leaf;
Nature's kind thought for human relief.

He plants rich kindness, favor, health,
And benefaction, hope and wealth.
His debtors, men, forever shall be,
He plants all this who plants a tree.
—W. W. Gaines, Atlanta.

Florence

The M. Y. F. organization of the Florence M. E. Church are sponsoring a bake sale at Dinn's lunchroom on Saturday, July 3 at 10 a. m. All kinds of bakery goods will be on sale and the patronage of the public will be greatly appreciated.

Miss Mary Knox departed on Friday of last week for an extended vacation with friends in Wisconsin.

The W. S. C. S. of the Florence M. E. Church will meet on Tuesday, July 6 at the church instead of at the home of Mrs. Geo. Miller as was previously announced. A covered dish dinner will be served at 12:30 followed by the regular meeting at 1:30 p. m. All ladies of the church are invited.

G. Blayne Miller, who is residing in Louisville, visited with his parents, Mr. and Mrs. Geo. B. Miller over the week-end and also attended the opening of the opera season at the Zoo.

E. G. Stephenson is sporting a new Packard car.

The Roland Watts family, who recently sold their property here left Thursday night for Maryland, where he is employed by a construction company. We regret the loss of these people from our community.

P. J. Allen and wife were calling on friends in Sayler Park, O., last Tuesday.

The pastor and members of the Florence M. E. Church were most happy to have as guests Sunday morning the Good Faith Lodge of Masons, of Erlanger, who were observing St. John's Day.

Mrs. Jeanette Gleis and daughter Patty, of Florida are visiting Mr. and Mrs. Chas Carpenter and other relatives.

Mr. and Mrs. John Pierce left on Monday of last week for Tucson, Arizona, where he expects to be benefitted in health by the climate of that state.

The J. T. Stephensons had as guests Sunday, Dave Wingate and family and Sydney Ambrose and wife.

The sale of the household furnishings and home of the late Mrs. Maggie Brooks Saturday was well attended. The property was purchased by Mr. and Mrs. Rector Jones.

Miss Ruth Bristow, a student of the U. of K. is spending her summer vacation with her parents, Mr. and Mrs. James Bristow.

Mr. and Mrs. L. E. Rouse, of Ludlow were Saturday evening guests of his brother Carl.

The whole community was shocked to hear of the death of Mrs. Minnie Dringenburg on Sunday morning at the home of her sister, Mrs. Irene Renaker. Deepest sympathy is extended to her husband, George Dringenberg, her sister, Mrs. Irene Renaker and a host of relatives and friends.

Mr. and Mrs. Robert Surface returned recently from an extended vacation trip to Oklahoma City and other western points of interest.

Mr. and Mrs. B. H. Aylor, of Gunpowder had as their guests on Friday evening, Mr. and Mrs. William Elkin and sons, Mr. and Mrs. Larry Aylor and daughter and Mrs. Martha Richards and son Jerry.

Rev. and Mrs. Herman V. J. Andrea and family are spending a two weeks vacation with relatives in Louisville, Ky., and Springfield, O.

Mr. and Mrs. Edw. Gornall, of Park Ave., left last week for a vacation trip to Miami, Fla., and other southern points.

Mrs. Thelma Gebhard and daughter and Mrs. Nonie Hall and daughter of Erlanger were guests of Mrs. Zelma Aylor and daughter on Saturday afternoon.

Miss Alice Cody, of Sanders Drive is enjoying a vacation trip to Washington, D. C., New York City and other points of interest in the North.

Mr. and Mrs. Elmer Paul Depenbrock (nee Evelyn Dahlenburg) returned from their honeymoon trip through the Smoky Mountains the past week. They will make their home with the bride's parents, Mr. and Mrs. Al Dahlenburg, of Sanders Drive until their home on Burlington Pike is completed.

Mr. and Mrs. John Pierce (nee Betty Yelton) departed for Tucson, Arizona the past week where they plan to make their home.

Mr. and Mrs. Ward Stegner have opened a delicatessen and fruit market in their new building adjacent to the Rainbo Tourist Home We wish them much success.

Mr. and Mrs. Roland Watts and son, who sold their property at the end of Garrard St., recently, have moved to Aberdeen, Md., where they will establish their home.

Mr. and Mrs. Lennie H. Busby and daughter of Route 42 left for Ft. Lauderdale, Fla., the past week where they plan to establish their home.

The many friends of Mrs. Hattie Owens will be glad to know she is able to be out again following several days illness at her home.

Mr. and Mrs. Paul Tanner and daughter, of Frankfort, Ky., visited his parents, Mr. and Mrs. A. G. Tanner and son several days the past week.

The community wishes to welcome Mr. and Mrs. Walter Merland who are now located on Route 42, the home recently vacated by Mr. and Mrs. Lennie Busby.

BELLEVIEW Y. W. A.

The Belleview Y. W. A.'s met at the home of Misses Alice Ruth and Helen Fay Eggleston for their monthly meeting. There were nine members present and four visitors.

The motion was made and seconded that we have our meetings on the first Friday night of each month. Our meetings will begin at 7:30.

Our next meeting will be July 2nd at the home of Mrs. Kenneth Rogers. Mrs. Burkett will be there to teach the book for our study course. All the young women are invited to attend.

You'd Be Surprised! by EAST BEND FEEDS

AND WE CAN PROVE IT.

Whisky is NOT an antidote for snake bite! (According to the Manual of First-Aid Instruction issued in 1940 by the United States Department of Interior, pp. 221-222, in the treatment of bites by poisonous snakes the patient should be kept lying down and quiet to slow circulation and retard absorbtion of the poison. Whisky being a stimulant, is entirely out of order in the treatment of snake bite.)

NATIONAL FOOD PRESERVATION WEEK DESIGNATED JULY 19-24

Secretary of Agriculture Charles F Brannen has designated the week of July 19-24 as National Home Food Preservation Week.

A program of food preservation, whether done at home or in a community canning center, offers the homemaker the opportunity to provide better nutrition to her family especially to increase consumption of vitamin-rich fruits and vegetables and at the same time help to reduce living costs and combat inflation. The special week has been designated, according to department officials, to emphasize the importance to homemakers of planning now to take advantage of the supplies of the various home and commercially produced fruits and vegetables that will be available throughout the summer and fall. Foods in excess of current consumption needs may thus be saved for use next winter.

In announcing the week, Secretary Brannen stated: "Food is still the most important factor in the fight for world peace. We cannot afford to let the abundance of our farms and gardens be wasted, with a little planning and extra effort these supplies can be used to maintain the health and vigor of our families."

Unnecessary waste of perishable foods during periods of peak seasonal supply is our never ending problem. Food preservation by canning, freezing, drying, and storing, can act as a kind of inventory control for both the farmer and consumer. It is a means of stretching the abundance of summer into winter. A well-planned national home food preservation program will provide expanded food markets for commercial producers of fresh fruits and vegetables and better nutrition for consumers.

ESTABLISHED 1875

VOLUME 73 — BURLINGTON, KENTUCKY THURSDAY, JULY 8, 1948 — NUMBER 1

BURLINGTON LADY IS REPRESENTATIVE

OF GRAND CHAPTER OF MANITOBA AT REGULAR MEETING HELD JULY 1—HAS BEEN ACTIVE IN O. E. S. WORK.

Mrs. Mary Ryle, past Worthy Matron of Four Star Chapter O. E. S. Burlington, received the appointment of Grand Representative of the Grand Chapter of Manitoba, at the regular meeting of the local organization Thursday evening, July 1.

The commission, an honor of high magnitude, was presented to Mrs. Ryle by Mrs. Louise Vogelmann, of Daylight Chapter, Covington. Mrs. Vogelmann was Deputy Grand Matron of District No. 3 the past year.

Other prominent visitors attending the presentation of Mrs. Ryle's commission as Grand Representative were Mr. and Mrs. Ralph Brand, Worthy Patron and Worthy Matron of Daylight; Mr. and Mrs. Wm. Reinhardt, Emera Chapter, Covington; Mr. and Mrs. Mergardt, Daylight Chapter; Mrs. Wm. Greenup and Miss Frances Barlow, Union Star Chapter, Union.

Mrs. Ryle has been very active in O. E. S. work for a number of years and many tributes and compliments have been paid her upon receiving this outstanding honor.

The nature of Mrs. Ryle's duties as Grand Representative will be to foster and promote fraternal relations between the grand jurisdictions of Manitoba (Canada) and Kentucky.

HOMEMAKERS PLAN 1948-1949 PROGRAM

A six months home furnishings class was planned by a committee of homemakers last week. Boone County homemakers have selected three subjects on home furnishings to be studied during the new year's work, according to Mary H. Gillaspie, Home Demonstration Agent.

A county committee composed of Mrs. Joe Hogan, Mrs. Joe Northcutt, Mrs. Leonard Meece and Mrs. George Moody met with Miss Vivian Curnutt, home furnishing specialist of the University of Ky., and the home agent last Thursday. These leaders with the help of Miss Curnutt, planned the month-by-month program. October and November of 1948 will be devoted to chair seating, both cane and hong kong. The making of hooked rugs has been planned for the winter months of January, February and March.

Miss Curnutt stressed the importance of homemakers collecting woolen materials between now and time for the project. The sixth lesson will feature wiring, refinishing and converting lamps.

BOONE COUNTY TO BE REPRESENTED AT U. K. HEALTH COURSE

Under sponsorship of Kentucky State Tuberculosis Association and Boone County Tuberculosis Association, Miss Elizabeth Lowry and Mrs. Sibbia Reimer are taking the health course for schools given by University of Kentucky, Lexington. The school will continue from July 5th through July 17th.

This is a step forward in cooperating with Kentucky State Board of Education on their new program to be installed in county schools this year.

NEW CLASS TO BE FEATURED

AT 4-H AND UTOPIA FAIR, ACCORDING TO MARY HOOD GILLASPIE, HOME DEMONSTRATION AGENT.

Housewives of Boone County will have the opportunity to enter their best crocheted work in a nation-wide contest, according to Mary Hood Gillaspie, Home Demonstration Agent.

A special class has been arranged for hand crocheted articles, made, or at least finished in 1948. All entries must be entirely crocheted of mercerized crochet cotton.

The county winner will receive a loving cup. Following the county fair the best article in each class will be sent to New York to be entered in the seventh annual nation-wide crochet contest.

Classification for the local contest will be tablecloths, bedspreads, doilies, scarfs, hats and bags and edging or insertions.

Mrs. J. W. Kelly spent last Thursday with Mrs. Louis Riddell, of Florence.

WILLIAM M. TOLIN

Services for William Morgan Tolin, 90, believed to be the oldest resident of Brighwood, Ind., were held Tuesday in the home of his daughter, Mrs. W. D Toney, 3012 Station St., where he died Sunday. Burial was in Memorial Park Cemetery.

Mr. Tolin was a carpenter by trade and was a native of Boone County, Ky. The only other immediate survivor is a granddaughter, Miss Pauline Tolin, Indianapolis, Ind.

ALBERT B. SOWDEN

Albert Barnes Sowden, age 75, formerly of Dixie Highway, Florence, died Sunday, June 27 at Lakeworth, Fla.

Funeral services were conducted from the Chambers and Grubbs funeral home, Florence, last Thursday at 2 p. m. with burial in Highland Cemetery. Norman Barnes Scottish Rite of Covington conducted services last Thursday.

He is survived by one daughter, Mrs. Ashell Parker, of near Florence and one brother Art Sowden, of Covington.

Chambers and Grubbs, Florence funeral directors were in charge of arrangements.

CLAY H. BLACKBURN

Clay H. Blackburn,, 70, Petersburg died Tuesday of last week in Good Samaritan Hospital.

He was a veteran of the Spanish American War and was a member of Petersburg Lodge F. & A. M. He was well known through the northern section of the county.

Mr. Blackburn is survived by his widow, Mrs. Myrtle Kessler Blackburn; a brother, Ben Blackburn, Erlanger; and three sisters, Miss Martha and Miss Elizabeth Blackburn and Mrs. Charles Spraul, all of Dayton.

Funeral services were held Friday at 2 p. m. in Covington, with burial in Evergreen Cemetery, Southgate.

WILLIAM T. DAVIS

William T. Davis, aged 86 years, resident of Saline and Garland County, Ark., for the past 22 years, and a member of the Church of God since 1910, passed to his eternal reward on May 31.

He leaves two daughters, Mrs. J. H. Pride, of Indianapolis, Ind., and Mrs. A. V. Barnette, of Kenton, Ark. Two grandchildren and four great-grandchildren.

Mr. Davis was a native of Boone County, having moved to Arkansas in 1926. For several years he attended the First Church of God in Hot Springs. He was a very devout Christian man and all who knew him learned to love him. In his declining years he made his home with his daughter, Mrs. A. V. Barnette, in Kenton, Arkansas.

Funeral services were held at Benton, conducted by Rev. F. L. Hurst, of Hot Springs, Arkansas.

FOUR-H CLUB GIRLS ENROLLING IN CANNING

Four-H Club girls of Boone County are now enrolling in the canning project, according to Mary H. Gillaspie, H. D. A.

Any girl who is a member of a local 4-H Club may join a local canning project group. Each club member has received a card to be returned to the county extension office stating the unit they wish to carry this year.

Canning projects available this year are: Unit I, fruits and fruit juices; unit II, tomato and tomato juice; unit III vegetables; unit IV, meats; unit V, relishes and pickles; unit VI, jellis and james and marmaiades; unit VII, canning budget.

A special canning exhibit has been planned for 4-H girls at the County Fair, August 20 and 21st.

VETS DROP TWO DURING PAST WEEK

DEER PARK AND BURTS TAVERN BAND VETS DEFEATS BY SCORES OF 9-4 AND 11-5 RESPECTIVELY.

Boone County V. F. W. suffered defeat at the hands of Deer Park Merchants, Friday night by a score of 9 to 4 in what was a very good game until the 8th, when the victors scored their final four runs.

The winners scored two in the second on a single, a walk, a sacrifice and two errors and two more in the third on a hit batter, a steal, a wild throw, 2 walks and a single. The Vets scored one in the third on D. Williamson's homer and two more in the fourth on two singles, a hit batter, a walk, an error and a long fly.

The Merchants collected their fifth run in the 7th on 3 singles and an error, while 2 singles and an error in the eighth gave the Vets their final tally.

Leading by 5 to 4, the Merchants went to work in their half of the eighth to really "ice" the game, when a walk, 3 singles, a triple, a steal and an error gave them their last 4 runs. Miller led both teams at bat with 2 singles and a double, while D. Williamson and Clore collected 2 hits each for the Vets.

Smith and Blankmeyer were on the hill for the Merchants, striking out 7.

Kurts Taven handed the Vets another defeat Sunday by a score of 11-5, collecting 14 hits from the offerings of Munn, Ryle and Fanger.

Kurts Tavern took the lead scoring one in the second, one in the third, three in the fourth, four in the sixth, one in the seventh and one in the ninth for a total of 11, while the Vets scored one in the second, three in the fifth and one in the seventh.

The Vets chalked up another victory Monday when they turned back Becker Clother by a score of 12-6. Smith and Sahnger were on the hill for the Vets, while Richer and Prigge served them up for the Becker nine. Goodridge and "Pip" Clore each collected a home run, while Sox Benson and Bob Williamson had three hits each, to add to the offensive play of their team.

Mt. Lookout will be entertained Sunday at 3:00 p. m. by the Vets at Florence grounds.

Boone County League

Bob & Gene won over the Belleview nine Saturday in the only games played in the Boone County League by a score of 20 to 9.

With Woods on the mound for Bob & Gene, the Florence boys easily defeated Belleview. Long range guns were in action for Bob and Gene with Gerald Clore hitting a home run.

Games Saturday, July 10: Bob and Gene at Petersburg; Constance at Belleview.

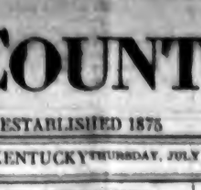
VOLUME 73



This issue of The Boone County Recorder marks the beginning of the paper's seventy-third year. It is volume 73, number 1.

During the past seventy-two years The Recorder has visited a majority of the homes of Boone County each week, and has had its share of advertising and news. As we begin this 73rd year, it is the desire of the editor to reach even more homes than it has ever reached in the past.

At the present time The Recorder is probably enjoying the largest circulation in its history, reaching approximately 85 percent of the population of Boone County. We appreciate the support which has been given this paper during the past seventy-two years, and it is our sincere wish that we may merit your support during our seventy-third and other years to follow.

We wish to thank all those who have cooperated in any way during the past year, and ask your cooperation in the future. The Recorder is your paper, and if you have news items which will make it more interesting, it is our desire that you mail your item to this office not later than Tuesday morning.

VERONA AND BOB AND GENE WINNERS

IN BENKE SEMI-PRO GAMES SUNDAY—DECKS HOLDS BOB & GENE NINE TO FIVE SCATTERED HITS.

In a hurling duel, D. Deck held the Bob & Gene nine to five scattered hits, to lead his team to a 2-0 victory over Bob & Gene Sunday in the Benke semipro baseball league.

After playing six innings of scoreless ball Deck broke the tie with a home run in the last of the seventh inning.

Pund was on the hill for Bob and Gene allowing eight hits. Deck led his team at bat with three hits, including his seventh inning homer.

Verona trounced the Kentakee nine Sunday by a score of 13-1 at Verona. Steffen and Ryan were on the hill for the winners, allowing five hits, while their teammates were collecting 16 from the offerings of Flynn and Crawford.

Walton suffered defeat Sunday at the hands of Grants Lick by a score of 8-1 at Grants Lick. The winners collected 13 hits from the offerings of Worthington and McClure, while Allen Nagel held the losers to five safeties.

Alexander, Brown and I. Gulley led the attack for the Verona boys.

Bob & Gene emerged on the long end of one-sided score Monday by defeating Verona 14-1 on the Verona ground. Reibling was on the hill for Bob & Gene, allowing 7 hits and 1 run and stricking out ten batsmen. Afterkirk and Ryan served them up for Verona, allowing 19 hits and 14 runs. The big blow of the day was Conner's home run for Bob & Gene.

BURLINGTON P.-T. A.

The Burlington P.-T. A. will meet Monday night, July 12 at 8:00 p. m. Important business will be discussed and all members are urged to attend.

CARRIE J. LONIAKER

Funeral services for Carrie Jane Loniaker, 79, wife of Walter Lonlaker of Petersburg, who died June 30 at her home following a long illness, were held Saturday afternoon, July 3, at the Belleview Christian Church with burial in the Belleview Cemetery. The services were in charge of Rev. Claude R. MacDonald, pastor of the Petersburg Christian Church, who was assisted by Rev. Otto Pierson, pastor of the Petersburg Baptist Church.

Mrs. Loniaker was born June 13, 1869, a daughter of the late James and Sarah Moreland. She was a native of Boone County and her entire life was lived here.

She was married in 1885 to Dan McCarty, now deceased. To this union were born two children Sadie McCarty, deceased, and Clarence McCarty, of Cincinnati.

On April 1, 1903, she was married to Walter Loniaker, to which union there was born one daughter, Mrs. Earl Acra of Petersburg.

Surviving besides her husband and daughter are two step-children, Mrs. Bertha Houze, of Petersburg and Stanley Loniaker, of Lawrenceburg, Ind.; two sisters, Mrs. Nannie McCarty, of Aurora, Ind., and Mrs. Eliza Crisler of Florence; and one brother, William Moreland, also of Florence and a number of nieces, nephews and grandchildren.

Mrs. Loniaker was a member of the Belleview Christian Church, having united with that congregation when a young woman.

CLOSE SCORES MARK GAMES

SATURDAY IN SUNDAY SCHOOL LEAGUE—SAND RUN, BULLITTSVILLE AND PETERSBURG COP HOLIDAY GAMES.

Close games were in order in the Sunday School League over the week-end as pitchers held the upper hand. Sand Run moved into a second place tie with Burlington and Petersburg climbed to fifth place. Union and Big Bone each dropped two while Bullittsburg won their first game of the year.

Manager Myron Garnett led his championship bound Bullittsville team to two holiday victories to tighten his grip on first place. Barney Hogan won his tenth ball game as he outlasted Charley Black of Big Bone in Saturday's 5-3 encounter. The little right-hander gave 7 hits and struck out 4. Black allowed the winners 9 scattered singles and whiffed 6. Joe Hogan, Bullittsville's slugging star, drove out three safeties to pace the winners. Aylor and B. Hogan each had two singles. Big Bone's sluggers who led the league in extra base clouts were topped by "Sonny" Gruelle with two doubles and Cliff Rouse with a double and single. "Red" and Shirley Gruelle each hit a triple. Summary: Bullittsville 5 runs, 9 hits, 1 error; Big Bone, 3 runs, 7 hits, 5 errors.

Bullittsville came back Monday and scored an impressive 21-5 victory over Verona. Joe Aylor and Hazel Wilson served them up for the winners with Aylor receiving credit for the victory. Cheesmen and Poole were on the hill for Verona. Garnett substituted freely as he gave all his players an opportunity. Mulligan with a triple, two doubles and a single was the big gun for Bullittsville. Mel Aylor had three hits for the winners. Dick Gaines poled out a home run with the bags loaded. Sparks, Verona first baseman, came through with three hits. Summary: Bullittsville, 21 runs, 21 hits, 6 errors; Verona 5 runs, 7 hits, 3 errors.

Burlington traveled to Sand Run Saturday in the battle for second place in the standings and returned defeated. George Bloebaum, one of the league's top hurlers, turned in a splendid performance as he held the county seat boys to three runs on nine scattered hits. Bloebaum struck out eight as he recorded his fifth game in the win column. Roscoe Akins was on the hill the first six innings when Joe Smith came in and finished the game. Akins was the losing pitcher, although he allowed but three hits. The Burlington defense was poor. Ed Mahorney, all-league shortstop, copped hitting honors with two doubles and a single. Buck Judy came through with three safe blows also. Jimmy Smith and Bob Brown topped Burlington hitters with three hits each. Summary: Sand Run 11 runs, 12 hits, 2 errors; Burlington 3 runs, 9 hits and 7 errors.

George Bloebaum won his second game of the week-end as he pitched Sand Run to a 11-5 triumph over the slumping Union nine. Bloebaum was reached for 12 safeties, but kept them scattered. The Sand Run ace struck out 7 Union hitters. Gene Weaver, little Union southpaw, was protecting a 4-0 lead for five innings when Sand Run's big bats begin to connect. Weaver was relieved by Hodges in the eighth. "Pig" Wilson, Sand Run third baseman, came through with three hits. Moore had three bingies to top Union. The game was marred by poor Union defense. Sand Run is seeking their second championship. Summary: Sand Run, 11 runs, 13 hits, 4 errors; Union 5 runs, 12 hits and 6 errors.

Big Bone took a first inning 3-0 lead over Burlington and behind Black's two-hit hurling held an 8-2 lead for 7 innings before Burlington began to hit the veteran right-hander. In the eighth Burlington batted 13 men and went on to a 13-9 victory over the boys from the Lick. "Chick" Stephens went the route for the winners and struck out 13 Big Bone batters. Charlie Black in losing his second week-end game whiffed 10 in 7 innings. Pitcher and Rouse both came in to hurl in Burlington's big inning. Bill McBee drove out three hits with men on each time to pace the winners. Jimmy Smith and Bob Brown drove out consecutive home runs for Burlington to put the game on ice. Pitcher's three singles, Red Gruelle's triple and double and Stephens' four bagger were the big blows for Big Bone. Summary, Burlington 13 runs, 11 hits, 6 errors; Big Bone 9 runs, 13 hits, 4 errors.

Petersburg eked out a 6-5 win over Florence in one of the closest and best-played games of the year. Sam Huey went the route for the winners as he chalked up his third victory. Bob Miller started for Florence, but gave up 4 runs in the first inning. Bobby Rouse came in and hurled excellent ball the last eight innings as he allowed but 3 hits. Al McEvoy peaked out three singles to pace the winners. Cody, Florence shortstop had a single and double. Dud Rouse hit a sixth-inning double with the bases loaded. Summary: Petersburg 6 runs, 8 hits, 2 errors; Florence 5 runs, 7 hits, 3 errors.

Petersburg avenged an early season loss to Belleview as they downed their traditional rivals 9 to 4. Belleview was leading 4-0 for five innings when walks, errors and hits accounted for 7 runs. Marvin Campbell seemed to have returned to his early season form. Dave Clore was on the mound for Belleview. Donnelly, dependable Petersburg receiver, had three hits to toj the winners. John Walton collected two hits for the losers. Summary: Petersburg, 9 runs, 11 hits, 1 error; Belleview 4 runs, 6 hits, 3 errors.

Ivan Cason pitched Belleview to one of the major upsets of the year as they drubbed Union 8-3. Union scored in the first two innings, after which the big lefthander was tough. Cason set 9 Union hitters down on strikes. Scott Jack, veteran Union hurler gave up 11 hits as he dropped his third game. John Walton, slugging Belleview third baseman, had three hits. Jack and Hopp each had three hits for Union. Summary: Belleview, 8 runs, 11 hits, 3 errors; Union 3 runs, 9 hits, 4 errors.

Bullittsburg scored the first win of the year as they downed Florence 10-3 in a well-played game. Milly Pepper tamed Florence's big bats as he struck out 16. Pepper's fast ball was just too much for the losers. Bobby Rouse and Roy Brooks were the Florence moundsmen. Bullittsburg's 16-hit attack was led by McGlasson, Joe Pepper and Milly Pepper with 3 hits each. Dringenburg had two doubies for Florence. Summary: Bullittsburg 10 runs, 16 hits, 3 errors; Florence 3 runs, 9 hits and 5 errors.

Verona won a forfeit game from Bullittsburg Saturday 9-0.

NATIONAL GUARD STILL TAKING ENLISTMENTS

Frankfort, Ky.—Adjutant General Roscoe L. Murray has announced that the Kentucky National Guard still is taking enlistments and has a reserve quota of 750 yet unfilled. The reserve quota is the difference between the present Guard strength and the maximum ceiling of 4,116 recently set by the National Guard bureau.

"Enlistments have never stopped in the Guard," said General Murray "despite erroneous reports to the contrary."

The drive for enlistments is continuing, Murray reiterated, until the full ceiling is met.

The Adjutant General said that recruits may be obtained from short-term veterans who served ninety days before Pearl Harbor or after VJ Day who would be exempt from Selective Service if they joined the National Guard.

In addition, men beyond registration age from 25 to 34 years old are still eligible for enlistment.

The Department of the Army (War Department) has expressed a need for some 1,200 junior grade (company grade) officers for periods of extended active duty both in this country and overseas.

Applications of all National Guard officers chosen for this service will be processed through the Adjutant General's offices in the states.

Kentucky National Guard officers interested in this detail were urged by General Murray to contact the Adjutant General's office here.

The recent session of Congress passed a retirement plan for National Guard Personnel who have completed twenty or more years service with the Guard, placing them in a class long enjoyed by regular branches of military service.

UTOPIA CLUB PLANS PICNIC FOR JULY 11TH

The Carl W. Jones Utopia Club will hold a picnic at Butler Park July 11. Club members will meet at 10:00 a. m. at the Town Hall in Florence.

Each club member will bring a picnic basket lunch.

HOME COMING DAY WILL BE OBSERVED

AT FLORENCE METHODIST CHURCH SUNDAY, JULY 11—ALL-DAY SERVICES ARE PLANNED.

Sunday, July 11th will be observed as home coming day at the Florence Methodist Church, with services being held both morning and afternoon, with a bountiful repast being served in the church dining room.

Three young men have gone from the membership of this church and each of them hold responsible pastorates in the Kentucky Conference of the Methodist Church. They will be heard during the day. The morning service will begin promptly at 11:00. Rev. Edward Tullis of Arvine, Ky., will deliver the message. Dinner will be served at 12:15 p. m.

The afternoon service will open at 2:30. Rev. W. S. Mitchell, pastor of Epworth Church, Covington will preside at this service and Rev. C. C. Tanner pastor of Sedden Church, Maysville, will deliver the sermon.

Paul Chaney, choir director of the church, and his choir have prepared special music for the occasion.

Dr. O. W. Robinson and the officials of the church extend to all a cordial invitation to come and enjoy this great day with your friends and these men you have sent out to carry the message of love and salvation to others.

VACATION BIBLE SCHOOL PLANNED

Daily Vacation Bible School will be held at the Bullittsville Christian Church for five days beginning on Monday, July 12 and running through Friday, July 16.

This Bible School course embraces children from four years of age to fourteen inclusive and they will be broken up into four age groups with a trained instructor for each group.

The entire school will be under the capable leadership of the church's pastor, Rev. A. C. Young, and all parents who wish to are urged to either bring or send their children for this profitable training.

ANNA LUCILLE GRANT RESIGNS HOSPITAL POST

Miss Anna Lucille Grant, Registered Nurse, assistant supervisor in surgery at St. Elizabeth Hospital, Covington resigned her position at the hospital recently.

Miss Grant is withdrawing from nursing service in view of her approaching marriage to Paul Hawkins, following which the newlyweds plans to reside in Texas.

She is the daughter of Mr. and Mrs. Chester Grant, Hebron-Petersburg Road. She graduated from St. Elizabeth School of Nursing with the class of 1939, and was president of the school's alumnae, is Nurse Section of the Kentucky State Association of Registered Nurses and also is a member of the association's state board.

Miss Grant served several months overseas with the U. S. Army Nursing Corps during World War II, and received several citations for outstanding work.

EXHIBIT PLANNED BY HOMEMAKERS

OF REFINISHED FURNITURE—EACH CLUB WILL FURNISH AT LEAST THREE PIECES OF FURNITURE FOR EXHIBITS.

Boone County Homemakers have planned four refinished furniture exhibits for July 29th, according to Mary Hood Gillaspie, H. D. A. Exhibits will be held at Florence, Walton, Burlington and Hebron. Other homemaker clubs of the county will cooperate in one of the above mentioned exhibit centers.

Homemakers studied the process of refinishing furniture during the spring months. Furniture refinished included small and large tables, all types of chairs, picture and mirror frames, chests of drawers, cedar chests, pianos and small objects, such as hangers, shelves and magazine stands.

Each club will furnish at least three pieces of furniture for the exhibits. Miss Vivian Curnutt, home furnishing specialist, University of Kentucky plans to come to the county Wednesday, July 28th to help set up the exhibits. The public will be invited to view the arrangements on July 29th.

SIX TO REPRESENT STATE AT 4-H CAMP

Selection of three boys and three girls to represent Kentucky at the Negro regional 4-H club camp at Southern University, Baton Rouge, La., in August, is announced from the College of Agriculture and Home Economics, University of Kentucky.

They are Johnnie Rogers, Christian county; Adelle McKenney, Warren county; Bobbie Temple, Simpson county; Norvine Gilliam, Todd county; Robbie Mae Black, Barren county, and Cynthia Mae Meriwether, Christian county.

They will be accompanied by John Finch, assistant in Negro agricultural extension work, and Mrs. Bettie Harris, Negro home agent in Fayette county.

RECIPE OF THE WEEK

With a gelatin salad in the refrigerator, you can whip up a fancy dinner in no time, particularly if there is cold roast leg of lamb on hand. For a tempting salad for dinner or supper, Miss Florence Imlay, foods authority at the College of Agriculture and Home Economics, University of Kentucky, suggests cottage cheese with pineapple.

Pineapple Cheese Salad

One tablespoon gelatin, one-fourth cup cold water, ½ cup pineapple juice, 1 cup finely cut pineapple, 1 cup cottage cheese, 1 cup whipped cream.

Dissolve gelatin in cold water. Heat pineapple juice and add to gelatin while hot. Cool, then fold in pineapple, cheese finely mashed with a fork and whipped cream. Pour into a large mold or individual molds and place in refrigerator. Serve on lettuce with mayonnaise dressing.

Menu: Roast leg of lamb with mint sauce, corn pudding, harvard beets, pineapple-cheese salad, biscuits, butter and watermelon.

YOUNG PEOPLE FIND PUBLIC GAMES HELPFUL

What to do on a Saturday night has been partially answered for the young people of Columbus, Ky., and the surrounding area. Since November, they have met once a month in the high school auditorium for an evening of old-fashioned folk games. From 90 to 95 young people attend, along with other members of the family, swelling the crowd to around 150.

Instrumental in promoting the recreation program is Mrs. L. A. Swarts, president of the Columbus Homemakers Club, who says that there is a committee to take care of the entertainment, and another to sell the homemade cakes, pies, candy and popcorn which have come from the homemakers' kitchens. As a result, the club averages about $40 a party on food sales.

"This project has brought about a better community spirit, with more cooperation and neighborliness," said Mrs. Charlie Moss, one of the homemakers.

LADINO CLOVER TENDS TAYOR ON KENTUCKY FARMS

Reports of county agents indicate that ladino clover is being grown by more Kentucky farmers every year, as its desirable qualities become known over the state.

The experience of A. S. Wasson, Spencer county dairy man, is told by County Agent Nevin L. Goebel. Mr. Wasson turned 30 Holsteins on five acres of ladino clover and orchard grass in late March. In 30 days he was shipping 150 gallons of milk daily. The cows did as well he ordered their grain ration.

After transferring the cows to bluegrass and timothy pasture milk production fell off around 10 gallons a day, he told the county agent. When he switched back to the ladino clover, milk production almost immediately increased, he said.

Ray Herndon of Spencer county cut 20 acres of ladino clover for hay, and Edward Reinle put 20 acres of ladino hay in the silo, using no preservative.

R. O. Barker of Oldham county informed County Agent Chester L. Brown that he kept 55 cows and 40 calves on about 22 acres of ladino clover and grass from April 27 to May 26. They then looked as if they had been fed grain, he declared. The mixture he sowed included two pounds of each ladino clover and redtop and eight pounds of orchard grass an acre.

County Agent H. M. Williams said ladino clover made outstanding pasture in Owsley county this season. Two acres on Henry Campbell's farm provided pasture for 10 cattle and three sows and pigs. Twenty-seven farmers attended a meetings at the Campbell field to see the clover and discuss its merits.

LIMESTONE

Which is best to use fine or limestone meal?

Farmers often think that the pulverized, pastlike limestone is far superior to that which is a little coarser. The Purdue University Department of Agricultural Extension have the following to say about this subject. "The degree of fineness of liming materials is of importance, but not as much as sometimes supposed. The guide used to measure the fineness of a limestone is the sieve test which determines the amount of stone passing thru the U. S. Standard sieves. The specifications for the sieve test are: Any limestone containing all of the finer particles obtained in the grinding process, crushed sufficiently fine so that 90% or more passes the U. S. Standard No. 4 sieve and 50% or more passes the U. S. Standard No. 8 sieve is considered fine enough for most liming purposes."

The pulverized or superfine limestone has a quicker neutralizing effect as there is an increased amount of surface to contact the acid fractions of the soil. Consequently as it dissolves quicker it will be used up sooner than the coarser limestone.

The higher cost of the pulverized or superfine compared with the lower price of limestone meal causes many farmers to use the later. The fact that the degree of fineness is not as important as sometimes supposed and as limestone meal is cheaper indicates that the application of agricultural limestone meal is economical and a good farming practice.

Now, here is a CULTIVATOR that really knocks out weeds

FARM EQUIPMENT

Some folks say a cultivator ought to "let air into the soil," "help retain moisture" etc. We say you cultivate to get rid of weeds. The other things are important, but knocking out weeds is number one. And we'll show you the cultivator that does it.

What's more, this cultivator can be attached to the Ford Tractor in about a minute! Now, that is a big advantage . . . especially when changing from cultivating to mowing and back again. Time surely is money now.

Study the pictures! See how easy cultivating is with Ford Hydraulic Touch Control. Let us demonstrate this cultivator for you . . . Rigid or spring shanks.

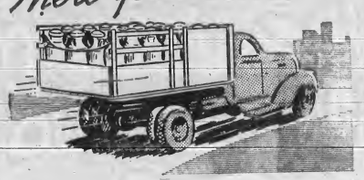
PULASKI FARMERS SEE PASTURE IMPROVEMENT

A tour of a half-dozen farms in Pulaski county attracted 60 farmers interested in seeing pasture development. Oscar Garner showed them a field where alfalfa, orchard grass, red clover and ladino clover are growing in abundance as a result of treating the land with lime and phosphate. Three years ago it produced only sassafras, persimmons and sage grass. On the farms of Henry Hall and C. V. Weddle the group saw excellent stands of ladino clover as well as other grasses.

Fescue was of interest on several farms. On the Neal Haney farm, the farmers saw a native crop of this grass, and at Ezra Pierce's, a good crop was growing on land too wet to produce anything else successfully, said Farm Agent Hugh Hurst. Clinton Cundiff, who pointed out a 20-acre fescue field on the farm of Stinson Cundiff, said he was well pleased with a cover crop of fescue and vetch sowed following tobacco.



Sprayer outfits for 2,4-D, to be used on a tractor and on the rear of a pick-up truck, were seen on the farms of Bain Weaver and Winfred Cundiff, respectively.

There goes... What?

Sure it's milk—or it might be a picture of hogs or any other farm animal, poultry, or eggs—going to market. But it's more than that. It's millions of pounds of soil fertility, especially lime, leaving your farms never to return.
It takes a lot of lime to build the bones in a cow or hog, to put shells around your eggs, and to supply the needed amount in milk. That lime comes out of the soil into the roughage and grain these animals eat.
Remember—you have to put back in the soil what you take out. It's the first principle of good farming.
Replace your lime losses by using our agricultural limestone.

AUGUST SOWING OF ALFALFA ADVISED

A circular of the College of Agriculture and Home Economics says Aug. 5 to 20 is the best time to sow alfalfa in Northern Kentucky and August 15 to Sept. 1 about the right time in the southern part of the state. Land should be prepared as long as possible before sowing.

Much Kentucky land needs liming for best alfalfa production. At the Experiment Station farm at Lexington spreading two tons of limestone to the acre increased the yield of hay from 3,239 pounds to 5,804 pounds to the acre a year. Four tons pushed the yield up to over three tons of hay to the acre. Phosphorus may be needed outside the Bluegrass region.

Six or seven pounds of seed to the acre will do on a perfect seedbed, if good growing weather prevails. Ten to 12 pounds are considered better.

Farmers planning to grow alfalfa for the first time are advised to consult with their county agent, and get a copy of the circular, "Growing Alfalfa in Kentucky."

RAISE LEGUMES FOR PROFITABLE LIVESTOCK

Forage crops furnish the cheapest nutrients for livestock production. The soil upon which plants are grown influences the mineral and protein composition of these plants and eventually the animals which feed upon them. In order to increase the availability of the nutrient elements which the plants obtain from the soil the application of lime to acid soils is necessary. For example phosphorus availability is influenced by the amount of lime in the soil. It would not be economically sound then to apply superphosphate and then have it in a fixed form, not available to the plant. The soil should be limed to a pH 6.5, which is a very slightly acid point, for a high degree of availability of all the elements.

The legumes consume lime from the soil. Tests show them to be five times as concentrated in this constituent as grains. This places increased stress upon the growing of leguminous crops if we are to have a profitable livestock enterprise on the farm.

The calcium found in lime, and phosphorus are the bone-building elements necessary in the production of profitable livestock. Pastures deficient in them will naturally produce inferior livestock. Agricultural limestone may be applied to pastures anytime. During the summer it may be applied directly while the pasture is being used. Top-dressing at this time, followed by disking and seeding in the early fall produces excellent results in rejuvenating pastures.

The use of limestone and fertilizers on pastures will increase the length of the grazing season; produce a large amount of nutritious, palatable feed at low cost; provide livestock with the necessary elements to promote rapid growth of health and vigorous animals and improve the pasture by preventing erosion and guilying.

LADY STUFF

by Marsha Wheeler

(Editor's Note: Marsha Wheeler is the prominent lecturer and radio personality.)

What's in a name? Well, I'll tell you. I once loaned my ward suitcase to relatives who trav.... with it, pre-war, all over Europe.

It's battered sides are pasted with the exciting, colorful labels of railroad and steamship lines, of fabulous cities and internationally known hotels. Without them the case would be just plain old fashioned. Famous names give it mystery and distinction.

∞

Hint to elderly ladies who used to bake their own bread. Mrs. Margaret Rudkin, of Norwalk, Conn., keeps all the nice, elderly ladies in and around her community busy kneading by hand the famous, firm, well-baked loaves of Pepperidge bread which she sells at very fancy prices.

∞

While they are so young and beautiful, England's royal couple would make appealing models for the exquisite porcelains that only the English can make. I'd buy, wouldn't you?

∞

Big names go for style too. Secretary of Defense Forrestal is pictured in a recent issue of LIFE Engaging his new style, broad-templed eyeglass frames. And the dark shell very perceptibly showed a barred design.

For the new, bold masculine look, men can very safely begin with a change of eyeglass frames. Queen Optical Company has new, distinctive eyeglass frames styled especially for men. At Queen Optical, 12 East Sixth street, in Cinilnnati, Doctors of Optometry give complete eyesight service. No appointment is necessary.

Florence

A very happy group enjoyed the picnic lunch last Friday to be present at the graduation of Rev. Richard Newton, pastor of Florence Christian Church. The services were held at the First Methodist Church at 3 p. m. Those attended were Mrs. Hampton Rymer, Mrs. Lucille Knudsen, Mrs. J. P. Schram, Mrs. Ellen Newton, Mrs. T. M. McHenry, Mrs. Anna Clore, Mrs. Lois Dunn, Mrs. Carrie Easton, Mrs. Minnie Pennington, Mrs. Virginia Goodridge.

The Ladies' Aid of the Florence Christian Church had a very delightful day at the parsonage last Wednesday. There were fifteen present. The ladies were glad to have with them Mrs. Tillie Kirchoff and Mrs. Finnell Osborn, of Covington.

Mrs. Sarah Markesbery and Mrs. Emmett Riddell visited the latter's sister, Mrs. John Dolwick during the past week.

Mrs. Wm. Markesbery and sons attended the Pittsburgh-Cincinnati baseball game at Crosley Field, last Thursday afternoon.

The M. E. W. organization of the Florence Christian Church are very grateful to all who contributed to the success of their bake sale on Saturday.

Mr. and Mrs. Parker Damon have concluded a very pleasant vacation spent with his mother at Carrollton. They also visited the Smoky Mountains.

Mrs. Ruth Wingate spent last Monday and Tuesday with her brother James Worster and family of Turkey Foot Road.

Mr. and Mrs. Paul Chaney and Dr. N. A. Jett entertained on Sunday for the former's brother, Frank Chaney and wife, of Milford and Mrs. Louise Aulick, of Falmouth.

A. P. Renaker, of Cincinnati, has been enjoying his vacation with friends and relatives in Florence.

Mrs. Hyatt Spaulding, N. Miami, Fla., who is visiting her parents, Mr. and Mrs. Ben Carpenter, expects to undergo a major operation at a Cincinnati hospital this week. We join in wishing her the best of luck and hope she will soon be on the road to recovery.

Mrs. Russell Bethel and family and Mrs. Ruth Wingate and family attended the concert at Devou Park, Wednesday evening.

Mrs. Eva Miller entered St. Elizabeth hospital Monday, where she will undergo an operation. Her many friends wish her good luck and an early convalescence.

Mr. and Mrs. Eldridge Carpenter, Mr. and Mrs. R. G. Keyer and P. J. Allen and wife enjoyed a fishing trip and picnic at Riddell's lake on Hebron Road, Sunday.

Mrs. Ruth Wingate and daughter, Beverly attended the ball game at Crosley Field Thursday with her brothers James Worster and family and Kenneth Worster and family, of Ludlow.

Mr. and Mrs. D. R. Blythe left Friday for LaJolla, California, where they plan to make their future home.

Rev. and Mrs. Harold Wainscott and daughter are spending their summer vacation in Southern Ky.

Sgt. Paul Presser, who is stationed at Camp Custer, Mich., with the U. S. Army is visiting his mother, Mrs. Lillie Presser Webster, of Shelby St.

John Brown left by train on Saturday, for Roanoke, Va., where he will be the guest of his daughter for several weeks.

Mrs. Helen Dolwick of Route 4, Erlanger, was visiting in the community on Friday.

Mrs. S. H. Aylor, Mrs. Martha Richards and son Jerry and Mrs. Rita Elkin and two sons enjoyed the day at the Cincinnati Zoo on Wednesday.

Mr. and Mrs. Larry Aylor and daughter were guests of Mr. and Mrs. James Tritsch and two daughters, of Latonia, on Sunday.

Mr. and Mrs. Ira Vernon Smith spent the holidays at Herrington Lake near Dix Dam, Ky.

Mr. and Mrs. Paul Sieffen (nee Laverne Depenbrock) of the Zimmer Apartments are receiving congratulations upon the arrival of a baby daughter at St. Elizabeth Hospital on July 4th.

CARD OF THANKS

I wish to take this opportunity to express my thanks to all my neighbors and friends who sent cards, called, and their many acts of kindness shown me during my illness. 1t-pd

ESTABLISHED 1875

VOLUME VII — BURLINGTON, KENTUCKY THURSDAY, JULY 15, 1948 — NUMBER 2

BOONE COUNTY WILL BE VISITED

BY SOIL CONSERVATION CARAVAN SEPTEMBER 22—FARM OF JOSEPH HUEY, WILL BE MEETING PLACE.

Frankfort, Ky., July 15—A soil conservation caravan will start a tour of Kentucky on September 18, ending October 19, putting on demonstrations at a dozen points, under sponsorship of the supervisors of Kentucky soil conservation districts.

Sponsors are being assisted by the Division of Soil and Water Resources, Division of Forestry, Fish and Wild Life and other agricultural agencies in the planning of the caravan. The program will start at the Kentucky State Fair in Louisville, September 18.

The send-off program at the Fair will be participated in by Gov. Earle C. Clements, Dr. H. H. Bennett, chief of the U. S. Soil Conservation Service; Dr. T. S. Buie, Spartanburg, S. C., regional conservationist of the Soil Conservation Service; Dr. Herman L. Donovan, president, University of Kentucky; H. K. Gayle, state conservationist; Dean Thomas P. Cooper of the University of Kentucky College of Agriculture.

The caravan will be formed during this program by various manufacturers of equipment that is usable in conservation work. The caravan will put on its first field demonstration in Boone County September 22, and each Monday, Wednesday and Friday thereafter other field demonstrations will be held around the route.

Field days will consist of the establishment of desirable conservation practices including terracing, drainage work, pasture establishment, pond construction, fertilization and other practices necessary to conserve soil and water resources, according to M. W. Qualls, head of the State Soil and Water Resources Agency.

There will be from 20 to 30 pieces of motorized equipment at each field day and on the caravan. The equipment will consist of farm tractors with special conservation tools, crawler tractors, draglines, and tile ditchers.

The farm of Joseph Huey, near Union will be the scene of the demonstration in Boone County, September 22.

Burlington, July 30th.

During the month of July all 4-H club members will be visited by an extension agent. Inspection is made of 4-H club projects and record books.

BRENT SPENCE IS CANDIDATE

SEEKS RE-NOMINATION TO CONGRESS—HAS SERVED FIFTH DISTRICT FOR PAST EIGHTEEN YEARS.

In this issue of The Recorder, Hon. Brent Spence, Ft. Thomas, makes his formal bow to the voters of Boone County, seeking the nomination as representative in congress from the Fifth District of Kentucky.

Mr. Spence has served the people of this district for the past eighteen years, and needs no introduction to the voters of this section. He has filled his position efficiently and has constantly worked for the best interests of his district.

Rep. Spence is well qualified for the position he seeks and has proven his worth during his several terms in the house, having held important positions on various committees which has been of great assistance in serving his district.

Mr. Spence made his first successful race for the office of Congressman in 1930 and has held this position since that time. Although his duties have been arduous and constant he hopes to visit this district in the near future.

He earnestly solicits the support of his many Boone County friends in the coming election Saturday, August 7, 1948.

FISH AND GAME CLUB WILL MEET THURSDAY NIGHT

The Boone County Fish and Game Protective Association will hold its regular monthly meeting at the club house, Burlington-Idlewild Road, tonight (Thursday), July 15th at 7:30 p. m., it was announced by Edwin H. Walton, president.

All members are urged to attend and visitors are always welcome to participate in the meetings. Refreshments will be served by the committee in charge.

BURLINGTON VISITOR DIES AFTER LEAVING FOR EXTENDED TOUR

Bryan Yates, of San Antonio, Texas, who recently spent a week visiting F. H. Rouse, died of a heart attack while on an extended tour, at Elgin, Ill., it was reported this week.

Mr. and Mrs. Yates left Burlington for Cleveland, O., to attend the National Teachers Convention, he being a representative of the Texas Teachers Association. After leaving Cleveland he and his wife had planned an extended tour of interesting points in the United States. His wife is a former resident of this county, and both were well known in this section.

Jack Cave, son of Mr. and Mrs. Raymond Cave, of near Burlington enlisted with the U. S. Navy recently, and left last week for training.

DRIVERS' LICENSE DUE AUGUST 1ST

WILL BE SOLD AT EIGHT CONVENIENT POINTS IN COUNTY—MAY BE OBTAINED BY MAIL, ACCORDING TO A. D. YELTON.

The present operator's license expire July 31, 1948 and all operators of motor vehicles are required on or before that time to procure a renewal of their license. The licenses are being sold at the clerk's office in the court house and may be obtained by mail this year, providing the old license and a self addressed stamped envelope is sent with the old license. Where there are more than one license in a family one envelope will be sufficient. If these requirements are not met no license can be mailed.

Licenses will be sold by A. D. Yelton, Clerk at eight convenient places in the County, following the same practice which has prevailed for several years in this county. The places of sale and the dates are as follows:

Florence—July 16 and 17, Building & Loan office.
Petersburg—July 19th, Farmer's Bank.
Verona—July 20, Verona Bank.
Union—July 21, Union Bank.
Grant—July 22nd, afternoon, Citizens Bank.
Walton—July 23 and 24, City bldg.
Hebron—July 27th, Hebron Motors.
Constance—July 28th, Ellis store, afternoon.

Applicants must present their old license. Any member of the family may obtain a license for others in the family. The cost of the license is $1.00.

FLORENCE MAN WILL APPEAR IN OPERA AT CINCINNATI ZOO

When the curtain rises on the College of Music production of the best loved Gilbert and Sullivan opera, "The Mikado" presented in English dialogue by the Florence Moran Art Academy on Sunday evening, August 8, at the Cincinnati Zoo Opera Pavillion, Northern Kentucky will be represented by the appearance of Larry Aylor, tenor, who has been assigned to the chorus as well as understudy for the tenor role of Nanki Poo.

Mr. Aylor was a former voice student of Flossie Campbell-Martin and for several years was a member of the Alms & Doepke Choral group under the direction of Miss Grace Chapman, well known Cincinnati musician. During the war he was closely associated with the special services office in presenting radio broadcasts, recordings and musical productions throughout the Southern States, Hawaii, New Guinea, and the Philippine Islands.

In addition to voice work he also is well versed in piano, pipe organ and Hammond organ and has taught piano to many youngsters in this vicinity in the past fifteen years, having studied piano with the Benedictine Nuns for six years, and completed a piano course with the Paris Music Studios, Covington, before the war.

MARVIN CAMPBELL WHIFFS 23 BATTERS

AS PETERSBURG WINS OVER BULLITTSBURG—SAN RUN VICTORIOUS OVER BELLEVIEW BY 11-5 COUNT.

Petersburg won their fifth straight game in the Boone County Sunday School league as they triumphed over Bullittsburg 6-1 in a well played game. Marvin Campbell set a league record as he retired 23 opposing hitters on strikes as he marked up his fifth victory of the season. Campbell allowed but four scattered hits and walked two. Bullittsburg kept the contest interesting behind the excellent hurling of "Willy" Pepper. Pepper has pitched some splendid games this year, but his team hasn't given him good support. Pepper struck out 18 Petersburg batters and walked four. Hitting honors were equally divided for the winners, while Bruce Campbell's two singles topped Bullittsburg. Summary: Petersburg 6 runs, 6 hits, 1 error; Bullittsburg 1 run, 4 hits, 3 errors.

Sand Run picked up a game on Burlington as a result of their 11-5 victory over Belleview. The winners took an early lead and went on to their eighth straight triumph. Bud Goodridge, dependable southpaw, was the winning pitcher as he marked up his sixth win. Goodridge whiffed 12 Belleview batters. Ivan Cason started for Belleview but was relieved by Dave Clore in the seventh. Cason was hit hard and his support was ragged.

Bill Mahorney, slugging Sand Run shortstop and George Bloebaum with three hits each paced Sand Run. Mahorney consistently tops Sand Run players in hitting power. Although he wasn't effective on the mound Cason was tops at the plate as he collected four hits. Summary: Sand Run 11 runs, 12 hits, 1 error; Belleview 5 runs, 12 hits, 6 errors.

Manager Pill Greenup and his Union boys snapped out of their slump with an 8-4 win over Verona. The teams played on even terms for four innings before Union finally got started. Scott Jack went the route for Union and pitched a six-hitter. The win was number five for the veteran righthander. Raymond Beach, one of the league's hard luck hurlers was on the mound for Verona. Beach turned in some excellent performances last year, and has been on the short end of some close games this year. Jim Stephens, Union third baseman, poled out a home run with two mates on to lead Union to victory. Joe Poole drove out 2 singles and a triple to pace the losers. Summary: Union, 8 runs, 16 hits, 5 errors; Verona 4 runs, 6 hits, 2 errors.

Big Bone ended up on the long end of a slugging match with Florence in a 14-9 game. The game was a hitter's contest all the way. "Red" Gruelle, who is top man in the loop, poled out four hits to carry away batting honors. Denver Black wasn't far behind with four singles, followed by Charley Black with three hits. Charley Black and Shirley Gruelle homered for Big Bone. The Rouse brothers were the big men at the plate for the losers as Bob came through with four safeties and Dud had two singles and a home run, his sixth of the year. Bob Rouse was on the mound for Florence and pitched his worst game of the year. Shirley Gruelle, the winning pitcher went the route for Big Bone. Summary: Big Bone, 14 runs, 20 hits, 4 errors; Florence 9 runs, 10 hits, 4 errors.

Burlington was apparently heading for victory over league-leading Bullittsville as they held a 11-4 lead in the top of the fifth when the game was rained out. The postponed game will be made up Labor Day. Burlington bats had driven Hogan from the box.

VESPER SERVICES ANNOUNCED

The Petersburg Christian Church will hold vesper services Sunday, July 18, at 7:30 p. m. on the river bank. Services will be conducted by the C. Y. F. group with instrumental music by the Helms sisters, Betty Jarboe and John E. Carver. You are invited to attend.

FINN-McCARTY

A very pretty wedding was held at Burlington Baptist Church Sunday, July 11th, 4:30 p. m. when Frances Finn, daughter of Mr. and Mrs. Russell Finn, of Burlington became the bride of Carl McCarty, son of Mr. and Mrs. William E. McCarty, of Florence. Rev. R. A. Johnson officiated at the ceremony.

The attractive bride was never prettier than in her wedding gown of biege color silk with brown accessories. She wore a corsage of yellow rosebuds and fern and her only jewelery was a yellow gold necklace, a gift of the groom

The bride's attendant was Miss Nellie McCarty, sister of the groom, who wore a green silk print with dove color accessories. She too wore a corsage of yellow rosebuds.

The groom was dressed in a light tan suit, almost the color of the bride's dress. In his coat lapel he wore a white carnation. He chose as best man, his boyhood friend Carl Bonefort, of Erlanger, who wore a brown suit.

The groom is manager of the Burlington-Erlanger Locker Plants, and is well known throughout the county.

Following the wedding a reception was held at the bride's home for a number of friends and relatives. After the reception they left for Canada and other points of interest. Upon their return they will welcome their many friends at their new home 143 Division Street, Erlanger, Ky.

Their many friends wish for them many happy years together.

Saturday night, July 10, a bridal shower was given for this couple at the beautiful home of Mr. and Mrs. William McCarty of Florence.. The dining room was beautifully decorated for the occasion. The colors were carried out in blue, rose and white. The center of the large dining table was attractive with the three-tier cake, made especially and decorated for the occasion. At a late hour lovely refreshments were served. They received many lovely gifts.

UNION BAPTIST WILL HOLD VACATION BIBLE SCHOOL

The Union Baptist Church will hold a Daily Vacation Bible School beginning July 26th and continuing through July 30th, it was announced this week. Rev. Foy Martin, new pastor of the church will have charge of the school.

Children between the ages of 4 and 15 are urged to attend these services which will be held from 9:00 a. m. to 12:00 noon. Cars will furnish transportation to children in outlying territory.

Commencement exercises will be held Friday night, July 30th.

UNION-RICHWOOD CHURCHES PLAN BIBLE SCHOOL

Union and Richwood churches invite the children between the ages of 4 and 19 to their Daily Vacation Bible school. This school is to be held from July 19 to 23 at the Richwood Presbyterian church on Richwood Road.

The hour is from 10:00 a. m. until 3:00 p. m. Children will be expected to bring a lunch. The church will provide a drink to go with their lunches. Children are also asked to bring pencils, paper, notebooks and Bibles.

Transportation will be provided where needed. If you have a way to bring your children, bring them and others too. The churches urge the children of these communities to attend this week of Bible study, handwork, and recreation. Registration will be Monday morning, July 19 at 9:30 a. m.

FORTY-TWO CLASSES OPEN

FOR 4-H HOME ECONOMICS MEMBERS AT FAIR—ALL EXHIBITS MUST BE REGISTERED BY 12:00 AUGUST 20TH.

Four-H club members enrolled in Home Economics projects will have the opportunity to enter in one or more of the forty-two classes planned for them at the fair. Members who are enrolled in more than one project may have exhibits for several classes.

Exhibits in clothing, foods, canning and community record books are scheduled for the girls, according to Mary Hood Gillaspie, Home Demonstration Agent. Four-H members may also exhibit in the open classes.

All exhibits must be registered by 12 o'clock noon Friday, August 20th, and may be claimed after 4 p. m. Saturday, August 21st.

VFW NINE WIN OVER MT. LOOKOUT SUN.

BY SCORE OF 5 TO 4 ON FLORENCE GROUNDS—VETS TAKE EARLY LEAD — PETERSBURG TRIMS BOB & GENE.

Boone County VFW won their first game under manager Muller, Sunday, when they defeated Mt. Lookout by a score of 5 to 4.

The Vets took an early lead by scoring three runs in the first on D. Williamson's walk, Miller's single, Sox Benson's double and Bowman's single. They scored another in the fifth on singles by Miller and Collins, a steal, a walk and a force out and scored their last run in the sixth when Denniston doubled and Smith singled.

Mt. Lookout scored their first run in the sixth on singles by Evans and Engelbrink and an error by Williamson. They scored three more in the eighth on a walk, a wild throw, two fumbles and a single by Engelbrink.

Smith was on the hill for the Vets, working nicely, allowing only 1 earned run. Engelbrink, Miller, Collins, D. Benson and Denniston were each good for two hits.

McArthur and Aldemeyer officiated.

The Vets will entertain Middletown Sunday afternoon at 3:00 p. m. at the Florence park.

Boone County League

Petersburg defeated Bob & Gene Saturday by a score of 8 to 7. The losers outhit the winners 13 to 12, but they also "out-errored" them.

The Petersburg boys began by scoring three in the second on doubles by Toadvine and Jarrell, an error and a triple by W. Edwards and followed up with two more in the third, when D. Deck opened with a homer, followed by singles from the bat of Klopp, W. Edwards, Campbell and E. Deck, but two runners thrown out at the plate prevented a larger score at this time.

Bob and Gene scored two in the fourth on singles by Knaley, Cooper, R. Utz, Shanks and Baker. Petersburg collected another in their half when Huey singled, stole second, took third on a wild throw and scored by beating Judge's throw to the plate on McGuire's grounder.

Bob & Gene came within one run of tying the score in the fifth when two errors, a walk and Knaley's triple were good for 3 runs. Neither team scored again until the eighth, when two errors, a sacrifice and Huey's triple gave Petersburg two runs, which proved to be the margin of victory, as Bob & Gene scored two in the ninth when A. Utz was hit by a pitched ball, Doyle singled and stole second and a single by R. Utz, sent them home. As Baker fanned to end the first half of the ninth rain came down in torrents.

W. Edwards and Knaley led their respective teams at bat with 3 hits each while Huey, Clore, Cooper and R. Utz were each good for two hits.

Petersburg travels to Belleview Saturday, and if Constance decides to play will travel to Bob & Gene's. Game time will be 1 p. m. as there is also a game in the Sunday School League scheduled to be played on Belleview grounds at 3 p. m.

STEPHENSON-MOORE

In a beautiful candlelight double ring recemony on June 19, at 8 p. m. at Richwood Presbyterian Church, Rev. D. R. Hopkins united in marriage Miss Norma Jean Stephenson and Leroy Moore.

Given in marriage by her brother Howard Stephenson, the bride was lovely in white satin embroidered in seed pearls. Her fingertip veil was fastened to a tierra of seed pearls and she carried a bouquet of white rosebuds centered with an orchid

As maid of honor, sister of the bride, Miss Jesse Stephenson was lovely in blue taffeta carrying a pink bouquet of carnations. The groom was handsome in his suit of medium blue. He chose as best man his younger brother Ervin Moore.

Little James Stephenson nephew of the bride served as ring bearer. Ushers were Eugene Stephenson and Eugene Moore, brothers of the bride and groom.

Mrs. Annabelle Stephenson mother of the bride wore gray with a dark red corsage of carnations. The bridegroom's mother wore light green with a pink corsage of carnations.

Soloist was Donald Stephens, of Akron, Ohio, close friend of the groom who sang "Because," and "The Lord's Prayer" accompanied at the organ by Noel Walton.

The ceremony was witnessed by a large number of relatives and close friends, several of whom were from Akron, Ohio. After the reception at the church the bride appeared in a tailored summer-weight tweed suit with white accessories and an orchid from the bridal bouquet pinned to her shoulder as the couple left for a trip to Washington, D. C., later returning to Akron, Ohio, where Mr. Moore is associated with the Goodyear Tire & Rubber Co. Mr. Moore is the son of Mr. and Mrs. Joe Moore, of Akron.

VACATION BIBLE SCHOOL PLANNED AT BELLEVIEW CHURCH

Vacation Bible School will begin at the Belleview Baptist Church, Monday, July 19 and continue thru Thursday, July 29, according to Rev. Burkett, pastor. Hours for the school are from 1:00 p. m. to 4:00 p. m.

All children in the community and outlying territory between the ages of 4 and 17 are invited and urged to attend. Cars will pick up all children who wish to attend, and return them to their home.

Commencement exercises will be held Friday evening July 30, at 8:00 p. m. in the church auditorium.

WHITE-ROUSE

In a candlelight ceremony at 7:30 p. m. Saturday, June 26 at the Hopeful Lutheran Church, Miss Irene White, daughter of Mr. and Mrs. Charles White, of Petersburg, became the bride of Mr. Robert Rouse, son of Mr. and Mrs. Albert Rouse, of Florence. Officiating the double ring ceremony was the Rev. Herman V. J. Andras.

The church was beautifully decorated by lighted tapers in candleabra against a background of palms and gladiolias.

While the guests assembled Rev. Wm. Burkett sang, "I Love You Truly"" and "Always." Later when the couple had exchanged their vows, Rev. Burkett sang "The Lord's Prayer," accompanied by Mrs. Allen White at the piano.

A beautiful white satin gown was worn by the bride, who was given in marriage by her father. The gown was designed with a sweetheart neckline, long tapering sleeves that came to a point at the hand and a full skirt ending in a long train. Her veil fell from a tiara of pearls. Her wedding bouquet was of white gladiolias.

Miss Jean White twin sister of the bride who was maid of honor wore a gown of deep pink and carried a bouquet of pink carnations.

Miss Pauline and Imogene Rouse, twin sisters of groom and bridesmaids, wore identical gowns of light green dotted Swiss. They carried dark pink carnations.

The best man was Mr. Dudley Rouse brother of the groom. He chose a dark blue suite, same as the groom. The ushers were Mr. Jerry Rouse cousin of the groom and Robert White brother of the bride.

The reception was held at the church following the ceremony.

The bride chose for traveling, a navy blue gabardine suit with white accessories and a corsage of white gardenias.

At the close of the reception the couple departed for their wedding trip to the Cumberland Falls and Smoky Mountains.

[illegible] INJURED IN COLLISION

NEAR WALTON FRIDAY NIGHT—ONE SIDE OF AUTOMOBILE IS COMPLETELY SHEARED OFF BY IMPACT.

Four persons were injured, one seriously Friday night, when the automobile in which they were riding collided with a truck near the Walton city limits, according to State Highway Patrolmen. All four were members of a family living near Oxford, Ohio.

The automobile which was driven by Paul Conrad, was almost completely demolished one side being sheared off. Conrad's wife, who was seated on that side, was thrown out of the car and fell beneath the truck. Her condition was reported as good at St. Elizabeth Hospital Covington, after receiving treatment for a deep scalp cut, a cut on her right ear, bruises and shock. Blood plasma was given to her as an emergency treatment.

Mr. Conrad suffered a forehead cut, a daughter Carol Jean 5, a scalp cut and a mild concussion, and Jack 4, a son, was shaken up. Father and son were released from the hospital after treatment.

The driver of the truck Garrard Lee Love, Lelnacta, Tenn., escaped injury in the collision.

SUE K. BRISTOW

Miss Sue Kathryn Bristow, a resident of Union, died Friday at Booth Hospital, Covington, after an extended illness.

Miss Bristow was well known throughout the county and had been a teacher at Newport Junior High School for the past six years. She was 42 years old.

She is survived by two sisters, Mrs. Kirtley Adams, Covington, and Miss Lillian Bristow, Union, and a brother, Sandford Bristow, Union.

Funeral services were held at 2:30 p. m. Monday at the Taliaferro funeral home, Erlanger, with burial in Highland Cemetery, Fort Mitchell.

EVERETT PORTWOOD

Funeral services for Everett Portwood, 63, an employe of the Boone County Road Department for 17 years, were held at the Taliaferro funeral home, Erlanger, at 1:30 p. m., Thursday. Burial was in Big Bone Cemetery.

Mr. Portwood died Tuesday at his home in Union following a year's illness. He was a member of Union Baptist Church.

He is survived by his widow, Mrs. Lillie Portwood; three sisters, Mrs. Edwin Thomas, Florence; Mrs. Ben Cunningham, Aurora, Ind.; and Miss Ann Portwood, with whom he made his home; and two brothers, Edward, Union, and James Portwood, Covington.

Phillip Taliaferro was in charge of funeral arrangements.

VERONA AND BOB AND GENE WINNERS

SUNDAY IN BENKE SEMIPRO LEAGUE—BLUE ASH AND LUDLOW VETS FURNISH OPPOSITION.

Verona collected fourteen hits in trouncing Blue Ash Sunday in the Benke Semipro League by a score of 16-7 on the Verona grounds. The losers were held to seven hits on the pitching of Steffen and Ryan. Steffen fanned 10 and allowed three hits in eight innings. Newman started on the mound for the losers and gave up 14 runs on 12 hits in six innings. Crowley finished the game and allowed two runs on no hits.

Brown, Verona shortstop, hit two home runs, while Sawyer hit a homer for the losers in the fifth with the bases loaded.

Bob and Gene trounced the Ludlow Vets by a score of 7-4 at the Ludlow Park Sunday. Pund started on the mound for the winners and was relieved by Rebbling in the fourth when Ludlow tied the score at 3-3. Taylor went the route for Ludlow, allowing nine hits.

Mathis led the attack for Bob & Gene with three hits, while Lindsey collected three for the losers.

Mrs. Alma Strubbe, of Price Hill, Cincinnati, spent several days last week with Mrs. Bess Rouse.

TRIMBLE BERRIES BRING BIG MONEY

Seventy-five Trimble county farmers received around $124,000 for 22,000 crates of strawberries picked from about 200 acres. This was a 100 per cent increase over the 1947 production, which was about double any previous season, according to County Agent J. O. Dye.

Carley Glinn from one acre of Tennessee Beauties picked 452 crates for which he received $2,486.

While most of the berries were Blakemore, Tennessee Beauty gave good returns, and were set heavily for production next year. Nine growers with 500 to 1,000 plants each reported good yields of high-quality Tennessee Beauty berries.

FRANKLIN WOMEN HOLD DRESS SHOW

More than 150 women's dresses and suits and several children's garments were modeled in a style revue presented by the Franklin County Homemakers Clubs. Although dresses and suits of cotton and rayon predominated, several suits were shown. In many instances, hats and bags had been made to complete the costumes. Mrs. Bronston Kenney, county clothing leader, reported that the cost of the garments was estimated at $384, representing a saving of $615. Flat Creek Club took first place in attendance, every member being on hand to exhibit a garment.

Several farmers in Monroe county reported their first crops of alfalfa yielded 1½ to 2½ tons to the acre.

LADY STUFF

by Marsha Wheeler

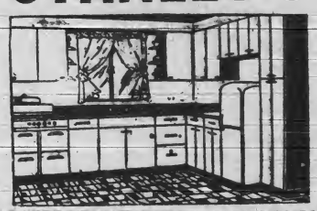
(Editor's Note: Marsha Wheeler is the prominent lecturer and radio personality.)

A vacation diet tour is one way to slenderize. Carry one change of clothes, paper tissues instead of hankies, a book or magazine and reading glasses. Go near or far, to seashore, mountain, lake or desert. If sleeping quarters aren't reserved, take a bus and keep traveling. Eat one meal a day, take vitamin pills, and enjoy the scenery. As the miles pile up, the pounds fall off.

∾

As if one miracle in a life is not enough, elevator-girl-to-movie-queen Dorothy Lamour has discarded the sarong she swished to fame, to tempt fate a second time in a serious drama called "A Miracle Can Happen."

∾



June is for graduation and recitals. Mozart, Rachmaninoff and Tschaikowsky might be skeptical, but proud parents and relatives adore and applaud. To your collection of baby shoes, kindergarten mementoes, scouting trophies, add now the recording of recital pieces. Extra prunings with youthful voices saying, "For you, Daddy, on Father's Day" or "Merry Christmas" solve present and future gift problems and make precious keepsakes

∾

Some folks seem to regard their eyeglasses as keepsakes. At least they keep on wearing them long past the time they give correct vision. Queen Optical Company, at 12 East Sixth Street, in Cincinnati, gives complete eyeglass service. Lens prescriptions are filled by skilled opticians. Eyeglasses are expertly repaired.

Interview With Dr. John A. Caldwell

by Martha Lisse

This is the third in a series of articles written by the Burlington High School journalism class being published by this paper.

Dr. John A. Caldwell was born in 1877 at Cincinnati, Ohio. He lived in the house he inherited from his father in Cincinnati, for forty years, until he came to Burlington in 1945. He was married to Orpha Featherstone in 1907. He has two children, Dorothy and John Featherstone Caldwell.

He attended the Kirby Road grade school and then attended Woodard High School. He graduated from Cornell University in 1900 and then he attended the Miami Medical College. He did his first practice of medicine at Pittsburg Pennsylvania. Then he came to Cincinnati General Hospital. He is still on the staff at General and Bethesda Hospitals and has been on the staff at Christ, Good Samaritan, and St. Mary's Hospitals in Cincinnati. He has a B. S. and M. D. degree.

Dr. Caldwell is Professor of clinical surgery at the University of Cincinnati, and is head of surgery and directs certain classes at General Hospital. This year Dr. Caldwell will retire, but he will still keep up his practice at General and Bethesda Hospitals.

I asked Dr. Caldwell what his hobbies were and he, "What I like most of all is surgery and just to 'tinker' around."

When I asked Dr. Caldwell why he came to Boone County, he said his family thought they wanted to move to the country and seeing this farm for sale they came to look at it. They liked the house and the general location of the farm. They also were attracted by the hospitality of the people, so they decided to buy.

I asked Dr. Caldwell his honest opinion of the community and he stated, "The outstanding things are neighborliness, friendliness and the courteous manner to strangers, and I have found no undesirable element about the community."

I asked Dr. Caldwell what his idea was about The National Health Law which has been brought up in Congress and he said he was opposed to it in a compulsory manner because this is a free America. He said a law that those who wanted to subscribe to a health plan and under their own conditions would work out better.

In his home, Dr. Caldwell has many interesting things. Some of them are three paintings done by George Moreland, who did only farm and outdoor paintings. The names of the three he has are "Preparing for Market," "The Dairy Farm," and "The Horse Feeder." He also showed us an old coffee pot which, he explained, was used around 1800 in the Inns where they made a lot of coffee and then it was hung over the fireplaces to keep hot. It had a long faucet for the purpose of getting the coffee out.

Dr. Caldwell has a beautiful home and I am sure it would be interesting to many people to see his home and to meet him.

Recently a nurse who has been associated with Dr. Caldwell in several operations said he was one of the best doctors to work with she had ever assisted. She said he was never too busy to explain things to a beginner during an operation.

To me and to everyone who has met Dr. Caldwell, he has had a very outstanding personality and he was first on my list for people to interview. He is also an ideal person to interview.

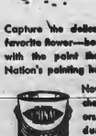
Twenty Years From Now

N. TULCH
Foot Comfort Specialist at—
PEOPLE'S SHOE STORE
814-816 Madison, Covington

Will they thank you for good strong feet?

Oh you mother of a child—you want his manners to be nice, you want his brain to be quick, you want his hands to be agile—but don't you want his feet to be sturdy and true, well-shaped and graceful? Are those of your daughter.

You mother of a child, twenty years from now his feet will be walking up to get a diploma, or confidently marching in to get a job, maybe walking up to an old church altar to meet a bride in white. (Or it may be the bride herself.) Your child may never thank you for good strong feet, he'll take them as a matter of fact. But what will he think if they're not good strong feet? Sure he'll still love you—but "why didn't mother make sure I was growing up right?"



It is a responsibility, just one of the many a mother takes on when she brings a child into the world. —Adv.

NEW HAVEN P.-T. A. MEETS

The New Haven P.-T. A. held its usual monthly meeting last Tuesday, July 6 at 8 p. m.. Since the organization is actively engaged in a distinctive building program this summer, it was voted at the last session held during the school term to meet regularly through the vacation months.

The meeting was called to order by the president, Mrs. Warren Miller, Jr. Some fifteen members answered to the roll. After several items of business and minor reports were cared for, the report of the building committee was heard. The P.-T. A. feels that work on the principal's new home is progressing in record time. Thanks to the building committee.

The P.-T. A. meets the first Tuesday night of each month. May each member make a special effort to be present in August, since there will be important business.

—Publicity Chairman.

ENJOYS 30-DAY FURLOUGH

Wyman Stephens, R. D. 3, having completed a round-the-world cruise on the Lloyd Thomas, one of two destroyer which escorted the aircraft carrier Valley Forge on this trip, recently enjoyed a 30-day leave with his family in Petersburg. He left last Tuesday for San Diego, where his ship is in harbor.

DEARBORN FAIR DATES ANNOUNCED

Seven days of varied entertainment are promised patrons of the 97th annual Dearborn County Fair, to be held at the fair grounds in Lawrenceburg, Indiana, July 26-31, inclusive. Three thousand copies of an 80-page premium list and 30,000 copies of "The Fair News" are in process of completion for circulation over a wide area, announcing details of the fair.

Actual opening day for the fair is Monday, July 26, but the Phi Beta Psi sorority charity horse show will be held on Sunday, July 25, and will open the parade of events and features. Sorority members are completing plans for the show, and the list of entries assures a successful presentation.

The midway will open on Monday, July 26, with no gate admission to be charged. A dance in the Art Hall will be an evening feature.

Tuesday's program includes judging of hogs, sheep and beef cattle with the lightweight pulling contest the principal evening attraction. Only grandstand admission will be charged.

Lucky Lott's Thrill Show of daring automobile drivers will appear on Wednesday only, in afternoon and evening shows.

Thursday will include dairy cattle and exhibits, with harness racing in the afternoon. A livestock parade is scheduled for the afternoon, and Smittie's famous band, of Cincinnati, will play.

WLW's Midwestern Hayride, featuring top radio stars of the powerful station, will be the Thursday evening feature.

Friday morning has been designated for the dog show, with judging in all classes. Racing is on the afternoon program, and the evening feature is the Sun Bros. Circus, a sensational attraction. A tot show will be held in connection with the evening program.

The heavyweight pulling contest will be staged Saturday morning, and the closing session of harness races will be held Saturday afternoon. A horseshoe pitching contest will be an afternoon feature in addition to a baby show. The Sun Bros. Circus will conclude the program Saturday evening.

Various free acts will be staged at intervals during the week. County firms will have commercial exhibits, in addition to the 4-H and open agricultural and livestock exhibits.

Officers of the fair board are: Walter Neary, president, J. W. Caldwell, treasurer; William Ritzmann, secretary; Eugene Sietz, superintendent of concessions; James Hulbert, racing superintendent; Frank Taylor, superintendent of grounds; Lawrence O'Shaughnessy, superintendent of construction; George Boehler, in charge of parking; Joseph Bechtel, livestock superintendent; Amos Oberting, dog show superintendent; Arlie Baer, hobby show superintendent; Walter Sturm poultry superintendent; Joseph Meyer, exhibition hall superintendent, assisted by Chester Leake; Edwin Busse, superintendent of horticulture; and Miss Mildred Gausman, head of the exhibition department.

The general agriculture committee is composed of Bruce Miller, Frank Hoppmire, and Preston Bloom. County agent Ralph Watkins is assisting the fair board in preparation and classifying farm exhibits and contests.

100 ATTEND HEALTH WORK SHOP HELD AT LEXINGTON

One hundred persons were enrolled at the Health Education Workshop which was held at the Jefferson Davis Elementary School, Lexington, last week. Boone County was represented by Miss Elizabeth Lowry, R. N., and Mrs. Sibbia Reimer.

More than 50 Kentucky counties were represented in the project which is jointly sponsored by the Kentucky Tuberculosis Association and the Departments of Hygiene and Physical Education of the University of Kentucky.

The workshop committees selected for their theme, "The Interpretation of the new State Code for Health and Physical Education from the Standpoint of Health, Service, Healthful School Aide, Health Instruction, Physical Education and Recreation."

The immediate objective is to assist the Kentucky State Department of Education in the implementation of the Code for Health and Physical Education; to prepare each teacher or administrator to do his part better in the organization of the school health program; and to prepare each official representative so that he will be better qualified to return to his county to guide and prepare others to carry on the work of health education in the school.

W. S. C. S. MEETS

The W. S. C. S. group of the Florence Methodist Church met at the church on Tuesday, July 6 with eighteen in attendance, including four visitors, Mrs. Maggie Glacken, Mrs. Sarah Markesbery, Mrs. Helen Dolwick and Mrs. Oma Shotwell.

A covered dish luncheon was served at 12:30 followed by the regular meeting at 1:30. The group joined in a circle of prayer for Mrs. Eva Miller, a member, who was unable to attend due to illness.

Mrs. Paul Chaney, president presided over the meeting. Various reports were given and these were followed by the devotional period by Mrs. Helen Diedrick, which was enjoyed by all. Mrs. C. S. West gave a very interesting talk on "Conditions in Poland." Altogether it was a very interesting meeting. The closing prayer was by Mrs. O. W. Robinson.

—Publicity Chairman

BIG BONE W. M. S.

BOYLE HOMEMAKER REMODELS KITCHEN

Now Mrs. George Tucker of Perryville used lessons learned in her homemakers club, in remodeling her farm kitchen, was told by Mrs. Jennie C. Grubbs, Boyle county home agent, in reviewing plans to observe National Home Demonstration Week, May 2 to 8.

Mrs. Tucker, she said, has modernized her kitchen this spring, using the one-wall kitchen plan. Her husband built her cabinets. She has her refrigerator in one corner with a cabinet over it that holds her best dishes. Next is her mixing center, consisting of a flour bin, bread board, cabinets for baking powder and spices, and mixing bowls. This cabinet has small removable shelves to hold small articles, so that no space is wasted. In the lower units she has the U-shaped shelf, so that everything can be reached without moving anything.

Mrs. Tucker has a double sink at the clearing away center, with shelves under the sink for storage. On the left side of the sink is a row for drawers. The top drawer is used for cooking spoons, knives, can openers and other utensils. The middle drawer is about 12 inches deep, with cleats tacked on each side. Thin pieces of wood separate pans, lids, cookie sheets and other articles. This is a real time saver. The bottom drawer is for bread and cakes. Mrs. Grubbs stresses the fact that Mrs. Tucker herself made these drawers and files.

The stove is next in line. Over it is a cabinet, with shelves very close, so that meat platters can be placed, one in each place. The next shelf is for bowls. By placing one bowl turned up and one down, no space is wasted. Two more shelves are above this. The skillets can be kept in stove drawers. The next cabinet is for cooking utensils. The upper unit holds the coffee, tea, grease can and things used near the stove.

SOCIAL SECURITY MAN WILL VISIT ERLANGER

On July 18, Edward J. Get a NORGE vertical freezer

It's true . . . a Norge Vertical Freezer can do wonders for your food budget! You can "stock up" during harvest seasons, when prices are lowest. You can take better advantage of shopping bargains. In addition, you can save through quantity buying; a freezer makes it practical to buy by the bushel, instead of by the pound.

Yes, you save with a Norge Vertical Freezer, but *not* at the expense of your palate. Meat, fish, fowl, fruits, vegetables . . . even pastries . . . reach your table as flavor-fresh and nutritious as the day they went into the freezer. You enjoy better food . . . greater variety in your meals . . . better balanced menus. And you can have "seasonal" delicacies any time of the year . . . pheasant in June, cantaloupe in January, choice bits from the Christmas turkey in March.

Let us show you how the Norge Vertical Freezer can bring better and less expensive meals to your household!

Everyone cordially invited to attend.

Florence

Mr. and Mrs. Clyde Arnold entertained recently for Mr. and Mrs. Joseph Goldman and son, of Detroit, Mich. Other guests were Mr. and Mrs. Sherman Peeno, of St. Bernard, Mr. and Mrs. Norris Riddell and children, Mr. and Mrs. Jeff Edmonds and son and Mr. and Mrs. Harold Ramey and son.

Mr. and Mrs. Sam Maurer and Mrs. Jessie McClure, of Terre Haute, Ind., were week-end guests of Mr. and Mrs. L. J. Thompson and attended homecoming services at the Florence M. E. Church.

The sympathy of the community goes out to W. Scott Worthington, Jr., of Evans Landing, Ind., in the passing of his mother, Mrs. W. Scott Worthington, Sr., of Maysville.

Donald Lowe, of Detroit, Mich., was a recent guest of Buddy Arnold.

Mrs. Jean Gleis and daughter Pat, have returned to their home in Miami, Fla., following an extended visit with friends and relatives here.

Mr. and Mrs. Lon Clore spent the Fourth down on Woolper at their son Jack's fishing camp.

Mrs. Genie Kathman, of Covington enjoyed several days' vacation the past week with her sister, Mrs. Clyde Arnold and family.

Mr. and Mrs. R. E. Tanner visited Mrs. Jennie Dobbins, of Louisville Lutheran home, Wednesday.

Miss Gwen Arnold visited Miss Roberta Reynolds, of Sherman, recently.

Tommy Wayne, son of Mr. and Mrs. Hobe Roberts underwent a tonsillectomy at St. Elizabeth Hospital on Friday.

Mr. and Mrs. R. G. Keyer and Mr. and Mrs. Stanley Keyer were week-end visitors of relatives in Lexington.

Mrs. Sarah Markesbery and Mrs. Lillian Schram and daughter Bonnie attended the presentation of the opera "La Traviata" at the Zoo Friday evening.

Buddy Arnold had a delightful visit recently with Donald Lowe, of Detroit, Mich. During his stay he visited one of the many lakes 200 miles north of Detroit, where he and his host enjoyed fishing and swimming.

Mrs. Sarah Carpenter gave a surprise birthday dinner for her mother, Mrs. Maggie Glacken last Thursday. Guests included, Mrs. Gladys Carpenter, Mrs. Willa Carpenter, Mrs. Zeffa Osborn, Wendell Cooper, Marvin Carl Carpenter, Junior Carpenters and the hostess. Many happy returns of the day, Mrs. Glacken!

We are glad to report Mrs. Eva Miller as improving very nicely.

Mrs. Geo. Morith called on Mrs. Clyde Arnold, Thursday.

Mr. and Mrs. Geo. Markesbery are spending a few days with their daughter, Mrs. Pearl Baker.

July 5 was a happy day for Paul Aylor of Gunpowder Road. Why? It was his birthday and his sister Cora and brother Bluford of Quincy Ill., his daughter Mrs. L. L. Moyer, and family of Norwood, O. and another daughter Mrs. Fred Reed and family of Indianapolis, and the host and hostess joined in the celebration. A chicken dinner was served and the traditional birthday cake of angel food was a feature of the occasion. We join in wishing Mr. Aylor many happy returns of the day.

Mr. and Mrs. Verne Arnold recently visited with Mr. and Mrs. Robt. Gardner, of Wanatah, Ind.

Big Eagle Creek was the scene of a fishing party July 5 including Mr. and Mrs. James Pettit, Mr. and Mrs. Elby Dringenburg, Mr. and Mrs. Wm. Markesbery, Frances K. Southerner and Harold V. Markesbery.

A large crowd was in attendance at the homecoming services of the Florence M. E. Church Sunday. Four guest ministers were present, Rev. Edward Tullis, of Irvine, Ky., who delivered the morning message, Rev. W. S. Mitchell of the Epworth Church, Covington, who presided at the afternoon service and Rev. C. C. Tanner of Sedden Church, Maysville, who delivered the message. Rev. G. B. Traynor, of Ludlow also was present and had a part in the service. Dr. O. W. Robinson, pastor extended greetings and expressed pleasure at seeing so many visiting friends present. The choir, under the direction of Paul Chaney rendered a special number also; Mrs. Ray Guenther, of Ft. Thomas and Paul Chaney presented voice solos. A sumptuous dinner was served in the dining room and all in all it was a great day.

Mr. and Mrs. Clyde Arnold had as guests the past week Mr. and Mrs. Harry Morgan, of Detroit, Mich. On Wednesday the party motored to Lexington and visited several race horse farms and other points of interest.

Joseph Sandford, who a few weeks ago was removed to the home of his daughter in Berea, was visiting in the community on Saturday enroute to the Carlsbad Hotel at Dry Ridge where he will spend several weeks for treatment.

Miss Emma Scott, of Erlanger, was the Sunday afternoon guest of Virginia Crisler.

Mr. and Mrs. Byron Foster and family of Ludlow, were visiting friends in the community on Sunday.

Mrs. Rosa Mary Aylor had as her house guest the past week, Mrs. Jesse Dameron (nee Beatrice Aylor) of Aurora, Ind.

Word comes from the Veterans' Administration Center in Dayton, Ohio, that Arthur Tanner, Jr., is convalescing rapidly following a recent operation.

Mr. and Mrs. Larry Aylor and daughter were entertained on Saturday evening at dinner at the Hotel Sinton, guests of Mrs. E. Fern Flint, of Woodburn Ave., Cincinnati Ohio.

Dr. and Mrs. William Schmidt and Mr. and Mrs. Russell Wilmhoff were guests of Dr. Schmidt's parents in Toledo, Ohio, over the week-end.

Mrs. Alice Aylor is the guest of her son in West Virginia for several weeks.

Again last Sunday, Rev. H. L. Reed of Covington, Va., inspired the largest attendance since Easter with one of his timely sermons at the Florence Christian Church. Next Sunday his topic will be the "Jericho Road." This will be Rev. Reed's last appearance in Florence until Fall. You will be welcomed.

VIRGIL CHAPMAN
KENTUCKY FARMERS!
We Have A Vitally Important Stake In the Senatorial Race
We have an opportunity to support a man for public office in the August primary who has fought farmers' battles in Washington for more than two decades. We refer to the Honorable Virgil Chapman, of Paris, who has represented the 6th District in Congress for 22 years and is now a candidate for U. S. Senator.
This in 1933—When the AAA act was introduced in 1933, with a base period that would have precluded Burley tobacco from benefits, VIRGIL CHAPMAN was a leader in remedying the defect and including Burley in the AAA program.
This in 1936—When in 1936 the Supreme Court declared AAA of 1933 unconstitutional, VIRGIL CHAPMAN introduced the bill that resulted in full payments to farmers who had fulfilled their production-adjustment contracts.
This in 1938—In 1938, VIRGIL CHAPMAN was one of the leaders in the campaign for the enactment of the existing AAA act, which provided the basis for the entire farm program. He introduced several subsequent amendments to improve the act.
This in 1943—When the Price Control Act of October 2, 1943, authorized ceilings on farm products, VIRGIL CHAPMAN drafted the 47-word amendment establishing the price formula for Burley tobacco, and led the fight for its proper interpretation, that increased the return to Burley growers on the 1942, 1943, 1944 and 1945 crops in the amount of $227,609,600.
When the textile manufacturers were not making enough cotton canvas for plant beds for the 1943, 1944 and 1945 crops, VIRGIL CHAPMAN secured the production and distribution of the canvas covers without which those three crops would have been materially curtailed.
This in 1945—VIRGIL CHAPMAN aided Governor Earle C. Clements in having enacted the Clements bill which authorized quotas for dark and air-cured tobacco and provided a support price formula which added 6 to 8 cents per pound to the farmers' return.
This in 1948—When the Aiken bill was first introduced, its tobacco provisions would have wrecked the Burley and dark programs. VIRGIL CHAPMAN caused a hearing to be held for growers before the Senate Committee on Agriculture. Following this hearing Mr. Chapman led the fight that resulted in the retention of the parity and price-support formulas that have worked so successfully, and insured tobacco growers against disorderly, declining markets.
VIRGIL CHAPMAN, as a member of the committee on Interstate and Foreign Commerce, helped create REA. His committee conducted the hearing and reported the bill, and Mr. Chapman helped obtain a rule for its consideration and aided in voting it into law. Since then he has supported every appropriation for the extension of REA. He has supported the Soil Conservation Program, TVA, Reciprocal Trade, farm tenancy legislation to promote ownership of farm homes and make possession of such homes more secure, and many other measures benefiting Kentucky farmers.

A VIRGINIAN

Rev. H. L. Reed will not only "carry you back to old Virginia" but on to the Holy Land next Sunday at the Florence Christian Church at 11 o'clock. He will speak of incidents along the Jericho Road. Come out and listen to this man from Covington, Virginia, who knows the Bible and can tell about it in an interesting manner. Everyone is welcome. If you nap between 11 and 12 o'clock on Sunday you had better stay away or your slumbers will be disturbed.

RIVER BOTTOM FARM

80 ACRES—Approximately 20 miles from Florence on State Highway, 2 good 5-room houses, also cottage overlooking the Ohio River now rented; tobacco barn, feed barn, wash house, brooder house, coal house, chicken house, corn crib; 4 acres tobacco base; approximately 50 good apple trees; 3 cisterns, plenty of stock water. Have had lot of calls for bottom farms like this. Here's a beautiful farm and the price is right, $15,000.00. This farm will carry a large loan. Crop not included. Electric in all buildings.

62 ACRES—18 miles from Florence on State Highway; 5-room house and bath, glassed in porch, modern kitchen with built-in features, one floor plan, running water. This is a nice house; farm has 8 acres of alfalfa, it's hill land but good strong land. No other buildings with exception of the house; house is worth more than asking price. Price $6500.00. $1000.00 or $1500.00 down will handle the deal, or will trade for city property.

If you are looking for a farm, see me, I have all kinds, also have houses in Florence, Erlanger and Walton.

RATES BY HOME BUREAU

A four-day tailoring course, which Mrs. Harry Harper of Hart county took last Fall from Home Agent Martha Jane Jones, has resulted in a saving of at least $115. Mrs. Harper not only made a wool suit and a jacket for herself, but she also made two men's sport jackets. The actual cost of all the garments was $75, while similar ones ready-made would have cost about $190.

Now, here is a CULTIVATOR that really knocks out weeds

Some folks say a cultivator ought to "tid air into the soil," "help retain moisture" etc. We say you cultivate to get rid of weeds. The other things are important, but knocking out weeds is number one. And we'll show you the cultivator that does it.

What's more, this cultivator can be attached to the Ford Tractor in about a minute! Now, that is a big advantage . . . especially when changing from cultivating to mowing and back again. Time saved is money saved.

Study the pictures! See how easy cultivating is with Ford Hydraulic Touch Control. Let us demonstrate this cultivator for you . . . Rigid or spring shanks.

VOLUME 71 — BURLINGTON, KENTUCKY THURSDAY, JULY 22, 1948 — NUMBER 3

BUREAU MEETS WITH PRODUCERS

AT COURTHOUSE MONDAY EVENING—BOONE COUNTIANS DISSATISFIED WITH PRICES OF LIVESTOCK.

The Boone County Farm Bureau and livestock producers of Boone County met with officers of the Cincinnati Producers at the courthouse on Monday, July 19th.

Boone Countians, being dissatisfied with livestock marketing in Cincinnati asked Mr. Kimber, manager, R. Z. Asbury, field man and Mr. Neihoff, director of the Cincinnati Producers from this district to explain the cause of daily price fluctuations on the market. Producers were also interested in knowing the reason for such extreme price differences between top and medium grade animals. Complaints from livestock men were also registered on the misleading information disseminated in their daily livestock market reports.

Mr. Kimbler explained that even in the face of meat shortages the daily supply of livestock in the yards often exceeded the capacity of the packers to handle the supply. At such times buyers hesitate to buy and the daily fluctuations are the natural result.

The extreme difference in price between top and medium grade animals results from the fact the packers, particularly local concerns, require choice cuts for their trade and are not interested in other grades. Buyers often refuse medium and lower grade animals at any price. It naturally follows that prices of such animals are low due to the lack of competition.

It was decided by the Farm Bureau to allow Mr. Kimbler to talk to the market reporter and inform him of the attitude of Boone County livestock men about his market reports.

Mr. Kimbler was also asked how a cooperative, such as Cincinnati Producers could truly represent the farmer as a seller and still buy for packers. He explained that they received orders from large packers and buy only above other bids on the open market.

HOMEMAKERS WILL EXHIBIT FURNITURE

Homemakers are sponsoring exhibits of refinished furniture next week in Boone County, according to Mary Hood Gillaspie, Home Demonstration Agent. Exhibits will be set up on Wednesday, July 28th and be on display Thursday, July 29th. Samples of furniture that was refinished during the spring and early summer will be on display.

Exhibits will be set up in Florence at the Gross Electric Shop; Burlington at the Burlington Hardware Store and at Hebron.

All Boone Countians and their friends are invited to view the furniture.

BIG BONE CHURCH ANNOUNCES YOUTH SERVICES JULY 25TH

The Big Bone Baptist Church will have a youth service next Sunday morning, July 25th. The youth of the church will have entire charge of the service. On Sunday night Daily Vacation Bible School Commencement services will be held, according to the pastor, Rev. Sam S. Hogan.

DISTRICT FOUR-H CAMP AUGUST 2-6

ALL FOUR-H MEMBERS ARE ELIGIBLE TO ATTEND IF THEY ARE 12 YEARS OLD AND HAVE RECORD BOOK UP TO DATE.

Boone County plans to participate in a district 4-H club camp August 2-6th. The camp will be held at the state 4-H Camp Bingham in Washington County, one hundred and twenty-five miles from Boone County.

Any 4-H member is eligible to attend provided: 1, They are twelve years of age or older; 2, they have their project and record book up to date; and 3 have six dollars to pay for expenses. If more than two cars full attend, an extra charge will have to be made to defray transportation expense.

If a 4-H member desires to attend, they must make reservations with the County extension office by Wednesday, July 28th.

Harry Willoughby and family, of Ludlow, R. 2 were business callers in Burlington, Friday morning.

PLANE LANDS SAFELY AFTER DISTRESS SIGNAL

Volunteer fire departments from Florence and Erlanger were called to the Greater Cincinnati Airport Monday night, after the pilot of an American Airlines Convair, radioed a distress message.

According to reports the pilot radioed the airport that the plane's landing gear was jammed soon after leaving Dayton, Ohio. The pilot, however, cleared up the trouble by working the gear controls during the last lap of the flight..

Firemen and airport officials watched as the ship landed without trouble.

MRS. MARY BEDINGER

Mrs. Mary Alice Bedinger, Richwood, died Monday at her home after a long illness. She was 80 years old.

She is survived by her husband Bradbury C. Bedinger, Richwood; and two sisters, Mrs. Sarah Davis, Cincinnati, and Mrs. Emma Eggleston, Bethel, Ohio. Mrs. Bedinger was a member of the Richwood Methodist Church.

Funeral services were held at 2 p. m. Wednesday afternoon, Covington, with burial in Richwood Cemetery.

EXAMINATION IS NECESSARY

FOR ALL CHILDREN ENTERING SCHOOL FOR FIRST TIME—EMPLOYEES WILL ALSO BE REQUIRED TO HAVE PHYSCIAL.

All children entering school for the first time this fall are required to have a complete physical examination, according to H. N. Ockerman, superintendent of Boone County schools.

Parents are urged to secure a health record card from the office of the superintendent of schools and take their child to their family physician for this health examination. Any corrections needed should be taken care of before the opening of school. The health record card must bc filed the school in which the child is entering.

All teachers and school employees also are required to have a complete physical examination before opening of school.

VETS SCORE WIN OVER ARMCO NINE

SUNDAY BY SCORE OF 9-7—DECIDING RUNS SCORED IN SEVENTH BY HITS OF MILLER, SMITH, BENSON BROTHERS.

The Boone County Vets chalked up another victory Sunday when they defeated the Armco nine, of Middletown by a score of 9-7 at the Florence park.

Smith and Sanger were on the mound for the Vets, allowing the losers 12 hits. The winners collected 14 hits from the tosses of Sexton and Grine.

The Vets trailed 2-0 until the fourth when they pushed over two runs on singles by Sox Benson and Bowman and a double by Dennisston. They forged to the front, 3-2 in the fifth as Smith singled, moved to second on a sacrifice and came home on a fly and an error. Middletown counted two runs in the sixth but the home team knotted the score in their half of the inning.

The Vets clinched the game with four runs in the seventh. Smith led off with a home run. Miller and Collins singled, C. Benson singled scoring Miller and Sox Benson doubled, scoring Collins and C. Benson to put the game on ice.

Smith, Collins, Sox Benson, Bowman and Dennlston each collected two hits, while Carter got three for Middletown.

MRS. TENNIE BEEMON

Funeral services for Mrs. Tennie Elizabeth Aylor Beemon, 81-year-old lifelong resident of Boone County, were held at Florence Baptist Church at 11:00 a. m. Saturday with burial in Hopeful Cemetery.

Mrs. Beemon died Wednesday at the home of her daughter, Mrs. Sadie B. Tanner, Florence, after a long illness.

She is survived by two daughters, Mrs. Sadie Tanner and Mrs. Ira Ryle; a sister Miss Ada Aylor; three brothers Lloyd, Charles and Spencer Aylor and two grandchildren.

Ralph Stith, Florence funeral director was in charge of arrangements.

BULLITTSVILLE TRIMS SAND RUN

IN IMPORTANT CONTEST SATURDAY—UNION AND BELLEVIEW WIN AND BURLINGTON-VERONA BREAK EVEN.

Manager Myron Garnett and his Bullittsville boys stepped a game closer to the championship in the Boone County Sunday School Baseball League as a result of their impressive 15-5 triumph over second place Sand Run. The booming bats of the winners greeted Bud Goodridge with a hitting splurge that accounted for 7 markers. George Bloebaum came to Goodridge's relief but he apparently was no better as he allowed the final 8 runs in the last six innings. Hazel Walton, veteran of many decades of Boone County baseball, started on the hill for the victors and was touched for 4 runs in the four and a half innings he worked. Barney Hogan, Garnett's ace came in to complete the game and hurled beautiful ball as he allowed but 1 run on 2 hits. Walton received credit for the win. Dick Gaines, top notch first sacker for Bullittsville carried away hitting laurels with 4 safe blows. Junior Garnett's three hits, Hogan's and Hossman's two doubles each, followed Gaines in the parade. Bloebaum of Sand Run hit the big blow, a triple. Buckler had two of the loser's six hits. Joe Hogan and Joe Aylor made the sensational fielding plays of the game. Garnett and Judy were the catchers. Bullittsville proved their outstanding ability as they outclassed the second place nine. Summary: Bullittsville 15 runs, 17 hits, 4 errors; Sand Run 5 runs, 6 hits, 2 errors.

Burlington traveled to Verona and split a doubleheader with the youngsters from south end of the county 7-2 and 15-1. Raymond Beach reached his peak as he hurled but 33 hitters as he recorded the hit performance against the second place county seat lads. Beach faced but 33 hits as he recorded the victory. He struck out 10, walked none and threw out six Burlington hitters, receiving perfect support in one hour and 40 minutes, 9-inning contest. Burlington tallied twice on three successive hits in the sixth. Verona took a first inning 3-run lead on a single, walk and home run by Coyle. Bob Brown, big Burlington hurler, lost a well pitched game as a result of two fat pitches which spelled his defeat. Brown was tagged for another four bagger with two on by Sparks in the sixth. Eliminating the two bad innings, Brown pitched on even terms with Beach as he fanned 12, walked 3 and gave up 7 hits. Chick Stephens, one of the loop's most dangerous hitters, drove out three safeties, to top Burlington. Code's double and single were tops for Verona. Jimmy Smith, strong arm receiver and Joe Poole were the catchers. Summary; Verona, 7 runs 7 hits, no errors; Burlington 2 runs, 6 hits, 3 errors.

Clayton Brown's outfit unleashed an 18-hit attack in the nightcap at their marked up a 15-1 triumph. Again Chick Stephens was the outstanding man in the game as he poled out 4 hits in 4 trips to plate. Stephens shared honors with Roscoe Akins who collaborated with Joe Smith in limiting Verona to one hit in a beautiful pitching job. Akins hurled the first five innings with Smith finishing the contest. Akins and Phil Yelton each had three hits to trail Stephens in batting. Cheesemen started for Verona but was hit with a line drive in the second and was forced to leave the game. He was followed by Shields, Richards and Poole. Manager Joe Rouse's team seemed to fall apart in the final game as they committed 5 errors. Summary, Burlington 15 runs, 18 hits, 4 errors; Verona 1 run, 1 hit, 5 errors.

Union traveled to Florence and chalked up a hard fought 8-5 win over the stubborn Florence nine. Scott Jack was the winning pitcher and turned in a nice performance, although he was relieved by Hodges in the eighth. The victory was number six for the veteran curve ball hurler. Bob Rouse, Florence hard luck moundsman, pitched a good game as he struck out 9 Union hitters. Hopp, Union spark plug infielder poled out three bingles to top the winners. Roger Knox smashed out a triple and single to account for four Union runs. Bob Rouse, although not a winning pitcher, certainly is a top-notch hitter as he has paced his team at the plate more than any other player, drove out three hits for Florence. Rouse has hit safely in every game this year. Dud Rouse and Bob Moore were in the cage for their respective teams. Summary: Union 8 runs, 16 hits, 5 errors; Florence, 5 runs, 12 hits, 5 errors.

In what has been reported as one of the league's best played games, Belleview trimmed Bullittsburg 9-3. Ivan Cason hurled no-hit ball for 7 innings when Bullittsburg finally got to him for 3 hits. The big left-hander turned in a splendid game, retiring 10 on strikes and walking but two. The win was his fifth. Bill Holladay pitched for Bullittsburg and looked good except for a few bad innings. Dave Clore, Bebe Scott and Mgr. Bob White each had three hits to take hitting honors. The game was well played and highlighted by good sportsmanship. Summary: Belleview 9 runs, 13 hits, 5 errors; Bullittsburg 5 runs, 3 hits, 2 errors.

Petersburg didn't show up at Big Bone, thus Big Bone win a forfeit game 9-0.

PETERSBURG AND BOB & GENE WIN

FIRST GAME IN BENKE SEMIPRO ELIMINATION SERIES—CLOSE SCORES FEATURE GAMES SUNDAY.

Bob and Gene and Petersburg won their first game in the Benke Semipro League Sunday, when Bob and Gene turned back Grants Lick by a score of 6-5 and Petersburg trounced Walton by a score of 6-0.

Bob & Gene was forced into extra innings before defeating Grant Lick on the losers grounds. In the tenth inning Stan Arnzen drew a walk and scored as his brother Ed blasted a long double to right-center field.

Riebling started on the hill for the winners but was relieved in the sixth by Stan Arnzen who received credit for the victory.

Bob & Gene collected 21 hits from the offerings of Nagel and Belcher. Neal Conner and Ed Arnzen led the attack for the winners each having a pair of singles and a double in five times at bat.

Fat's Cafe chalked up a victory over the Verona nine Sunday after Verona chalked up more than twice as many hits from the offerings of Uriage by a score of 3-2.

Steffen on the hill for Verona allowed only 3 hits, but walked 7, while Verona collected 7 hits which were scattered. The game was played in one hour and fifty minutes.

Myron Rinehard led the attack for the winners with two doubles, while Judge paced the losers with two singles.

D. Deck, on the mound for Petersburg, blanked the Walton nine Sunday 6-0 at the Petersburg park. The winners collected 14 hits off the pitching of Afterkirk, while the losers were held to seven. E. Deck paced the winners with four hits in four trips to the plate.

FLOWER SHOW WILL BE FEATURE OF FAIR

EXHIBITS TO FIT INTERESTS OF VARIOUS TYPES OF GARDENERS—PREMIUM MONEY MORE THAN DOUBLED.

A feature of the 4-H and Utopia Fair will be a flower show. A committee from the county garden club has arranged classes of exhibits to fit the interests of various types of gardeners.

Last year one hundred exhibits were made in the flower show. Due to the increased interest in the show, premium money has been more than doubled this year.

Any Boone Countian is eligible to bring an exhibit of flowers. They must be entered on Friday, August 20th. All entries may be claimed after 4:00 p. m. on Saturday, August 21st.

Following are the classes set up for the 1948 show:

1. Speciman African Violet.
2. Arrangement of flowers for dining-room table.
3. Specimen Gladiolus (2 spikes same color).
4. Specimen Zinos (3 blooms same color).
5. Monocluome — Arrangement (same color container and flowers).
6. Wild flower arrangement.

TWO INJURED IN CYCLE ACCIDENT

NEAR PETERSBURG SATURDAY EVENING—BILLY GAINES REPORTED IN SERIOUS CONDITION AT BOOTH HOSPITAL.

Billy Gaines, 15-year-old son of Mr. and Mrs. Dave Gaines of North Bend Bottoms suffered severe injuries when he was thrown from a motorbike near Petersburg Saturday evening.

Complete details of the accident are not available, but it was reported that the youth was passing an automobile on the Petersburg hill, when his bike struck Geneva Koons, throwing him into a ditch. The girl was treated at the office Dr. Love for minor bruises and released.

Billy was removed to Booth Hospital, Covington, where his condition is reported as critical. Tuesday afternoon he had never regained consciousness according to reports from relatives.

It was reported that young Gaines suffered a skull fracture and multiple cuts and bruises in the accident.

ANNUAL FISH FRY AT BIG BONE SET SATURDAY, JULY 24

The annual fish fry of the Big Bone Baptist Church will be held next Saturday, July 24th, it was announced this week.

This annual event has attracted large numbers from a wide section in the past, and no doubt will be as well attended this year as in the past. The event is looked forward to with pleasure, as a time when old acquaintances can be renewed, and new ones made.

The public is cordially invited to attend.

RANDALL-CLEMMONS

The marriage of Miss Gertrude Randall, daughter of Dr. and Mrs. Thos. E. Randall, of Petersburg, to Mr. Clifford H. Clemmons, of Norwood was an event of July 3 in Norwood, with Rev. Mathews, officating at the ceremony.

Mr. Clemmons and his bride spent their honeymoon in Kansas and now are residing at 3907 Floral Ave., Norwood, Ohio.

MRS. KING ATTENDS TRAINING SCHOOL

HELD AT ROANOKE, VA., FOR OFFICERS AND DIRECTORS OF FARM BUREAU—11 STATES REPRESENTED.

Mrs. Walter King, chairman of the Boone County Associated Women of Farm Bureau, returned from Roanoke, Va., where she attended a training school for officers and directors of Farm Bureau. Thirteen states are in the Southern District and there were delegates and representatives of eleven present. Louisiana and Puerto Rico were unable to attend these sessions.

Very prominent speakers were on hand to present facts and figures and the instructors were well qualified to teach their respective classes. The speakers included Mrs. Chas. Sewell, administrative director Associated Women; Edward A. O'Neal, past president American Farm Bureau; Dr. Walter S. New, president Polyteclinic Institute, who discussed in detail the stock problems with Mr. Herman C. Aaberg, director American Farm Bureau Federation Livestock Department and Dr. Cutler, of Washington speaking on the eradication of Brucellosic in all livestock especially your milk cows.

The speakers and classes were many and a person could not be present at them all. Each State president and President of Associated Women had an active part in each session.

The banquet on Tuesday night was attended by about 500 people and was held in the most gorgeous ballroom of the Hotel Roanoke. Mr. M. A. Hubbard, executive secretary of Virginia Farm Bureau was toastmaster presenting a most interesting and varied program.

Mrs. C. N. DeShazo, President Associated Women of Virginia acted as official hostess and a great deal of credit goes to these fine folk of Virginia for the tremendous success of the Southern Training School.

Mrs. King reports marvelous time, good food and a wealth of educational benefits received. It is her hope and desire that many from the county can and will attend the school next year to be held at Augusta, Ga.

WILL CONDUCT REVIVAL

Revival services will be held at Bullittsburg Baptist Church, July 25-Aug. 6. Rev. E. L. Patton, pastor or evangelist, will preach each evening at 8:00 p. m. The public is invited and urged to attend.

Bro. Patton says a real revival is not preached down or sung down, but comes through the efforts and prayers of the Lord's bride, the church.

LIME MAY BE USED ANY TIME OF YEAR

PROVIDING PRACTICE PROVES BENFICIAL TO CROPS—REFUND ON LIME AVAILABLE THRU ACP.

Applying ground limestone to farmland is one practice included in the 1948 Agricultural Conservation Program which farmers may carry out almost any time during the year.

Liming the land is not only a year-round practice, it is also a practice which may be used under the ACP in connection with any type of crop where it would prove beneficial. The only restriction on the practice is that it must be carried out in keeping with good farming methods for the locality.

The credit rate for the use of lime in the 1948 ACP in Boone County is $1.95. Where farmers obtain lime by contract through the county ACP office, they need pay only the difference between this amount and the total cost of the lime.

Farmers participating in the 1948 ACP who pay the full cost of their lime may obtain a refund of $1.95 per ton, up to the amount of their program allowance, by filing an application at the end of the year.

For the purposes of the ACP liming practice, each of the following will be considered equivalent to one ton of standard ground limestone: 1,400 pounds of burned or hydrated lime, 2000 pounds of agricultural granulated slag or 2,000 pounds of calcium silicate slag meeting the same specifications required for standard ground limestone, 3,000 pounds of ground limestone screenings, and 3,000 pounds of agricultural marl that is not less than 55 percent calcium carbonate. Before any material is used, test samples should be taken by the county ACP office.

While most of the cropland in Kentucky needs lime, farmers should obtain soil tests before applying lime. Information on soil tests may be obtained from the county ACP office or from the county extension agent.

Although lime may be applied on any crop, or before the crop is planted, one of the main purposes for using lime is to correct the acidity of the soil so that it will grow better legumes and grasses.

Once legumes are established on land with the proper amount of lime, a cycle of beneficial results begins. First, the heavier growth of legumes holds the soil against erosion; second, more nitrogen and organic matter are added to the soil; and third, the increased organic matter helps to make more of the native plant foods of the soil available to other crops. Besides these effects, the calcium in the lime is itself a plant food and a useful element in making other plant foods available.

LOCAL FISHERMEN LAND LARGE FISH

Ivan Gulley, employee of the Burlington Locker Plant and Lee R. McNeely, employee of the Burlington Hardware Store, were all grins during the past few days. Ivan, while fishing at Riddell's Lake, near Hebron landed a 17-pound catfish along with ten-pounds of channel cats. Mr. McNeely landed a large 8-pound catfish and a 3½-pound channel cat from the fair grounds lake Wednesday morning.

Both Riddell's Lake and the fair grounds lake were recently stocked with catfish. Several good catches have been reported at the fair grounds during the past few days.

Mr. and Mrs. Harry May returned last week-end from a trip to New York.

GIRL'S SLAYER WAS JAILED HERE

FOR FIVE DAYS PRIOR TO CINCINNATI EVENT—COMPANION STILL SERVING FIFTY-DAY SENTENCE.

Harry Robertson, 33, Richmond, Va., who is being held by Cincinnati authorities for the murder of Patricia Jackson, 8, Cincinnati, was released by Boone County officials only two days prior to the tragic Cincinnati event.

Robertson was picked up last Friday by the State Highway patrol for being drunk and was brought to Burlington along with Roy Dunaway, his companion, who was driving the car. Robertson was charged with being drunk and given a 5-day jail sentence. Dunaway was charged with drunken driving and given a 50-day jail sentence which he is still serving.

Robertson was released from jail Tuesday and hitchhiked his way to Cincinnati, where he hurled little eight-year-old Patricia Jackson from Western Hills viaduct on Friday, July 16.

Robertson admitted to Cincinnati officials that he had been drunk in his room early Friday and that he had been in a mental hospital following his discharge from the Army.

NELLIE H. NORTHCUTT

BURLINGTON GIRLS TROUNCE PETERSBURG SOFTBALL TEAM FRI.

The Burlington girls' softball team defeated Petersburg by a score of 11-1 Friday afternoon at the Burlington park. Pat Scott pitched for the winners and Norma Jarboe pitched for the losers.

Pauline Feldhaus yielded the big bat for the winners with a triple and Mary Crupe slammed out a double with the bases loaded.

Bellerive emerged on the long end of 9-8 count over Sand Run at the loser's grounds.

The managers of the four teams will meet this week to work out a schedule for the balance of the season. Come out and help your team win.

IMPORTANT MESSAGE TO EVERY KENTUCKY VETERAN

WE HAVE A TRIED AND TRUE FRIEND SEEKING THE DEMOCRATIC NOMINATION FOR UNITED STATES SENATOR

WE refer, of course, to Virgil Chapman who, during 22 years in Congress, has an unsurpassed record on veteran legislation. Mr. Chapman has supported *EVERY* law for the hospitalization, compensation, rehabilitation and education of veterans, and *ALL* measures of justice for war veterans or their dependents. His record for veterans is far too long to list in detail, but here, in brief, are some highlights:

VIRGIL CHAPMAN

For Spanish-American Veterans

To increase compensation and grant pensions to veterans of Spanish - American War, Boxer Rebellion and Philippine Insurrection, their widows and children.

To liberalize laws providing pensions for dependents of veterans who died in service prior to April, 1898.

For World War I Veterans

To provide allowances for widows and children of veterans.

To provide for immediate payment of the Veteran Bonus.

To kill the so-called Economy Act of 1933 which cut compensation of war veterans and repealed measures benefitting veterans and dependents. If this bill had become law in the form it passed the House in spite of the strong opposition of Mr. Chapman and other friends of the veteran, many veterans hospitals would have been closed and future hospital construction would have been stopped.

To renew expiring five-year level-premium term insurance policies for another five years. Five years later, he voted to renew the policies another five years.

To increase pensions for dependents of veterans.

To liberalize death-certificate benefits for veterans' wives and children.

For World War II Veterans

To provide mustering out pay.

To set up the G. I. Bill of Rights. Later he voted to expand and increase its benefits.

To liberalize the National Service Life Insurance Act.

To increase pensions to veterans.

To provide terminal leave pay for enlisted men.

To increase subsistence of veterans in schools and colleges or taking on-the-job training.

These are a few—*ONLY A VERY FEW*—of the many measures favoring veterans that Virgil Chapman has supported.

His actions—not just his promises—have stamped him a true friend of the veteran. Don't forsake an old friend, a man who has fought our battles in Congress for 22 years. Let us prove our loyalty to one who has been loyal to us.

CHAPMAN RADIO BROADCASTS
SATURDAY, JULY 24 AT 7 P.M.—Chapman's opening address at Frankfin, Ky., over WHAS and statewide hook-up.
MONDAY, JULY 26 AT 7:30 P.M.—John W. Jones of North Middletown, outstanding farm leader and tobacco grower, at Owingsville, over WHAS and statewide hook-up.

Miss Eunie Willis arrived recently from Detroit, Mich., for a vacation at her home here. She was accompanied by her sister, Mrs. Edgar Jones, who returned after a few days' visit.

Rev. Ray Alexander, of Oakland Church, supplied the pulpit here Sunday night in the absence of Rev. R. A. Johnson, who is conducting a revival at the Oakland Church.

Mr. and Mrs. Hampton Adams and son, of St. Louis, Mo., are visiting his mother Mrs. Katie Adams, of Big Bone. Mr. Adams and son were pleasant callers at The Recorder office Tuesday. Mr. Adams stated that he and his wife will sail August 6th on the Queen Elizabeth for Amsterdam, Holland, where he will attend the World Council of Churches. He also plans to visit Germany by invitation of the Chief of Chaplains to visit the eight Christian Church Chaplains who are now located in Germany.

ENJOY PICNIC

Approximately 75 members, their families and friends of Bullittsville homemakers, gathered on the lovely grounds of Mr. and Mrs. Jonas Stevens on July 18th to enjoy a picnic.

After a lovely dinner games were enjoyed. The men enjoyed tennis, horse shoes and croquet. The women's games were interesting and all who entered enjoyed them. A treat of ice cream was enjoyed, especially by the little folk.

We all left for our homes late in the evening, thanking our host and hostess for our lovely day. Thanks to all who helped serve.

—Pub. Chairman.

Mr. and Mrs. Elbert Rouse and son, of Florida, are visiting his parents, Mr. and Mrs. Otis Rouse and other relatives.

BURLINGTON W. M. S.

The W. M. S. of Burlington Baptist Church met at the church Wednesday afternoon, July 14 for their regular monthly meeting.

Our president, Miss Ruth Kelly was unable to be present due to the illness of her mother. Miss Estella Huey vice president, presided and gave the devotional.

Hymn: Church in the Wildwood

Prayer by Rev. R. A. Johnson, pastor.

Mrs. Lula McBee had charge of the program.

Song: The Church's One Foundation.

Pray Way: Mrs. Anna Gaines.

The "Rural Church" was the topic for discussion and Rev. Johnson spoke to us in a most interesting way, giving emphasis to the great progress made by the rural church in recent years, its value to the community served and the outstanding contribution it makes to our denominational program.

He also called our attention to some of the dangers which threaten the rural church.

A short business session followed the program, after which we were dismissed with prayer by Mrs. Kathryn Brown.

CARD OF THANKS

We wish to express our sincere thanks and appreciation to our friends, relatives and neighbors for the kindness and sympathy extended to us in the great loss of my wife and our beloved sister

Addie Noel Butler

Especially do we want to thank Rev. R. A. Johnson and Rev. Sam S. Hogan for their consoling words, the choir for their beautiful songs and all the donors of the lovely flowers. Also Chambers & Grubbs for their efficient service. 1t-c

HOMEMAKERS ATTEND DISTRICT MEETING AT MAYSVILLE RECENTLY

Boone County committee members of the homemakers clubs attended a district meeting in Maysville from the Northeastern and Northern Kentucky districts who met with state supervision for a training class. Each group of committee members met separately to hear reports of work done the last year and to set up goals for 1950-1951.

Mrs. Clyde Arnold, Boone County, has recently been appointed district publicity chairman. She presided over the meeting held for county publicity chairmen.

Others who attended from Boone were Mrs. Joe Hogan, Mrs. Dan Hacker, Mrs. Virgil Kelly and Mary Good Gillespie, Home Demonstration Agent.

FOOD PRESERVATION WEEK SET JULY 19-24

In announcing that the dates July 19-24 have been designated as National Home Food Preservation Week, Secretary of Agriculture, Charles F. Brannan stated, "Food is still the most important single factor in the fight for world peace."

This special week has been set aside to emphasize to homemakers the importance of taking advantage of seasonal abundances in fruits and vegetables produced both at home and commercially.

EXECUTRIX NOTICE

All persons having claims against the estate of Nat Rogers, deceased and all persons indebted to said estate are requested to call and settle with the undersigned.

Hill Top

Mr. and Mrs. Elmo Jergens entertained with a chicken dinner Sunday in honor of their daughter Elma. The occasion was her sixth birthday. Those enjoying the day were Mr. and Mrs. Henry Vahsing of Cincinnati; Mrs. Hallie Herbstreit and Donald, of Hebron; Mr. and Mrs. John Herbstreit, Mr. and Mrs. Norman Herbstreit and Wanda, Mr. and Mrs. Martin Voll and Miss LaVerne Jergens of Hill Top; Mr. and Mrs. Adam Dalwick, Carolyn and Janet and Lonnie Hapsley, of Ft. Thomas; Mr. and Mrs. Virgil Hapsley, of Constance. Little Elma received many pretty gifts and all left at a late hour wishing her many more happy birthdays.

Mrs. Adam Dalwick, Mrs. Mary K. Herbstreit and Elmo Jergens were pleasantly surprised last week by a visit from their cousin, Mr. and Mrs. Ed Laycock, of California.

Mr. and Mrs. Martin Voll and Mr. and Mrs. E. W. Jergens spent the week-end of July 10-11 in Chicago.

RESOLUTIONS OF RESPECT

Whereas, it has pleased our Heavenly Father to call from our midst our beloved friend and co-worker, Rose Huey and

Whereas, Mrs. Huey had been for many years a faithful member of The Women's Missionary Union, of Burlington Baptist Church, and

Whereas, she was a devoted mother and grandmother, a true friend, a kind and thoughtful neighbor, exemplifying in her life the highest type of Christian womanhood, be it

Resolved, that we express to the family our deep sympathy. While we share their sorrow, we also rejoice with them in that blessed hope of a happy reunion in a world where death comes not. Be it

Resolved ,that a copy of these resolutions be sent to the family, a copy recorded in our minutes and a copy sent to the Boone County Recorder for publication.

UNION W. M. U. NOTES

The W. M. U. of the Union Baptist Church met at the church for their regular monthly meeting with 19 present.

Mrs. Bernice Hodges prepared a very interesting program. Mrs. Ruth Mason brought the devotional from John 21-4-17. Those taking part on the program were Mrs. Anna Smith, Miss Lucy Newman, Mrs. Opha Bristow and Mrs. Ora Fraser.

We were led in special prayer for our pastor, our church, for the sick and those in sorrow in our community by Mrs. Hallie Huey. Mrs. Fothergill dismissed the meeting.

LADY STUFF

by Marsha Wheeler

(Editor's Note: Marsha Wheeler is the prominent lecturer and radio personality.)

Dorothy Kilgallen is a three point career woman. Columnist, radio commentator and short story writer, she rates a picture in a recent fashion magazine among the names that are news.

I met her writer Dad during the war at the Louisiana army maneuvers, wearing the correspondent's unfamiliar khaki. He is wiry, witty, and quite happy to let his daughter have the spotlight.

You might like to try my mother-in-law's New Orleans shortcake. It's different, delicious, and can be delayed. Meaning it doesn't deteriorate if it stands a while before serving. Left-over cake is still good at the next meal.

Bake a rich, slightly sweetened biscuit dough in a square or oblong pan. While hot, split it in half. Cover bottom layer with a thick paste made of 4-X sugar, a few mashed strawberries and melted butter or margarine. You'll need about two cups of sugar, only a few berries.

Into the paste gently press a generous layer of cleaned, picked berries, cover with top crust. Serve with plain or whipped cream, ice cream with crushed berries.

ELECTRIC REFRIGERATOR

Your electric refrigerator is working harder than ever these hot July days, protecting your perishables and providing you with extra quantities of ice cubes and frozen desserts. Help it serve you more economically . . . keep it operating at top efficiency . . . by following these timely suggestions:

- Defrost at least once a week. Frost acts as an insulator and makes your refrigerator work harder to keep foods cold.
- Don't waste ice cubes. If you use only part of a tray, refill the empty sections and return tray promptly to freezer.
- Use fast freezing sparingly. Keeping control at coldest setting for long periods increases running time and operating cost.
- After freezing desserts, turn control halfway back to normal to hold until served. Then return control to normal.
- Avoid frequent and lengthy door openings.
- Let hot dishes cool before putting them in your refrigerator.
- Check door gasket for tight seal. If it permits entry of warm air, have it repaired or replaced.
- Keep condenser clean. Dirt and dust interfere with its cooling efficiency and increase running of the motor.
- If your refrigerator is an open unit model, oil the motor according to manufacturer's directions.

ATTEND BEEF CATTLE TOUR

Friday, July 9, Raymond Diehl, Idlewild and George W. Moody, of Union, attended the annual beef cattle tour in Madison County, at Richmond, Ky.

Prof. Good of the University and Mr. Johnstone of the Extension Service discussed the following:

1. Plant corn, learn to keep the corn borer loss at a minimum.
2. Add 20 pounds of Borax to each acre of alfalfa to increase the yield.
3. Ky. 31 fescue should always be planted with a legume.
4. Sow blue grass with a legume.
5. Sow orchard grass with a legume.
6. Ky. lands needs phosphate.; rock phosphate is good for 20 years.
7. Too much lime will reduce the tobacco yield.

8. The importance of finishing the steer at 1200 pounds with less than 8 pounds of corn a day and plenty of roughage.

The export market for the large steer is lost. Frequent spraying of cattle with DDT should be continued. Beef cattle production is now the chief source of income for the blue grass farmers.

REV. REED WILL BRING TWO MORE SERMONS AT FLORENCE CHURCH

Rev. H. L. Reed spoke to a larger audience than in preceding weeks at the Florence Christian Church last Sunday. It was stated that this would be his last appearance until fall, but he will be here through July, bringing two more sermons. Come out and hear him.

CHURCH AND PICNIC AFFAIR

A few former members from Covington and Erlanger visited their old home church Sunday afternoon at 3:00 p. m. at the Beaver Lick Baptist church services.

After renewing some old acquaintances at the church, a lovely picnic was held in the beautiful shady lawn of Mrs. Fannie Howard. A good time was had by all present and a delicious lunch was served.

The following guests were present: Mr. and Mrs. Henry Rich and daughter Bonnie Sue, of Erlanger; Mr .and Mrs. J. Paul Rich, Mrs. Edna Rich DeVoss and daughter Evelyn, of Covington; Mrs. Bertha Jack, Mr. and Mrs. Robert Slayback and the hostess, Mrs. Fannie Howard, of Beaver Lick.

ENGAGEMENT ANNOUNCED

Mr. and Mrs. Wm. Shotwell, of Goodridge Drive, Florence have announced the engagement of their youngest daughter Wanda Lee to Mr. Edward Walston, son of Mr. and Mrs. Cecil Walston, of Petersburg. The marriage will be an event of Saturday, July 24th.

The typical Navy recruit is 17 years old, unmarried, has no dependents, comes from a rural area, left school at the age of 16, and joined the Navy to travel or to learn a trade, according to a recent survey conducted by the Bureau of Naval personnel among 2,400 new enlistees.

New York led the nation with 5,046 first enlistees in the U. S. Navy during calendar 1947, according to a recent breakdown of recruiting figures. Second state was California with 4,853, third was Pennsylvania with 4,068, and last was Delaware with only 80.

PHYSICAL EXAMS PLANNED AUG. 2-6

FOR ALL CHILDREN ENTERING FIRST GRADE—CHILDREN TO BE EXAMINED AT FIVE HIGH SCHOOLS OF COUNTY.

Children who will enter the first grade schools of Boone County this fall are required to have a physical examination before enrolling, according to Elizabeth Lowry, Red Cross Nurse. This is a new law and must be followed.

Places for examinations are New Haven High School, Florence High School, Hebron High School, Walton High School, Burlington High School. Busses will be furnished to transport children to and from the schools.

The new law reads as follows:

"1. Beginning not later than the opening of the 1948-49 school year, all Boards of Education of the county and independent school districts shall, under the general direction of the Superintendent of Public Instruction, provide for medical examinations of each teacher upon employment and every year thereafter, and of each child in as far as local facilities and personnel are available, immediately prior to entering or upon entering; Furthermore Public School Boards shall, in as far as local facilities and personnel are available, provide annual physical examinations for each child enrolled or entering school. The Superintendent of Public Instruction is directed to request teacher education institutions to provide both types of examinations for all their students."

In order to begin complying with the new code of the State Board of Education, Superintendent H. N. Ockerman, H. P. Baker, Mrs. Sibbia Reimer and Miss Elizabeth Lowry have worked out the following plan for a physical examination of all first grade children in Boone County. This includes those who are still in the first grade from last year and those who enter for the first time this year.

The State forms are in the superintendent's office. Parents wishing to take children to private doctors and dentists are urged to get the State form and have the examination as soon as possible, so there will be time for needed correction before the opening of school.

Boone County doctors and dentists are cooperating in this plan as they have done many times in the past.

Following is the schedule for those who wish to take advantage of the examinations planned for each school:

Monday, August 2, 9:30 a. m.

New Haven High School, including Hamilton. Dr. M. A. Yeleton, medical; Dr. Thomas C. Lutes, dentist. Get bus at Hamilton school 9:30 a. m.

Tuesday, August 3, 9 a. m.

Florence High School and St. Paul Parochial School. Dr. Gladys Rouse, medical; Dr. Thomas G. Lutes, dentist.

Wednesday, August 4, 1:30 p. m.

Hebron High School including Petersburg and Constance. Get buses at Petersburg, 1:30 and Constance at 12:30. Dr. B. B. Nunnelley, medical; Dr. W. R. Schmidt, dental.

Thursday, August 5, 9:00 a. m.

Walton High School, including Verona. Get bus at Verona school at 9 a. m. Dr. H. F. Mann and Dr. J. M. Huey, medical; Dr. D. L Maddox, dental.

Friday, August 6, 9:30 a. m.

Burlington High School including Belleview, and Burlington colored. Get bus at Belleview school at 9:30 a. m. Dr. George H. Riley, medical; Dr. W. R. Schmidt, dental.

Parents and primary teachers are urged to be present for these examinations. They can be made a fine educational experience for the parent, teacher and the child.

There will be a charge of $1.00 per child, payable at the time of examination. Provision will be made for those who cannot pay.

REFINISHED FURNITURE WILL BE ON DISPLAY

Display of refinished furniture may be seen by the public this Thursday, July 29th in Boone County. Homemakers of Boone are setting up exhibits at Florence at the Gross Electric Shop and at Burlington, Burlington Hardware Store. Exhibits will be arranged on Wednesday and will be on inspection all day Thursday, according to Mary Hood Gillaspie, Home Demonstration Agent.

PHOSPHATE IS AVAILABLE

TO FARMERS UNDER ACP—MAY BE USED ON PERMANENT PASTURES, NEW SEEDINGS OF LEGUMES AND GRASSES.

Farmers participating in the 1948 Agricultural Conservation Program in all Kentucky counties may obtain phosphate, paid for in part by program funds, for use on legumes and grasses.

These phosphates for use in the conservation program may be procured under either of two ACP plans—by contract or by "purchase order."

Under the contract plan which is used in Boone County, phosphate is delivered direct to farmers thru county ACP offices.

Part of the cost of the material is deducted from the farmers' soil building allowances under the ACP, and the remainder is paid by farmers when the material is delivered. In Boone county farmers pay $13.85 per ton of the $30.65 total cost of 20 percent superphosphate. The remaining $16.80 is deducted from the farmers' soil building allowances.

ACP phosphate may be used on permanent pastures, on new seedings of legumes and grasses, on all types of winter cover crops except small grains seeded alone, on most types of hay crops, on cover crops in orchards, and on manure in stables.

Kentucky farmers cooperating in the 1948 ACP have ordered 33,131 tons of 20 percent phosphate, or its equivalent in other phosphates, through May 31, and 28,260 tons of this had been delivered up to that date.

NO-HITTER HURLED BY ELMO STEFFEN

SUNDAY AT VERONA PARK—PETERSBURG AND BOB AND GENE COULD'T VICTORY IN BENKE SEMIPRO LEAGUE.

Elmo Steffen, veteran right-hander of the Verona nine, chalked up a no-hit game Sunday afternoon as his teammates pounded out a 22-1 victory in the second round of elimination series in the Benke Semipro baseball league.

Steffen struck out 13 men in his no-hitter. The lone run came as the result of an error, when a long fly was dropped by a fielder after falling. The Verona boys marked up 14 hits, off the combined efforts of four losing Walton pitchers. The final score was Verona 22, Walton 1.

Six runs were scored by Verona in the first four inning from the offerings of McClure; 6 runs from the pitching of Worthington; 3 were scored off Fields and 7 runs from the offerings of Vest in the last two innings of play.

Bob and Gene scored four runs in the first inning and then went on to defeat the Ludlow Vets 12-9 in a free hitting game at the Ludlow park. The winners collected 16 hits from the offerings of Elmer Taylor, while the losers secured 17 hits off the slants of Al Reibling and Don Pund. The big blow of the day was by Smith, who homered for the winners.

Ludlow drove Pund from the box registering six runs in the eighth before being relieved by Reibling who struck out two batters with the bases loaded.

Petersburg marked up an easy victory Sunday over Blue Ash, giving them a sound lacing to the tune of 10-2. E. Beck was on the mound for Petersburg, and was master of the situation throughout the game. He also collected three hits to aid his own cause.

PRESSURE SAUCEPAN CANNING POSSIBLE

Canning small quantities of foods is possible in the pressure saucepan, according to Mary Hood Gillaspie, Home Demonstration Agent.

A pressure saucepan may be successfully used for small jobs of home canning provided the saucepan meets certain requirements, and provided processing time scientifically adapted to saucepans are used, two equipment specialists of the U. S. Department of Agriculture, report.

For home canning, a saucepan must be tall enough to hold pint jars on a rack with the saucepan cover locked in place, and the saucepan must have a gauge that allows pressure to be controlled accurately at 10 pounds, say these equipment specialists, Katherine Taube and Enid Sater, of the Bureau of Human Nutrition and Home Economics.

To sterilize vegetables for safe-keeping, processing time at 10 pounds pressure must be 20 minutes longer in a saucepan than the times recommended for a pressure canner, the experimental canning shows.

Miss Taube and Dr. Sater explain that this is because the pressure saucepan heats quickly, takes only a minute to exhaust its air content, and cools rapidly after the jars of food are processed. In a regular pressure canner these periods are longer than in a pressure saucepan and provide a greater share of the heat that sterilizes the food for safe keeping.

Following are the processing time for pints at 10 pounds pressure which are recommended, from this experimental work, when a pressure saucepan is used:

Asparagus, 45 minutes; lima beans, 55 minutes; snap beans, 40; beets, 45; carrots, 40; cream style corn 105; whole kernel corn, 75; okra, 45; peas, 60; cubed pumpkin, 75; strained pumpkin, 80; spinach, 65; summer squash, 50; dry pack sweetpotatoes, 85; wet pack sweetpotatoes, 75.

PETERSBURG GIRLS TROUNCE BURLINGTON TUESDAY EVENING

The Petersburg girls' softball team defeated the Burlington girls by a score of 8-7 Tuesday evening. Norma Jarboe pitched for the winners and Pat Scott served them up for the losers.

Burlington was leading 7-0 at the last of the seventh when the Petersburg girls started a rally. They scored eight runs in the seventh, while the Burlington girls committed four errors.

NEW HAVEN P.-T. A.

The New Haven P.-T. A. will meet on Tuesday evening, August 3, 8:00 p. m. at the school house. All members are urged to be present.

FIRST PRIZE WON BY LOCKER PLANT

OF BURLINGTON AT ANNUAL MEET OF KENTUCKY FROZEN FOOD LOCKER ASSOCIATION, HELD IN LEXINGTON.

The Burlington Locker Plant, represented by Carl Wm. McCarty, local manager, won first prize at the annual meeting of the Kentucky Frozen Food Locker Association in the Phoenix Hotel, Lexington, July 19 and 20th.

The local plant was awarded the prize after answering questions concerning the efficiency, operation and production of a locker plant. Fifty-one locker plants out of a possible 53 were represented at the meeting.

Theme of the meeting was "Proper Merchandising for Locker Plants," which was discussed by members and outstanding speakers during the two-day session. A banquet was held Monday night for the representatives and their wives in the Blue Room of the Phoenix. Mr. McCarty was accompanied by his wife.

Burlington Locker Plant can well be proud of the honor of winning first prize at this meeting, thereby placing this plant at the top of the list of Kentucky Frozen Food Lockers.

FLORENCE MAN SELECTED TO HEAD BROWN'S CAMPAIGN

R. V. Lents, of Florence, has been selected chairman of the Boone County Campaign committee for John Young Brown, candidate for U. S. Senator.

Mr. Lents has campaigned for Kilgore and Waterfield for governor and made a creditable showing for his candidates each time. He states that he will be unable to do much real campaigning due to previous committments and the short time until election.

VETERANS WILL BE ASSISTED WITH G. I. INSURANCE, SAT.

The Veterans Administration Office, City Building, 3rd and Court Streets, Covington, Ky., will be open from 9 a. m. to 6:00 p. m., Saturday, July 31st, to assist veterans with reinstatement of their G. I. Insurance, it was announced today by Mr. Gordon T. Bryant, officer in charge of the VA office. July 31st is the last day for easy reinstatement of G. I. insurance that has lapsed more than three months. Under liberal provisions, veterans can reinstate their insurance at a cost of two monthly premiums, providing their health is as good as when their insurance lapsed.

Mr. Bryant pointed out that veterans may reinstate any amount from $1,000.00 to $10,000.00 in any of the 7 plans of insurance now available, which includes term insurance as well as 6 permanent plans.

CLOSE VICTORY WON BY VETS

OVER KURTS TAVERN AT FLORENCE BY SCORE OF 7-6—TIMELY HITTING FEATURES VET'S OFFENSIVE.

Buford Smith pitched his team the Boone County Vets to a 7-6 victory over the Kurts Taven at Florence park Sunday. Smith allowed eight hits and struck out 10 while walking five. Reuter and Hopper were on the hill for Kurts Tavern.

The Vets pushed over a run in the first inning as Collins singled and raced to third on Charley Benson's hit. Collins scored as D. Benson singled. Kurts tied the score in the first of the third inning when Kallmeyer singled and took second as Couse was hit by a pitched ball. Bernhardt singled scoring Kallmeyer.

The winners moved ahead 2-1 in their half when Bob Williamson singled and scored following "Pip" Clore's double.

The Vets added two runs in the fourth to lead 4-1. Kurts tied the score with three runs in the seventh on a walk, hit batter and two singles. Boone County iced the game with three runs in the eighth. Denniston singled and raced to third on B. Williamson's double. Clore walked to fill the bases. Smith singled scoring Denniston and B. Williamson and Dale Williamson singled scoring Clore.

In the ninth, the Ohioans scored twice but were unable to push over the tying run from second base.

Leading hitters for the winners were Charles Benson, Sox Benson, Bob Williamson and D. Williamson, each marking up two hits.

Boone County League

Belleview defeated Bob and Gene on the Florence ground Saturday by a score of 10-8 in one of the best games played this season. Although both pitchers were hit freely throughout, the score was close all the way with Belleview out-hitting the losers 12 to 10.

Bob and Gene travels to Petersburg Saturday, July 31st. Belleview drew the bye but are trying to arrange a game. Game time will be 2:30.

LEAGUE LEADERS VICTORIOUS SAT.

UNION, BELLEVIEW AND PETERSBURG MARK ONE UP IN WIN COLUMN—GAMES SATURDAY MARK SECOND ROUND.

League leading Bullittsville won an easy game Saturday when Florence forfeited. Florences did not have but eight eligible players present. Petersburg also won a forfeit game over Burlington. The Burlington team protested the umpire's decision so violently that he gave the game to Petersburg. Manager Clayton Brown of Burlington has filed a protest with the league president and the protest will be acted upon within the next two weeks, according to James R. Huey, league President. Big Bone, and Petersburg, Verona and Bullittsburg and Burlington and Petersburg have all filed protests on games.

Sand Run traveled to Big Bone, taking an impressive 7-3 game from the boys from the Lick. George Bloebaum was on the bill and pitched a splendid game as he recorded his sixth victory. Bloebaum struck out seven and allowed but 7 hits. Buck Judy was Bloebaum's battery mate. Charley Black, Big Bone fireball hurler, went the route as he whiffed 10 and gave up 10 safeties. George Sprague, Sand Run keystone star, poled out 3 doubles to carry away batting honors. Geo. Stahl wasn't far behind with two 2-baggers, Two base hits were the order of the day as "Red" Gruelle, Denver Black, Shirley Gruelle, Sonny Gruelle and Charley Black each hit a double for Big Bone. The game was well played throughout. Summary: Sand Run, 7 runs, 10 hits, 1 error; Big Bone, 3 runs, 7 hits, no errors.

Ivan Cason proved to be too much for Verona as he hurled a beautiful 4-hit performance. Cason has allowed but six hits in his last 18 innings. The big lefthander, who is rapidly improving, struck out 12 hitters Saturday. Raymond Beach started for Verona but was relieved by Cheesman in the fifth. Beach was hit hard by the Belleview boys. John Walton, veteran Belleview third baseman, drove out two home runs and a double to pace the winner's 17-hit attack. Allen White, capable receiver, with four safe blows was high for Belleview. Beach collected two of Verona's 4 hits. Summary: Belleview 14 runs, 17 hits, 4 errors; Verona, 3 runs, 4 hits, 9 errors.

Union chalked up an easy 20-6 triumph over Bullittsburg. Union substituted freely, using five pitchers with Scott Jack receiving credit for the victory. Bill Holladay went the route for the losers. Bobby Moore, dependable Union catcher, had four hits to lead the winners to victory. Summary: Union 20 runs, 21 hits, 4 errors; Bullittsburg, 6 runs, 6 hits, 6 errors.

The games of July 31 will complete the second round of play. Come out and support your team.

NEW RECIPE MIX MAY BE PREPARED AT HOME

To save time in preparing desserts, especially in summer, many housewives like to make up their own pudding mix ready for rapid use in a variety of cornstarch puddings, pie or tart fillings, or filling between layers of cake. For such a mix, dry skimmilk powder—known as non-fat dry milk solids—offers convenience, good keeping quality, economy and high nutritive value.

The following recipe, suggested by the Michigan Experiment Station, makes 3 to 4 servings of pudding and is twice as high in milk solids value as pudding made with fluid milk.

To make the mix combine thoroughly 1½ cups sugar; 1½ cups corn starch; 1 teaspoon salt; 7 cups dry skimmilk and store in a tightly covered container. To prepare pudding, use ¾ cup of the mix to 1¼ cup water. Add water gradually stirring until smooth. Then bring to a boil over gentle heat. Add ¼ teaspoon of vanilla.

Many variations are possible with this mix. To ¾ cup of the mix may be added:

One tablespoon chocolate sirup or ½ square bitter chocolate, shaved or melted.
One-fourth cup chopped fruit—fresh, canned or dried.
One-fourth cup cinnamon drops or crushed peppermint candies.
One-fourth cup chopped nuts.
One-half cup toasted cake cubes.
One-fourth cup toasted cocoanut.

The pudding may be served with a topping of chocolate or butterscotch sauce honey, jam or whipped cream. The pudding may be used to fill pie or tart shells or filling between layers of cake. The thickness of the pudding may be varied to taste by the amount of water added.

What Will You Do, Mrs. Housewife?

Vote for Chapman for Senator August 7 to Protect Your Pocketbook

★

Congress has the say as to whether the cost of living shall go higher or lower. It is very important that you elect to the Senate a man like Virgil Chapman, who has fought and will keep on fighting price increases like these:

PRICES:	1942	1948
Chuck Roast	lb. 25c	lb. 51c
Veal Roast	lb. 20c	lb. 49c
Wieners	lb. 23c	lb. 51c

Bacon	lb. 29c	lb. 79c
Pure Lard	lb. 14c	lb. 29c
25 lbs. Flour	87c	$2.19
Milk	qt. 14c	qt. 21c
TOTAL COST	$2.64	$6.24

THIS IS CHAPMAN'S RECORD

Congressman Chapman, candidate for the Democratic nomination for U. S. Senator, voted for every bill presented to Congress between 1942 and 1947 to keep prices down.

He voted for passage of an Anti-Inflation Bill.

He voted three times for extension of price control.

He voted against the liquidation of subsidies which held down the prices of food and other consumer goods.

He voted against the Republican motion to suspend the rules and pass a joint resolution which removed all price controls except rent.

Virgil Chapman has fought your battle against higher prices. Now he asks your support.

BURLINGTON ROAD HOMEMAKERS CLUB HOLD LAST YEARLY MEETING

The June meeting, which is the last regular meeting of the Homemakers' year, was held at the home of Mrs. Joe Dringenburg. At this meeting fourteen members answered roll call stating what they had enjoyed most about the homemakers club during the year.

Mrs. Charlottle White was a guest for the day and gave a detailed account of a year spent in Korea. For almost an hour, Mrs. White held her audience spellbound while she told of her trip to Korea and of the customs, dress, industries, etc., of the people there.

Election of officers for the year 1948-49 was held and the following will hold office for the coming homemaker year: President, Mrs. J. D. Northcutt; vice president, Mrs. Leonard Meece, and secretary-treasurer, Mrs. Robert King. The new president in turn appointed her chairmen for committees. However, as the writer does not have a complete report of the chairmen at present, they will be announced at a later date.

After a delightful dinner served by Mrs. Dringenburg, plans were made for a party and tour to be held in July and August. These events are to include all members of the family.

A call meeting, to be held at the home of Mrs. Arthur Ammon, was set to complete work on furniture refinishing. The members of this club have completed refinishing several pieces of furniture all of which have turned out beautifully.

Further plans were made for the bake sale scheduled to be held at Stringtown Stop, in Florence.

Ten homemakers in Greenup county estimated they saved $350 on the wool suits they made in a tailoring school.

MARKET WEEK PLANNED AUGUST 9 THROUGH 13TH

Cincinnati Market Week, August 9 through 13, 1948 promises to be one of the greatest merchandising events in many years with opportunities for merchants to profit by the wide selections of ladies', men's and children's apparel, footwear, millinery, jewelry, accessories and novelties of all kinds. In addition to the buying opportunities the Bureau invites local merchants thru this newspaper to a dinner-dance floor show and radio quiz (with prizes) to be held in the Hall of Mirrors, Netherland Plaza Hotel. This dinner dance is free of charge to all local merchants who come to Cincinnati for Market Week. Tickets may be obtained upon application to Cincinnati wholesalers or manufacturers who are sponsoring Market Week.

In addition, there will be tours through department and specialty shops, sightseeing tours of Cincinnati and suburbs, trips to Coney Island, escorted tours through Art Museums, to the Cincinnati Zoo and the entertainment offered in numerous night clubs which compare favorably with the most beautiful in America. A special Ladies' and Hospitality Committee will be on hand to welcome the wives of visiting merchants.

BULLITTSBURG W. M. S. MEETING HELD JULY 15TH

The W. M. S. of Bullittsburg Baptist Church met Thursday, July 15th at the home of Mrs. V. W. Gaines. Due to the illness of Mrs. Gaines, Mrs. Bertha Davis acted as hostess.

The president, Mrs. Holladay being absent, the meeting was conducted by the vice president, Mattie Kreylich, who led the Bible study, after which Mrs. Pfalzgraf led in prayer. The Watchwords were repeated then we had a business session, after which the program from Royal Service was given, the topic being, "The Rural Church and Its Need."

The meeting adjourned to meet with Mrs. Chester Grant, August 4th. Dismissed by Mrs. Snyder.

COVINGTON STORE LOSE 15 FUR COATS TO THIEVES LAST WEEK

Fur thieves, who apparently "knew their furs" picked out 15 expensive fur coats when they recently burglarized Goldsmith's Department Store, 632 Madison Ave., Covington.

Both men's and women's high-grade wearing apparel also taken. The loot was hauled through a skylight with a long stout rope, Norman Marcuse, store manager, reported.

New chemical calf dehorner

Want a safe, easy way to dehorn your calves? Try the new Dr. Hess product called PÔL (pronounced same as pole). Here's why you ought to use PÔL:

1. *Quickly destroys* horn buttons. 2. Easily applied by *one* person. 3. *Dries fast*, forming a tough water-proof film. 4. *Sticks* — calf doesn't rub it off. 5. Treated horn buttons *don't* "ooze." 6. *No danger* to calf's face and eyes or cow's flanks or udder when calf sucks. 7. *Not toxic* to the treated animal.

We can supply this new dehorner — try PÔL now. Use it when calf is 3 to 10 days old. Enough PÔL to dehorn 10 calves is $1.

Read "Humane Dehoring" in the Summer issue of "The Farm Quarterly."

LADY STUFF
by

Marsha Wheeler

(Editor's Note: Marsha Wheeler is the prominent lecturer and radio personality.)

First it was the New Look. Now it's the Balanced Silhouette, with the tall girl still getting the breaks. She can wear the spike heels and the fancy hats. For the rest of us, the small hat balances the short, flared coat. The medium high heel gives height without declaring our lack of it.

Wear your platform soled shoes, and wear them out. Something's afoot for fall. It's thinner soles, higher arches, a longer foot look. Your best foot forward may find a gold kid heel winking at a bright satin pump, or black patent heeling a grey suede shoe.

Overweight is a matter of overeating, digestion and metabolism, says one expert, but mostly just a matter of overeating.

Squinting makes wrinkles. For beauty's sake, wear correctly ground sunglasses. At the Queen Optical Company, doctors of optometry will fit you with true vision sunglasses. For smart sportswear, eyeglass frames are shown in many styles and colors. Lens prescriptions also filled. Visit Queen Optical Company at 12 East Sixth Street, in Cincinnati, at your convenience. No appointment is necessary.

HOMEMAKERS ENJOY TOUR

The Florence Homemakers and a number of friends chartered a Dixie Traction bus, under the capable operation of M. McGuire for their annual tour on July 14. Reservations for dinner had previously been made at Boone Tavern, where they arrived at the noon hour. This tavern, a charming colonial hotel, owned and operated by Berea College is located in the center of the campus on Dixie Highway, which runs from Canada to the end of Florida.

The party was shown through Berea College weaving rooms, also the independent weaving shop located in Berea. They also visited the Calumet race horse farm covering nearly 1200 acres, which is a pleasure in every respect. The color scheme is red and white and there are miles of fine white fences on the farm. In addition to the raising of horses for racing and the market, they do general farming and grow Hereford cattle. The party was also afforded the pleasure of seeing Whirlaway and other noted running horses. Another object of interest enroute was the new bridge constructed of concrete which spans the Kentucky river at Clay's Ferry from hilltop to hilltop about one-fourth mile in length and 900 feet high and was built at a cost of over a million dollars.

Those who enjoyed the tour were mesdames Lyle Ilsen, Nell Blankenbaker, John Reed, Vivian Grossman and sister, Myrtle Gray, W. H. Jones, George Neary and Richard Kuttmyer, Thos. Kenyon, Lora Fritz Sadie Clore, R. F. Wooler, Lynette Cox, Helen Hammersmith and mother, Elsie Stringer, Louella Houston, Marie Gerbus, Frank Sayre, Sarah Markesbery, Ennis Feith, Lillian Schram, Wingate, Dorothy Knox, Ora Tanner, Lucille Tanner, Henrietta Roberts, Rob Gerbus, Mrs. John Pearce, Mrs. Reid Myers, Misses O. Pegan, Bessie Schram and Maud Rouster, J. Clinton Berkshire, W. R. Gerbus and P. J. Allen. The party returned at a late hour pronouncing the tour both instructive and pleasurable.

IMPROVEMENTS

This property is improved with a good six-room two-story frame house, with a large front porch and nice sink in kitchen. There is also a good meat house, cellar in yard, milk house up to specifications, corn crib, combination dairy and feed barn with stanchions for six cows, and a large tobacco barn. This property has been improved with numerous shrubs and trees, has abundant shade, and commands a good view of U. S. 42, only a stone's throw away.

LAND

This is one of Boone County's most productive farms. Practically all of this farm can be cultivated with a tractor. It is abundantly supplied with water from two everlasting springs, cisterns, creeks, etc., plenty of water in every field. The tobacco base is 1.8 acres. There is 40 acres of red clover, a lot of good pasture and crop land. This farm has plenty of locust posts. It is a farm that has been used, but not abused. Mr. Warwick has been shipping grade "A" milk from this property.

Electricity installed, telephone available. Bus to a good high school. Just 15 miles from Fountain square in a growing and prosperous community surrounded by well-kept farms and homes.

PERSONAL PROPERTY—5 high grade Guernsey cows, all 3 to 4 years old, all milking. These cows have been T. B. and Bang tested. This is an outstanding herd of proven merit; 4 Guernsey heifer calves; 1 John Deere tractor with disk and plows, Model "A"; 1 International corn planter; 1 Deering mower; 2 hay rakes, one like new 1 grain binder; 1 riding cultivator; 1 rubber-tired farm wagon; 1 rubber-tired tractor trailer; one 1940 Plymouth truck (½ ton); 1 Westinghouse milk cooler, used about two months; one 750-bu. metal corn crib; a lot of oak lumber; about 1300 cement blocks and 350 corner blocks; 1 grain drill (2-horse); fence stretchers; 5 house jacks; 1 roll new barbed wire; 7 or 8 steel drums; 5 milk cans, buckets, etc; about 7 sacks tobacco fertilizer; set of pipe dyes; all kinds of saws; small tools of every description, etc. Baled hay; baled straw.

HOUSEHOLD GOODS INCLUDE 1 Norge gas range; 1 Westinghouse electric refrigerator and many other items too numerous to mention.

TERMS—Chattels cash. 20 Percent of purchase price on real estate cash and balance in 30 days with deed. This farm can be financed.

PLANS MADE FOR OVERFLOW CROWD

AT 4-H AND UTOPIA CLUB FAIR SCHEDULED FOR AUGUST 20 AND 21ST—$1250 WILL BE OFFERED IN PRIZES, AWARDS.

Plans are being made by fair officials to accommodate the largest crowd ever to attend the 4-H and Utopia Club Fair scheduled for Friday and Saturday, August 20 and 21, according Bill Davis, County Agent.

Crowds attending the event last year were reported as the largest in history, and it is expected that even larger numbers will be present for the annual event this year. With the premiums and awards increased to $1250.00, it is expected that many will be attracted, and many new features of the fair will add to the event.

An old time fiddlers contest will be one of the features of the fair, along with the horse and pony show, cattle show, and many exhibits. Four-H and Utopia members are reported to have many exhibits for this year, along with the Homemakers, who will display many beautiful pieces of handcraft, to say nothing of their many displays of fruits, vegetables, etc.

The fair has made rapid progress during its brief existence, and many years of successful operation is expected if the progress made in the past is carried out in the future.

Two new buildings have been erected on the grounds, which will add much to the fair and its successful operation. A grand stand has been erected which will add much to the comfort of fairgoers, an dhas received many favorable comments from supporters thruout the county.

Admission this year will be 50c for adults and 25c for children between 8 and 16 years of age.

REVIVAL SERVICES ANNOUNCED FOR UNION BAPTIST

Revival services will be held at the Union Baptist Church, August 10th through August 20th, at 8:00 each evening, it was announced this week.

Rev. Foy Martin, pastor will conduct the services and Rev. E. Lionel Patton will direct the music.

The public is cordially invited to attend these services.

BAND PRACTICE POSTPONED

Due to summer vacations and hot weather there will be no band practive on Thursday night, August 5th, according to Dean Bloss, director.

VERONA AND BOB AND GENE WINNERS

IN BENKE SEMIPRO LEAGUE SUNDAY—WALTON ELIMINATED BY LUDLOW VETS BY SCORE OF 13-2.

Verona and Bob and Gene, Boone County teams in the Benke Semipro League chalked up victories Sunday over their opponents.

Verona took a decisive victory from the Sportsmen of the Buckeye Semipro League by a score of 11 to 5 at the Verona park Sunday. This was an exhibition game. The losers were guilty of eight errors in the field.

Steffen and Ryan were on the hill for the winners, while Ashcraft and Bussman served them up for the losers. Brown collected four hits out of four trips to the plate for the winners., while the remainder of the team was collecting seven hits.

Bob and Gene remained undefeated in the elimination series as they squeezed out a 3-2 victory over the Kenton AC at the Taylor Mill Pike park. Dutch Reibling was on the hill for the winners, allowing only four hits, while striking out 14. Newsom hurled for the losers and allowed five hits, while fanning four. Neal Conner led the attack for the winners with two hits.

Walton was eliminated from the series by Ludlow Vets Sunday at the Ludlow park by a 13-2 count. Virgil Taylor hurled for the winners and allowed six hits and fanned 10. McClure hurled for the losers and was nicked for 13 hits. Ludlow pounded out eight runs in the seventh inning to clinch the game.

Petersburg suffered defeat Sunday at the hands of We Tavern nine by a score of 3-2 at the Petersburg Park. D. Deck on the hill for Petersburg allowed but three hits, walked one and struck out 15 batsmen. The big blow of the game was a home run by Ralph Bradburn.

MRS. MARY McGLASSON

Funeral services for Mrs. Mary Catherine McGlasson, 74-year-old Boone County resident, were held at the Tallaferro funeral home, Erlanger, Saturday afternoon at 2:30 p. m. Burial was in Hebron Cemetery.

Mrs. McGlasson died Wednesday at her home in Hebron following a long illness. She was the wife of Harvey McGlasson, prominent farmer and land owner, and was a lifelong resident of this county.

Besides her husband she is survived by two sons, Henry, Los Angeles, and Lloyd McGlasson, Hebron; two daughters, Mrs. Chester Goodridge and Mrs. Robert Hafer, both of Hebron; two brothers, John Reeves, Ludlow, and Adam Reeves, Constance; a sister, Mrs. John Wernz, Crescent Springs, and four grandchildren.

DUVALL WILL VISIT COUNTY

F. E. Duval, Field Secretary of the Kentucky Disabled Ex-Service Men's Board, Louisville, Ky., will visit Burlington Friday, August 6 for the purpose of aiding in filing claims for veterans and their dependents. He will be at the courthouse from 8:00 a. m. to 4:00 p. m.

PHONE MEETING PLANNED SOON

LETTERS OF COMPLIANT MUST BE MAILED TO COMMITTEE WITHIN NEXT TEN DAYS, ACCORDING TO CHAIRMAN.

The committee representing the subscribers of the Consolidated Telephone Company expect to hold a meeting with the management of this company within the next few weeks, according to Frank Milburn, chairman of the committee.

This committee is requesting that any subscriber having a complaint write a letter to the committee stating their telephone trouble, or their complaint, so that your committee may present and discuss these matters with the Telephone Company.

Mr. Milburn requests that you have your letters in the hands of the committee within ten days.

V. F. W. SPONSOR MIDSUMMER FESTIVAL

The V. F. W. of Boone County are giving a mid-summer festival at Florence for an entire week beginning August 9th and continuing thru August 14th.

The festival will be held on the lot between Sanders and Goodridge Drives every night, and also on Saturday afternoon and night. All proceeds will go to benefit the local V. F. W. organization.

Featured on each evening will be a riot show and amusements of all kinds for the entire family. You are cordially invited to attend as many evenings as you possibly can. Your support will be appreciated.

BEN ROUSE

Funeral services for Ben A. Rouse, 90, retired Boone County farmer, will be held this afternoon (Thursday) at 2:00 p. m. at the Chambers and Grubbs funeral home, Florence. Burial will be in Hopeful Cemetery.

Mr. Rouse died Monday at his home in Florence. He was a member of the Hopeful Lutheran Church for over 70 years.

He is survived by his widow, Mrs. Jennie Snyder Rouse; three daughters, Mrs. Charles Smith and Mrs. Orvin Tanner, both of Florence, and Mrs. Norbert Nowatski, Princeton, Wis.; two sons, Kenneth, of Erlanger and John Rouse, of Florence; a brother, Mose Rouse, of Florence, and four grandchildren.

Chambers and Grubbs will be in charge of arrangements.

FLORENCE BOYS ENLIST

The following Florence youths have enlisted in the U. S. Armed forces: Robt. Zapp, George Baker, Roy Woods, Norbert Otten, Robt. Jones, Tom Doyle and Bud Abdon left July 26th for Paris Island, S. C., Marine base; Jewel Scott enlisted in the Army Air Corps and Johnny Miller is completing "boot" training at Great Lakes.

BILLY GAINES IS IMPROVING

Billy Gaines, son of Mr. and Mrs. Davis Gaines, of the North Bend Bottoms is reported to be improving at his home, after suffering severe injuries in a cycle accident near Petersburg several weeks ago.

Young Gaines was removed to the hospital following the accident and was in a critical condition for several days.

Will Do Missionary Work In Africa

Jean Bach

The above picture was taken recently at the Florence Baptist Church when Jean was honored. She is leaving for Nigeria, West Africa where she will do educational work under the Foreign Mission Board of the Southern Baptist Convention.

The various organizations of the church presented her with gifts to be used in her work. The church gave her an Argus 3C Camera to take pictures of her work so that slides and film strips could be shown to the church of the mission field.

The picture shows Rev. Wainscott presenting her with a check from the church to help her prepare for the trip. She will need to take enough things to last her for three years.

Jean received her A B Degree from Eastern State Teachers' College and her Master's degree from the University of Kentucky, and her Master of Religious Education Degree from the W. M. U. Training School in Louisville. She is the daughter of Dr. and Mrs. Luther Bach, of Green Acres Farm, Florence, Ky.

During the past few Sundays she has been speaking in some of the neighboring churches telling of her call to the mission field and inspiring the people to do mission work.

BULLITTSVILLE HOLDS FIRST SPOT

IN SUNDAY SCHOOL LEAGUE STANDING AS SECOND ROUND OF PLAY IS COMPLETED SATURDAY.

The second round of play in the Boone County Sunday School League was completed Saturday with Bullittsville remaining at the top of league standings. Barney Hogan (11-0), Scott Jack (7-4), George Bloebaum (6-1), Ivan Cason (6-5), and Marvin Campbell (7-3) are the top hurlers at the conclusion of the first 18 games. Batting averages of all players will be computed and published next week.

Bullittsville traveled to Belleview and were victorious by an 8-2 count over the seventh place club. The game was highlighted by excellent pitching. Barney Hogan, Bullittsville's undefeated little righthander, allowed but six safeties as he marked up his eleventh victory of the season. Hogan was never in serious trouble as he kept the Belleview hits scattered. He struck out six and walked two. Ivan Cason, big Grant southpaw, turned in a splendid performance in his eight-hit effort. Cason was hindered by seven Belleview errors. He whiffed 7 and allowed three walks. Barney Hogan was the only hitter for the winners to collect more than one hit as he drove out two singles. "Tick" Barnes with a double and single and Cason's two singles paced the losers. Manager Myron Garnett and his Bullittsville team are apparently headed for the championship at a rapid pace. Saturday one of the serious threats to the championship will be presented in the form of the stubborn Petersburg nine. Summary: Bullittsville 8 runs, 8 hits, 1 error; Belleview 2 runs, 6 hits, 7 errors.

Manager George Stahl and his second place Sand Run squad scored and important 10-6 victory over Verona at the winner's park. "Buck" Judy, Sand Run's first string receiver, made his initial starting performance on the mound and received credit for the victory. Judy was relieved by George Bloebaum in the seventh. Little Ray Beach was Joe Rouse's choice to stop the Sand Run boys, but Beach was ineffective and was relieved by Layne Cheesemen in the fifth. Beach was the loaing pitcher. Bill Mahorney, slugging Sand Run shortstop, drove out three singles to take hitting honors. He was followed by Stahl and Sprague with two hits each. Billy Mack Waller smacked out two doubles to pace the losers. Errors marred the game as Sand Run committed 7 and Verona 5. Verona still holds first place in team fielding for the league. Summary: Sand Run 10 runs, 11 hits, 7 errors; Verona 6 runs, 7 hits, 5 errors.

Charley Black struck out 16 Bullittsburg hitters as Big Bone marked up an impressive 7-2 triumph over the improving last place team. Black allowed eight hits as he won his seventh game. Milly Pepper, Bullittsburg fast ball hurler, also pitched a nice game as he whiffed 5 and gave up but 9 hits. Black helped his own game as he drove out a double and two singles. Milly Pepper paced Bullittsburg with a double and single. Shirley Gruelle hit a two-run homer in the sixth. Both teams played good baseball. Summary: Big Bone 7 runs, 9 hits, 3 errors; Bullittsburg, 2 runs, 8 hits, 3 errors.

Burlington traveled to Florence and won over a patched up Florence team 11-7. Manager Dud Rouse, of Florence urges the Florence players to notify him if they are planning to play ball. Bob Brown was on the hill for the winners and gave up but 5 hits as he struck out 7. The game was the third victory for Brown against one defeat. Bobby Rouse pitched a good game for Florence and promises to be tough if he had any support. Rouse struck out 9 Burlington batters. Jimmy Smith, Burlington topnotch receiver, topped the winners as he drove out a home run and two singles in as many times at bat. Jim Ryle also had three hits for Burlington. Dud Rouse collected two safe blows for the losers. Burlington scored five times in the last inning, and Florence pushed across four in the final frame. Summary: Burlington 11 runs, 13 hits, 5 errors; Florence 7 runs, 5 hits, 4 errors.

Petersburg scored a 21-20 win over Union in one of the wildest games of the year. The winners took an early lead on Bob McWethy's home run and went on to win the slugfest. Campbell, Donnelly and Al McWethy hurled for Petersburg, with McWethy receiving credit for the victory. Hodges, Black, and Moore pitched for Union. This is all the information received on the game. Summary: Petersburg 21 runs, 25 hits, 5 errors; Union 20 runs, 23 hits, 7 errors.

BOONE VETS TRIM FORT MITCHELL NINE

SUNDAY IN EXHIBITION GAME AT FLORENCE BY SCORE OF 8 TO 1—ELMINATION SERIES TO START SUNDAY.

In an exhibition game Sunday at the Florence park, the Boone County Vets trounced the Fort Mitchell nine by a score of 8-1. The game was the Vets all the way with Ryle, Sananger, Munn and Smith served them up to the Fort Mitchell boys.

Bogenschultz and Schultz were on the hill for Fort Mitchell and allowed 14 hits. Bogenschultz was relieved in the sixth by Schultz, who fanned three and allowed eight hits.

Ryle on the hill for the first two innings for the Vets did not allow a hit, striking out two and walking one. Sananger allowed one run on one hit, three walks and struck out three. Munn hurled two scoreless innings and fanned two, walking one. Smith, in ending the game fanned three and allowed one hit.

The losers scored one run in the third inning as Jones walked and stole second. He moved to third on a wild pitch and also scored on a wild pitch.

The Vets scored in the fifth when Denniston walked and Munn singled. Both runners advanced on an out and scored on "Pip" Clore's hit. They added two more runs in the sixth when Charlie Benson doubled and scored as his brother "Sox" homered to right field. The winners added their final four runs in the eighth when "Sox" Benson, Bowman and R. Williamson singled in succession to fill the bases. Goodridge tripled to score three runs and tallied later on Miller's hit.

Goodridge led the attack for the winners with two hits for three, while Sox Benson, Bowman and "Pip" Clore each had two hits.

At a drawing for the elimination series held Monday evening the Boone County Vets drew Beckers Clothes for the first game which will be played Sunday at 3:00 p. m. on the Florence grounds.

Beckers have caused the Vets plenty of trouble during the regular season, and no doubt fans will see a good game Sunday. Don't miss it.

Boone County League

Petersburg defeated Bob & Gene Saturday by a score of 10 to 6 on the winner's grounds. The game was very interesting throughout, with both teams fighting hard until the last man was retired. Hitting was timely by both teams with Petersburg accounting for 13 hits and 10 runs, while Bob & Gene collected 11 hits and 8 runs.

Saturday Bob & Gene will travel to Belleview and it is expected that this will be one of the best games of the season. Game time is 2:30.

PEPPER-GRAY

Miss Rilla Faye Pepper, daughter of Mr. and Mrs. Charles L. Pepper, of Hebron and Mr. Wilbur Gray, son of Mr. and Mrs. William Gray, of Idlewild were quietly married Saturday evening, July 17 at the home of Mr. and Mrs. Chilton, of Campbellsburg, Ky. Rev. William Holsday pastor of Visalia Baptist Church officiated at the ceremony.

Attendants were Mr. and Mrs. Bobby Scroggin, of Burlington.

Ernie Borne, of Sparta, Ky., played "The Wedding March" preceding the ceremony and sang ,"I Love You Truly" after the vows were spoken.

The bride wore a white tailored suit and gold accessories, and the groom, a grey business suit.

The couple left for a honeymoon July 30th, and Mr. and Mrs. Joseph M. Pepper and daughter Mary Jo of Hill Top accompanied them to Michigan, and the newlyweds proceeded to Canada.

The happy young couple will be at home to their many friends at the home of the groom's parents.

BLACK-PEENO

The marriage of Miss Dorothy Black, daughter of Mr. and Mrs. John Black, 444 Commonwealth Ave., Erlanger, and Mr. William Peeno, son of Mr. and Mrs. Elmer Peeno, 440 Commonwealth Ave., Erlanger, was performed with great dignity and beauty at the Constance Church of Brethren on Saturday evening July 17 at 7:30.

Rev. Howard E. Erbaugh officiated at the double ring ceremony before the flower-banked altar. Seven-branched candelabra, palms, ferns and white gladioli provided a perfect setting.

Mrs. Gilbert Dolwick was the soloist singing, "Because" and "I Love You Truly" accompanied by Mrs. George Haberle at the organ.

Escorted by her father, the bride wore a gown of white satin with a yoke of sequins, long sleeves extending in points to the wrist, and a full circular train with a fingertip length veil attached to a tiara of seed pearsy. She carried a colonial bouquet of white roses and her only jewelery was three strand pearls, the gift of the bridegroom.

The bride was attended by the groom's sister, Mrs. Virginia Gay, matron of honor and Mrs. Ruth Ann Black, sister-in-law of the birde as bridesmaid. Flower girls were Nancy Cox and Janice Catherine Slayback, cousins of the bride, while the bride's nephew Ira Owen, Jr., was the ringbearer.

Mr. Henry Gay was best man for his brother-in-law and Fred Black, brother of the bride was groomsman. Ushers were Don Markesbery and Clarence Peeno.

Mrs. Gay wore a gown of orchid net with puffed sleeves. Her hat was made of matching net and she carried a colonial bouquet of pink roses. Mrs. Black wore a pink gown of net with matching hat and carried a colonial bouquet of pink roses.

The flower girls wore yellow organdy frocks and carried colonial bouquets of yellow roses. The little ringbearer wore a white linen suit.

For her daughter's wedding Mrs. Black chose a dress of blue-gray crepe with white accessories and a corsage of pink roses.

Mrs. Peeno wore a powder blue crepe dress with black accessories and a corsage of pink roses.

A four-tier wedding cake centered the bride's table for the reception which followed at the home of the groom's parents. After the reception Mr. Peeno and his bride left for a trip through the South. For going away the bride wore a rose suit with brown accessories and a corsage of yellow roses.

Mr. and Mrs. Peeno are now established at 1711 Eastern Ave., Covington.

SPEAKING DATE IS POSTPONED

Business will be transacted at this megting, and all members are urged to attend.

NEW FIRE TRUCK COMPLETED MON.

GIVES BURLINGTON ADDED FIRE PROTECTION WITH TWO FIRST LINE PUMPERS—CARRIES 400 GALLONS OF WATER.

The Burlington Volunteer Fire Department announces that its new fire truck has been completed and is now ready for use in the protection of property in Burlington and surrounding territory

The new truck, a 1948 Chevrolet, carries four hundred gallons of several thousand feet of hose, a large pumper and all necessary fire fighting equipment, which makes a complete fire fighting unit. This addition to the present equipment gives Burlington one of the best equipped departments in this section of the state.

The new fire apparatus will be used as the first line truck, and will be the first to arrive at a fire, use the water which it carries, and will then supply water to the other truck which will be used as truck number two.

The new truck carries the large Dodge pumper, which will supply a large amount of water to truck number two in extinguishing a fire.

With this arrangement, water can be pushed a long distance by truck number one, thus giving the Burlington Department a very efficient fire fighting apparatus.

All necessary hose and other equipment was transferred to the new truck Monday evening at a special meeting of the fire department. Other business also was disposed of at this meeting.

The fire department wishes to extend thanks to the citizens of Burlington and adjoining territory for the splendid cooperation given in making this equipment possible, and pledge to give their cooperation in protecting their homes from fire in the future.

MRS. MINNIE SCHMIDT

Funeral services for Mrs. Minnie Schmidt, 86-year-old Elsmere resident were held at the Tallaferro funeral home, Erlanger, at 10:30 a. m. Friday. Burial was in St. Mary Cemetery.

Mrs. Schmidt died Wednesday at her home, 1226 Central Row. She was a native of Germany, and lived in Elsmere 53 years.

She leaves two sons, August and John Schmidt, both of Elsmere; a daughter, Mrs. Anna Feldman, Elsmere and five grandchildren.

QUARANTINE PLACED ON DOGS

IN VERONA COMMUNITY BY SHERIFF R. I. ROUSE—ACTION TAKEN TO PREVENT SPREAD OF RABIES.

A thirty-day quarantine was placed on all dogs in the Verona community this week by Sheriff R. I. Rouse, who stated that several dogs in that section had been bitten by a mad dog.

Sheriff Rouse stated that quarantine will be lifted in thirty days if it is decided that there is no further danger of the spread of rabies among the dogs.

All persons owning dogs in this section of the county will be required to keep them tied or in a pen. Persons who allow their dogs to roam at large are warned that the animals will be killed.

Owners of pets no doubt will be glad to comply with this request, as this order is given for their protection and the county at large.

BOONE COUNTIANS TAKE PRIZES AT DEARBORN FAIR

Boone County made a fine showing at the Dearborn County Fair at Lawrenceburg, Ind., last week in the Hampshire sheep classes.

Hugh Baker and Wilton Clore were the winners. They captured four firsts, three seconds and four thirds in the four classes.

Baker is a very progressive farmer in the Petersburg vicinity and has been a breeder of fine Hampshire sheep for several years.

Clore is an ex-service boy, of Hebron, who has acquired a nice flock of registered sheep since his return from service.

Sheep fanciers will be looking forward to seeing some of these flocks at the coming 4-H and Utopia Fair.

We wish them both much more success in their sheep business.

Rex Berkshire and Raymond Goodridge, of Elsemer, were calling on friends in Burlington, Monday of this week.

EFFORTS MADE TO IMPROVE FISHING IN CUMBERLAND RIVER

In an effort to improve fishing in Cumberland River above the Falls the Division of Game and Fish recently placed a truckload of buffalo and white bass fingerlings in this stream. The Fisheries Department expects the white bass to offer another species of game fish for the fishermen, while the buffalo fingerlings in years to come will offer an excellent fish food and the larger ones are expected to give trotline fishermen more sport.

The Division reports excellent results from the hatcheries this season. To date 1,047,434 bass fry have been taken from the hatcheries, which is by far the largest number ever produced. In addition the fingerling supply in these ponds is expected to double the number of last season. Already 60,000 fingerlings have been distributed and the total by the end of the season may mount to 200,000. Attributed as factors responsible for this sharp increase are better use of fertilizers and improved weather conditions.

Mrs. Gordon Smith of Mason county used information learned in the Washington Homemakers Club to refinish 14 pieces of furniture.

Waterloo

Mr. and Mrs. C. E. Cobb and family attended Church at Burlington, Sunday.

Mr. and Mrs. Miles Greenwood entertained his mother and sister and family, Sunday.

Sunday guests of Mr. and Mrs. Ellison Rector were as follows: Mrs. Tony Walberg and children, of New Jersey and Mr. and Mrs. Jim Willoughby of Crescent Springs and Mr. and Mrs. Robert White of Bellevue.

Mr. and Mrs. Owen Portwood and son and Mrs. Miles Greenwood, and Mr. and Mrs. Virgil Mallicoat and son spent Saturday at Coney Island.

Mr. and Mrs. Ira Stephens and children spent the week-end with his mother and sister, Mrs. Lorlen Stephens.

BERRY PATCH VALUABLE

The value of a home strawberry patch is seen in the case of Mrs. Anna V. Parker of Carroll county, reports Home Agent Katherine Russell. From 150 strawberry plants Miss Parker picked about 30 gallons of berries. After putting 10 pounds in the freezer locker, preserving several pints and giving some to her friends and neighbors, she sold $10 worth.

CHANGE MADE IN AIRPORT TERMINAL SERVICE, RECENTLY

After more than a year's operation of consolidated terminal services at the Greater Cincinnati Airport, the Airlines National Terminal Service Co., is returning ticket counter, operational, and maintenance functions to its participating airlines.

Beginning August 1st Delta, TWA and American Airlines will again revert to their individual services with the exception of the porters who will continue to work for A. N. T. S. Co.

It is hoped that the Northern Kentucky and Cincinnati patrons of the scheduled airlines may again enjoy the benefits of the consolidated operation in the near future.

Piedmont, All-American, and Boone County Airlines were not participating members of A. N. T. S. Co., and were not affected by the change-over.

4-H'ERS TO HAVE STATE FAIR SHOW

More than $4,000 will be awarded 4-H club boys and girls at the Kentucky State Fair, Sept. 12-18, when they exhibit the best products from their year's work.

Clothing, foods, canning and room improvement will be features of the girls' displays, while the boys will show dairy cattle, swine, sheep, poultry and potatoes. Four-H boys will engage in judging contests of meat and dairy animals and poultry.

Indicative of the work done by homemakers in their club work will be a home furnishings exhibit. It will show how farm and rural women have reclaimed old pieces of furniture, making them attractive and useful through slipcovering, upholstering, canning and refinishing. Hooked and braided rugs and reconditioned lamps and shades will be shown also.

The display will be sponsored by the College of Agriculture and Home Economics, University of Kentucky.

NOW'S THE TIME TO START NEW PASTURE

Late summer and early fall are the best times to start new pastures, according to a leaflet of the College of Agriculture and Home Economics, University of Kentucky. Other suggestions in the leaflet:

Plow or disk the land a month or more before seeding time, and then follow to kill weeds and to firm the soil. Apply limestone and fertilizer during this period.

Much of the soil in Kentucky needs two to three tons of ground limestone per acre to produce good pasture.

A good pasture is possible only on a good soil. Much Kentucky land must have a phosphate fertilizer to make it productive. Apply the phosphate liberally before sowing the new pasture. Generally, at least 1,000 pounds of 20-percent superphosphate per acre should be applied. If ground rock phosphate is used, apply 100 pounds of 20-percent superphosphate per acre also at seeding to aid in establishing the seedlings. On soil low in organic matter, 100 pounds of ammonium nitrate per acre is also recommended. Ask your local county agent to help you in determining the exact soil treatment for each field.

Choose grasses and legumes on the basis of their adaptation to soil conditions. Use at least one grass and one legume in each mixture. Usually, at least two grasses and two legumes will make a better mixture.

Sow the seeding mixture at the rate of 15 to 25 pounds of good seed per acre. Sow the seed uniformly and cover it lightly.

U. K. ENGINEERS SEEK EMPLOYMENT IN STATE

Fifty-eight per cent of all 1948 University of Kentucky engineering graduates were employed within Kentucky, it was disclosed this week by the University. Dean D. V. Terrell, head of the U. K. College of Engineering, said that 42 per cent of the college's graduates in all phases of engineering remained in the state to follow their profession while an additional 16 per cent out-of-state residents accepted positions in Kentucky.

"This is a considerable improvement over a few years back when some 90 to 95 per cent of our graduates were employed outside of the state," he commented. "Improvement in Kentucky industry is responsible and we may look forward to a larger percentage of our graduates staying at home as industry in our state improves."

WOODFORD FLOCKS RAIDED

Coyotes or wild dogs near the Kentucky river in Woodford county have killed approximately 100 herd of sheep and lambs during the past month. As a result, many sheepmen have sold their entire flocks, notes Farm Agent Holly R. Forkner. In an effort to determine whether dogs or coyotes are the culprits, the county Farm Bureau has offered a reward of $50 for the first female coyote and $25 for the first male coyote to be killed in the county.

Robert Brown, son of Mr. and Walter Brown, of Burlington entered Christ Hospital Tuesday morning where he underwent an operation Wednesday morning. He is expected to return home within the next ten or twelve days.

Mr and Mrs. W. M. Wahl and Mr. and Mrs. Fred Wahl and son were Sunday guests of Mr. and Mrs. Val B. Dolwick and family.

Miss Nancy Dolwick spent last week with Mrs. Hildreth Dolwick and Mr. and Mrs. Edgar Snyder.

GUNPOWDER HOMEMAKERS

BOB CLORE LANDS LARGE CATFISH AT FAIR GROUNDS LAKE

Robert Clore, Sr., of Burlington landed a 5½-pound channel cat Friday evening at the 4-H Fair Grounds Lake, while fishing for bass. Bob was very much surprised when something struck his artificial bait, a black flatfish. He apparently thought he had hooked the bottom of the lake, or one of the biggest bass there. After fighting the fish for several minutes he landed him to discover he had hooked the large catfish.

Many were surprised to learn that a catfish would strike artificial bait, but the occurence is not unusual, as the channel cat is classified as a game fish and will strike at a moving bait.

BURLINGTON GIRLS MARK UP ANOTHER VICTORY, TUESDAY

The Burlington girls' softball team chalked up another game in the win column last Tuesday night by defeating Sand Run by a score of 5 to 4. Sand Run made 4 runs in the first two innings, and it looked bad for the local girls until the last of the seventh inning when "Tense" Siebert connected for a triple with two on base.

Pat Scott pitch for the winners, while Mary Scott and Florence Feldhaus divided the receiving honors. Lola Schadd pitched for the losers with Wilye catching. Sand Run is the most improved team in the league.

The Petersburg girls journeyed to Belleview and won by a score of 8 to 1.

VOTE FOR

JOHN Y. BROWN

FOR

U. S. SENATOR

Shall we nominate a Republican who comes to us in Democrats' clothing?

Chapman has voted with the Republican party more often than with the Democrats. He voted for the Taft-Hartley Act, a Republican sponsored bill which is unfair both to Labor and Industry, and many other Republican measures detrimental to our country.

While in Congress John Y. Brown supported legislation sponsored by New Deal Democrats. He and Barkley will be a good team, pulling together.

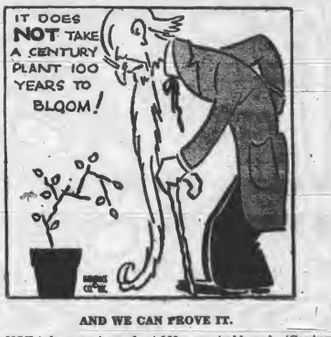
HELP YOUR REFRIGERATOR SERVE YOU BETTER

DEFROST whenever frost reaches thickness of one-quarter inch

Thick frost retards coldmaking, makes your refrigerator run longer, increases operating cost. It should be removed whenever it becomes one-quarter of an inch thick. It is necessary to defrost more often in summer than in winter because of more moisture in the air and greater use of your refrigerator.

A Quick Method of Defrosting



Empty defrosting tray and turn control to "off." Remove ice trays and frozen foods from freezer. (If latter are wrapped in several thicknesses of paper and placed on refrigerator shelf, they won't thaw out in short time it takes to defrost.) Fill proper-sized pans with very hot water and place on shelves of freezer. Use fresh hot water as needed.

When frost has melted wash freezer with weak solution of baking soda and lukewarm water. Clean food compartment, wash thoroughly with baking soda solution and wipe dry. Empty drip pan, replace ice trays and frozen foods and start freezing. The entire operation should take only 20 to 30 minutes.

The Best Time of Day to Defrost

During the hot summer months it's best to defrost in the late evening just before bedtime, when the refrigerator has less work to do. If you defrost during the middle of the day, the refrigerator may run excessively when started up, because of the heat, frequent door openings and warm foods being placed in food compartment.

New Maytag Home Freezer Serves also as Kitchen Table

Here is just one of the many unusual features of this new freezer which keeps foods right in your kitchen, where most convenient.

Top is perfectly flat, of acid-resisting porcelain-on-steel. Fold-down leaf attachment gives additional space for food preparation, and may be used as a breakfast table.

Food capacity, 6 cubic feet net—holds 300 pounds of meat, or 240 pounds of mixed packages (average) of meat, fruit and vegetables.

Counter-balanced lid opens easily—stays up without holding.

Quick food defroster, for foods requiring it, utilizes compressor heat.

Be sure to come in, first chance, and see these and other features for yourself.

The Vacation Bible School held at the local Baptist Church closed last Friday with a record enrollment of 99 children. Commencement exercises were held at the Church Sunday night at eight p. m. with 77 receiving diplomas. This fine school was under the efficient leadership of our pastor, Rev. Foy Martin, with the following excellent teachers: Mrs. R. E. Kirtley, Mary Belle Noe, Ora Prescott, T. C. Crume, John Newman, Lucy Newman, Allen Nyle. The church wishes to thank the parents of the fine boys and girls for their cooperation in making this one of the best schools ever held.

William Feldhaus, of Cincinnati was the week-end guest of the R. K. Newman family.

Mr. and Mrs. Robert E. Smith and small son were guests of Mr. and Mrs. Orin Edwards, of Big Bone, Sunday.

Mr. and Mrs. Winston Mason spent the week-end in Utica, Ky., guests of Rev. Beach and family.

Mr. and Mrs. N. W. Laibly and son Charles left Sunday for Wall Lake, Michigan, where they will remain for the next few months.

Mr. and Mrs. Allen Newman were in Stanton last week, guests of relatives and friends.

Revival services will begin at the Baptist Church, August 10 at 8 p. m. Rev. Foy Martin will hold the services each evening and Rev. Patton of Bullittsburg Church will lead the singing. You are invited to attend the services.

Virgil Chapman Is An Experienced Lawmaker

★

Grave national and foreign problems are facing our government today. Kentucky and the country are in great need of tried-and-true lawmakers in the United States Senate in critical times like these.

VIRGIL CHAPMAN'S long experience in Congress (22 years) qualifies him to tackle our problems . . . and get things done that should be done.

CHAPMAN'S RECORD PROVES HE'S A FRIEND OF FARMERS, VETERANS, WORKERS, INDUSTRY

1. Chapman helped create the REA, TVA and AAA to benefit the farmers. He sponsored tobacco legislation which brought an additional $227,600,000 to tobacco farmers in four years.

2. Chapman helped pass the G. I. Bill, World War I Bonus, G. I. Terminal Leave Pay; the protective Food, Drug and Cosmetic Act; Reciprocal Trade Act; Social Security Act; Federal Housing Act; National Defense Program.

3. Chapman voted for every bill presented in Congress between 1942 and 1947 to keep down prices. He can be counted on to continue the fight against high prices.

MASONS WILL MEET THURSDAY, AUGUST 12

The regular meeting of Burlington Lodge No. 264 F. & A. M. will be held at the hall in Burlington Thursday, August 12th, according to Wilbur Denniston, Master.

Several matters of business will be disposed of at this meeting and it is expected that examinations will be heard.

All members of the lodge are urged to attend and members of other lodges are extended a hearty welcome.

U. S. Navy recruiting stations in San Francisco and Los Angeles placed first and eighth respectively in nationwide percentages of quotas enlisted during the first quarter of 1948. San Francisco's 141.7% of quota was 8% better than its nearest challenger, while Los Angeles was not far behind with 115.4% of quota.

300 FIRST GRADERS GIVEN CHECK-UP

BY PHYSICIANS AND DENTISTS PRIOR TO ENTERING SCHOOL —P.-T. A. GROUPS AID IN EXAMINATIONS.

Approximately three hundred first grade students, or children who will be entering school for the first time September 13th were examined at clinics and in doctor's offices, according to Miss Elisabeth Lowry, Red Cross Nurse.

Five high school centers in Boone County were scenes of fine advanced school health work, when first grade boys and girls from every community in the county gathered for physical and dental examinations.

County physicians and dentists made thorough examinations, discussed health, particularly nutrition and correction of defects with parents. The primary teacher was present, hearing first hand from the doctor, the children's physical condition. This also gave the parent and teacher an opportunity to get acquainted. These clinics were held in August to give time for corrections before school opens, so children may enter school with as few physical handicaps as possible.

County Superintendent H. N. Ockerman and H. P. Baker took the lead in this splendid project, now required by the State Board of Education. In all instances P.-T. A. organizations had representatives present, who were of invaluable assistance. Mrs. Sibbia Reimer, Mrs. Dorothy Knox, Mrs. Clarence Wolfe, Mrs. Mary Belle Porter and Miss Elizabeth Lowry were regular workers for each clinic and were assisted by others from the various communities.

In order to give teachers an opportunity to carry on the new health program required by Kentucky State Board of Education, superintendents are planning an entire day on Health Education in Boone County Schools for September 10th. Dr. C. W. Hackensmith, Professor of Physical Education, University of Kentucky, Lexington, Miss Martha VanMeter, Director of Health Education, State Department of Health, Louisville and Miss Evelyn Cundiff, representing elementary schools on State Health Work Shop program, have all promised to be here and participate in the meeting.

As teachers will be asked to screen pupils on vision and hearing, a demonstration on how this work is done will be given at this meeting.

CHESTER B. RICE

Funeral services for Chester B. Rice, 66-year-old retired Boone County farmer, were held at the Ralph Stith funeral home, Florence, at 2:30 p. m. Sunday, with burial in the Odd Fellows Cemetery, Burlington.

Mr. Rice died Friday at the Queen City Rest Home, 400 Forest Avenue, Cincinnati, following a long illness. He had lived in Burlington most of his life.

He is survived by a niece, Mrs. Luther Smith and a nephew, Carroll C. Rice, both of Burlington.

4-H AND UTOPIA FAIR AUG. 20-21

GRANDSTAND SEATING FOR 1200 HAS BEEN ERECTED AROUND NEW SHOW RING—NEW DISPLAYS FOR THIS YEAR.

The sixteenth annual Boone County 4-H and Utopia Fair will be held on August 20 and 21st, according to the County Extension offices.

Grandstand seating for 1200 people has been erected around the new show ring. A new horse barn and sandwich stand have been erected.

New classes have been added in home economics, dairy, horse and pony shows. The open class dairy show and part of the horse and pony show will be held Friday and Saturday evening. The evening shows are the first to be held at the Burlington fair grounds.

The official premium list will be printed in the paper this week. WLW plans to send their radio mobile with some of the people from Everybody's Farm on Friday afternoon at 2:00 p. m. Roy Battles will make a transcript to be broadcast the following day over WLW.

Leaders in all agricultural and Home Economics organizations in the county are working together to make the 1948 Fair the best on record.

Mr. and Mrs. J. E. Snyder spent Saturday with Miss Ruth Kirtley of Lawrenceburg, Ind.

LIGHT VOTE IS CAST SATURDAY

IN PRIMARY ELECTION—SPENCE, BROWN, COOPER AND BRAMLAGE ARE WINNERS IN COUNTY RETURNS.

Boone County polled one of the smallest votes in many years Saturday with only 980 voters casting their ballots out of a total of 7,700 registered voters in the entire county.

Brent Spence, of Newport, led the ticket in Boone County with 766 votes, over his opponent Thobe who received only 60 votes. John Y. Brown, democratic candidate for United States Senator was second with 524 votes over his opponent Virgil Chapman with 335 votes. Whitworth, the third man in the race for Senator received only 18 votes in the entire county.

John Sherman Cooper, Republican nominee for Senator received 64 votes and his opponent, Sullivan had a total of only 4 votes. In the race for Congress, Ervin L. Bramlage, of Erlanger, won over his opponent Smith 46 to 20.

Late Tuesday, Chapman was leading Brown by an official margin of approximately 10,000 votes with all but a few of the precincts of the state being counted. Cooper also was holding a 9 to 1 lead over his opponent in the Republican primary. The unofficial count showed Chapman 160,375; Brown 90,329 and Whitworth 10,965. Cooper has received 69,892 votes over his opponent Sullivan's 7,411 votes.

These veterans were holding their twenty-eighth annual reunion. Mr. Pierce trained with them at Camp Sherman and fought with them in France.

COUNTY GOES OVER THE TOP

GOAL OF $1500 IS EXCEEDED IN CANCER CONTROL DRIVE—COUNTY CHAIRMAN EXTENDS THANKS TO WORKERS.

Boone County was asked by the Kentucky Division of The American Cancer Society to contribute $1500 for cancer control this year. This amount was exceeded by $60.00

A great deal of effort went into this educational and financial campaign, which is still in its infancy in spite of the leaps and bounds made in controlling cancer the last three years.

State headquarters report that the public is responding to the idea of early diagnosis and treatment much more rapidly than funds are being made available. The eighteen free clinics, scattered over the State for indigent patients and our wonderful new mobile unit, which functions in the mountain sections, requires ever increasing funds.

"There is no chance to relax our efforts or our giving now, if we expect to cut down the more than 188,000 annual death toll from cancer," Mrs. S. B. Nunnelley, Boone County chairman, said. Nothing but heart disease takes a greater number of lives.

Following is the financial report from the various communities:

Burlington	$219.77
Belleview	62.42
Petersburg	114.52
Verona	25.00
Union	66.81
Walton	54.64
Walton School	49.05
Walton Business	22.97
Florence	320.11
Constance	57.10
Colored Division	10.00
Hebron and Northern County Districts	548.00

"I would like to personally thank every woman who helped to contact the public with literature and to collect funds to make the above report possible," Mrs. Nunnelley said.

MRS. KITTIE McCLUNG

Mrs. Kittie McClung died at the home of her daughter in Sorrento, Michigan on August 2nd. Funeral services were conducted from the Fredwood funeral home last Thursday, August 5 at 1 p. m., with burial in Grand Lawn Cemetery.

Mrs. McClung was a former resident of this county, having resided here until this spring when she moved to Michigan to make her home with a daughter.

She is survived by one daughter, Mrs. Addie Bookhart, of Michigan; one son Emery Smith, of Cincinnati; one sister, Mrs. Addie Aylor, of Hebron, and two grandsons.

ELLEN HOPE ROBERTS

Ellen Hope Roberts, 68 years of age, a life-long resident of Verona, passed away at her residence at 10 p. m., July 16, after an illness of two weeks. Her death was caused by a cerebral hemorrhage.

She leaves her husband, T. B. Roberts, Verona; two sons, Harry B. Roberts of Van Dyke, Mich., and Richard L. Roberts, of Verona; and one daughter, Mrs. Ruth Allen, of Verona, and three grandchildren.

Funeral services were conducted on Sunday, July 18 at 3:00 p. m. at the Beaver Christian Church with Rev. Ensign officiating. Burial was in the church cemetery.

Hamilton funeral home of Verona had charge of arrangements.

I. C. Gaines, of Burlington, purchased L. C. Littrell's 123-acre farm on Highway 16 near Verona with a 7-room brick house, 3 barns. This is considered one of the best farms in that locality.

Charles Sturgeon's 100-acre farm located on the Mt. Zion Road, near Verona was purchased by Ollie Perry, of Newport, Ky.

Hugh Semones of Walton, Ky., purchased Wallace Lucas' 12-acre farm on the Limaburg-Hebron road.

I. C. Gaines of Burlington, purchased R. B. Taylor's 5-room all-modern house on Shelby Street, Florence, Ky., which he plans to move into in the future.

Agnes and Roy McClanahan's place of business located at Beaver Lick was sold to Mr. and Mrs. Owens of Cincinnati, O.

Harold Markesbery of Warsaw, purchased Parker Hollis' lot located on Dixie Highway in Florence.

AUGUST TERM WILL END MON.

AFTER FOUR-DAY SESSION—GRAND JURY IN SESSION ONLY TWO HOURS AND SIXTEEN MINUTES.

The August term of the Boone Circuit Court is expected to come to a close on Monday, August 16th after being in session for only four days for the entire term, according to the Hon. Judge Ward Yager, of Warsaw.

There were only a few minor cases to be disposed of this term, and if everything goes according to plan, the term will be completed on Monday afternoon, August 16th.

Those called for jury service are as follows:

Grand Jury: Sterling Rouse, Stanley Fooks, E. M. Hance, P. E. Bush, Clarence Struve, Gilbert Groger, W. B. Rogers, Sr., Omer Kite, Wm. Arrasmith, Bruce Allen, Edgar Elmore and Lillard Scott, foreman.

Petit Jury No. 1: Wallace Rice, Alfred Robbins, R. J. Schwenke, R. E. Kirtley, W. D. Scroggin, Norman Schwenke, Thos. Hensley, R. M. Daniels, W. D. Massie, Robt. Rouse, Joe Hodges and Russell Miller.

Petit Jury No. 2: Joe Woods, Robt. Yoeli, Paul Aylor, Albert Willis, Elmo Jergens, Virgil Vice, O. J. Struve, Carvin Goodridge, Ira Long, W. H. Presser, Joseph Aylor and Frank Allen.

The report of the grand jury was very brief and to the point and covered the situation completely. An exact copy of it as it was handed the judge follows:

To honorable Ward Yager, Circuit Judge:

"We have been in session one day and found all of the county property in good condition except some minor repairs, which the Judge of the Fiscal Court has already arranged to make as soon as labor is available.

"There were no cases held over, no one in jail, no witnesses and no complaints to be heard. Boone County is in good shape, has abundant crops and everyone seems to be prosperous and happy.

"Having no work to do, we request to be finally discharged.

"Gilbert Groger, Clerk.

Lillard S. Scott, Foreman."

We agree with the report that Boone County have been exceptionally peaceful for the past year and that there is no doubt that we have one of the finest prospects for crops that we have had for many years. Probably this is our reward for being peaceful and minding our own business as many of our neighboring counties report less favorable crops this year and over the state as a whole. Boone County excells all others for its outstanding crops this year.

SQUIRREL SEASON OPENS AUGUST 20

AND CLOSES NOVEMBER 5—REPORTS INDICATE LARGER SQUIRREL POPULATION IN MOST SECTIONS.

Squirrel hunters may take to the woods on August 20 this year, five days later than the opening of the season last year, the Division of Game and Fish has announced. Thirty days have been cut from the season this year in an effort to protect squirrels for future years, the Division points out. The season will open on August 20 and close on November 5, both dates inclusive. Formerly the season extended from August 15 to November 30. Reports from throughout the State indicate a larger squirrel population in most sections than last year. The hunter must possess a hunting license, and repeater or automatic shotguns must be plugged so that they will not hold more than three shells in the magazine and barrel combined, the Division warned.

The rabbit and quail season also has been reduced this year. The season will open on November 20 and continue through January 10, as compared to the season of last year which opened on November 20 and closed on January 15. The squirrel limit will be six per day, with 10 quail and eight rabbits being within the law.

The Fish and Game Commission also has changed the frog hunting season. Frogs may be taken from June 1 through December 31, with a limit of 15 per day. Hunting of pheasant or native grouse will be December 1 to December 15, both dates inclusive, while opossum, mink, raccoon, skunk, muskrat and red fox may be taken from December 1 to January 31, both dates inclusive. Federal regulations, which have not been announced, apply to the hunting of doves, geese, coot and gallinule, woodcock and snipe.

BOONE COUNTIANS ATTEND 4-H CAMP

BULLITTSVILLE AND SAND RUN AT TOP

OF SUNDAY SCHOOL LEAGUE STANDING — VERONA, BURLINGTON AND UNION ARE WINNERS SATURDAY.

Bullittsville and Sand Run held top positions in the Boone County Sunday School League, with Bullittsville having a record of 17 victories against 1 defeat, while Sand Run has a total of 14 victories to 4 defeats.

Complete results of games in the league were not available as we go to press, but scores were given us, which we include in this column.

Florence traveled to Verona Saturday and suffered defeat at the hands of the hosts by a score of 9 to 8.

Sand Run entertained Bullittsburg in what was said to be one of the best games of the season, with neither team scoring until the eighth inning. Pepper was on the hill for Bullittsburg, and it is reported that he had "plenty" on the ball. Sand Run rallied in the eighth and closed the game on the long end of 4-3 count.

Bullittsville travelled to Petersburg and emerged on the long end of a 27-11 count.

Burlington visited Belleview Saturday and trounced the boys from the river by a score of 13-3.

Ten innings were required to decide the victors in the Union-Big Bone game Saturday at Big Bone. Union scored their winning run in the tenth, to give them a hard-earned victory by a score of 10-9.

BOONE CO. MAN ARRESTED SUN.

IN ALLEGED BOOTLEG WHISKY RING — FEDERAL OFFICERS MAKE ARRESTS AT SCHENLEY DISTILLERIES, LAWRENBURG.

Ralph Montgomery, of Petersburg, Ky., was arrested early Sunday with three others in the Schenley Distilleries, Lawrenceburg, Ind., by Federal operatives equipped with walky-talkies, after trapping the men removing aging whisky from a U. S. bonded warehouse with a garden hose.

The four, all employed by Schenley Distilleries, Inc., were arrested, and one admitted he had been selling stolen whisky to a Kentucky bootlegger.

The three other men arrested were Elmer Fred Huddle and Earl Bruce of Aurora, Ind., and Albert Ester at his home in Aurora.

The arrests were made early Sunday by operatives of the U. S. Alcoholic Tax Unit of the Ninth Permissive District under Daniel Conerty, district supervisor, who flew from Chicago headquarters.

Federal men waited until the theft operation was actually under way, keeping in touch with each other in the darkness via walky-talky.

Huddle, Bruce and Montgomery entered the warehouse about midnight through an unlocked door, while federal men watched. Two of the three suspects went to the fifth floor of the warehouse. There they poured whisky through a garden hose to a confederate on the roof below, and he placed it in 15-gallons cans. About 30 gallons had been removed when the arrests were made.

The suspects were taken to Indianapolis, where they were to appear before the U. S. commissioner. Bruce was the only man who admitted selling any of the liquor, according to reports.

They are at home to their friends at 1110 Bankhead St., Garland, Texas.

VERONA TRIMS TAVERN NINE SUN.

WHILE BOB AND GENE TROUNCE PETERSBURG IN BENKE SEMIPRO LEAGUE AT PETERSBURG PARK.

Verona collected seven hits, good for five runs in downing the We Tavern nine Sunday by a score of 5-1 at the Verona Park. Steffen was on the hill for Verona allowing only four hits, striking out 12.

Lorens was on the hill for the visitors, having six strike outs.

Both Verona and We Tavern had two errors chalked up against them. Judge led the Verona team with two hits in four times at bat and stole home in the eighth inning.

Bob and Gene scored its fourth win in the series as it trounced the Petersburg nine by a score of 9-1 at the Petersburg park Sunday.

The winners clouted the offerings of D. Deck and H. Deck for 14 hits, including three triples and three doubles. Dutch Reibling was on the mound for the winners and allowed six hits, striking out five. The losing pair of hurlers fanned five.

Bob and Gene scored a run in the first inning and after Petersburg knotted the score in their half the winners tallied three in the third and were never headed. The winners added two in the sixth and concluded scoring with three runs in the ninth.

Schmidt led the winners with three hits out of five times at bat, including a double. Conner, Reibling and Kilmer each connected for two hits.

MEMORY LANE

FAMILY CONVEYANCE
Remember when the tasseled top surrey, with its shiny leather dashboard, was the family conveyance? Sometimes the steel tire came off the wheel and rattled down the road. Then everyone had to climb out and find rocks to help pound the tire back on. Remember?

FLORENCE W. S. C. S. MEETS

The Women's Society of Christian Service of the Florence M. E. Church were hostesses to the W. S. C. S. of the Williamstown church on Tuesday, August 3. Lunch was served in the church dining room at 12:30 followed by a program presented by the guests which was most interesting and covered the economic, social and physical needs of Porto Rico.

The program was interspersed with singing including a duet by Mrs. L. M. Ackman and Mrs. J. H. Blackburn. Others who took part were Mrs. Otis Kells, Mrs. J. S. Juett, Mrs. E. C. Vice, Miss Elizabeth Bracht, Mrs. O. L. Mills, Mrs. C. W. Ammerman, Miss Mildred Thorpe, Mrs. Ethel Daugherty, Mrs. O. W. Robinson and Mrs. Will Parks, of Covington, who is district president.

The group from Williamstown departed at the conclusion of the program to attend funeral services for one of the oldest members of their church. The business meeting of the Florence society was held after the guests departed, with the president, Mrs. Paul Chaney presiding.

Two new members were welcomed Mrs. Sam Denham and Mrs. W. L. Oliver, also three guests, Miss Ruth Bristow, Mrs. Maggie Glacken and Mrs. Will Parks.

The meeting closed with prayer by Mrs. O. W. Robinson.

The Florence society is invited to be guests of the Williamstown group in October.

Andrew, The Man Who Brought Others

Lesson for August 15, 1948

Dr. Newton

MEET Andrew, brother of Simon Peter, fisherman of Galilee. Follow his career and you will account him one of the truly great men of the ages, chiefly because he was ever alert to help men on to God. He was always introducing his friends to Jesus.

There are many passages of scripture cited for this study, with the devotional reading in Luke and the Golden Text from John 1:42: "He brought him to Jesus."

• • •

WHAT ANDREW TOLD HIS FRIENDS

WHEN Andrew met Jesus, and discovered in him the Saviour of men, he went and found his brother, Simon, and said unto him, "We have found the Messiah, which is, being interpreted, the Christ," John 1:41.

What do we tell our friends? Do we not delight to tell our friends what we have found to be good? This was the mission of Andrew—teling his friends about Jesus, for he had found in Jesus that which was good. John the Baptist had told Andrew about Jesus, and he was determined that he would tell everyone who would listen to this good news.

• • •

HOW ANDREW KNEW ABOUT JESUS

ANDREW got his impressions of Jesus firsthand. When he heard John the Baptist say, "Behold the Lamb of God that taketh away the sin of the world," he went on to inquire about Jesus, and Jesus bade him and John spend the day with him. They did, from 10 o'clock in the morning until late afternoon. That was enough. Andrew knew from that day about Jesus. He was now ready to tell others what he knew about Jesus.

Do we know Jesus well enough to tell others about him? If a fisherman could tell the story effectively, cannot everyone? But let us remember this, no man can introduce his friend to Jesus until he himself knows Jesus.

• • •

THE MAN WHO BROUGHT OTHERS

LET'S look for a moment at some of the people Andrew brought to Jesus. We begin, of course, with Simon, his brother. Here, I think, is the highest test of his ability to tell others about Jesus—bringing his own brother. It is often easier to tell strangers about Jesus than those of our own family.

And now we see Andrew yonder in the multitude, finding the lad with the loaves and fishes, and bringing him to Jesus. That is the test of seeing the right person at the right time. And again this is the acid test of introducing people to Jesus.

Again, we see Andrew sensing the fact that some young Greeks had come a long way to see Jesus. He knew how to help them. In this incident we see the final example of winning people to Jesus—cultured Greeks, who were familiar, we may assume, with the current thought of the world. But this simple fisherman of Galilee knew how to approach them, how to gain their attention, how to bring them to Jesus.

• • •

THEY WAIT FOR THE ANDREWS TODAY

THE world waits for some Andrew today. I fully believe that most people could be won to Christ if only there were enough Andrews. Rarely have I had a person to repel me when I faithfully followed the leading of the Holy Spirit to speak to such person about Jesus.

Andrew did not rely upon his own resources. He went in the might of the Lord. He knew what Jesus had done for him. He yearned to see all men enjoy their blessing. He was a simple messenger—a voice.

And God gave him words—words that fell like good seed into fertile soil. So may we today introduce our friends to Jesus. Only let us remember this—we must first know him!

KENTUCKY TWELFTH IN ARTIFICIAL BREEDING

Kentucky holds twelfth place in the United States in the number of cows enrolled in artificial breeding associations, according to a report from the University of Kentucky.

On January 1, 1948 after 15 months of operation in Kentucky 31,291 cows were enrolled. Of this number approximately 1500 are in the Boone County Association.

Some dairymen are reluctant to admit that it costs anything to keep a bull. Others plan to keep a cow instead of a bull. In nearly all cases a bull costs and a cow pays. Complete records on nearly 100 farms in Michigan, revealed that the average cost of natural service was $11.00 per female per year. The average bull on these farms served 19 cows or heifers. According to these figures a dairyman would need to breed 40 cows per bull to lower costs from that of artificial service. These figures do not account for the initial cost of bulls of comparable quality to those in the stud.

Each year one Kentucky dairyman has been killed by a bull.

S. M. WOLF

SAMUEL M. WOLF, owner of the Grand Leader, 32 Pike street, Covington, is observing his 30th year in Covington with a celebration at his store this month.

Mr. Wolf recalled the busy market house at Seventh street and Madison avenue as the old hitching post in front of his store.

He announced he has served three generations in many families of Covington and surrounding communities.

LIMOUSINE SERVICE FROM AIRPORT TO HAMILTON PROPOSED

Plans to Link Hamilton Ohio to the Greater Cincinnati Airport in Boone County, by limousine service has been proposed by the American Airlines, Jack Hardin, Secretary-Manager of the Chamber of Commerce, Hamilton announced Monday.

It put into effect, the limousines would transport passengers the 30 miles to the airport in one hour. The route would be over Ohio 128 through Venice and over U. S. 27 to Poole Road; Poole Road to Cheviot, North Bend Road and Harrison Pike to Anderson's Ferry. The machine would be transported across the Ohio River by ferry.

The limousine service would connect with flights leaving between 6:30 and 6 p. m. those arriving at the airport would be brought to Hamilton the same way.
